Hello everyone!【あ・い・あ】Takanae Kyourin here. It has been 6 months since I did Nana's winter's omnibus. Nana is everywhere on my mercs at my stall since she's the main character of my new book! You can only find Nana on Takanaedoko! She's rare! Although I do want to respond to everyone's wishes, but coming out with a new story isn't an easy task... though I think I'll follow-up with more in the future~ Speaking of which, do you all like the beach or places where you can swim? I really like them but I rarely go to these places since handling swimsuits is too hard for me. Please don't condemn girls who wear swimsuits that expose little or T-shirts for swimming! Don't take the friendly elderly foreigners who are not afraid of wearing bikinis as the norm! This World! Humanity is very cruel indeed! That's why the theme this time is doing chores with a swimsuit, yes you read that right, yes that's what I wrote. Because wearing cute swimsuits outside is too embarrassing, so that's why it can only be worn at the personal beach, inside the house or pool. There's a special feeling wearing swimsuit inside the house, right? I would run around my house wearing my swimsuit excitedly if my family said that they would bring me to the pool when I was small.(~w~)That swimsuit's material and tightness really lets me think of being submerged underwater... It's great that the Kawai siblings are still so lovey-dovey even if they're just staying home for the summer.♥However making this book was really hard for me... I don't know if it's the heatwave but I felt really sick initially. Summer's heatwaves are getting scarier lately... My body feels like melting just by going to the convenience store... I really admire the people who are working outdoors. Please remember to take care of yourself...(~w~) And that's about it! I hope all of you will feel happier reading this~~~~♥

THE CHORES
EVERYDAY
ALTHOUGH
IT'S SUMMER
BREAK NOW.

MOTHER HAS
ALWAYS BEEN

THAT'S WHY
SHE GAVE
NANA SOME
ALLOWANCE
FOR DOING
CHORES.

NANA,
COULD
YOU WEAR
THIS FOR
A WHILE?

EHH?

JUST
WEAR IT
FOR ME,
PLEASE.

EHH?

WELL, DID

OUR HOME

EVERY NOOK

CLEANED
PROPERLY~...

THERE'S A LOT OF PREP WORK TO BE DONE BEFORE DOING THAT...

YOU'RE NOT PUTTING THAT INTO THE WASHING MACHINE?

NEXT, STAINS SHOULD ALSO BE SEARCHED FOR

THEN THE POCKETS MUST BE CHECKED

DARK... UHM, IT'S INDEED DIRTY

ONII-CHAN'S COLLAR AND SLEEVES

THE CLOTHES WILL BE SPOILED IF YOU JUST PUT EVERYTHING INSIDE

FOR THIS YOU MUST SCRUB THE STAINS WITH DETERGENT BY HAND

Ok~ Just leave them there

Onii-chan, the laundry's done

DO YOU WASH EVERY SHIRT THIS WAY!?

THAT'S RIGHT-

WHEN YOU  
WERE JUST  
WATCHING  
FROM THE  
SIDE?

WHY DO  
YOU LOOK  
SO WORN  
OUT...

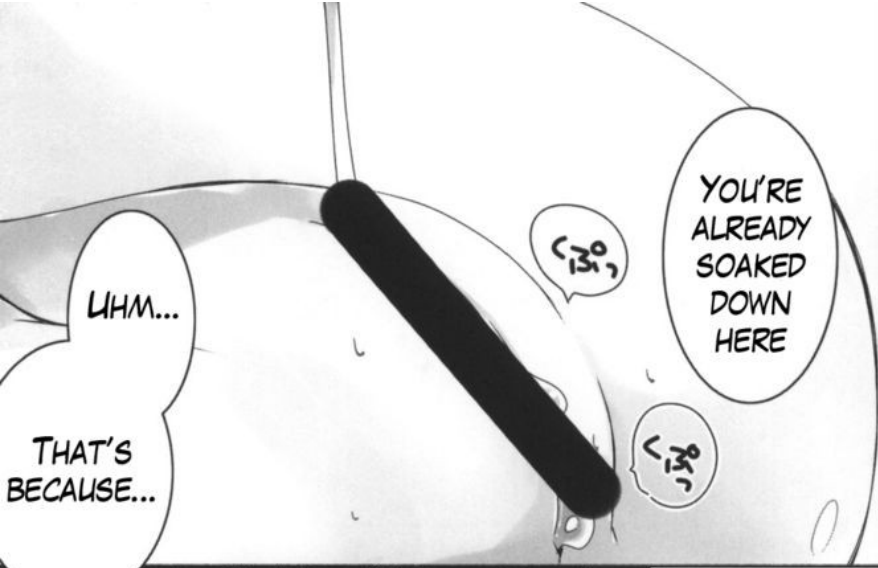

UHM... BUT  
I GUESS I'M  
A BIT TIRED  
TOO NOW.

PHEW

AYE

ALTHOUGH I  
DO GET SOME  
ALLOWANCE OUT  
OF THIS, YOU

Afterthought:

My favourite doujin series is here again, I'm so glad that Takanae sensei didn't end this series with the 4th book, that would have been a shame if it did. Speaking of which, I got myself a Nana's dakimamura recently. It was expensive but totally worth it! What's your favourite doujin series?

Hopefully we will see more of this series in the future. Merry Christmas, everyone~
