Uwah.

After cumming twice, your pee-pee is all sleepy. I'll let it rest on a boob bed.

It's awake now.

Oh.

Haah.

Ah!

It'll get some good sleep on this bed, isn't that right?

Ah...

If you shake your hips while Charmed, you'll go straight to heaven!

Hero, if you feel like moving, go on ahead.

## AFTERWORD

Hello, it's Cool Kyou Shinja.

I ended up drawing a short doujin about nothing but boob loli succubi and a boy hero having sex.

I've been working with various groups but have been thinking about releasing a book on my own. I had trouble getting around to it and the growing frustration eventually blew up into this. I've done a lot of boob work about older women and boy pairings, but lolis with boobs is my personal fetish, so it felt good to do whatever I wanted here.

I'll probably release some more books on my own occasionally. Until then.
