FUCKING FINALLY, A PREGNANCY ENDING.

IT'S INTERESTING TO NOTE THAT THE SLUGS OF THIS EPISODE LOOK AWFULLY CLOSE TO THOSE OF THAT OTHER SEA STORY, I WONDER IF THEY ALL COME FROM ONAMI TOWN? BECAUSE IF THAT'S THE CASE THE GIRL ABOVE MIGHT GET SOME UNPLANNED "CONSEQUENCES" FROM HER "HOBBY"...

I'M NOT GOING INTO DETAILS (I TOO KNOW LITTLE TO BE HONEST) BUT "WADATSUMI" IS THE NAME OF A JAPANESE SEA DIVINITY, SOME SORT OF DRAGON WITH THE OCEAN AS HIS DOMAIN. JUST GOOGLE IT UP IF YOU'RE CURIOUS.

SEE YA NEXT RELEASE

HOPE YOU ENJOYED
THE READING.
