

W-
Whoa-

Suzuri-
sama,
lunch is...

Suzuri-
sama~

It happened
one day,
when
the maid
was away.

There!

So I thought
maybe I could
find something...

I've known
her for a
long time,
but there's
something
about her I
can't quite
grasp...

I'm not
sure that's
a reason
to search
the house.

Doing
whatever
you please...

Don't blame
me if you get
scolded by
Azusa-san

Azusa's Room

Yeah.

That's why
I'm doing
it while the
demon's
away.

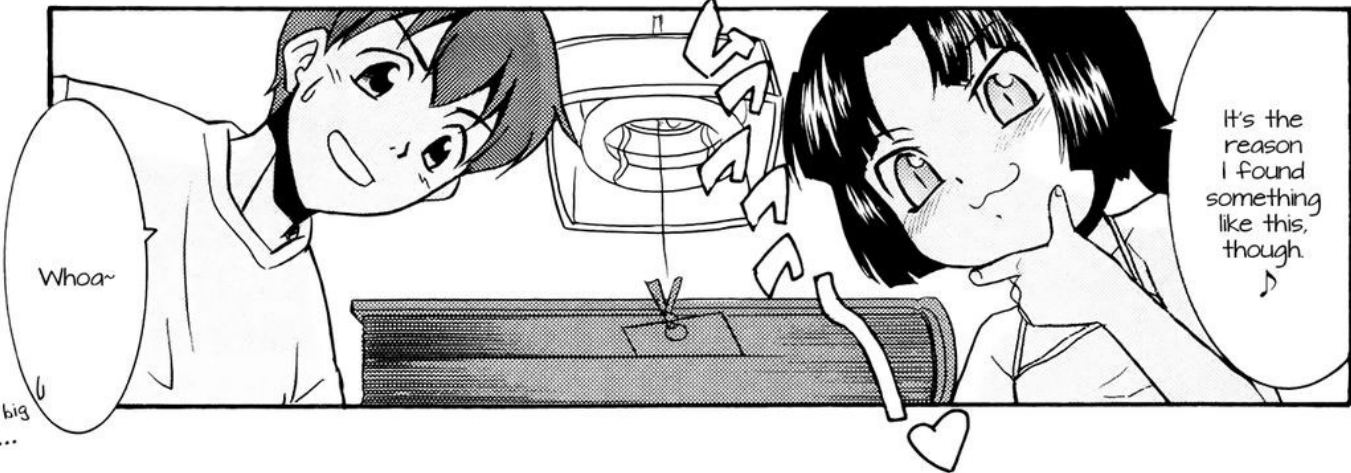

Hm?

Oh
It's you,
Kouta

Do you
need
something?

"Do you need
something"!??

What are
you doing?

Whoa~

It's the
reason
I found
something
like this,
though.

What a big
mouth...

It's been about

started living
together with
Kouta-sama.

Nnnn-!?

Nhul

Ah-

Fua-

Recently, it seems Kouta-sama has frequently been assertive.

Suzuri-sama..

Whether Suzuri-sama's strategy worked...

Or whether a screw broke loose...

Nh..

Fuuuu!

Nh-!?

ひんやり

I beg of you, please act with discretion..

Pardon the intrusion, Kouta-sama..

Ah-
No-
You have class first period tomorrow, don't you?

Ye...
Yes.

I think it will be a bit difficult to get your grades back up..

I believe first period tomorrow is a required course..

If you let this go, next it will be your second year...

It's okay if I'm just a little bit late..

Just... like that.

What is this...

I am a maid,
but there
are times
when I must
offer candid
advice, and
so...

Good grief,
it was so
troublesome.

Regardless of
the fact that
I'm so charming,
that's a little...

Damn

There
has
to be

I also...
what?

No,

You don't know?
These are called bloomers.

Azusa said that men like this kind of outfit.

Hm?

...Wait, what's with that outfit?

Ah~ I'm sorry, Suzuri-sama...
I have reports building up like a mountain~

Please give me a break...

I didn't ask about that!

I said I'm bored!

That woman, again...

Mm...!

You wouldn't want your husband to have to repeat a year would you, Suzuri-sama!?

Ahh-
Geez-
Please don't be so unreasonable-!

At any rate, I'm doing this much!

Don't you think you should do your duty as my husband!

I get to do whatever I want!

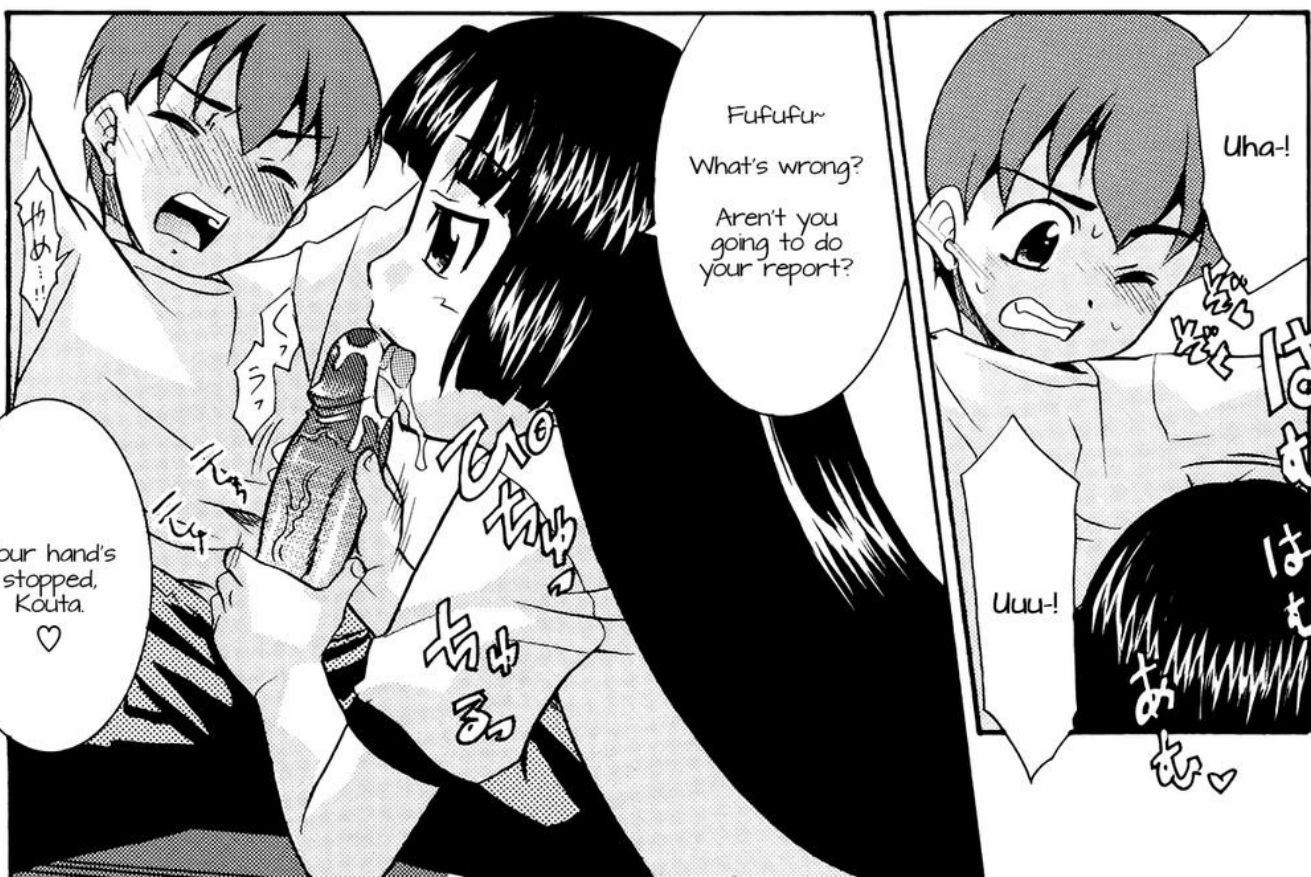

...Okay.
Do your report!

Wha-!?

But in exchange...

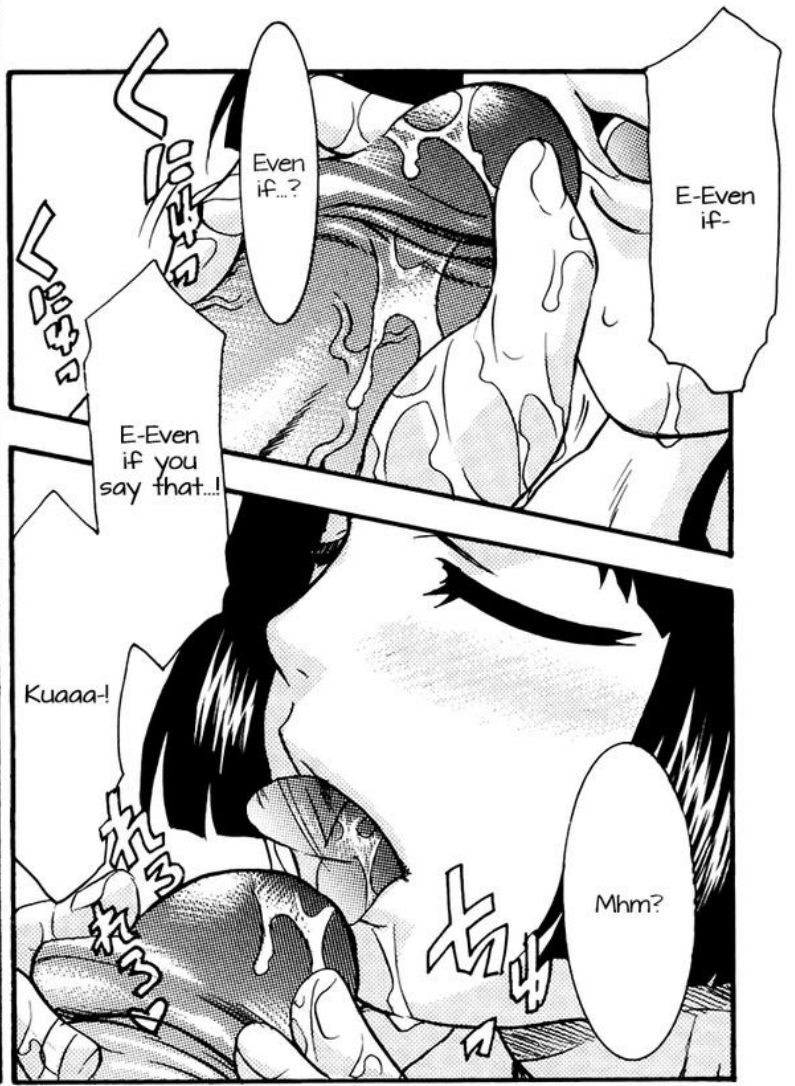

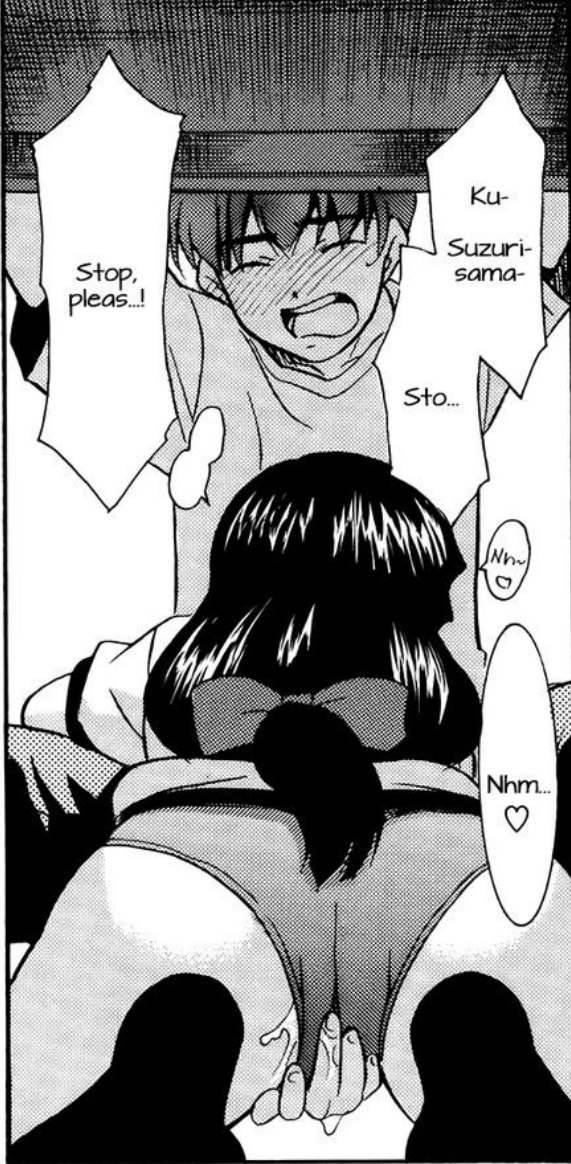

He-

Uah!

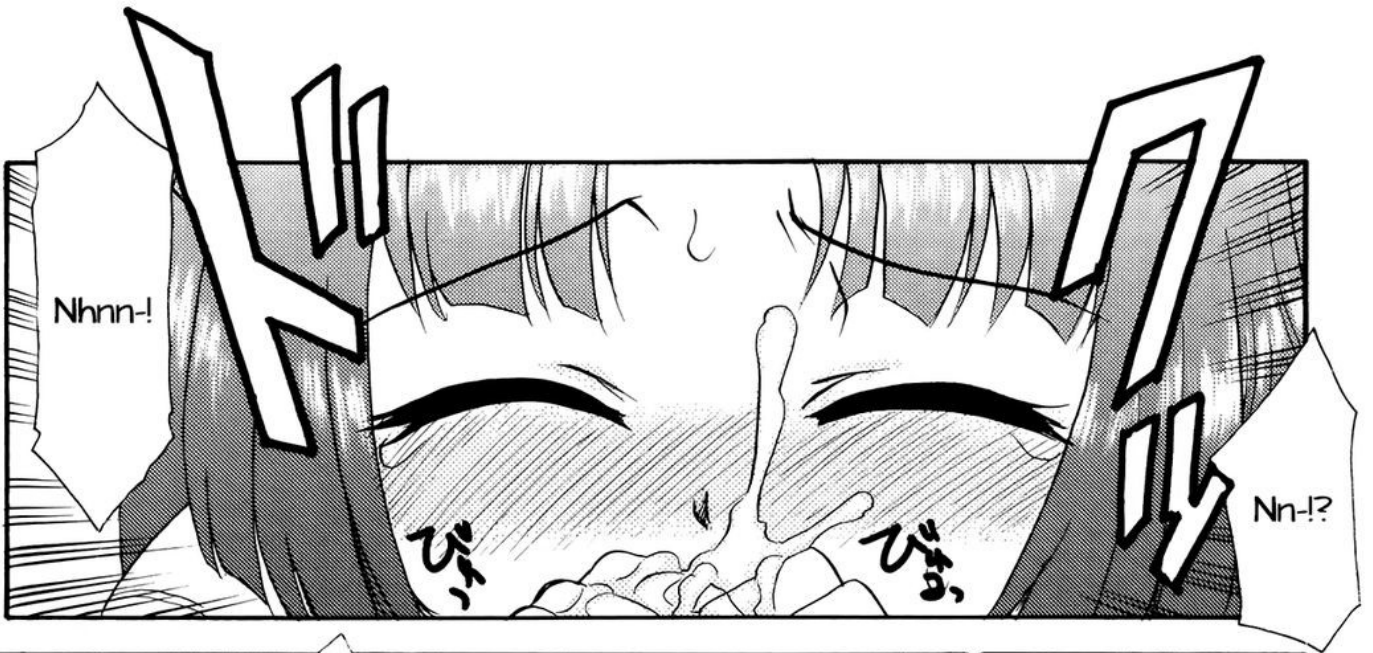

Fufufu
What's wrong?
Aren't you going to do your report?

Uha!
Uuu!

Your hand's stopped, Kouta
♡

Nhnn-!

Nn-!?

Ah...

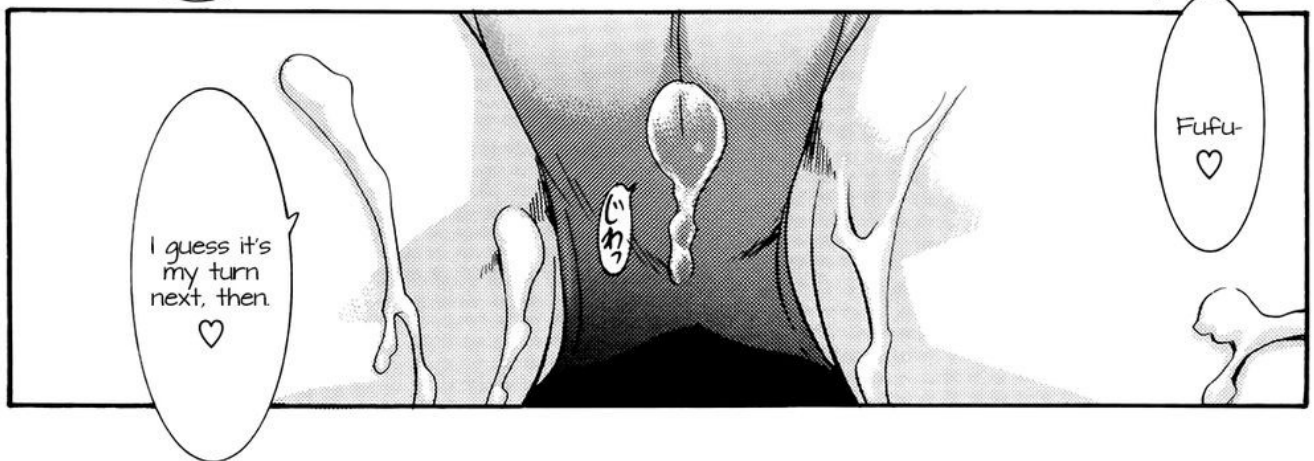

Suzuri sama...

Fufu-
Some really thick stuff came out, Kouta...
♡

It looks like something other than reports has been building up quite a bit, too~
♡

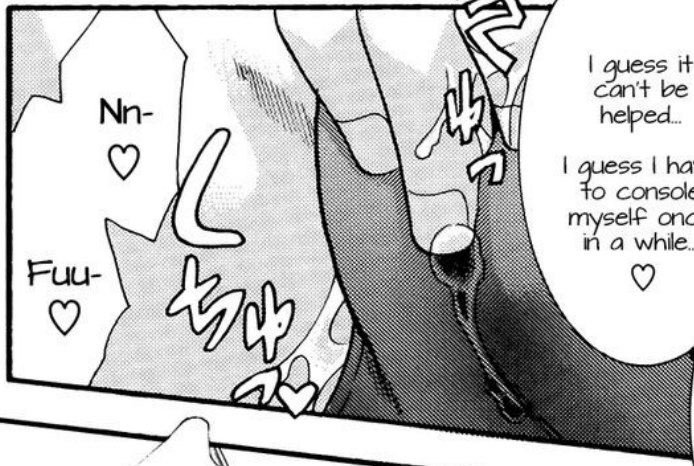

Puah-
♡

Nnaah-
♡

I guess it's my turn next, then.
♡

Fufu-
♡

I guess it can't be helped...
I guess I have to console myself once in a while... ♡

But this is a dilemma...

It seems you're busy with your report.

Better than I thought- ♡

Ah- ♡
This- ♡

The material is rubbing me...

Nhahhh- ♡

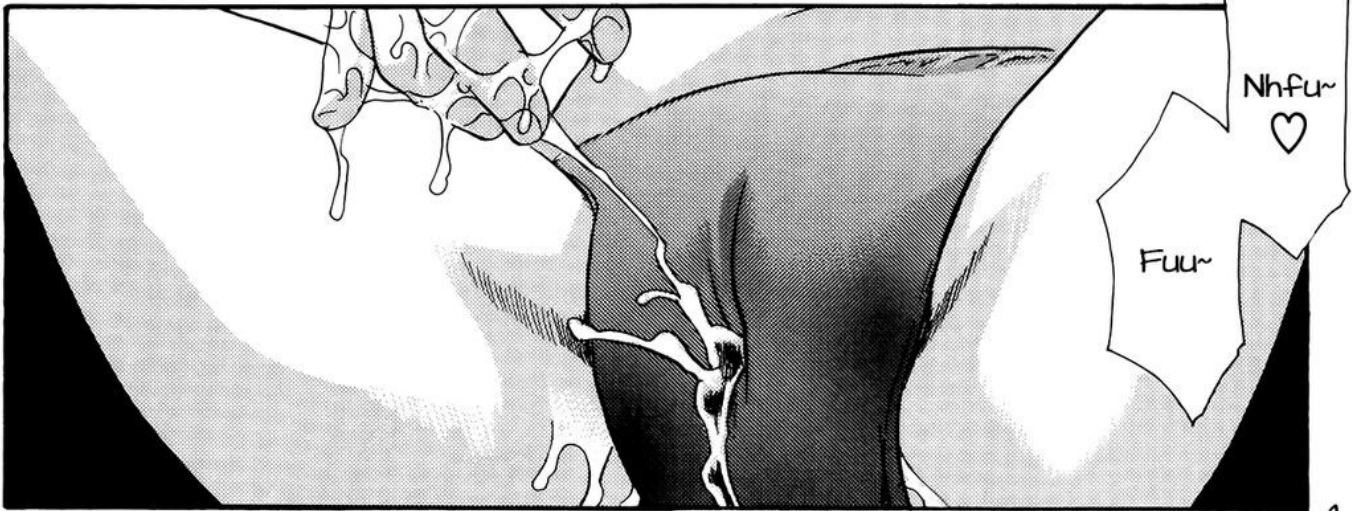

Haa~

Fufufu- ♡
He's watching, he's watching ♡

Haa~ ♡

What's wrong, Kouta...?
It doesn't look like your report is making any progress.

Between
your
report
and I...

Which will
you choose?

はぁ

And even then it was because I had Azusa-san's help that I managed to pull it off...

I begged my professor and somehow managed to get one more day for it.

Ahh~ It really was troublesome at that time~

What's this, what's this?
It was about this time you started to desire to monopolise me.

For some reason, my heart hurts...

W-Why don't we stop this already...

You did this, Kouta!

You did this, Suzuri-sama!

You did this, Kouta!

You did this, Suzuri-sama!

I didn't tell her.

Even though she heard it from you, I'm surprised she could write about it in such detail...

Huh..?

There's no way I would tell her that.

In any case, Azusa-san wrote this, right?

It would appear so.

Then...
Then who...?

It was nobody.

... I thought for sure you were talking her, Kouta...

Eh!?

But there are times when there was nobody but the two of us written in here!?

There's no way I would do that...!

So... I'd like to ask the two of you about something.

I think it would be best if you did not ask about that method.

Those are all things I observed directly by a certain method and recorded...

Didn't you learn at school?

Reading somebody else's diary is bad...

Ah...
yes!

The two of them somehow managed to get her forgiveness by giving her the gift of a lockable diary...

After that...

Prepare yourselves...

To be continued...
