We
have
tests

And
I'm kinda
busy
studying
for them
right
now.

Wah~
You're so
studious~

Uhh,
yeah...

And in
the first
place...

Could
you
somehow
stop...

Coming in
my room
as you
please?

Eeh~

But
Auntie
said it's
fine~

So it's
Mom's
fault...

And
you
never
lock the
door,
either~

I don't have any.

If you don't give me candy, I'm gonna prank you~!

What are you talking about?

Hey, hey~

Never-mind that~ Now, what do you have for me?

Agh, man!

Stop right there!

Looks like I'll have to trick you, then~

You're too close!

Ehh~

I'm a guy too, you know? So think about me a little..!

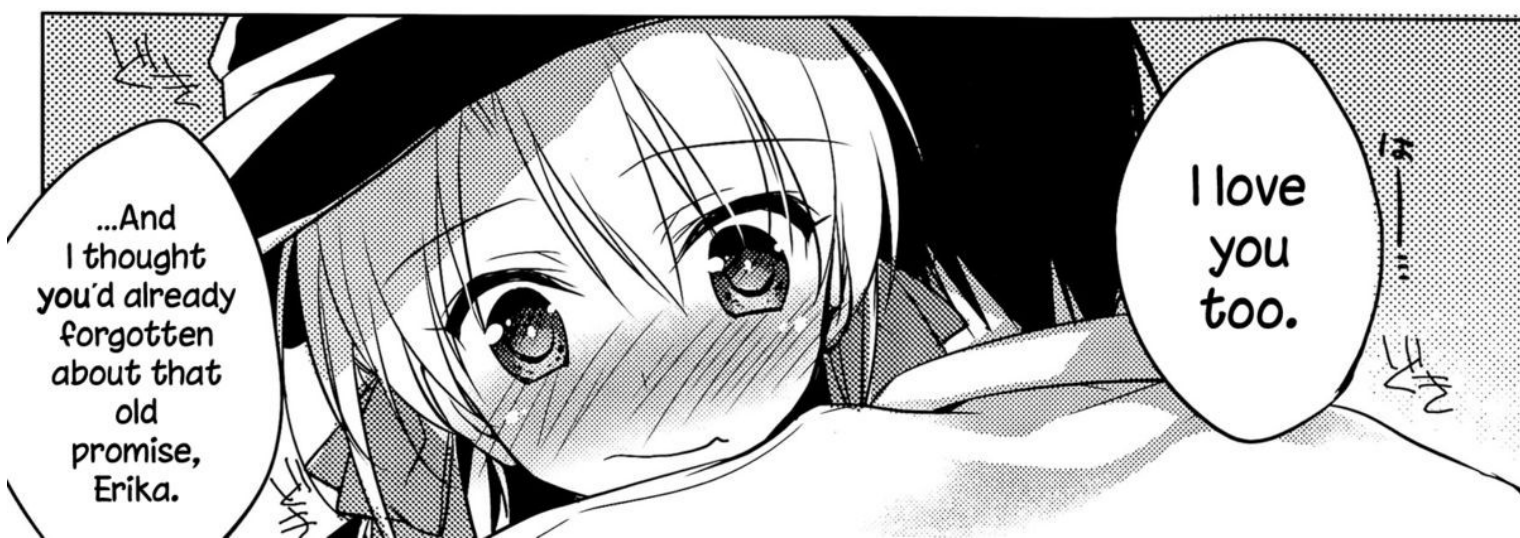

And button your shirt properly!

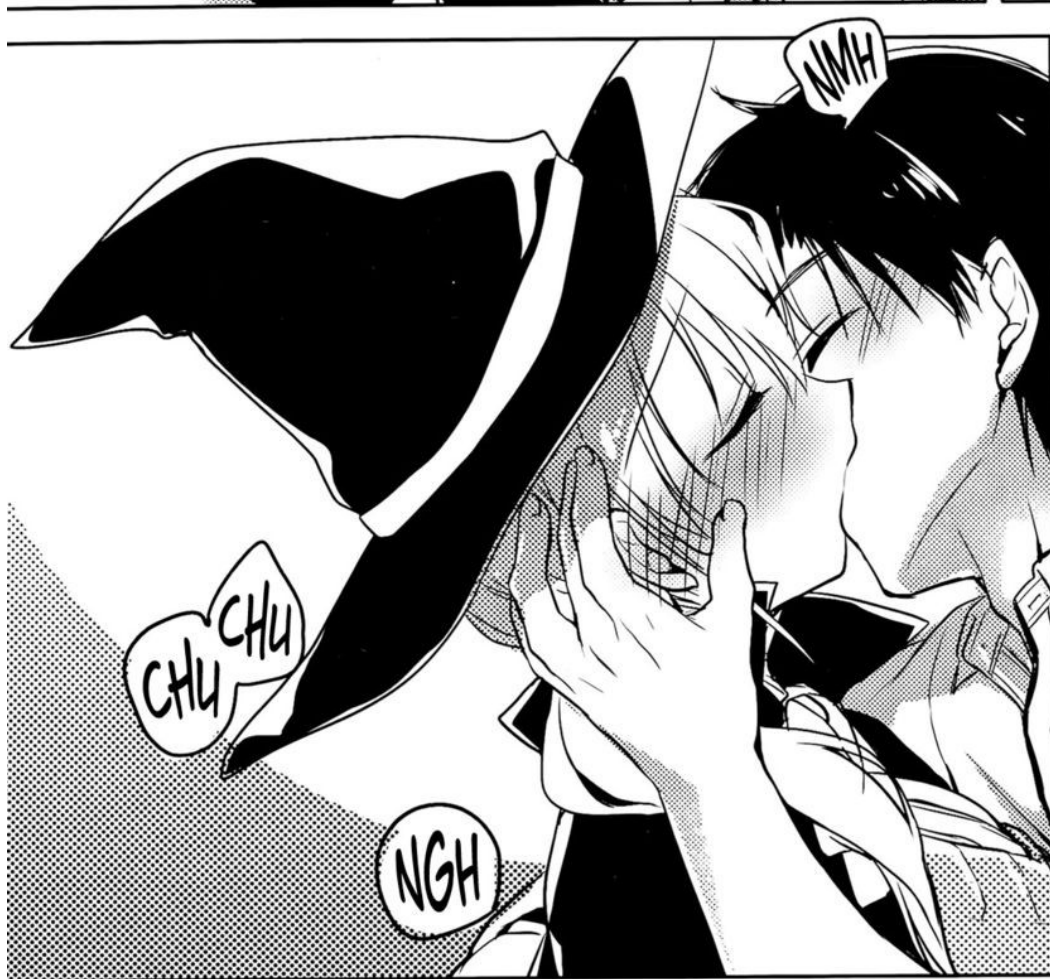

Now listen here!

Sure, we've known each other since we were kids, but don't stick to me like that!

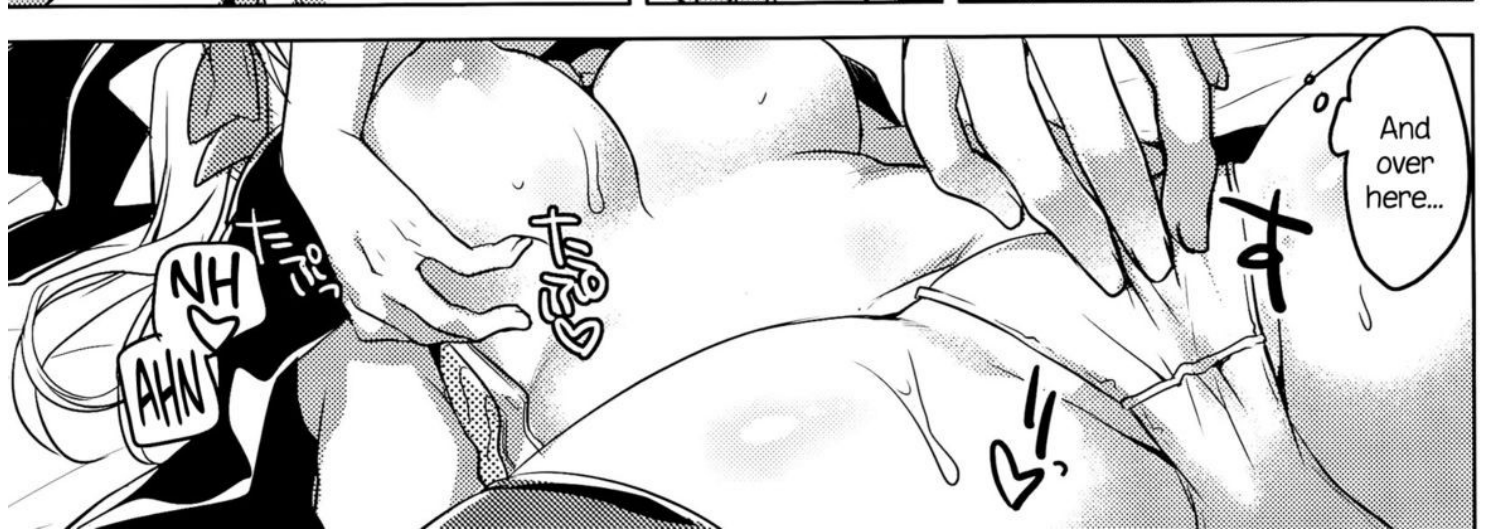

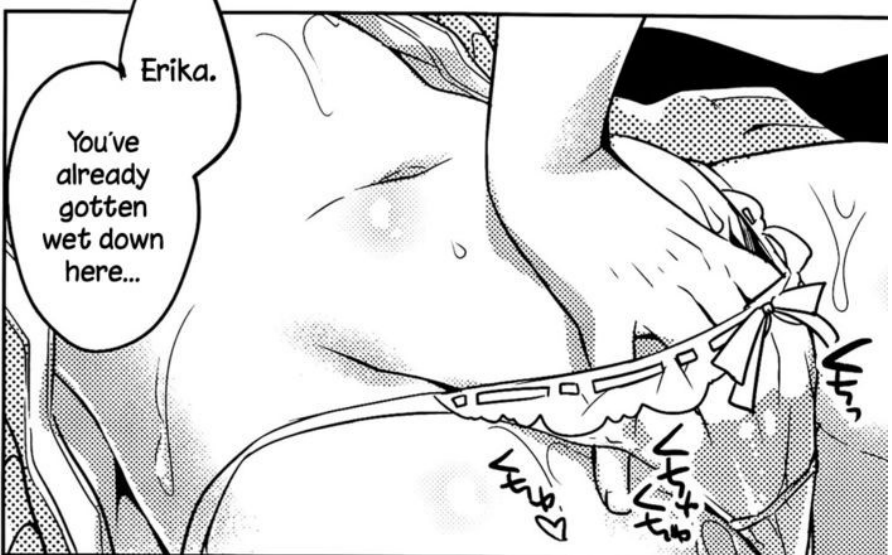

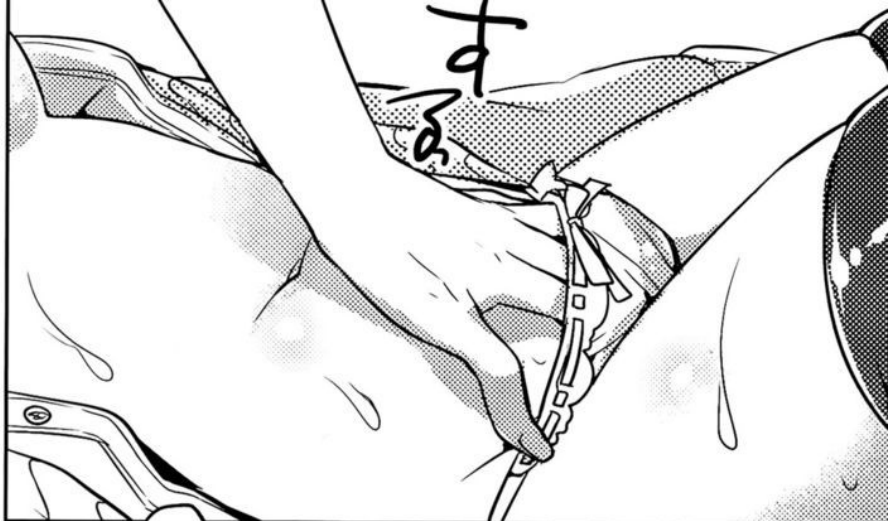

I'm
okay...

Erika?

Are you
alright..?

So, um,
Yuuki...

I-I want
your
wh-white
candy...

...Your
cum...

Inside
me...
