

新年早々怪奇現象勃発...!?

My body... feels weird... I... I can't move..?!

Wha... What's going on...

Someone... placed a weight on me or something...

It's like...

And...

And I'm... not breathing normally, either...

I'm suffocating..!

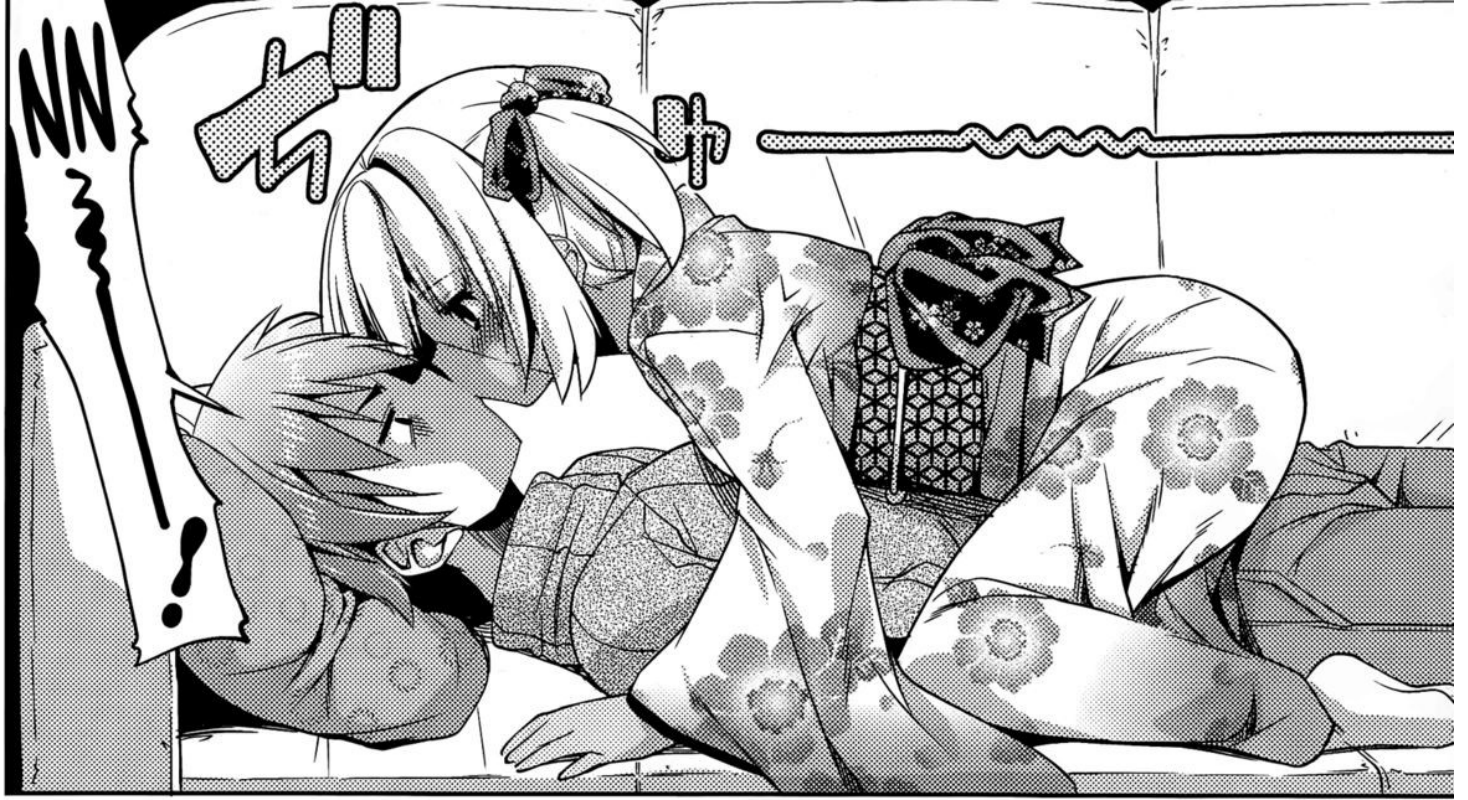

My limbs feel so heavy...

What a great start for a new year..!

The hell is this..?!

GYONIKUN PRESENTS

Zombie thinks you should just breathe through your nose.

Aahh... I really thought I was a goner...

I would... but it looks like I can only breathe through my mouth when I'm asleep.

Yeah. Zombie cosplayed... People took a lot of pictures...

And the shrine visit on the way home... Zombie did by her zombie self.

Phew... So?

How was Comiket? You took care of this year's first shrine visit on the way back, didn't you?

Zombie has to return this kimono by noon today... And Zombie wants to wear it while going to the shrine with you.

But if we're going, we should go now...

Hey, after you've had a good night's sleep...

Yes... Zombie wants to go with you.

Wanna do another shrine visit with me?

.....
?

Oh, right.
I was busy trying
not to die just
now, so I didn't
notice...

Okay...
Sounds
good...

I don't feel like
dealing with huge
crowds of people or
walking for hours,
so let's go to
some boring shrine
in the neighbor-
hood.

Yeah,
you
do!

Does
Zombie
make
you
arou-
sed..?

Ooh!
I might
just assault
you right
here and
now~!♪

Do you
want
to...
rape a
zombie?

You're
looking
super
cute!

But that
looks
really
good on
you.

I bought some amazake, let's drink it to warm ourselves up~

Alright! Shrine visit done!

Okay. Thanks...

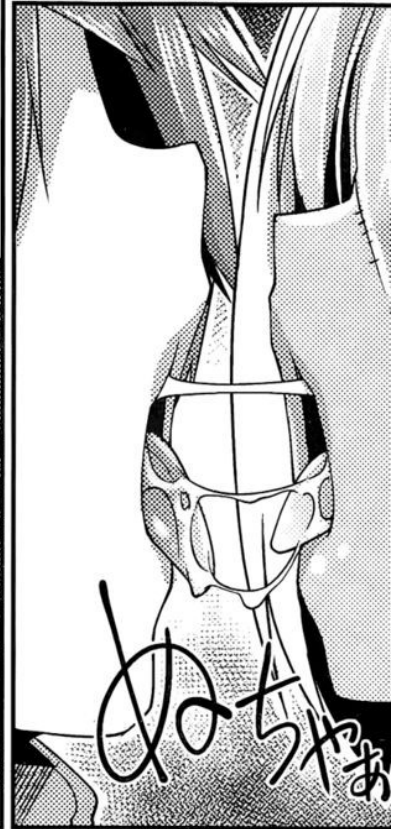

Oh, alright. But the amazake... will get cold, you know?

If a zombie gets kissed during a year's first shrine visit... she must be raped... it's a zombie custom...

I-I see. You zombies have it rough, huh.

Now... It's time for zombie rape... Right here and now...

You're wrong...

And aren't I the one kinda being raped here?

But won't we catch a cold like this..?

Is that so... Zombies have some complicated traditions, don't they.

This thing will soon proceed to violate Zombie's sexual organs... so Zombie will be the one raped...

It's okay... Zombie is already dead... so she can't catch a cold...

It's been forever since you last gave me a blow-job...

So this is too much..!

This is too good...

Oh man...

Yeah... Shit...

Does Zombie's tongue... feel good?

Fuh...

Hn...

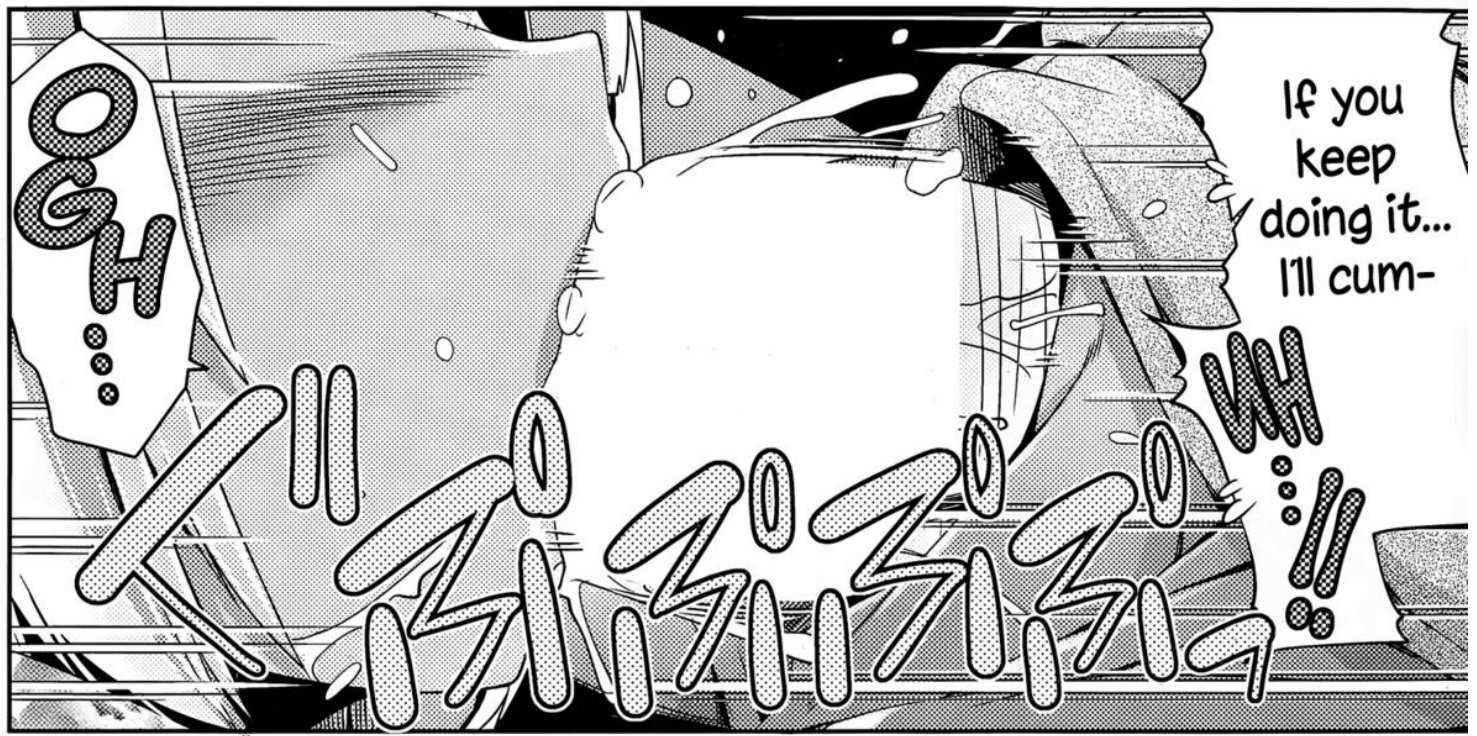

It feels crazy good..!

Zombie... will keep doing her best...

That's good...

Ah... No-

If you keep doing it... I'll cum-

Right... Your mouth... was pretty warm...

It's... sho good..!

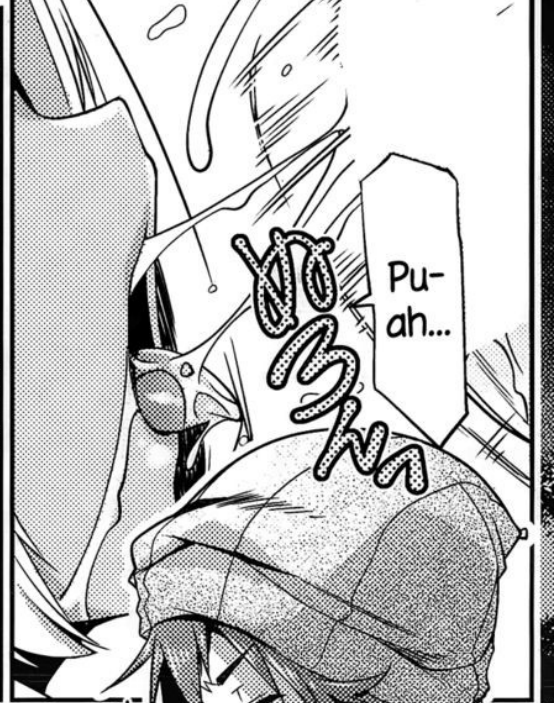

Whoa!

...Next up is...

OK...

Don't get your kimono dirty now, you hear?

Hya... ah...
It's rubbing...
Zombie's...
zombie slit...

Can I...
put it in already..?
Just this
rubbing is making
me want to spurt
out my human
juices...

Yeah...
Zombie
wants it
in too...
Come...

HA
AAH
...
AH
...
AH
...
And
Zombie's
clitoris...
is also
getting
scrubbed...

Haa...

Hah...

Hn..!

Fwah..!

Your first load of the year... has to go inside...

FU HN AH AH

We're welcoming this year Zombie-style... With sex...

Alright, got it.

It really is warm inside you, Zombie~

Nn...

Nha...

Zombie is already dead, but...

Getting raped by Zombie's beloved... warms Zombie's body up...

Ah...

Nn...

Zombie's... boobs are... delicate...

Your boobs... are warm as well.

And...

Hn...

They're soft, too.

Even more delicate...

Zombie's zombie nipples are...

...Hn-!

Zombie's fine... It's alright...

Don't worry about it...

More... Rape Zombie more~!

You shouldn't push yourself, you hear.

I know I'm a bit late, but are you feeling cold?

Zombie's...
New year...
starts
with rape...

It really
isn't easy
being a
zombie,
huh...

I don't
think there
are any
other girls
who'd ask
someone to
rape them on
New Year's
day~

Zombie's
pussy...
feels...
hot...

So...
hot...

It's
hot...

More...
More...
Make...
Zombie even
hotter...

You're
right...
The
cold...

Is all
gone...

Haa..!

Haah..!

Zombie...
is feeling
so good...

That
Zombie's
hips...
are giving
out...

Agh...

Fu-
ah...

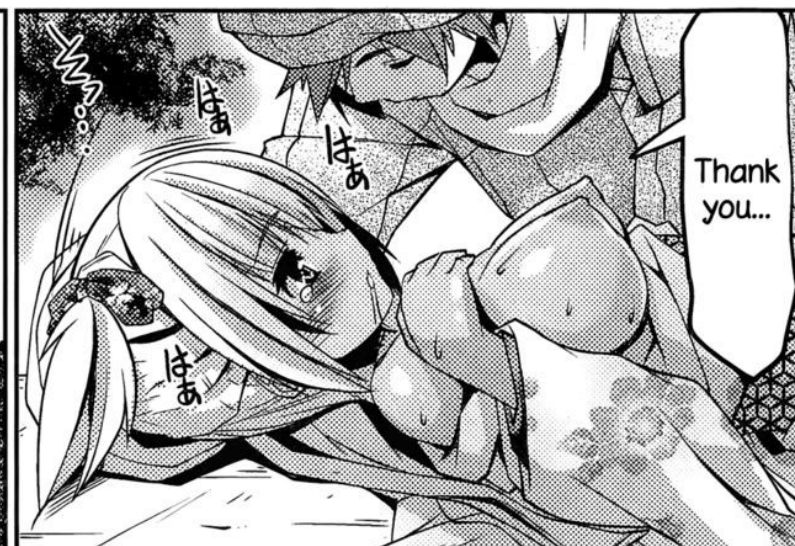

Nh...

Cuh...

Sure
thing.

This
position
is good...
Conti-
nue...

Thank
you...

You
okay?

Zombie
wants to
change...
the
zombie
position...

Is getting raped... again..!

Zombie's zombie womb...

Yeah... It sure is!

How I'm going all the way in!

I can clearly feel it too...

Shoot them in Zombie's womb..!

Come... Your human juices...

Not good... I'm... gonna cum!

I'll do just that!

Here comes...
your New Year's
gift..!

it yet...

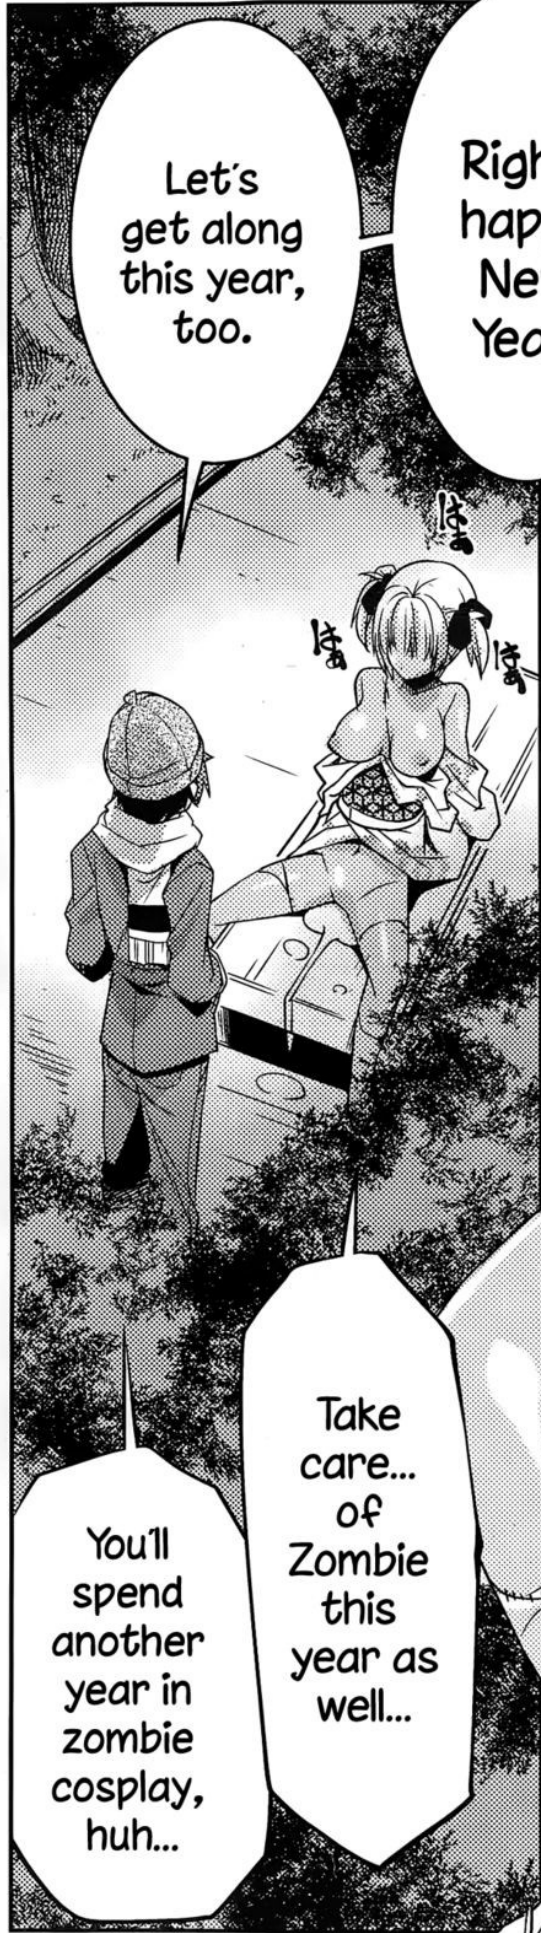

If you're okay
with this as a
replacement
for money,
I'll give you
as much as
you want.

Zombie...
got a big
New
Year's
gift...

Let's get along this year, too.

Right, happy New Year.

Happy New Year...

You'll spend another year in zombie cosplay, huh...

Take care... of Zombie this year as well...

Do you want green tea or black tea?

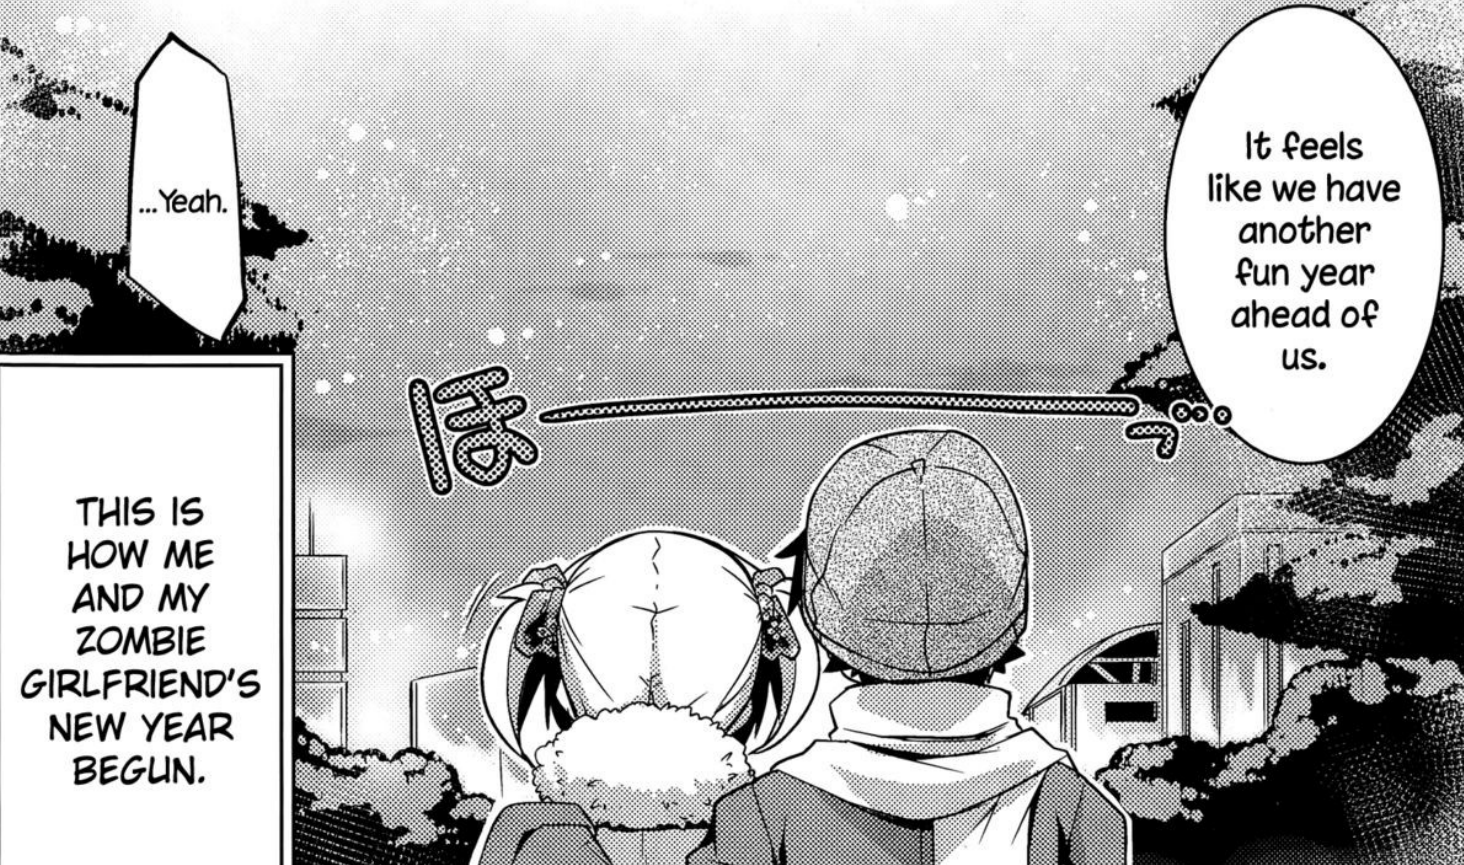

I bought some warm drinks~

Zombie wants green tea...

Fuu~

Pu-haah...

...Yeah.

It feels like we have another fun year ahead of us.

THIS IS HOW ME AND MY ZOMBIE GIRLFRIEND'S NEW YEAR BEGUN.
