I gotta think of this as a chance...

Alright, the first impression is the most important!

I'll do it energetically..!

Oh, there's someone in..!

I wonder if I'm too early...

My name is Honma and I was assigned here from the Nagasaki branch!

I'll do my best starting today! I'm pleased to work with you from now on!

カチカチカチカチ

Hm?

HUH..?

THERE WAS ONLY ONE PERSON HERE...

Okay, just wait a moment~

Th- That's right.

You're starting today?

I FEEL LIKE I'LL BE ABLE TO DO MY BEST EVERY DAY WITH A BEAUTY LIKE THIS AS MY SUPERIOR...

WOW, SHE'S BEAUTIFUL...

Let's see...

Honma...
Honma... There.

I've heard about your situation.

Honma Tarou-kun, right?

Okay, we'll have an interview now, so...

Let's move to the reception office.

U- Uh...

HUH? AN INTERVIEW?

WHY THIS LATE?

Let's see here...

UWAH... THIS IS WAY TOO SUDDEN, MY HEART ISN'T READY FOR THIS~!

I WONDER WHAT SHE'LL ASK ME...

Do you have any part-time experience?

I see... 21 years old, a junior college graduate...

I can almost see them..!

THANK GOD... IT'S JUST A NORMAL INTERVIEW...

Mostly desktop publishing, but I also studied foreign languages a little...

What did you study at junior college?

Good morning, everyone!

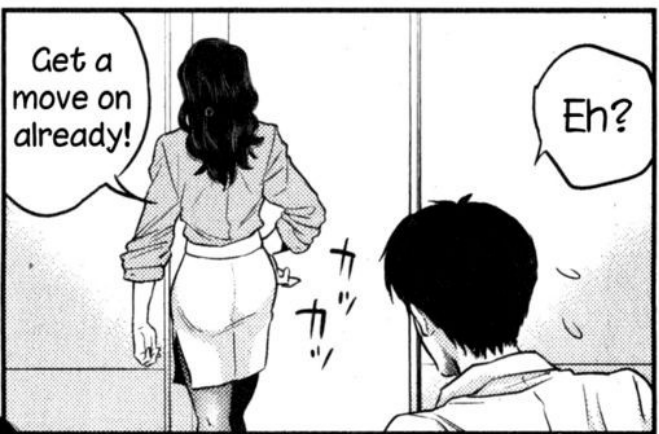

Let me introduce you to our new employee.

You get a passing grade.

U-Umm... Am I..?

Get a move on already!

Eh?

Wait a...

Don't tell me..!

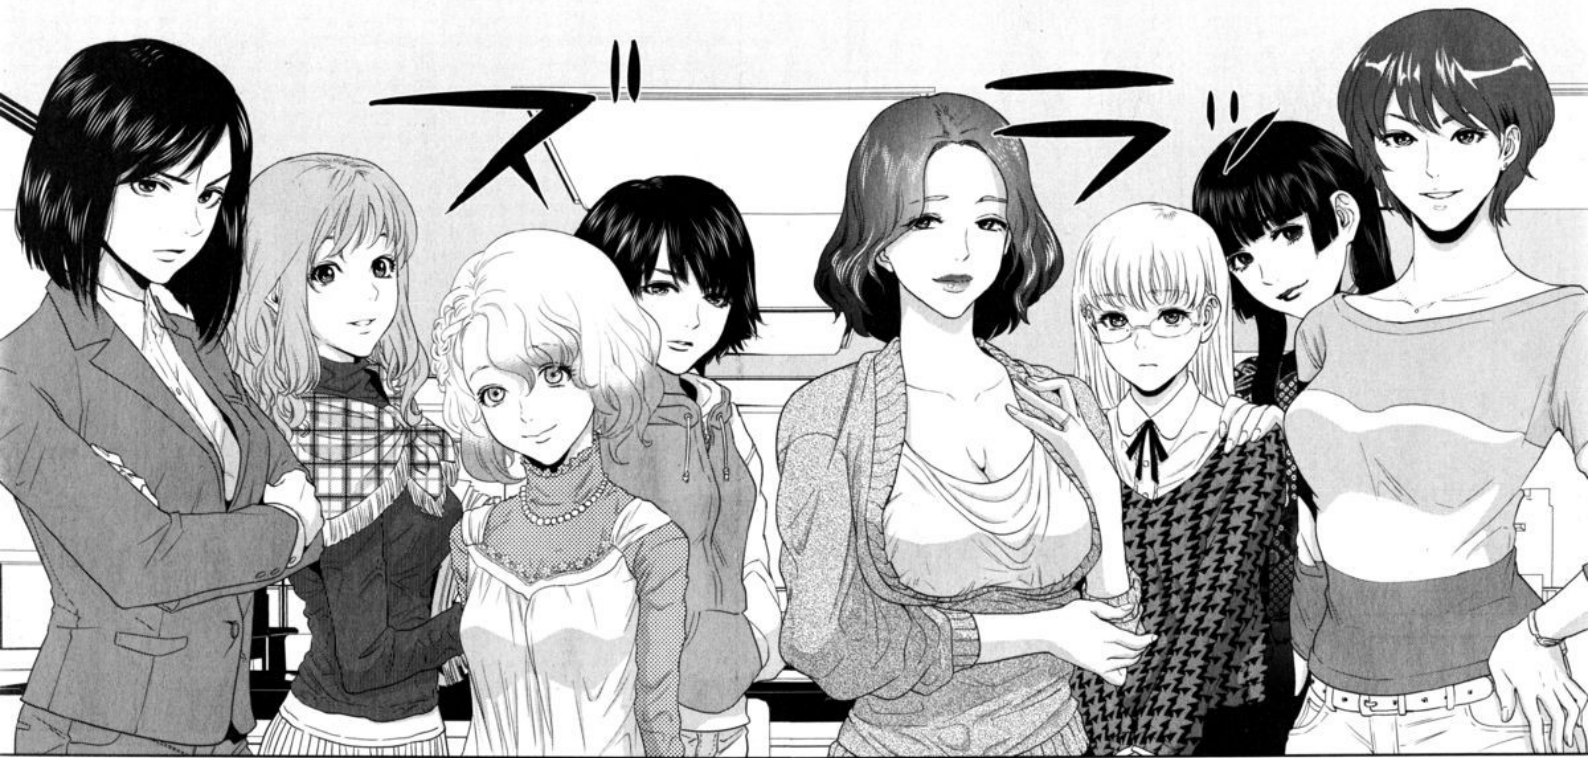

Eh-?

Our
company...

That's
right.

Is all-female.

Our company...

That's right.

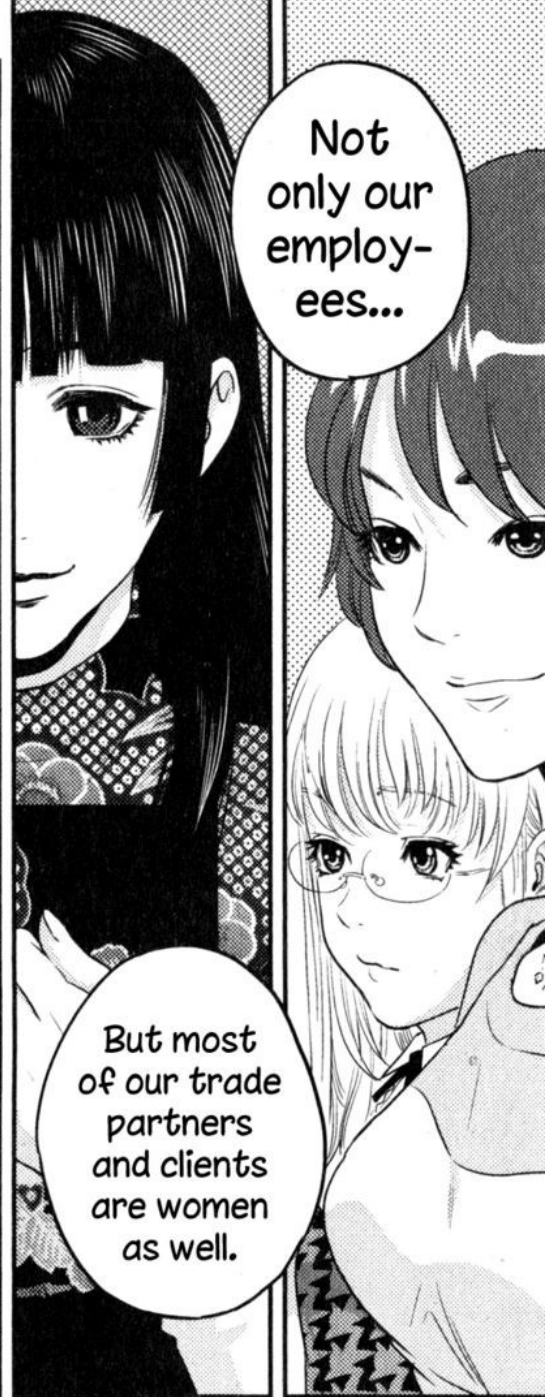

You're our only male employee, so...

We have high expectations for you, newcomer~
♡

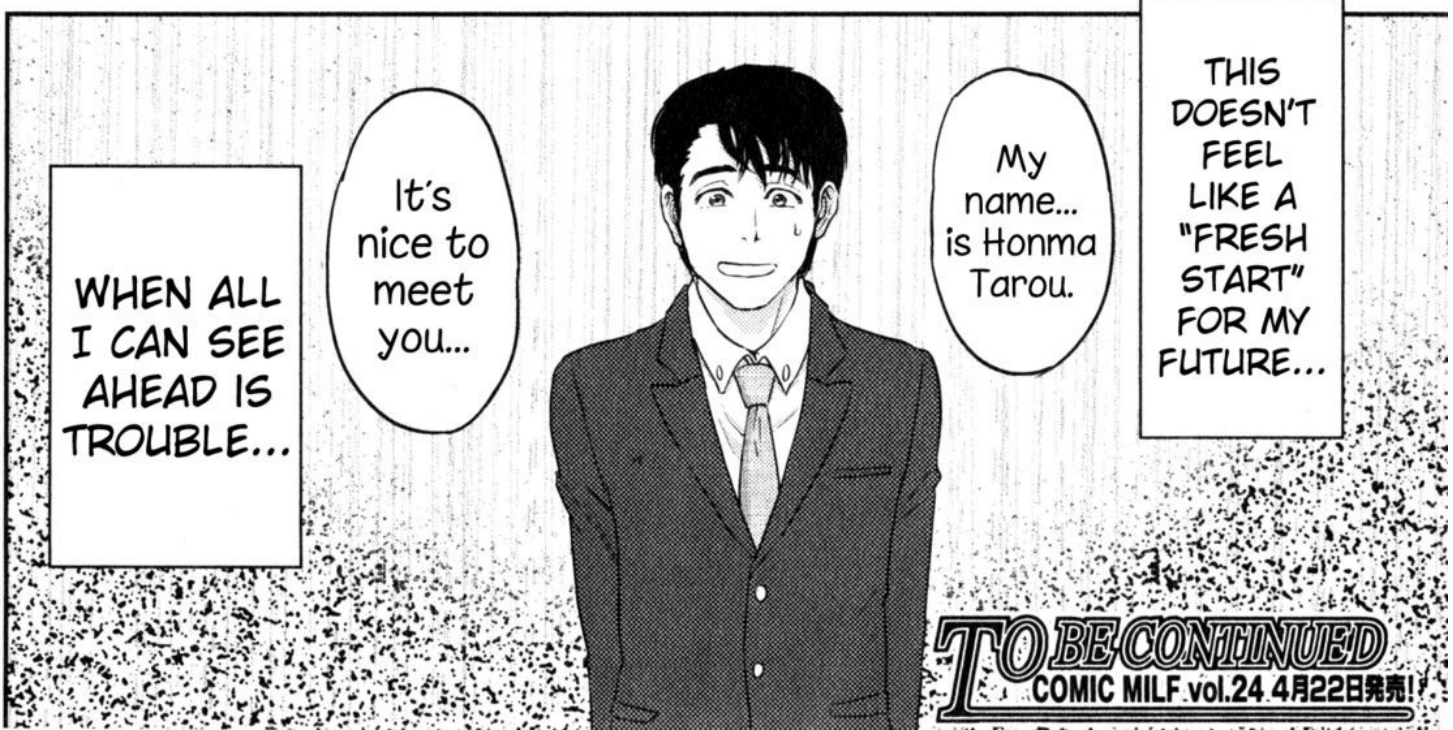

WH-WHAT SHE SAID JUST NOW...

THAT "I HAVE TO KNOW HOW TO DEAL WITH WOMEN"... MEANT THIS..?!

Not only our employees...

But most of our trade partners and clients are women as well.

WHEN ALL I CAN SEE AHEAD IS TROUBLE...

It's nice to meet you...

My name... is Honma Tarou.

THIS DOESN'T FEEL LIKE A "FRESH START" FOR MY FUTURE...

「前回までのあらすじ」入社初日に、逆レイプ状態で女上司に童貞を奪われてしまったボク。ていうか、この会社社員が全員女性なんですけど〜!?

IT WAS A JOB AT A DESIGN COMPANY, A JOB I'VE ALWAYS WANTED TO DO. HOWEVER, I WAS SWIFTLY TRANSFERRED...

MY NAME IS HONMA TAROU (21 YEARS OLD). I RECENTLY GRADUATED FROM JUNIOR COLLEGE, AND FOUND A JOB.

...TO THIS PLACE WITH ONLY FEMALE EMPLOYEES..!

Let's work hard together, newcomer~♡

Here, tea.

I'll give you some of my candy~

＜第2話＞

CEO
GOTOU JUNKO

Oh, that's me.

Honma-kun, I think we need to decide on who'll be in charge of your training.

Y-Yes, that's right.

Vice director!

Okay, get to your own desks now, everyone~

I'm Chijiwa. Nice to meet you, Honma.

SALES DEPARTMENT HEAD
CHIJIWA MEIKO

This is all the basic stuff you need to memorize.

Look through all of them before lunch.

Once your done with your lunch, I'll show what places here need to be cleaned up.

I'll show everything just once, so you better keep your eyes peeled.

And after that, I'll show you how we handle drawing up documents. You'll get to see a Powerpoint presentation and everything.

Wah!

Geez- Atago-san and Nomozaki-san, you two...

DTP ASSISTANT OOMURA YAYOI

So it begins again, Meiko's Spartan training...

SALES DEPARTMENT & CHIEF DESIGNER ATAGO ANRI

Where's your reply?!

Ye-Yes, I understand!

I wonder how long this one can endure it~

DESIGNER & PLANNING CLERK NOMOZAKI KUMI

If this is enough to make you whine, you can quit anytime, you know?

Gotou-san seemed to approve of you or something...

Hey, if you're done, get working on your next task!

Y-Yes, of course! I'm sorry!

Phew~ I'm finally done cleaning...

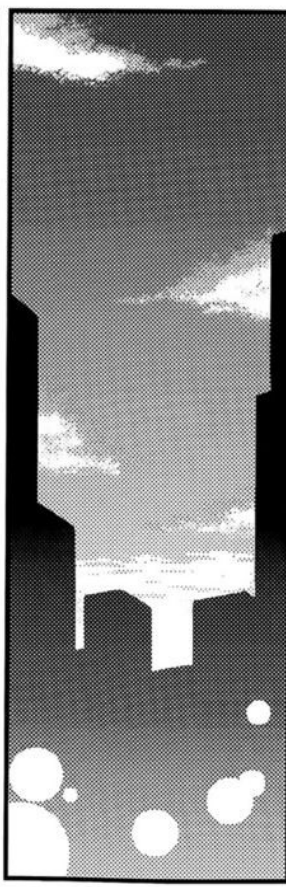

I... I'm so tired...

But I don't think a gutless guy like you will be able to continue here for too long.

Ahh~! I'm beat!

HMPH

This isn't enough to make me complain!

I must do my best to have them approve of me...

But since I was given the job...

Haah... Today sure was rough...

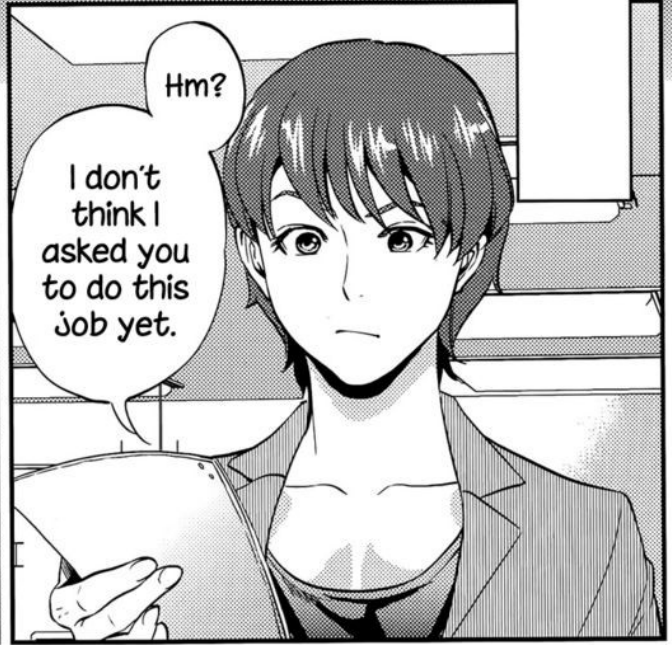

I lost my virginity to my beautiful superior and everything...

So I tried making a graph!

Ah!

I think it would be easier to understand like this...

Hm?

I don't think I asked you to do this job yet.

Hoeeh... It really is easy to understand... He's got sense-

That's not the point here!

Yes-!

I'm sorry, I got ahead of myself...

...Newcomers only need to do what they're told to do!

Phew~

.....

I'm Oomura.

Can I sit next to you?

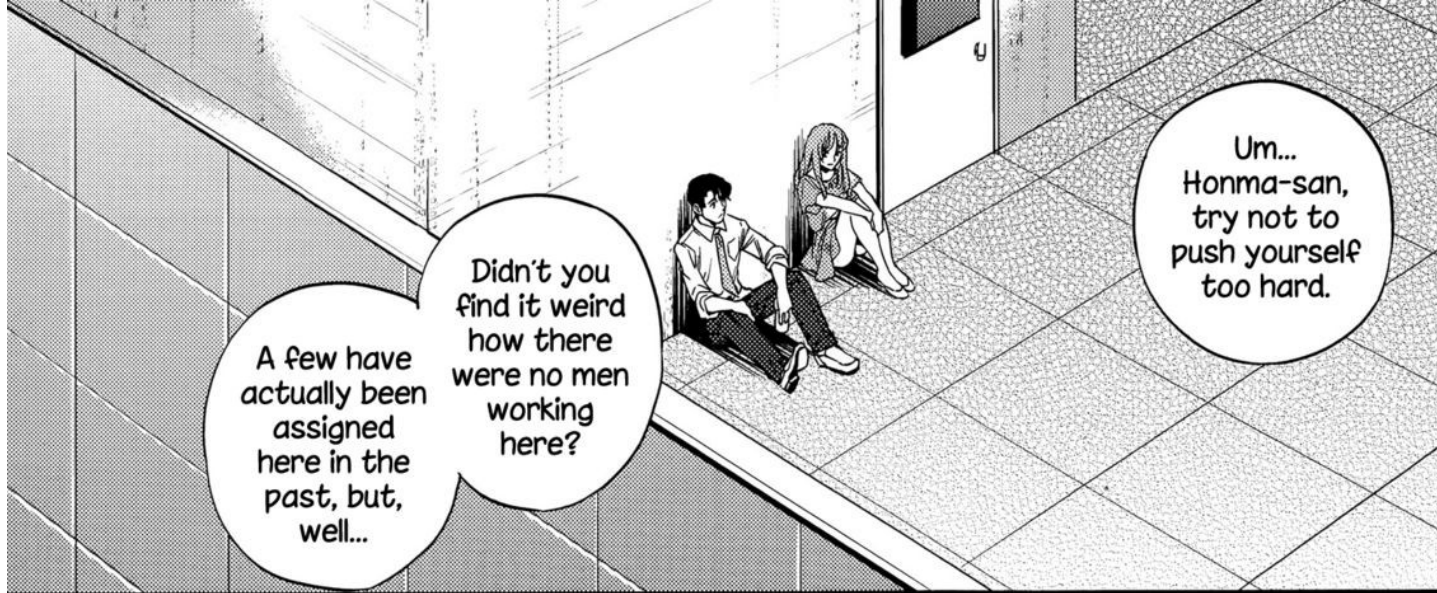

Have some iced coffee.

Wah!

Um, you were..?

Th-Thank you.

A few have actually been assigned here in the past, but, well...

Didn't you find it weird how there were no men working here?

Um... Honma-san, try not to push yourself too hard.

And there's Hirado-san who always finds new work for us...

Not only her, there's also Gotou-san and Atago-san who are both efficient workers...

She's got a sense for business, she's really reliable and cool...

To tell you the truth... Chiiwa-san seems to be better at handling business than men...

So she thinks of men as nothing but a nuisance.

Yeah, I can see how that would be tough for a guy and his man's pride...
Even though this place is like a harem...

Haha...

So all the male employees who were assigned here... Lost their confidence and resigned...

I see...

The lights are on..?

I wanted to go straight home, but I just had to forget something...

Guess I'll drop by the office.

Chişiwa-san?! Good evening!

Ah!

Huh... What's this? The documents I left here... Are all sorted out...

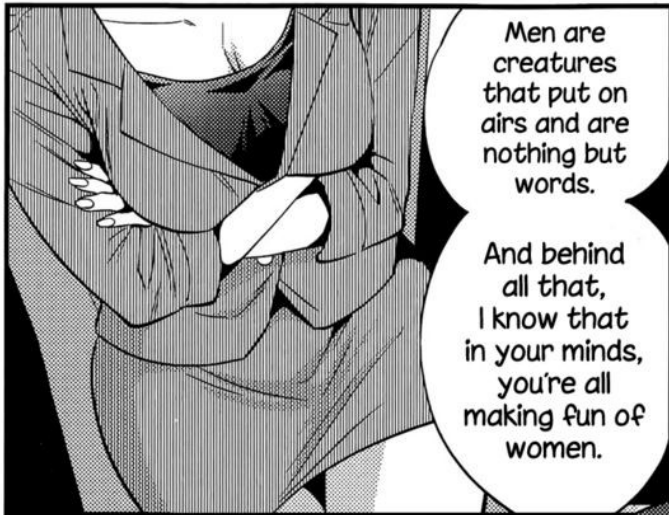

In fact... They're categorized so that I'll be able to use them much easier..?

I-I'm just finishing up..!

Hey. How long are you planning on staying here?

Our company doesn't exactly endorse overtime.

What's up with that?!

Wha-?!

Eh-?

Ah-?!

And in the first place, Gotou-san actually hiring you is something I'll never...

Since we're a female-only company, did you think you could have your personal harem or something?

Ahaha! Oh, you've got a wonderful asset on you!

Could it be that you passed the interview with that?

I-I'm sorry!

GYAA AAHH!

Why... Why are you so prejudiced against men, Chishiwa-san..?

What? You mad?

Men only see women as tools for sexual pleasure after all.

I did... Not think about that!

Oh, it's alright.

SO YOU REALLY CAN GET A BONER IF YOU'RE TIRED ENOUGH..!

WHAT THE HELL IS THIS?!

Huh?

That's why...

...No one's ever made me cum...

Having sex with a man doesn't feel good at all!

You can clearly see how men are when you have sex!

They're fine even if only they're enjoying it!

At least I'm not that conceited, in my opinion...

That's not true!

All they have is pride, and when something goes wrong, they blame the other party..!

All men just spout convenient things to fuel their selfish egos...

Then make me cum. Try it.

You want me to approve of you, right?

...Then, should we see if that's true?

No-
Um-

Heh?

I... I was talking about my character, not s-sex, you see...

If you turn me down... I'll definitely never see you as a trustworthy man.

Don't tell me you're all talk and no trousers.

Come on.

But could it be that Chijiwa-san is...

She said she doesn't feel good...

Chijiwa-san's tastes a bit bland...

It seems that even the taste and smell down here vary from person to person...

Haah-

Nn... Uh-

Ah-

Wai-Honma... Where do you think you're..?!

I NEED
TO CHANGE
THE
POSITION.

Why did
you pull
out
now...

I was
finally
feeling
it...

I'll do
it from
behind
this
time...

Don't
worry...
I only thought
I'd make you
feel better,
so...

And deeper...

Ah...

Deeper...

Ahh..!

Ah...

And...

All the way in-!

How is it, Chiisawa-san..?!

Ahah..!

Aahh... Ah... Amazing...

Aah-! There-That's the spot..! ♡

Ah... Hah-

Honma...

Honma- ♡

I can't... come yet..!

entire

More,

ENCE WITH
ALL YOUR
FIVE
SENSES..!

Chișiwa-

Chișiwa-

Haah...
Honma...
♡

Everything I was holding back is now rushing out...

Uah...
Oh man...

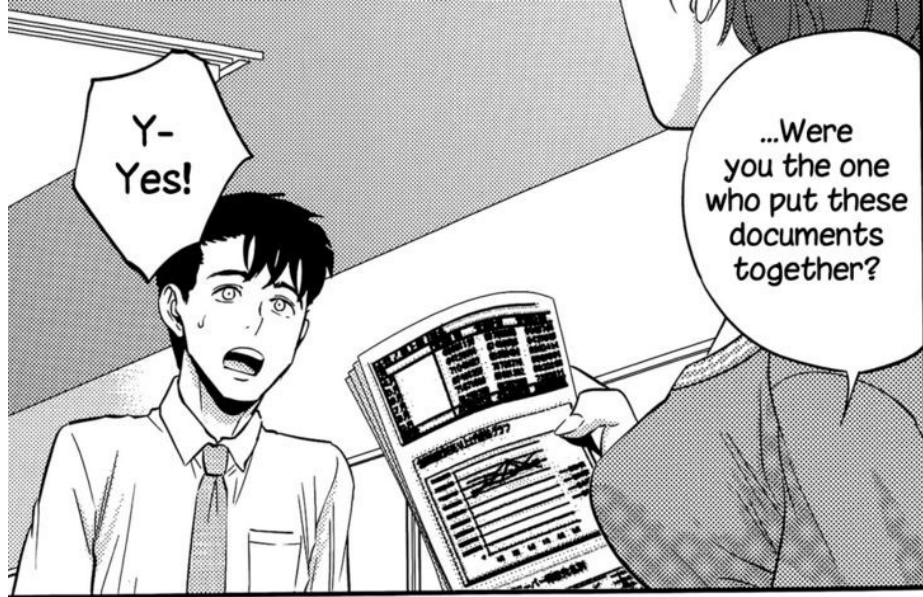

Hell... no...

You idiot...

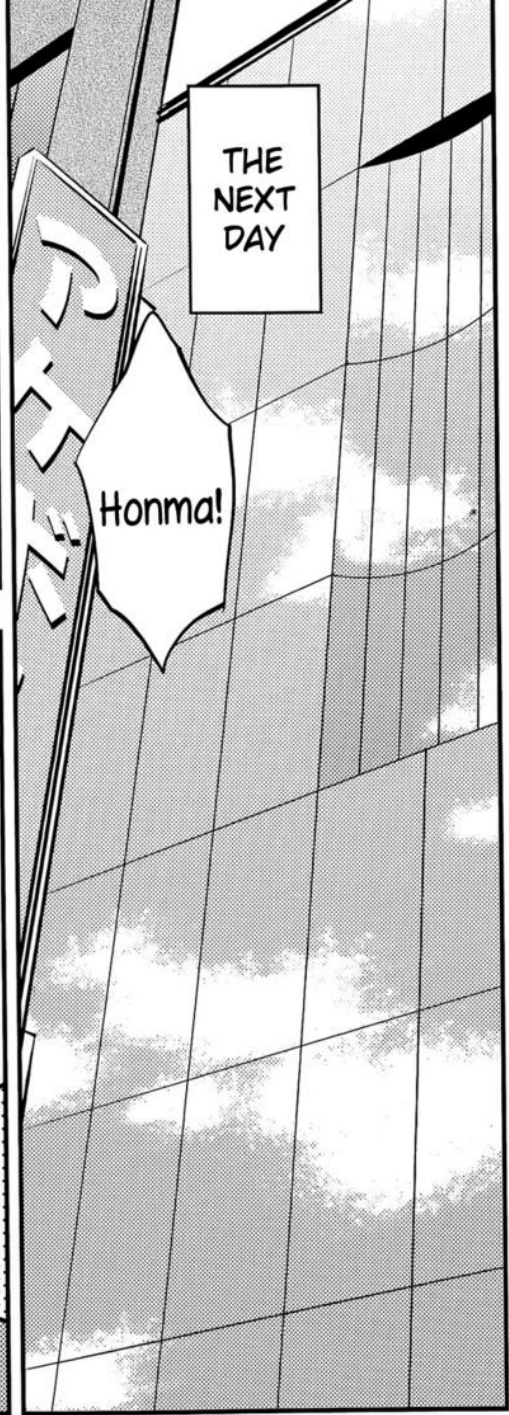

U- Um...
Are you alright..? ..?

That was... too good... ♡

Y-
Yes!

...Were
you the one
who put these
documents
together?

THE
NEXT
DAY

Honma!

Nice
work.

Huh,
you
can
do it
if you
try.

I didn't
see this
coming...

My,
my...

Thank
you
very
much!

Now I only have to work harder, and...

That's great... Chiïwa-san doesn't seem as hostile towards men anymore...

I think we can expect a lot of him... What do you think?

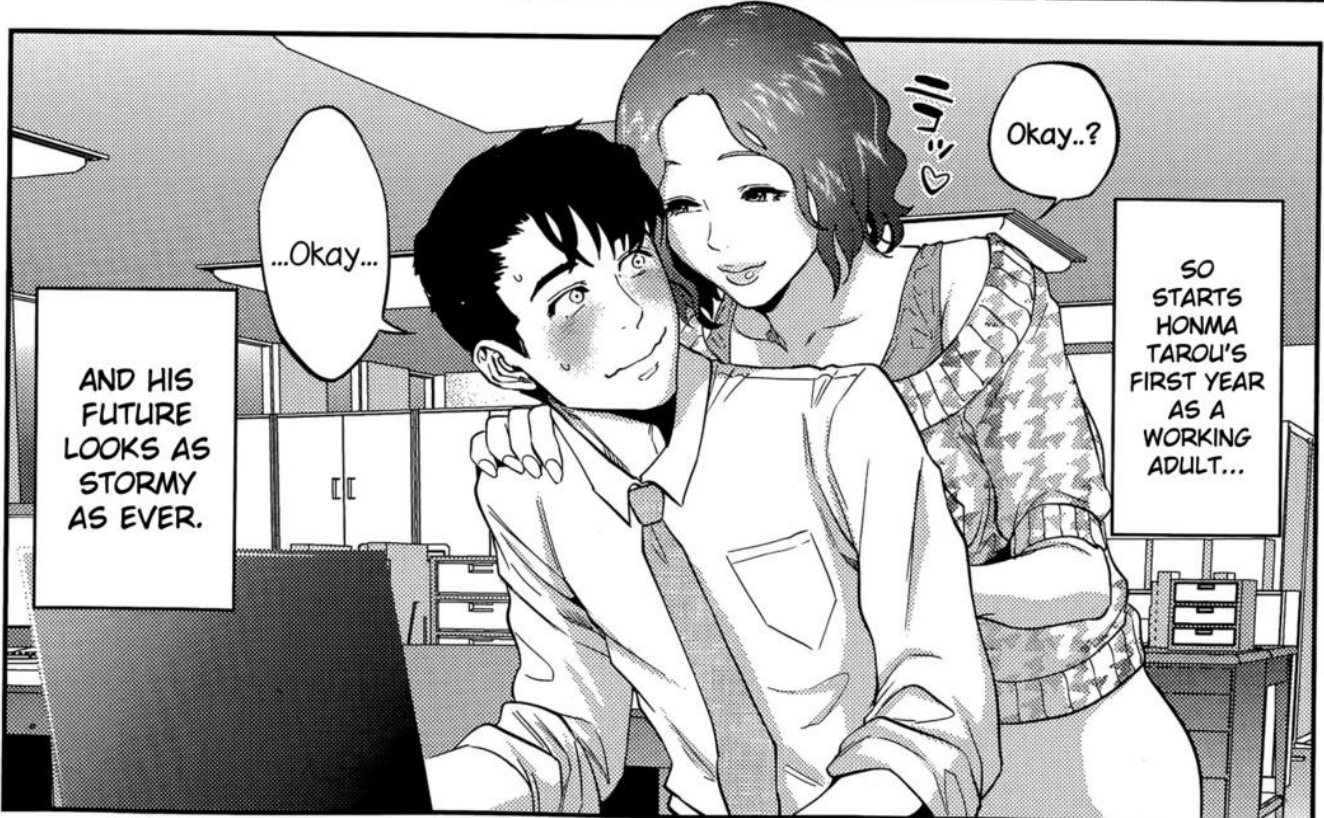

We'll see about that.

When you've gotten used to your job here...

Looks like you're doing your best, newcomer~

I'd like you to help me out some-time, too... ♡

...Okay...

Okay..?

AND HIS FUTURE LOOKS AS STORMY AS EVER.

SO STARTS HONMA TAROLI'S FIRST YEAR AS A WORKING ADULT...

Could you
enter the
figures in
these papers
into a

me~?

I'm in charge
of his training;
blame Gotou-san
for giving this
job to me.

Eehh~
Why are you
hogging him,
Chiūiwa-chan~?
That's
unfair~

Go get
someone else
who's free
to help you.

It's fine
if he just
helps me out
a little bit,

Oh, if you need help drawing up documents, I can lend a hand.

He only started working here recently and is still learning the ropes...

You shouldn't make him do all your work, everyone.

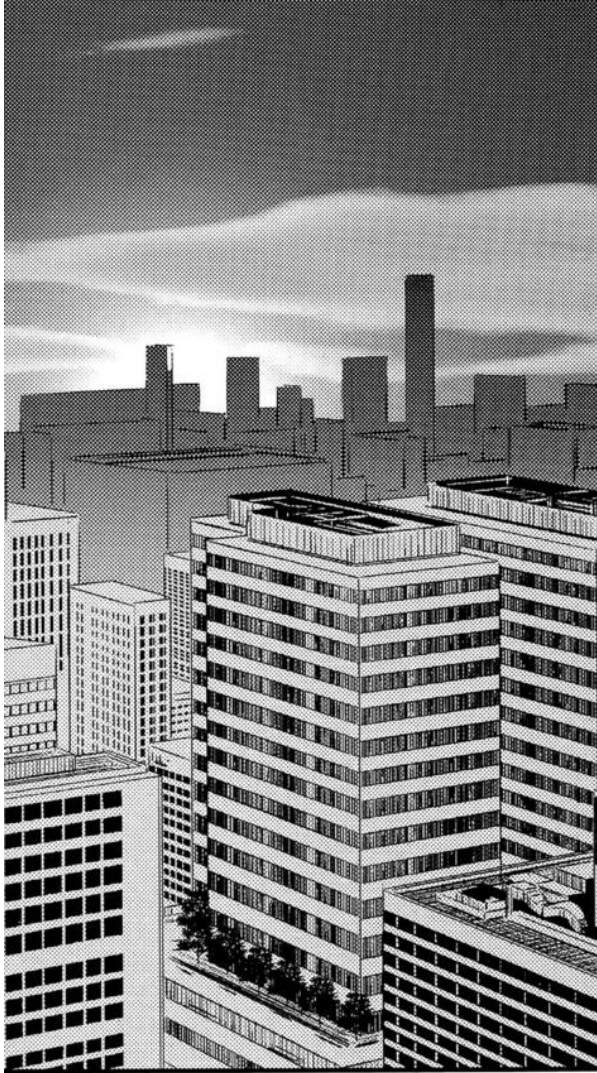

Ah... Thank you very much.

Right, new-comer? ♡

DESIGNER & PLANNING CLERK
NOMOZAKI KUMI

I'm sorry, Nomozaki-san... You must be even busier than I am but you're helping me with this...

You can take your time learning everything. ♡

Don't worry about it, it's fine.

Thanks for today~

See you~

We're leaving now~

Is that so? In that case...

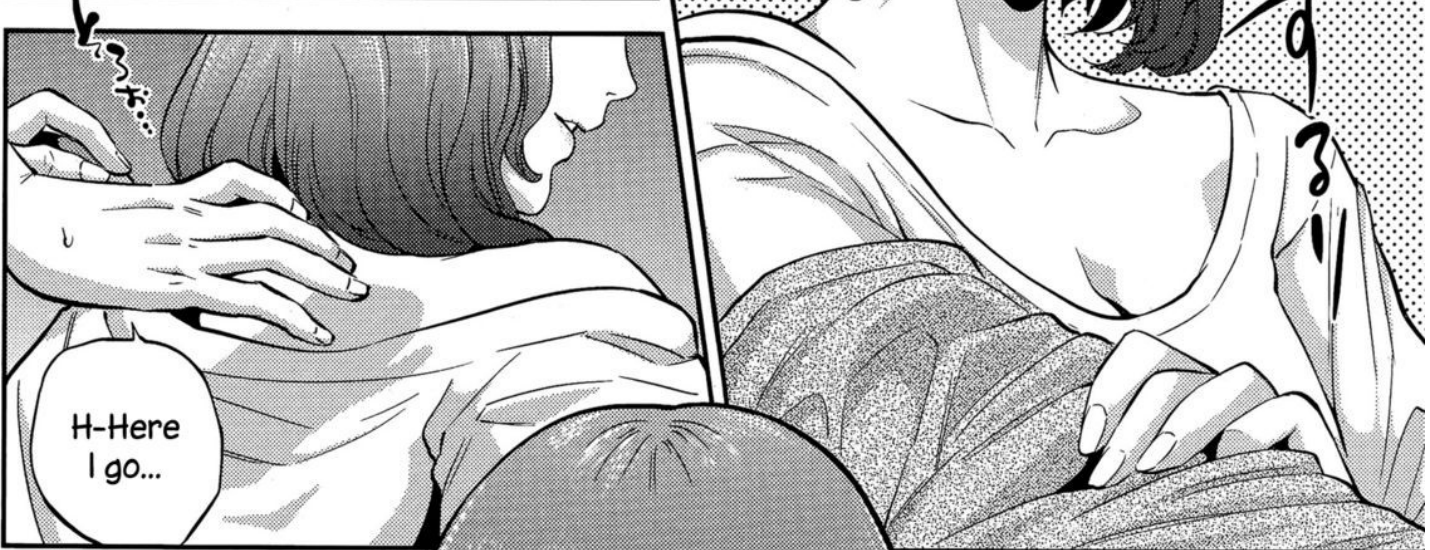

Oh, no... I can't possibly leave before you when you're helping me with my work, Nomozaki-san...

Is there anything I could do for you here?

You can go home now too if you want to. I'm just about done as well.

Haah~ That's it... ♡

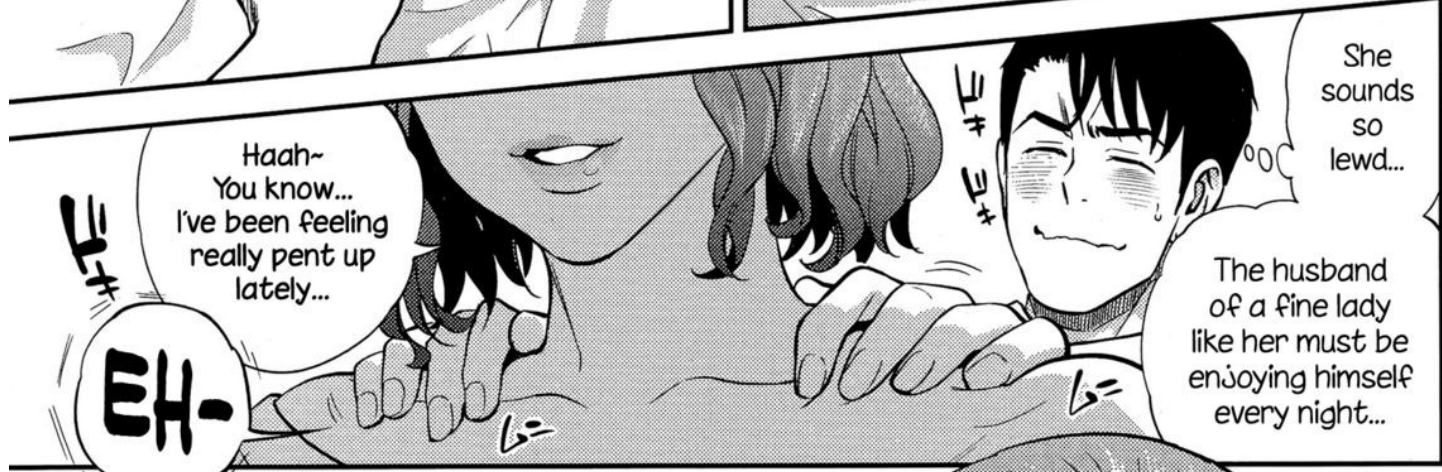

Ahh... Right there...

Put a little more power into it... Hn-

Ah... Yes...

HN ♡

Haah~ You know... I've been feeling really pent up lately...

She sounds so lewd...

The husband of a fine lady like her must be enjoying himself every night...

EH-

Has it piled up inside you too, new-comer?

My husband hasn't done anything to me lately, you see...

S-SHE'S SEXUALLY FRUSTRATED..?

Stress, I mean.

Nnn~!
That
hit the
spot~

stiff...

Ah, it's this late already.

Oh, guess it's time to go home.

Let's finish up.

Y-
Yes!

I'll do my best!

If you ever need any help again, don't hesitate to ask.

And when you've gotten used to this job, maybe I'll have you assist me then~
♡

♡=U=♡

Ah! I can help with that!

I'd really like to help you, but...

That stuff's out of my area of expertise...

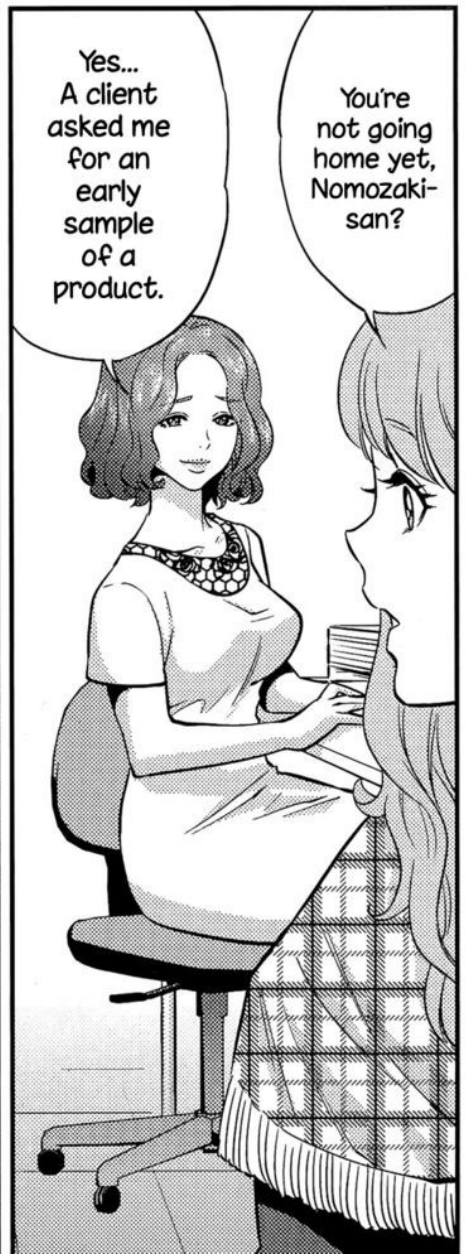

Don't push yourselves too much, you hear-

Well then, see you tomorrow.

My~ I'll rely on you, then.

As thanks for yesterday, I'll lend you a hand today, Nomozaki-san!

Yes... A client asked me for an early sample of a product.
