Is it true that you're Yuraha Usako, Non-chan?

I was talking to a girl in my cram school yesterday and...

Say,

That's nuts! Isn't that SNS full of pros?

Yeah, I've heard that too!

She shows up in the illu☆stars rankings a lot!

Well... Yeah...

Huh?

**Praise me more!**

And fine arts is one of my worst subjects...

I can't even draw in front of people.

**Praise me!**

I-I'm not that great...

I just have a knack for drawing manga.

I'm going this way.

Later!

?  
Isn't your house a bit farther up, Non-chan?

Yeah, but I have to run an errand.

Bye bye!

See you tomorrow, then~

Oh.

Bye bye...

.....

There are barely any pictures of the important bits.

They're all a bit meh.

In that case,

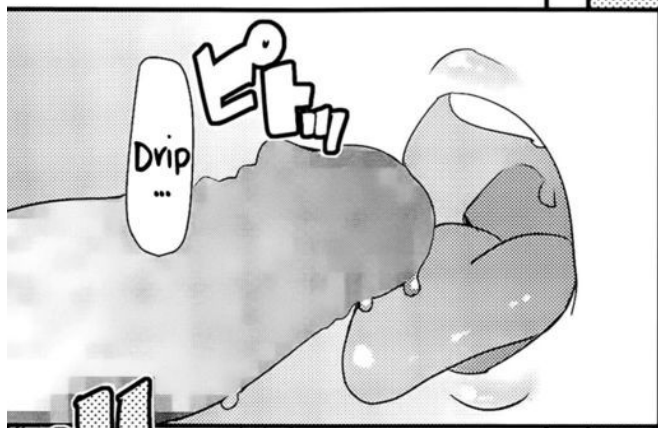

Do that thing I told you about the other day.

If I take it any further, I might

really get caught!

I've already told my friends I'm Yuraha Usako!

Please wait!!

I can't let you stop drawing for me now...

That, I can't accept!!

and then, to my surprise, that same girl posts the drawing on the net claiming she drew it.

I draw something for a girl I meet in a game,

Don't you feel sorry for me?

You're a senior grade schooler, you know where I'm going with this, right?

But if the people on the net or at your school found out about this, imagine the uproar.

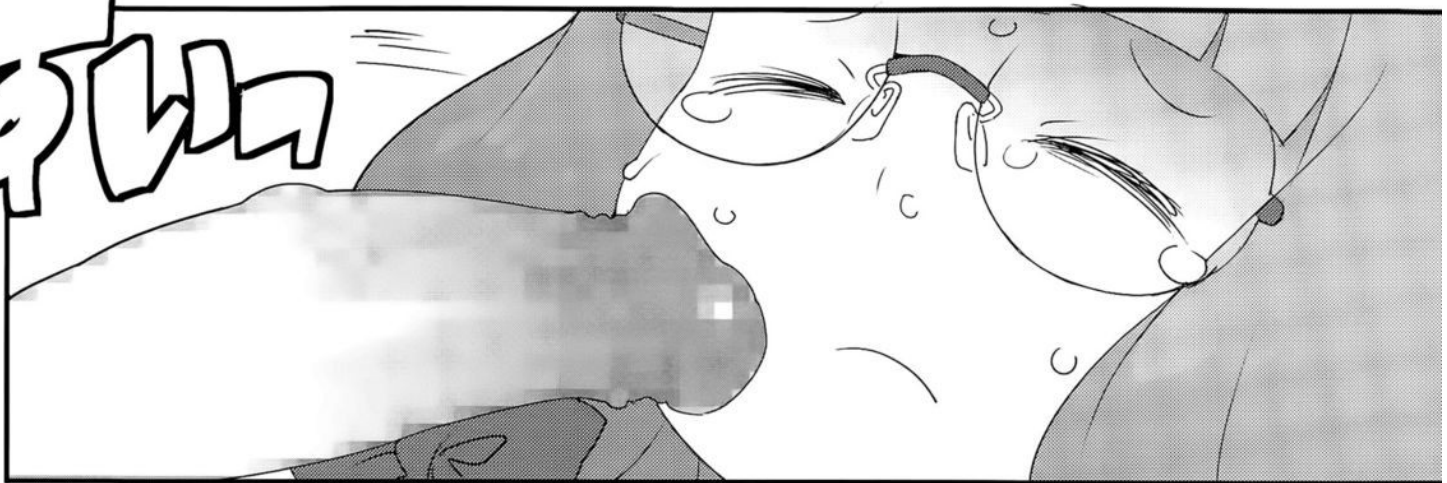

I only played along with this charade until now because I had your future at heart.
