I really like you, Keita.

Definitely come back to Japan...

I'll...

So, let's promise!

In that case-!

I bet she's grown up to be a real beauty...

I mean, she was pretty even as a kid...

I didn't think I'd ever get to meet her again...

...It's been ten years since then, huh.

And... When I come back, well...

Yeah right, that's not possible...

And what if she's still in love with...

But Keita, I realized it was you at a glance, you know?

Well of course! I did grow up from a girl into a lady, after all!

Is that so...

You sure have changed, haven't you...

Don't underestimate me-

No~!

You're looking really grown-up!

...Have I really changed that little?

? Then how did you...

I could find you even up from the skies, Keita-!

That was enough huh...

Could it be that you remembered our old promise... or not...

IN THE FIRST PLACE, IT'S A PROMISE FROM 10 YEARS AGO. IT'S NORMAL NOT TO REMEMBER STUFF LIKE THAT.

I'm not interested in that stuff, though.

It looks like it'll grab everyone's attention, at least.

I think it's fine.
