

*Congratulations,
Robot Ponkotsu
on the reprinting!!*

Null Mayu

The image features two anime-style female mechas in a romantic pose. The mecha on the left has a yellow and orange color scheme with blue eyes and a small antenna. The mecha on the right has a red and pink color scheme with blue eyes and a large, rounded head. They are both looking at each other with open mouths, and a small, glowing red heart is visible between them. The background is white with some mechanical details like cables and connectors.

Afterword

Ponkottsu is being reprinted!!
I'll repeat one more time.

Ponkottsu is being reprinted!!

If you bought this book you've already
likely bought it anyway, but,

"New Publication - Robot Ponkottsu
The Complete Grey Test Chapters"

is up for sale!

I wished for a reprint of Ponkottsu
and put out a doujinshi some time ago with
that thought in mind, and my wish came true.

Hooray for reprints!!

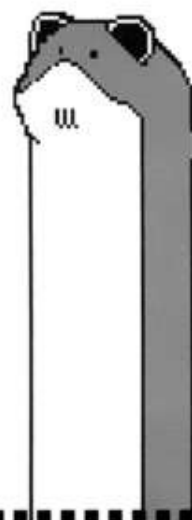

While I'm dancing for joy, there is one thing,

If the reprints don't sell well,
then further chapters won't be reprinted.

So, everyone, please buy the
"New Publication - Robot Ponkottsu"!!

Thank you all very much.
