小学生女子児童が世界をラブくするんだぜ!!

Yesterday,
Nonoka-chan
came to stay
over a for a
couple of
days.

子供の寝相は
人類愛の証明。

What...
It's only
six...?

But I'm
not really
in the mood
to go back
to sleep.
Guess I'll
get up...

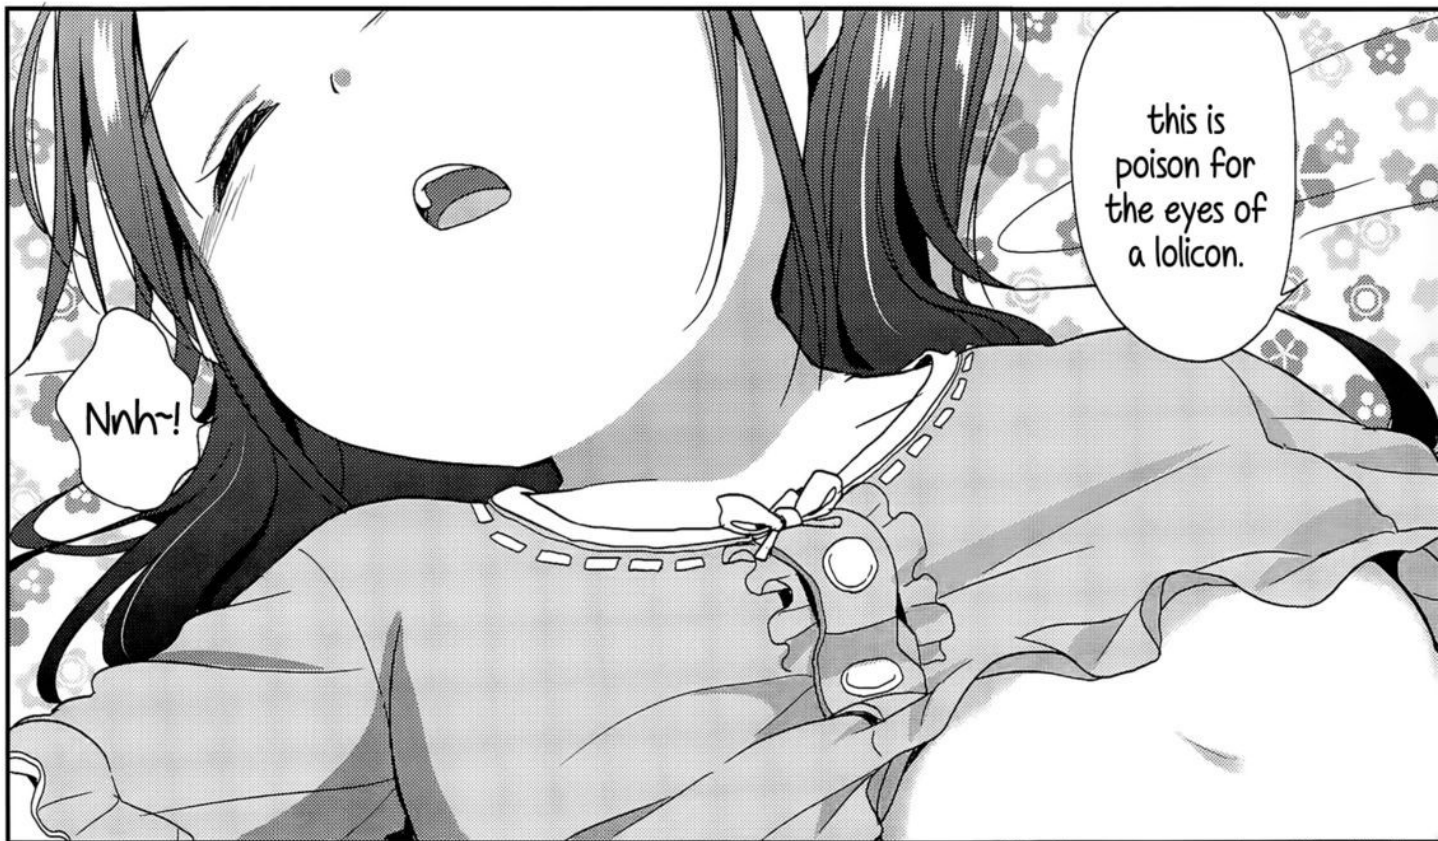

I'm on
summer
break, I
don't have
to go to
college.

Grab

...Oh,
right...

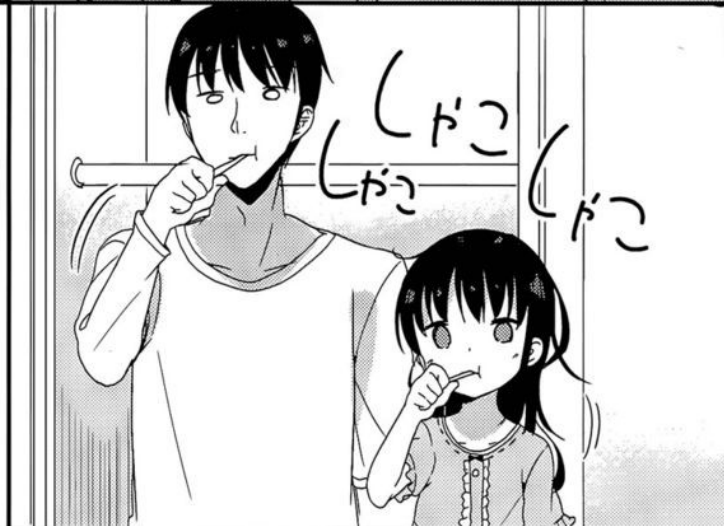

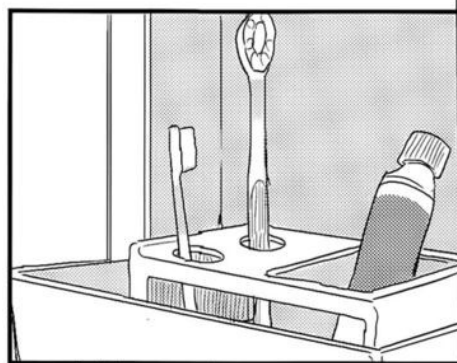

女子学生3人
Day to day with a grade school girl

冬野みかん

this pint sized devil wearing her puberty on her sleeves keeps toying with me..!

Yeah?

You're spending the whole summer break here?!

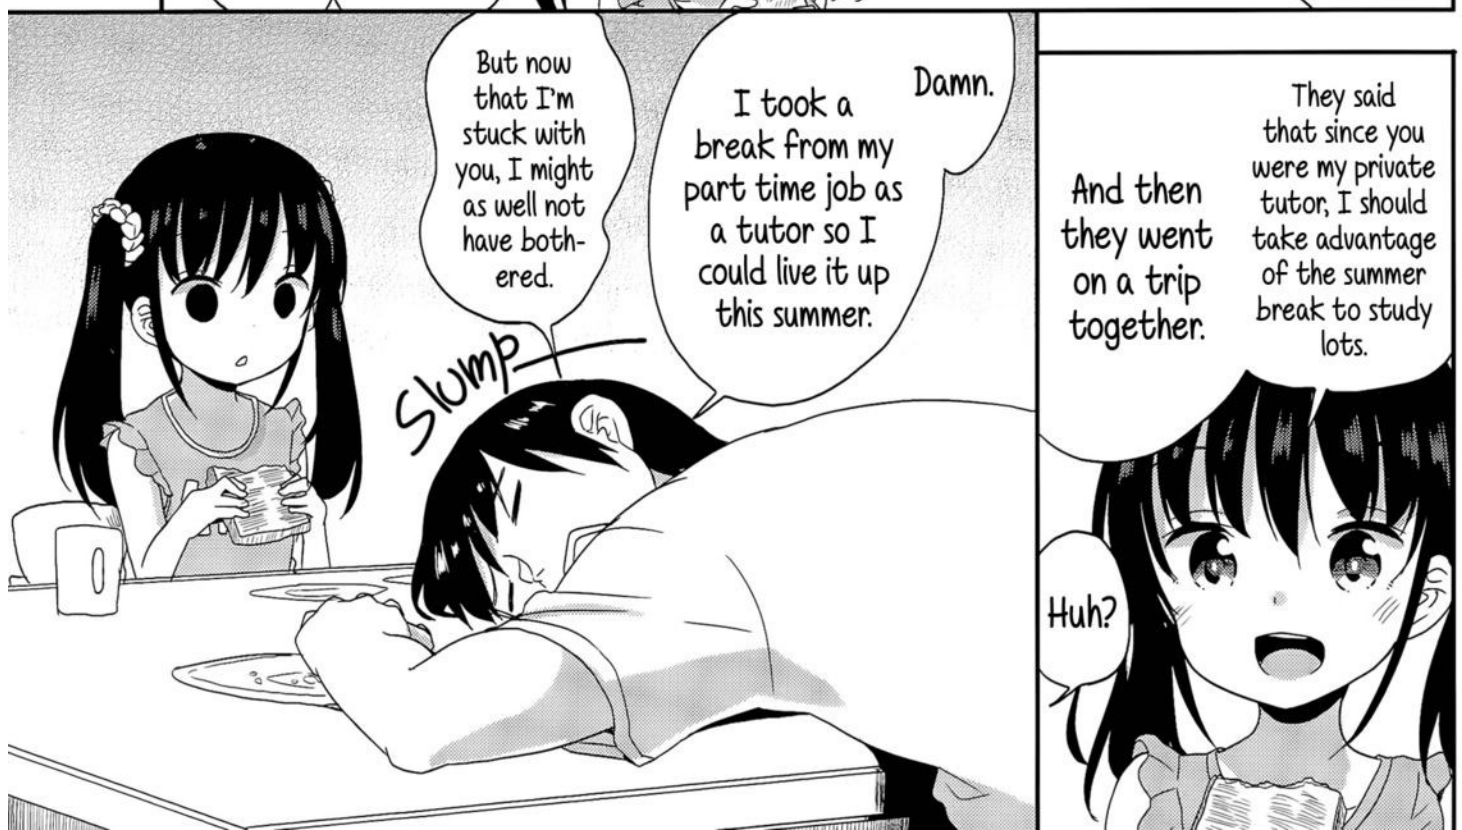

What?

I even brought all of my home-work.

My mom and dad both said I could.

Mfufu..

I thought it was only two, maybe three days at the most...

But now that I'm stuck with you, I might as well not have bothered.

I took a break from my part time job as a tutor so I could live it up this summer.

Damn.

Slump

They said that since you were my private tutor, I should take advantage of the summer break to study lots.

And then they went on a trip together.

Huh?

Well, aren't you happy to be spending a bunch of days with a cute little girl at least, Onii-chan?

S-Sure...

You look it...

so I'm overjoyed.

Well, I for one, get to enjoy every day of my break with my beloved Onii-chan at his house,

Of course, I'm an idiot!

What am I fussing for, we can just live it up together.

...Oh, yeah!

Go out?!

All right! Nonoka-chan, we're gonna go out a bunch of times this summer!

ガタッ

Kissing
Onii-chan...

Wha?!

But
you have
to finish
your home-
work.

Yay!
You're the
best, Onii-
chan!
Thanks!

Aw...

The
most
impor-
tant
home-
work?

Then again,
I think I'll be
done with the
most important
summer home-
work in a
flash.

Oh...?

Kya

Onii-chan's a
lolicon, so this
homework's
gonna be a
piece of
cake!

I don't
get grade
school
girls...

Onii-chan,
you're a
pervert!

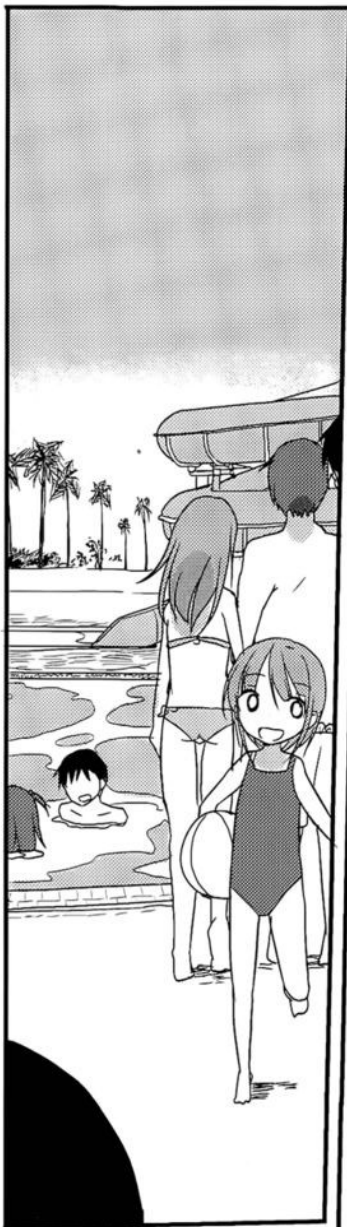

Whisper
Whisper

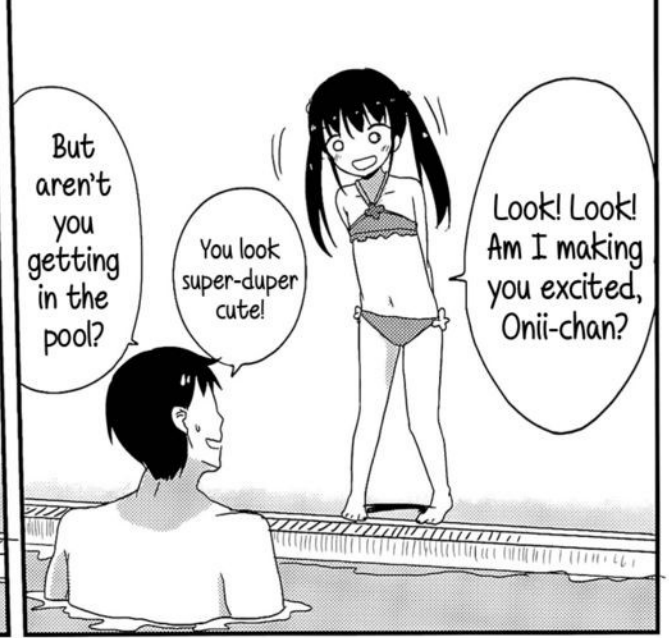

In
short...

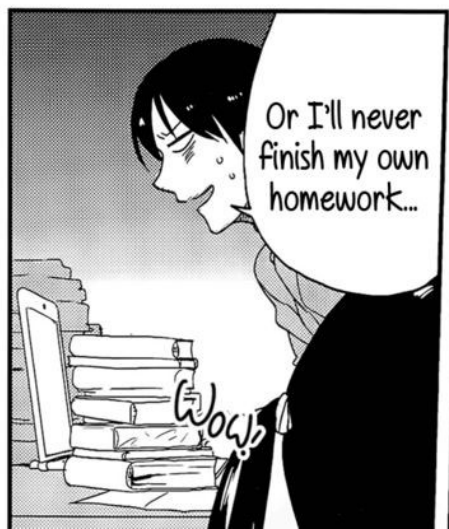

Oh,
but I'm an
adult, so don't
expect me to
stop after
just a kiss.

Whaddya
mean?

So many couples!

Wow!

Aha ha.

I wonder if we look like a couple too?

Huh?!

Pout—

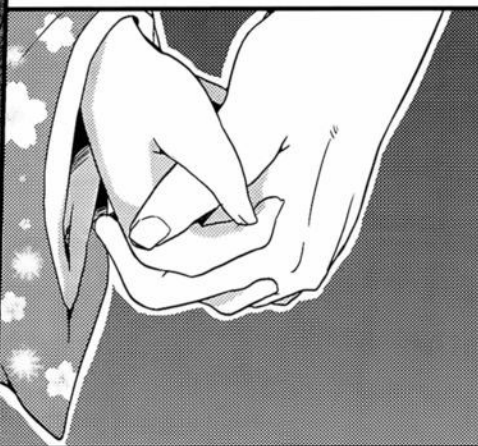

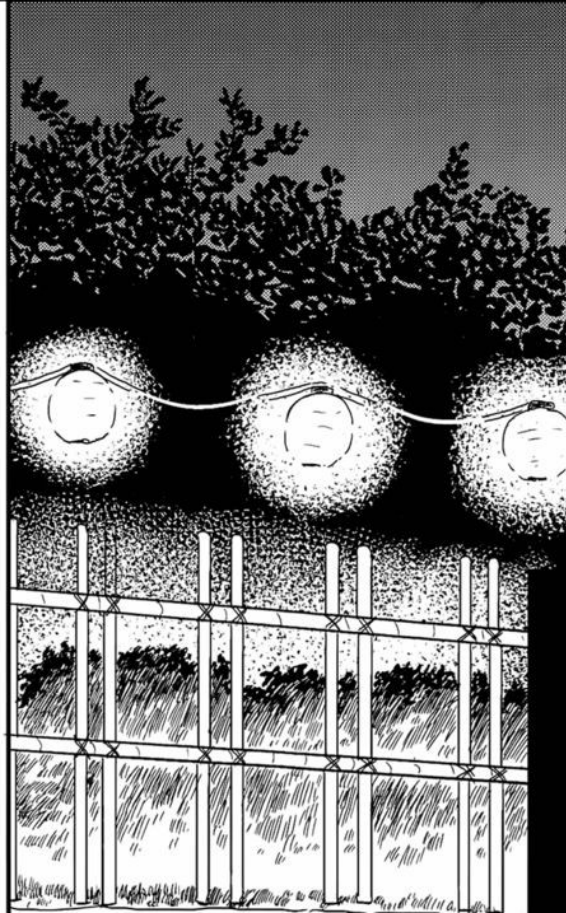

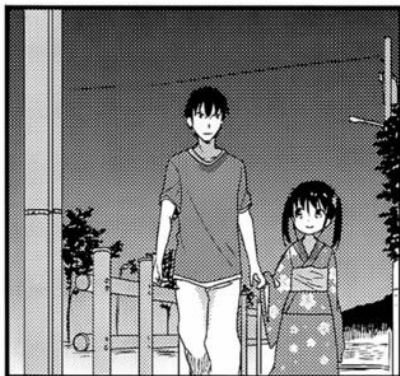

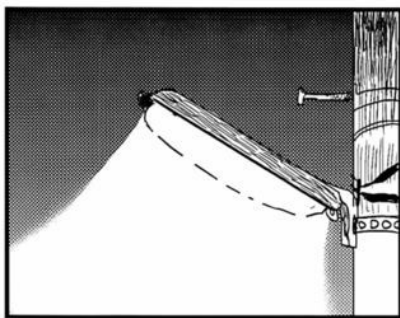

Oh! What a cute little sister!

Say, want a candy apple?

Not when
she's sleep-
ing like a
log.

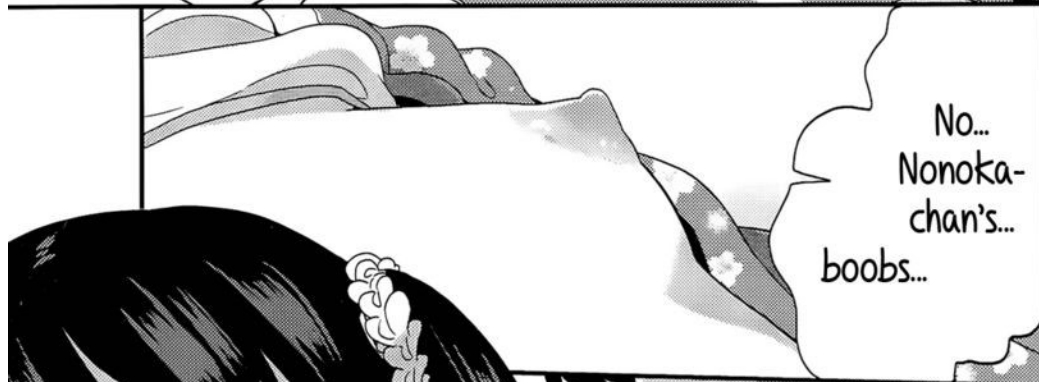

If she's
asleep, then
she won't know
if I play with
her a bit.

...If...

I'll only
undress
her a
bit...

They're
intoxi-
catingly
cute.

And this
unbearable
size...

They have
such a childish
elasticity, when
I push down on
them, they snap
right back.

They're
springy and
soft.

then
maybe I
can fiddle
with this
too...

...Though,
if she won't
wake up
from this...

Hm?

Why's she
shaking...?

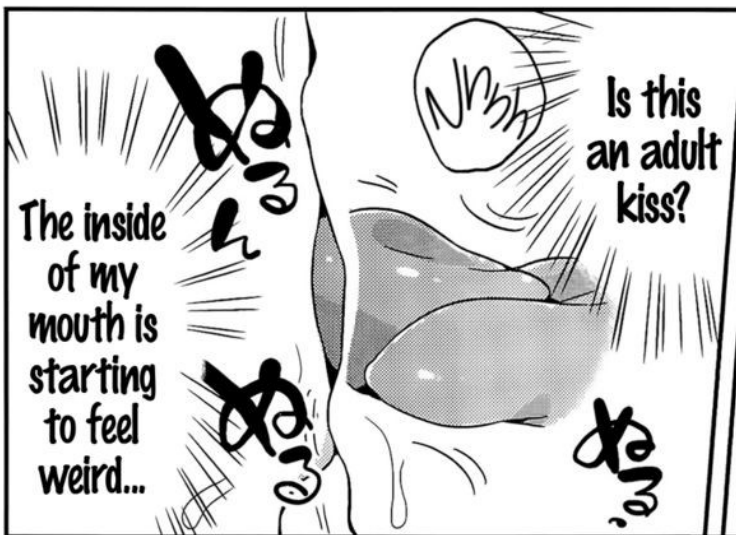

First,
take off
her pa...

You were awake, weren't you?

You look happy.

Onii-chan gave me an adult kiss.

Laah...

ほ

You don't want me to?

So you're still taking off my panties?

Ah!

How about we do a few more adult things?

Then...

I-Is that so?

Uh! It's embarrassing, but if it's Onii-chan, then...
