# Sugiyama-Senpai & Amano-kun

Chapter 02

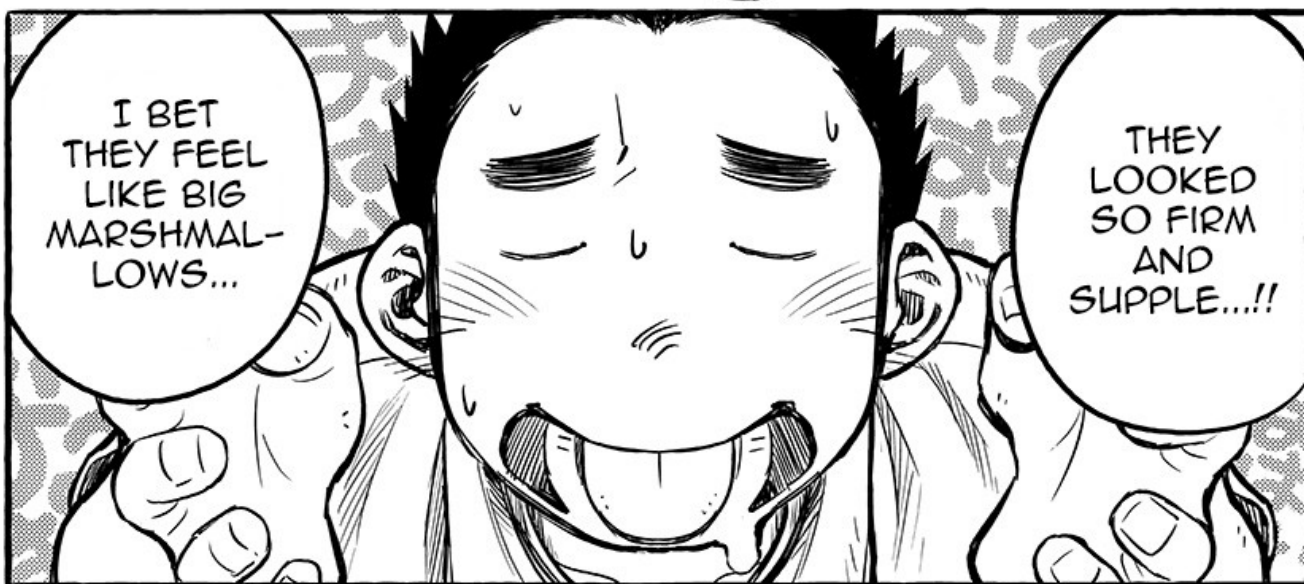

MAN...  
THIS ONE GIRL  
ON THAT  
IDOL SHOW  
LAST NIGHT.  
DID YOU  
WATCH IT,  
AMANO?

SHE WAS  
SOOO  
CUTE, AND  
HER  
BOOBS  
WERE  
HUGE!

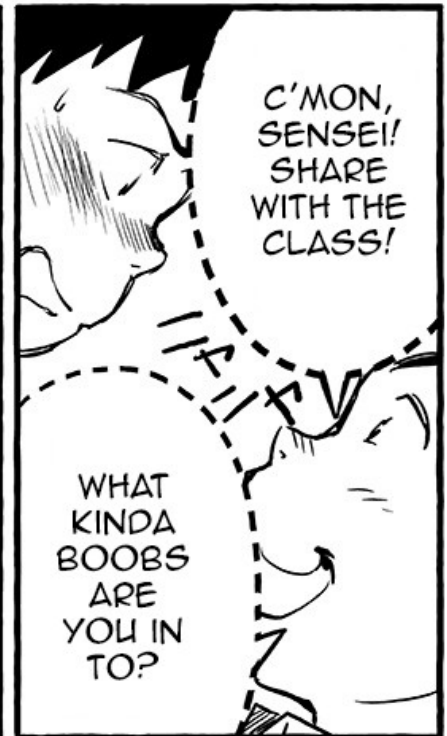

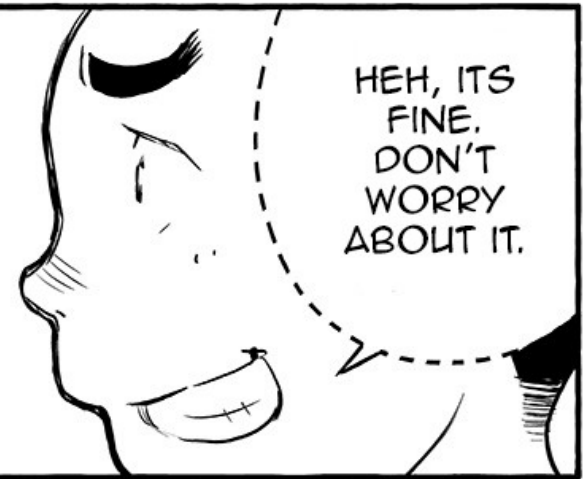

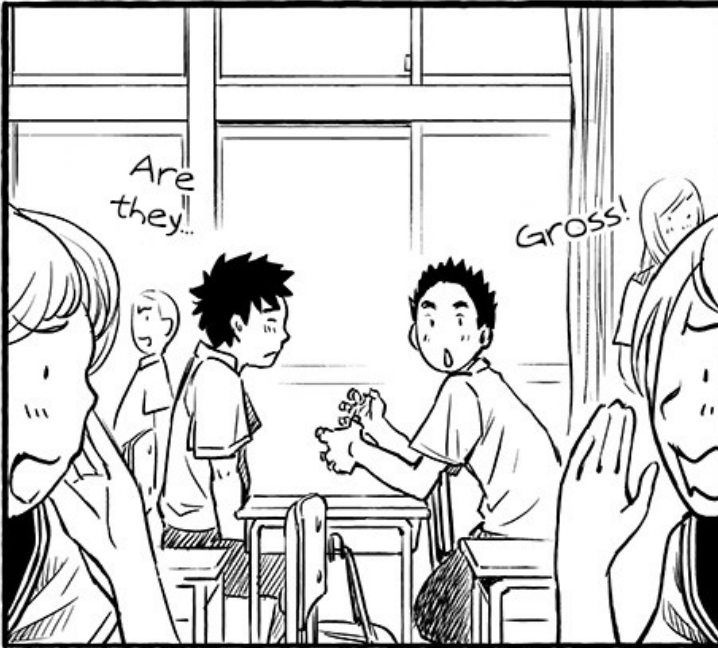

UH...  
I DIDN'T  
SEE IT...

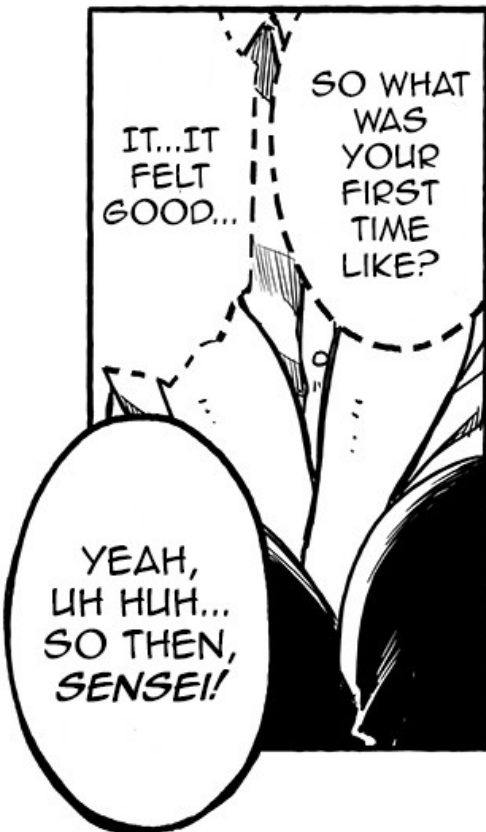

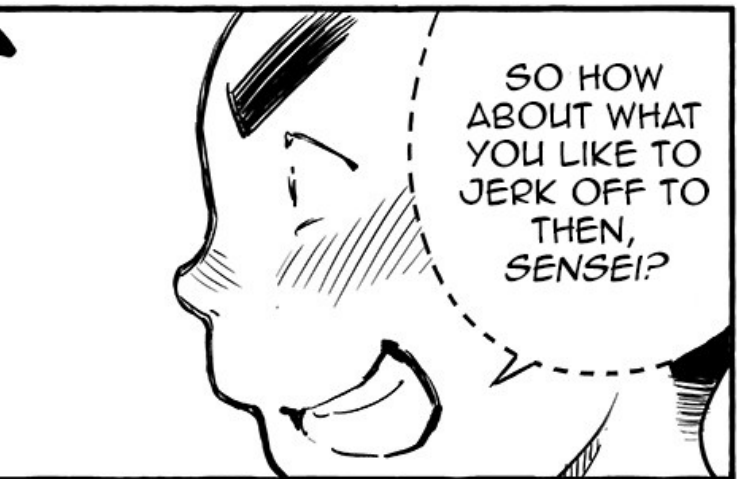

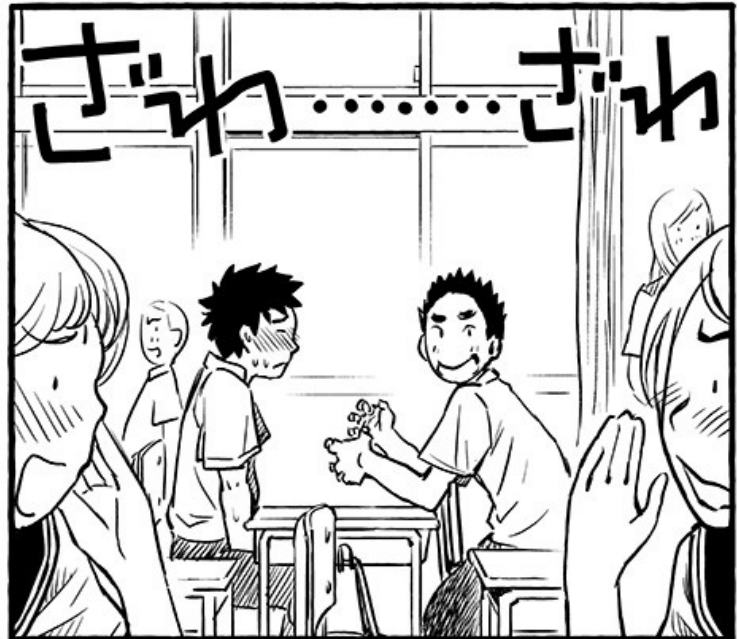

ARE YOU  
SERIOUS!?  
MAN,  
YOU'RE  
WASTIN'  
YOUR LIFE

SO GUYS  
USUALLY  
FANTASIZE  
ABOUT GIRLS

AND STUFF...

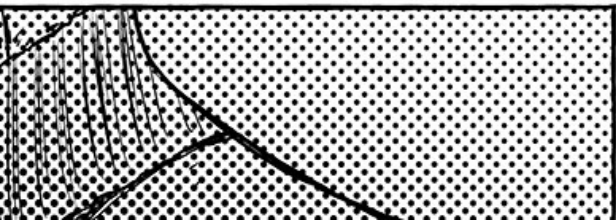

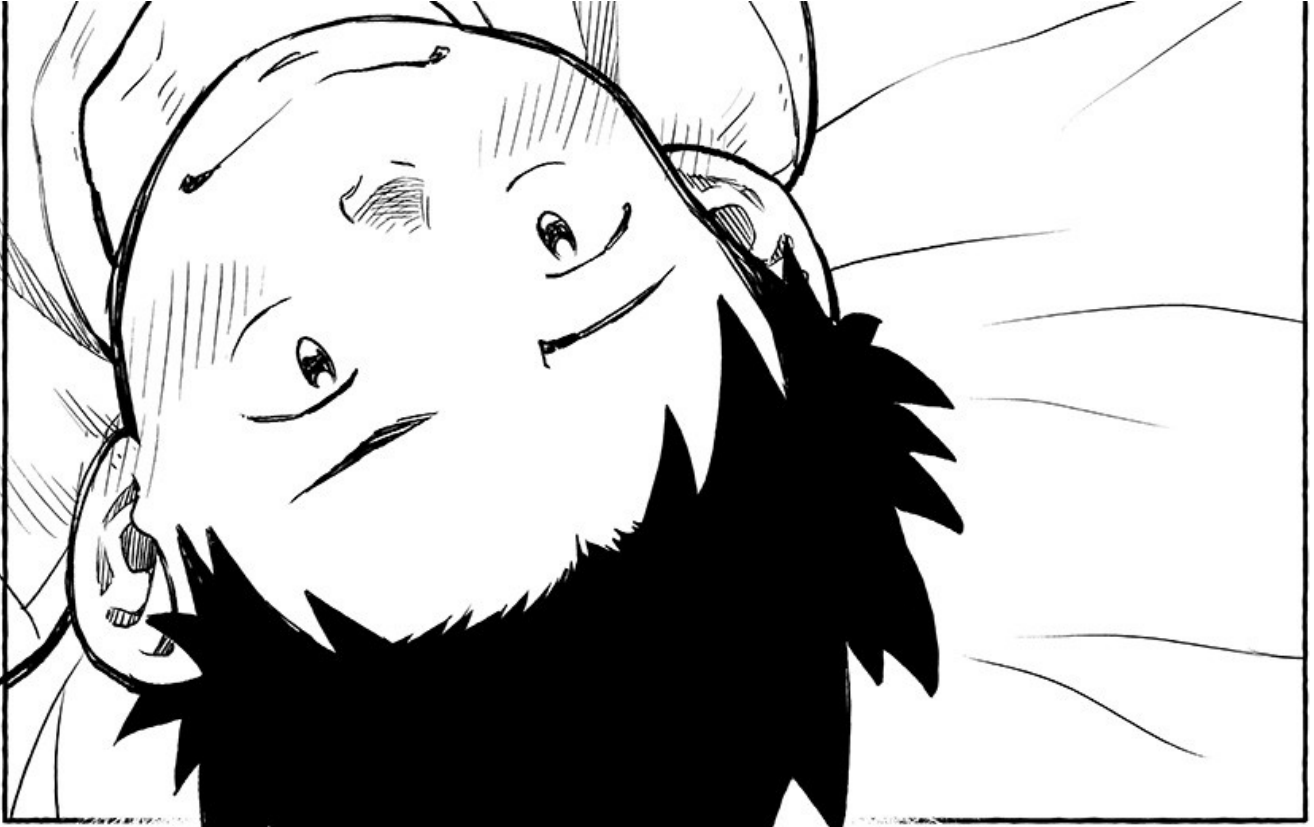

THAT  
SEEMS  
PRETTY  
OBVIOUS  
NOW THAT  
I THINK  
ABOUT IT.

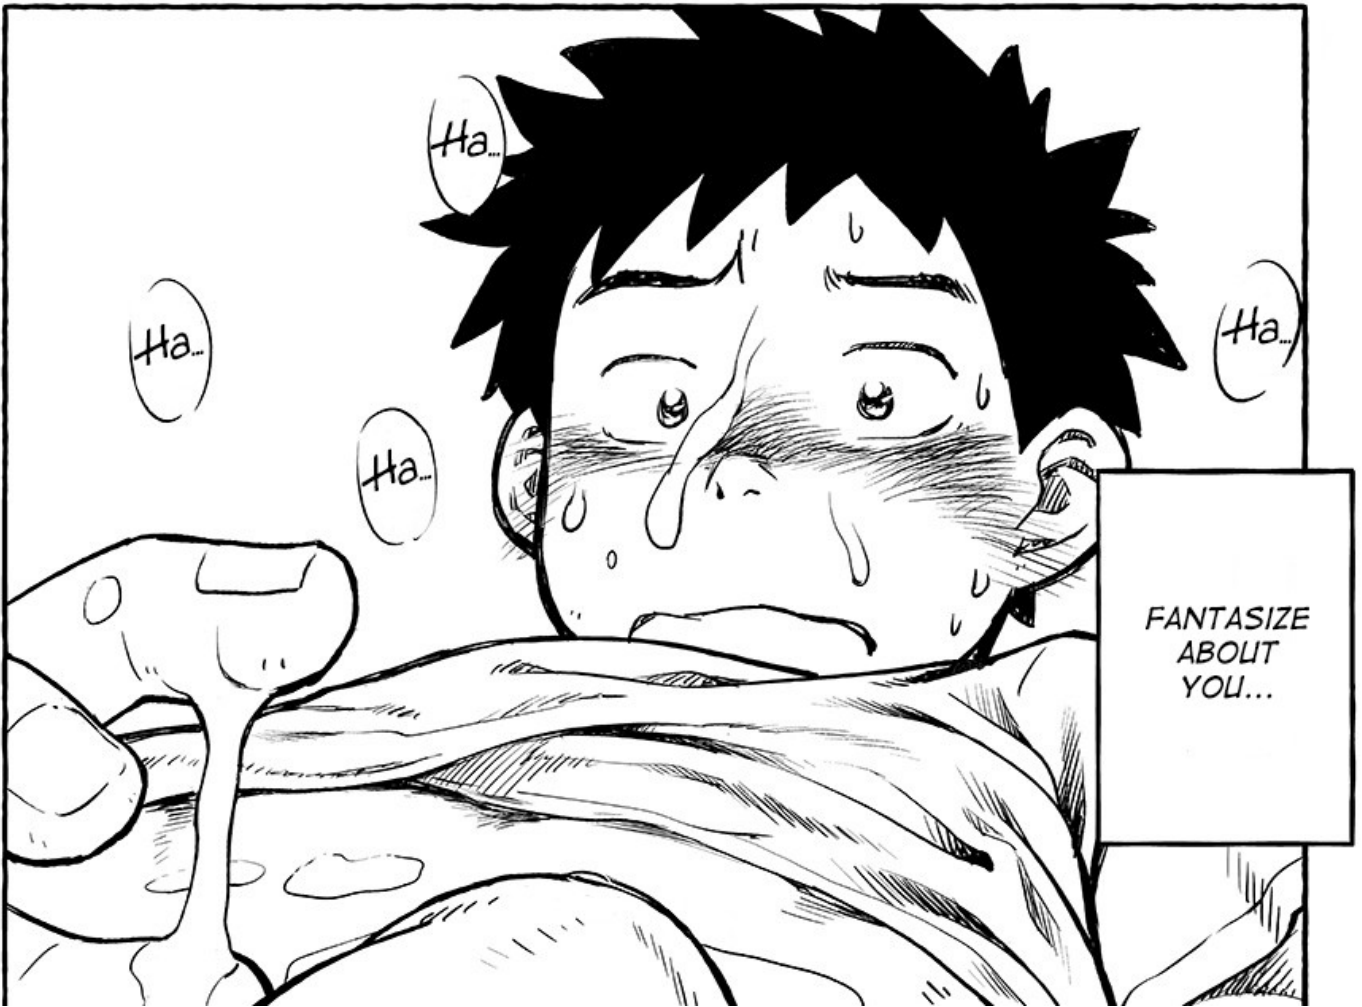

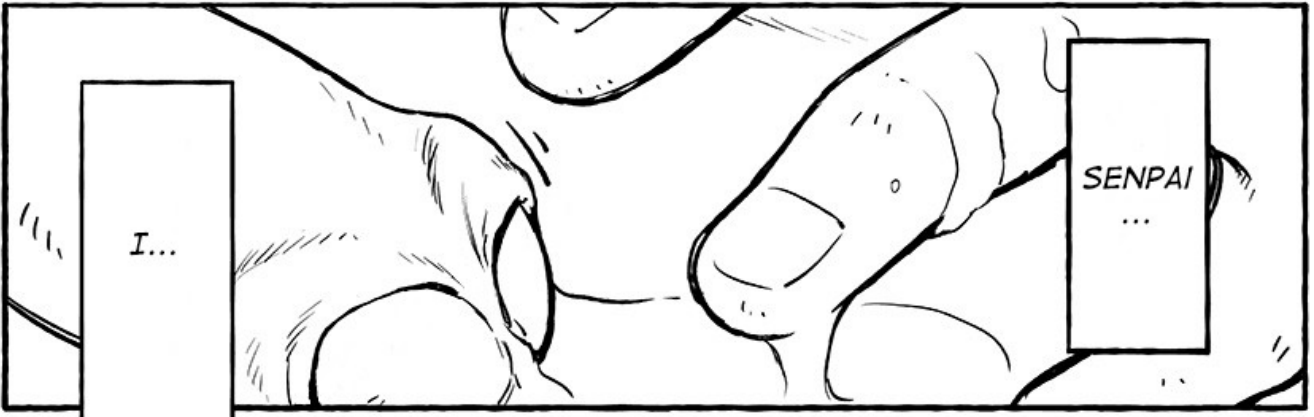

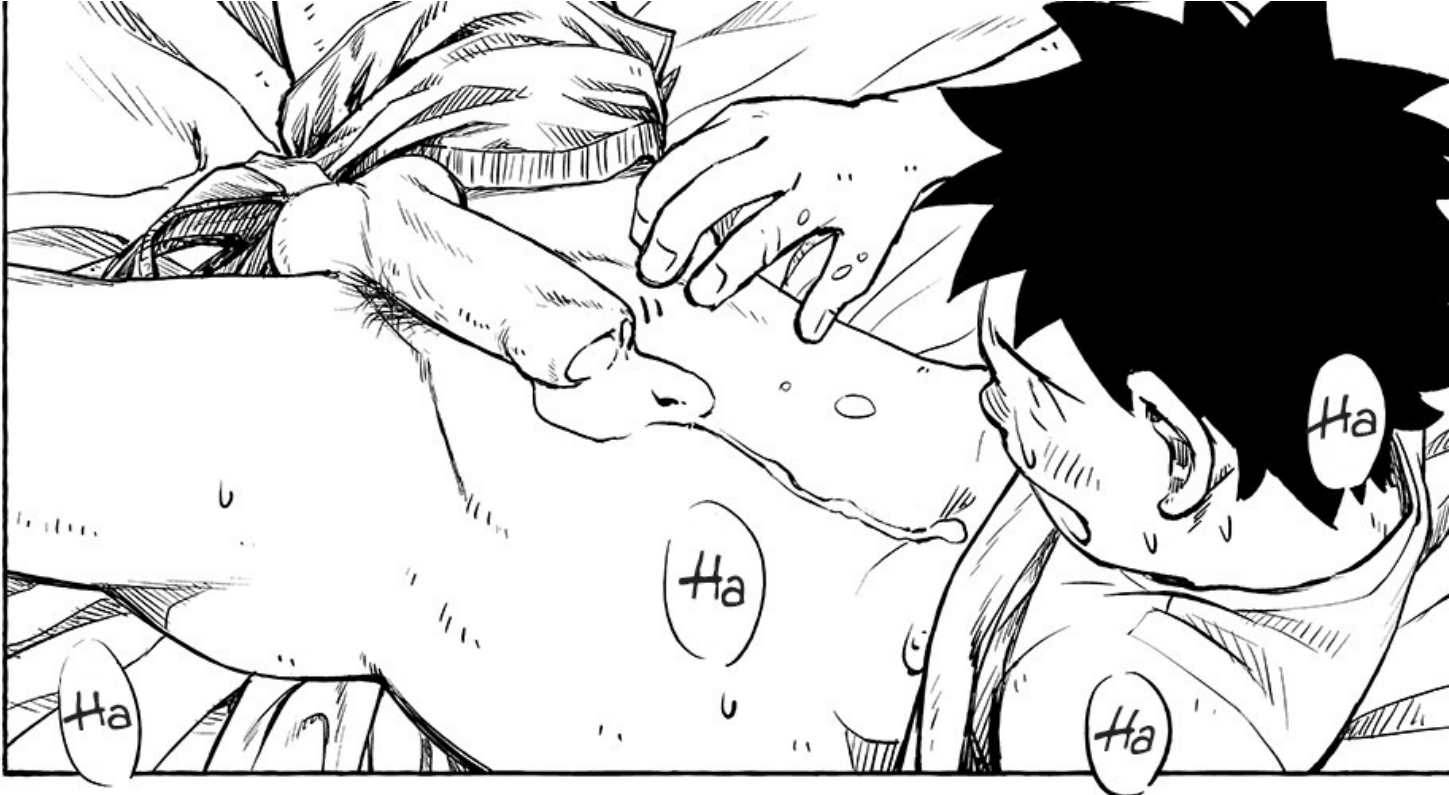

BUT ME,  
I ALWAYS  
FANTASIZE  
ABOUT  
OTHER BOYS.  
LIKE SUGIYAMA-  
SENPAI'S ASS,  
OR HIM  
JERKING OFF...

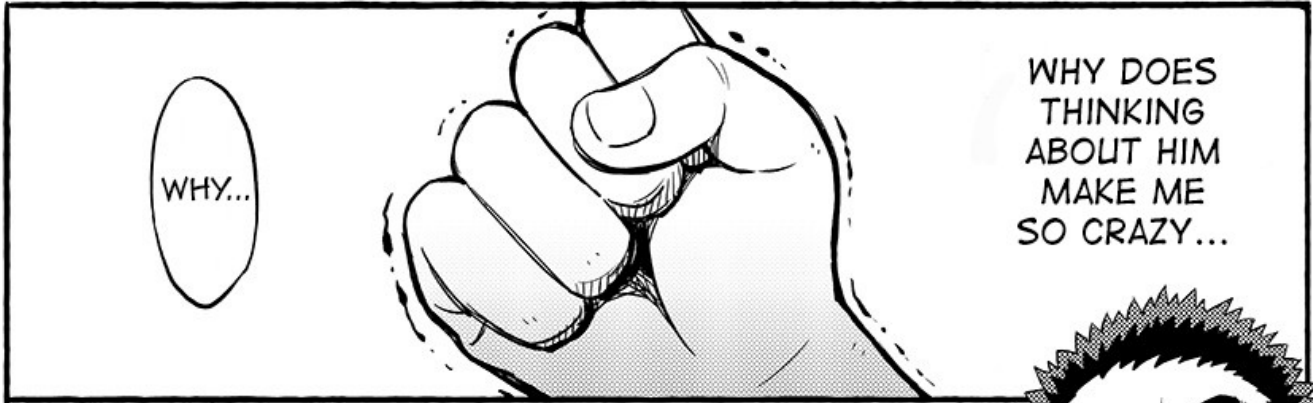

DOES  
THAT  
MAKE ME  
WEIRD?

SENPAI...

THE MATCHES ARE ABOUT TO BEGIN!!

ALRIGHT  
YAMANE-KUN.  
YOUR MOM  
SAID SHE'S  
LEAVING WORK  
TO COME PICK  
YOU UP.

IT SEEM'S  
CLASS 3'S  
YAMANE-KUN  
TRIPPED AS THE  
RACE WAS  
UNDERWAY...!!

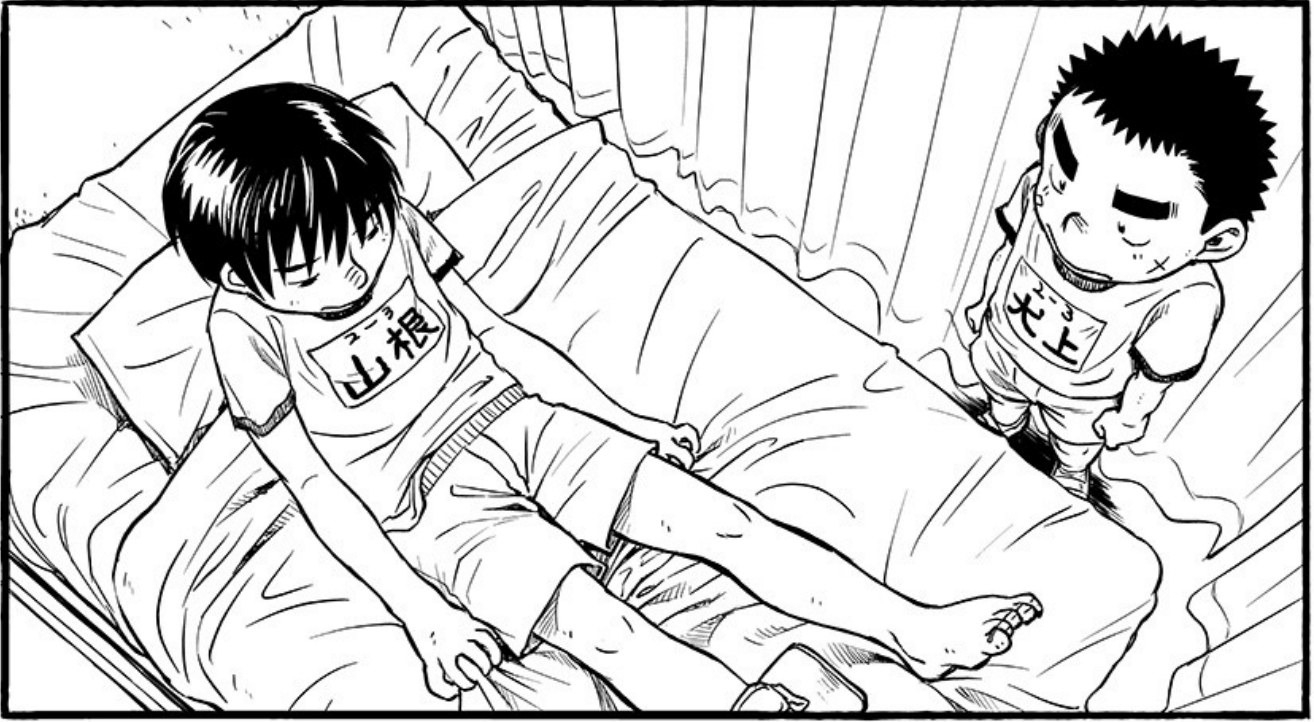

AH,  
YOU'RE IN  
YAMANE-KUN'S  
CLASS? I WAS  
JUST LEAVING,  
BUT YOU CAN  
SIT WITH  
HIM.

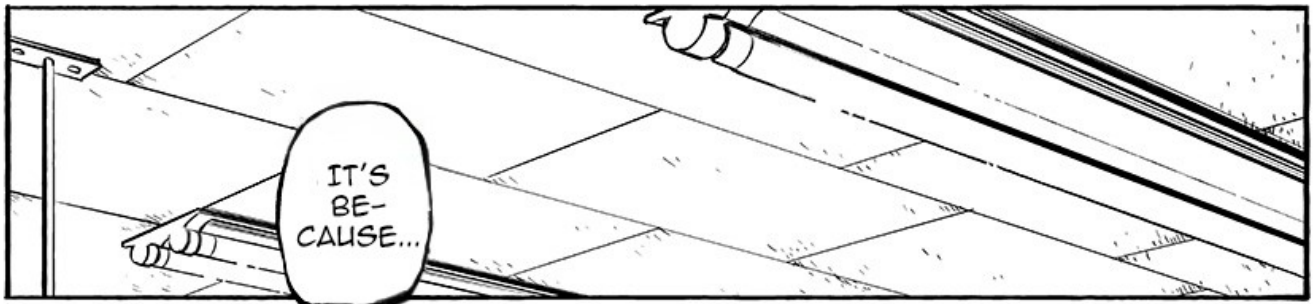

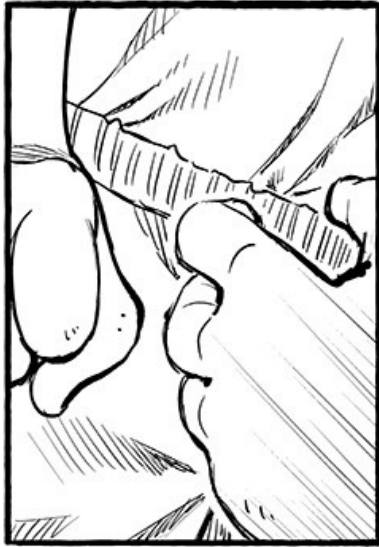

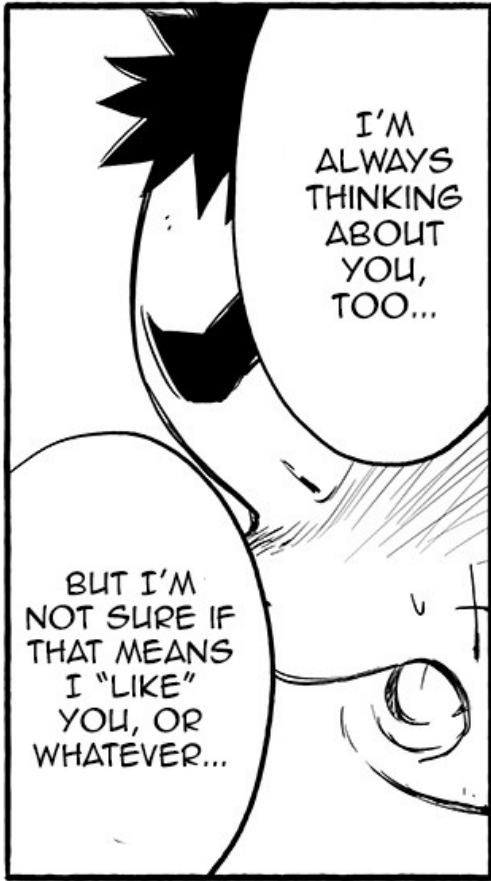

INU-  
GAMI...

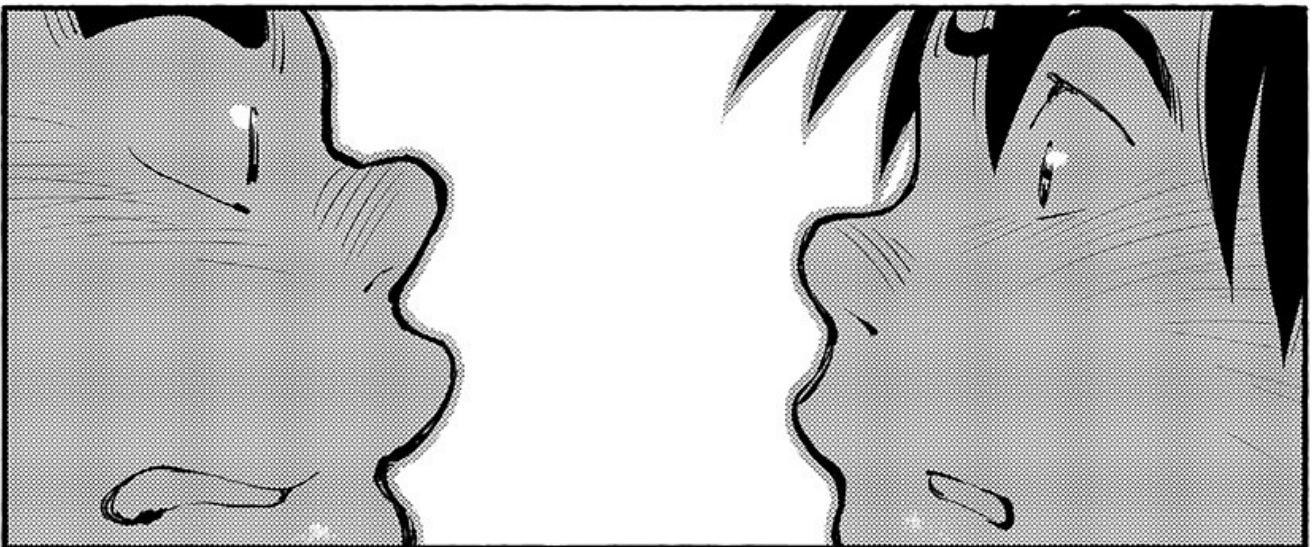

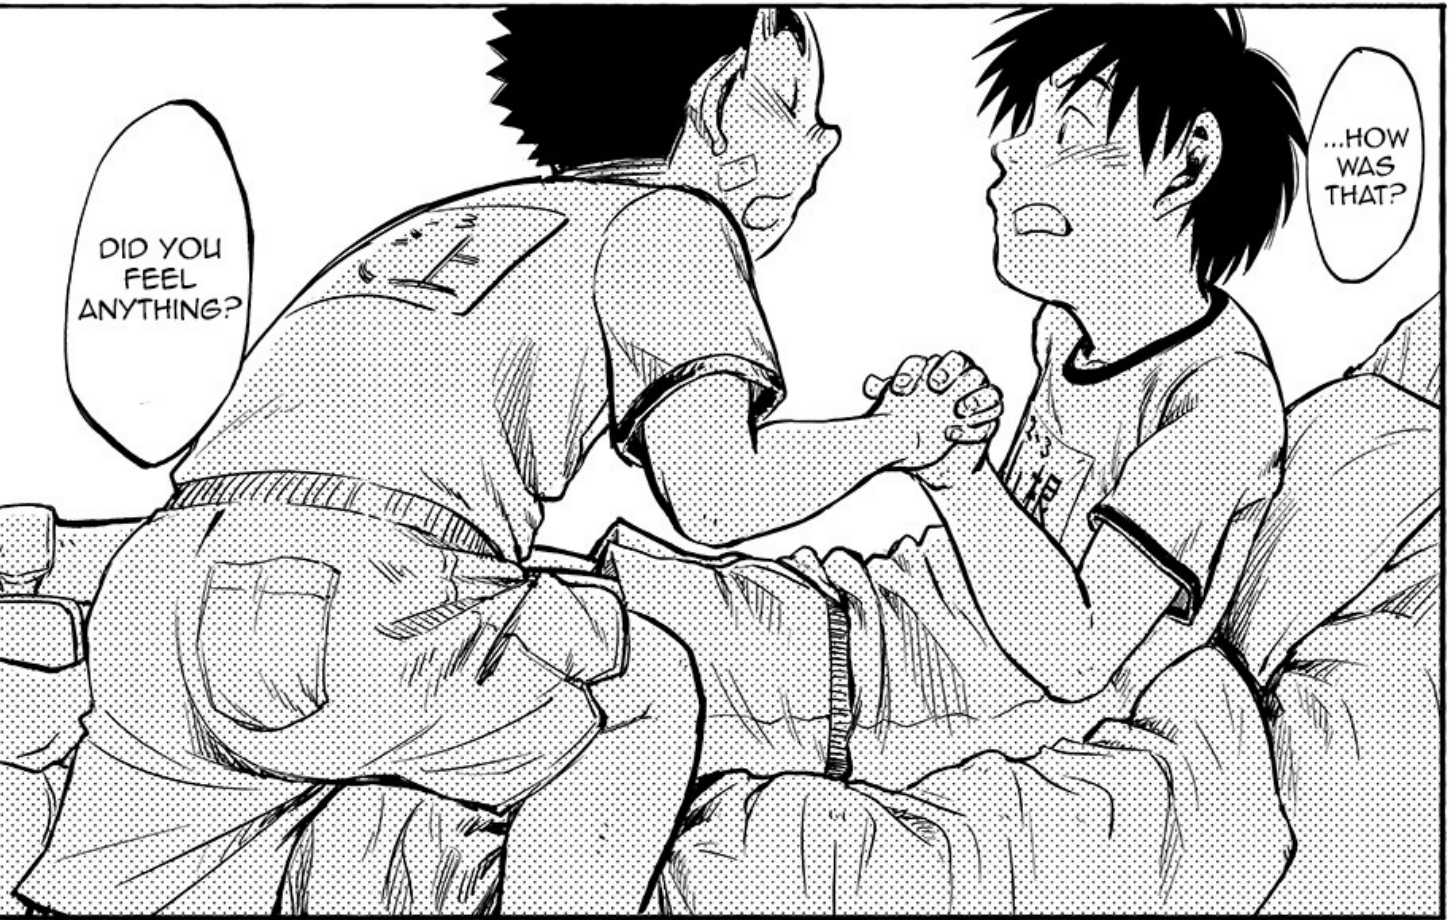

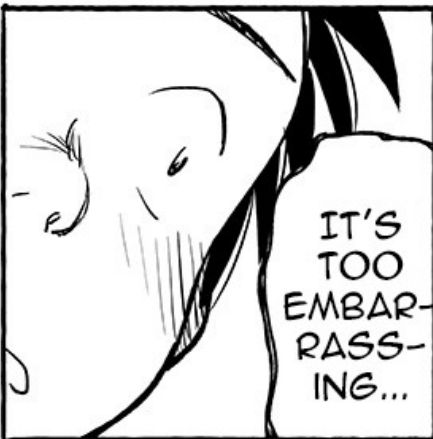

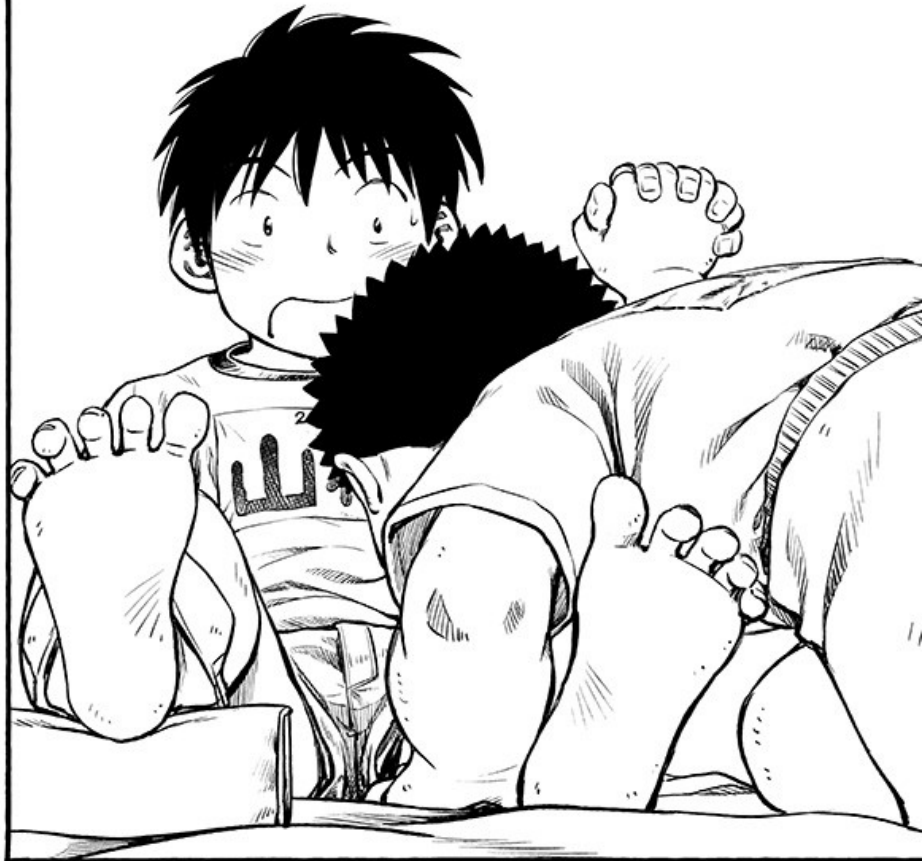

I GUESS  
YOU DIDN'T  
GET TO BE  
ANCHOR  
AFTER ALL,  
HUH?

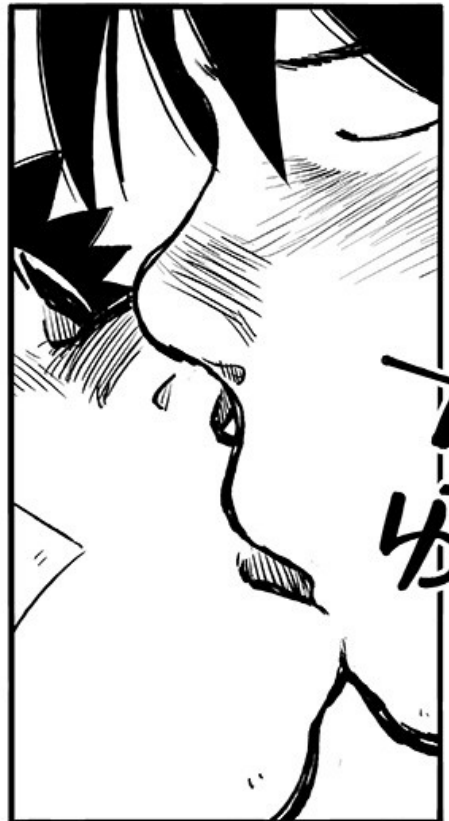

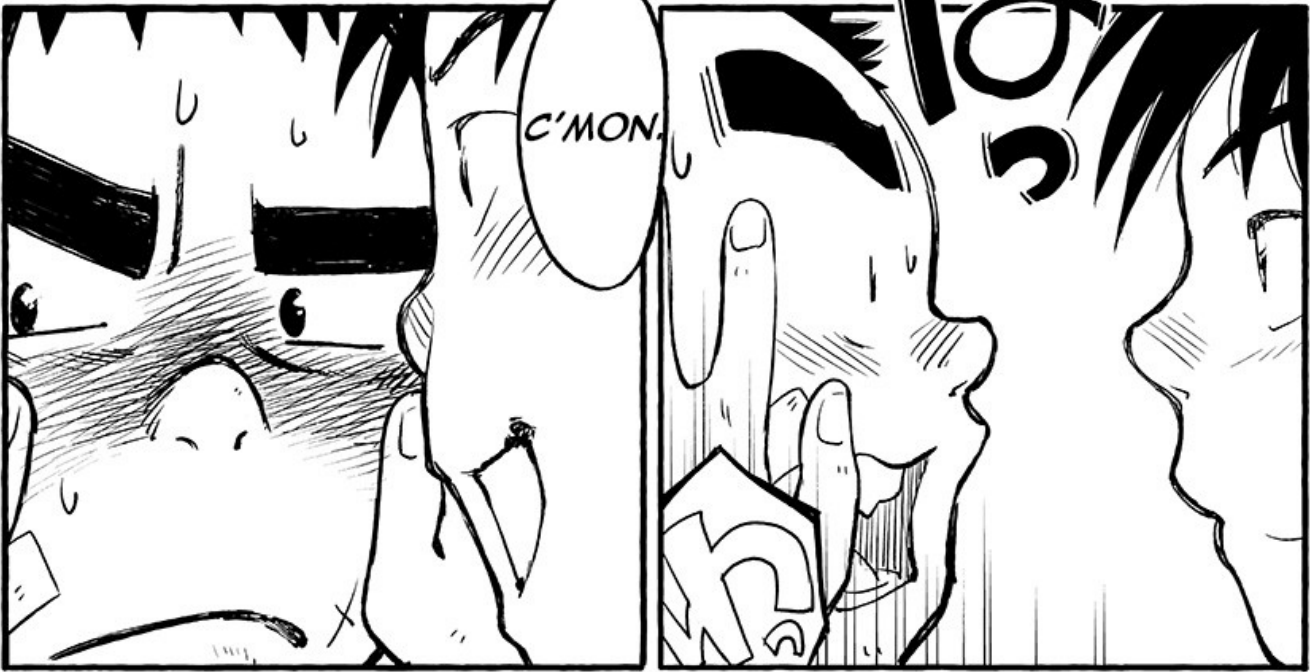

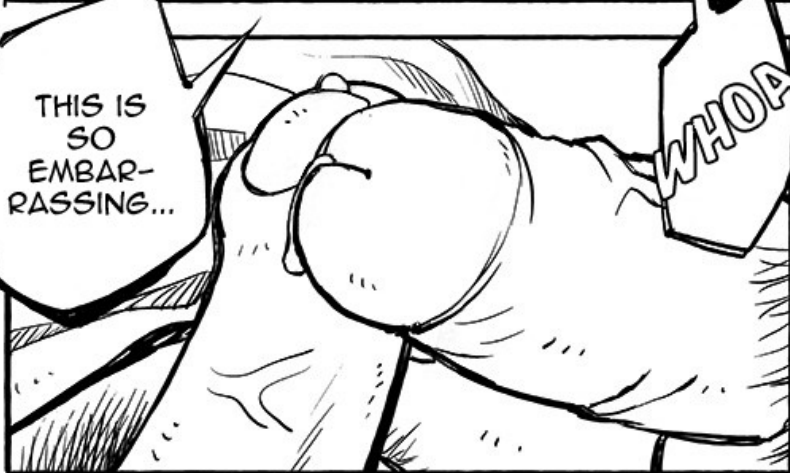

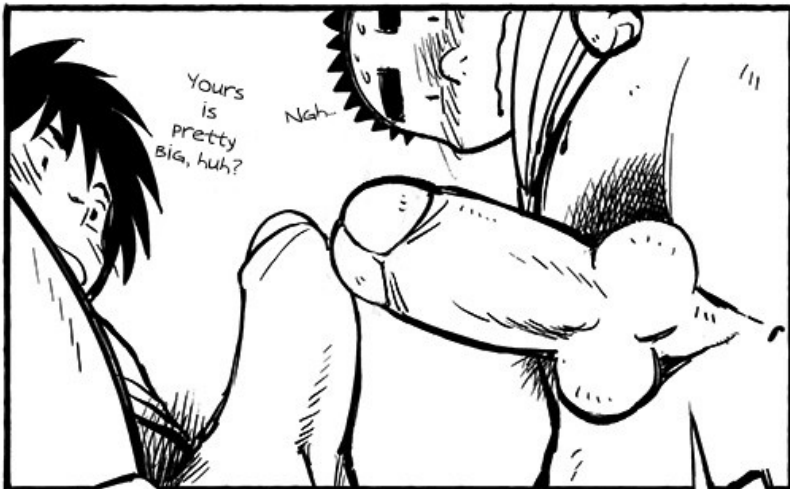

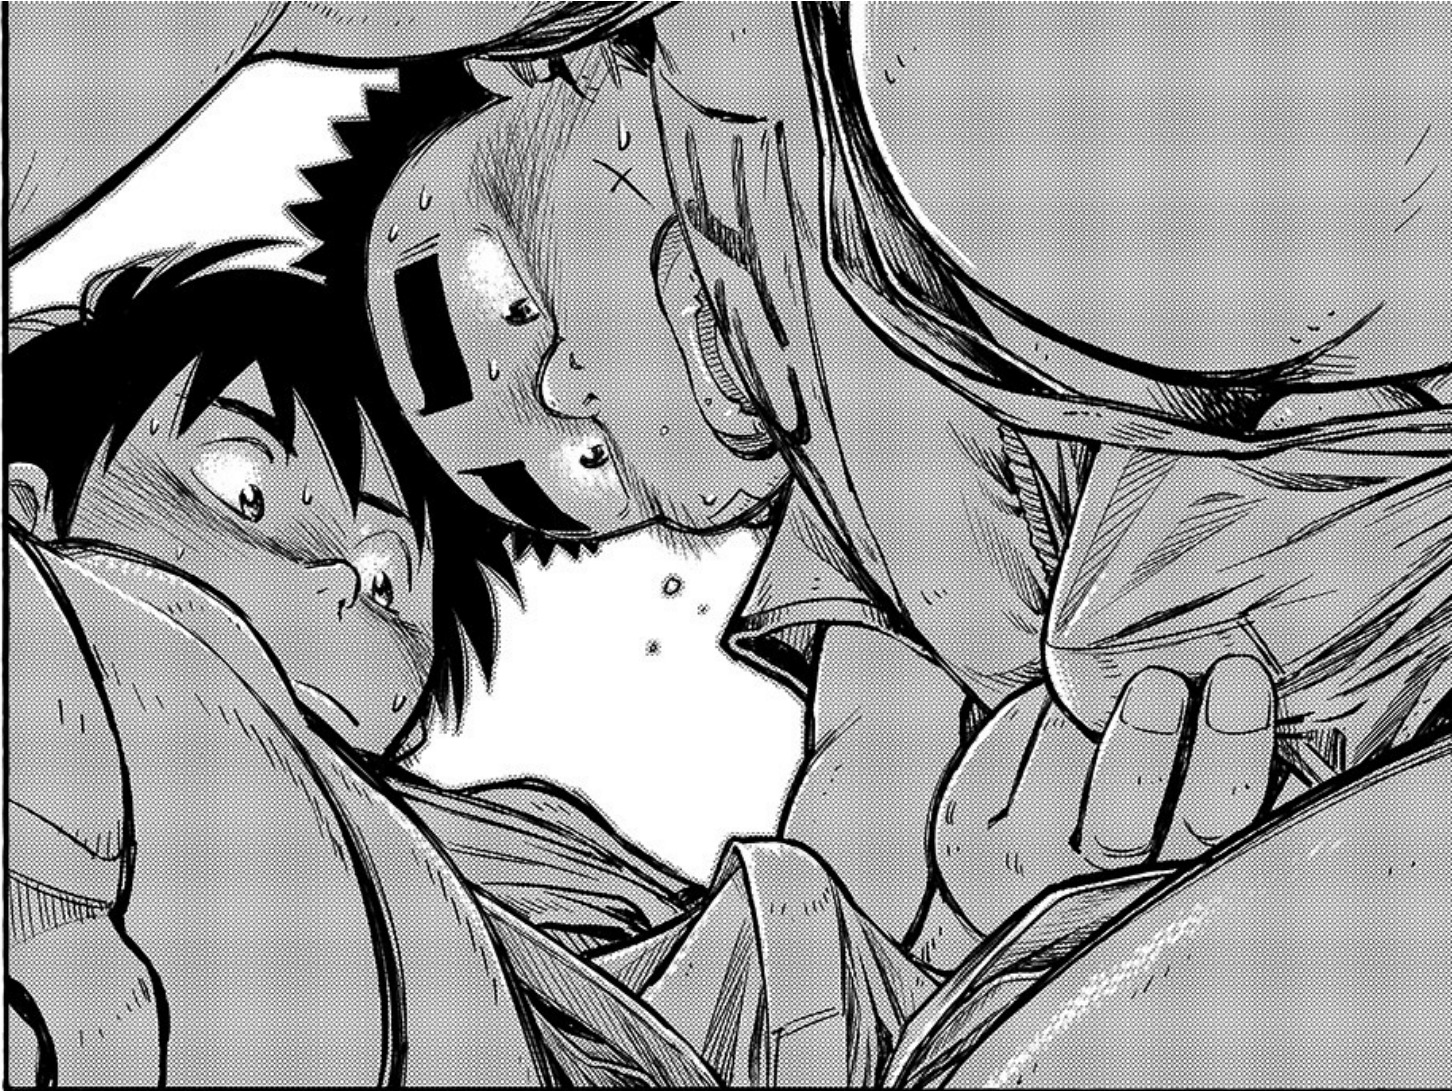

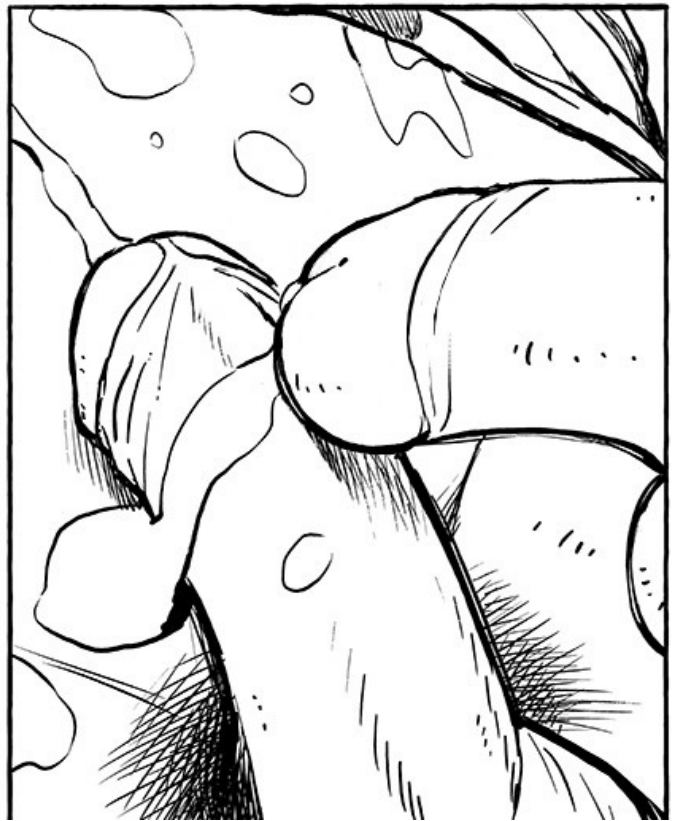

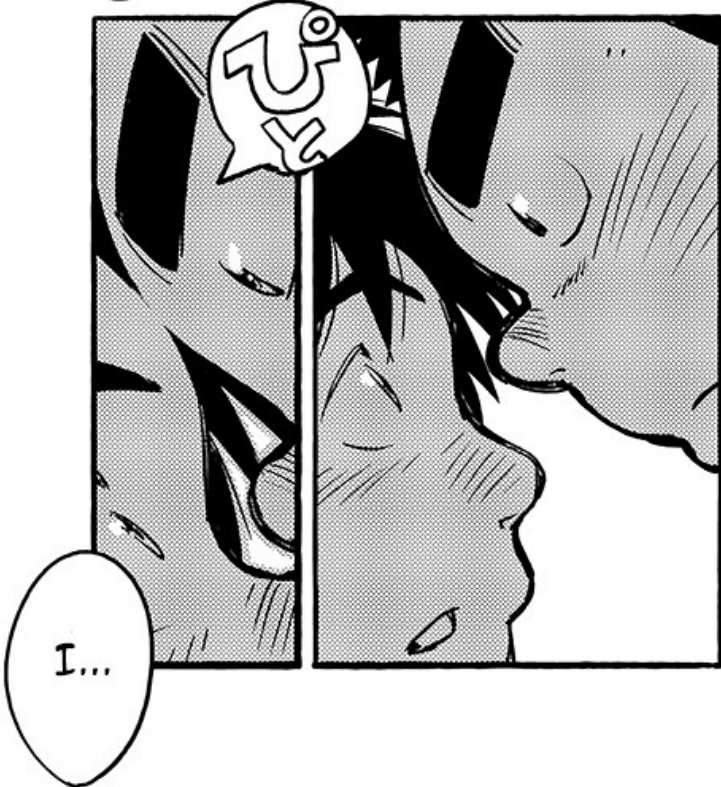

THERE WILL  
BE 4 PEOPLE  
CHOSEN TO  
REPRESENT  
THEIR CLASS  
FOR THIS  
RACE!

LAST UP  
IS THE  
CLASS  
RELAY  
RACE!

I'LL  
DEFINITELY  
GET US

## THE HEAT OF SUMMER GIVES WAY, AND SUDDENLY IT'S FALL

I'm right on time with Vol. 3! The page-count for this volume came out to 36 pages. I think that seems like a good average number for future releases. The yomikiri in this volume is about a sports competition in the fall. Also included are two continuations of serials from previous volumes. This is the first volume I produced entirely using digital mediums, so I'm curious how that turned out. I haven't noticed any difference in production time, but maybe the level of quality is a bit higher? I don't think I can really say until I see it printed out. The literary style and various other little things might change, so as always thanks for reading.

### *Curious Experiences in an Abandoned Hotel*

This time our story is set in an abandoned hotel. The story has our usual cast, the photographer Kurosawa-kun, but also the surprise he feels as he goes over the pictures of the day... Since I put the colored pages at the beginning, it kind of feels like I left something out, what did you think? I feel like it might be a little too spooky, but as long as it doesn't overshadow the steamy parts, I think it's okay. I'm happy even if it's just fun comparing them back and forth.

### Abandoned buildings + Shotas

I pulled from my own life and my own memories of that slight boyish wonder and thrill while drawing Shin-kun. Kurosawa-kun being transfixed by the pictures he took (even though there was possibly a ghost in them) it has a lot of other meaning too. As for who the ghost was, I'll just let the reader use their imagination. Also, I worked very hard on exposition, but I still managed to slip something silly like a ghost in there.

I haven't decided what I'm going to do in the next release, but I'll think of something. Maybe I'll change directions a bit?

**Second Masturbation**

Now then, In this chapter Umano-kun experiences his second ever orgasm. I didn't want to make it too heart-wrenching, but I still want it to seem realistic, with him trying to come to terms with his sexual urges, and what they mean. Though, even while fretting about it he still manages to jerk off. He is at that age after all.

I bounced around between a lot of cute ideas for Onodera-kun. After some effort I managed to churn out that unbearably sexy color page featuring him. So that makes this volume the first one to have a supporting character featured in the color pages lol. I'm glad I can always manage to keep it fresh at least. I know it seems like Sugiyama-senpai has taken a back seat, so I'll have to think up a big Sugiyama-senpai exclusive to make up for it.

**Inugami-kun and Yamane-kun**

I wanted to draw a 'fall sports' manga, so this one takes place at a sport competition. Well, it mostly takes place in the nurse's office. This one is a little more innocent than usual, so how do you think it turned out? I also included an incredibly hot color page to go along with it.

We have Inugami-kun, who is so determined and stubborn on the surface, but so cute and shy underneath (tsundere), so I hope you like him. I tried to draw him with a 'dog-like' image to go with his name...But do you think he really looks very dog-like? I tried to draw the boy on the front cover like that too, but I think he looks more like a monkey than a dog. Making that distinction is hard.

I'm glad I got to put in some sports uniforms too, right? I tried drawing the short pants they used to wear when I was in school. The undie and ball slips are always fun. Also they have pretty big dicks, right? So cute. I love them.

**Manga Shounen Zoom Vol. 3**

I had a lot of time to work on this volume, but then I procrastinated enough that eventually I was back to the same insane work schedule.

I drew the cover for Shota Scratch, and I figured this would be a good place for it so I'm glad I got to include it here for everyone.

I'm planning a winter release for Vol. 04. I don't know what to do, should I include more yomikiri or more serials? It's fun to keep up with the stories of serials, but I kind of feel like keeping this pace will be okay. Well, with that, Thank you everyone, until next time!
