comic by O.RJ

CELVARG 1

**A small
group
has split
off from**

**My
Lord**

**so
last
night**

our men
went
hunting

and three
of them
have been
saved for
you

On this
hunt we
caught
19 of their
sows

Why so
few...
hmmmm?

but these are
fine creatures,
you will
not be
dissatisfied

The men
must have
their share
my lord

we slew
him of
course,
my lord

and do
the bitches
know of
this?

Oh?
and
what
of this
"chief"?

They are
the tribal
chief's
bitches

These
ARE fine
specimens

Ooh

BASTARD!
What is
the meaning
of this?!

The
bitches
howl
well...

What
have we
ever
done?!

What right
to you have
to take us
prisoner!

What
right?

I will
tell you
what
right!

.....
grr

and
you
will
pleasure
me

you
will
be my
pets

I will
say it
once
more

now
let us
begin

it seems
you finally
understand
your
place

I said
DRINK
IT

The fun
is just
getting
started....

to be continued...

Your standard thanks from the original author, etc.

The fat guy apparently is from another fantasy work by O.R.I called "DOOLY" it's not on this site though, I checked, believe me O.R.I is one of my favorite artists. Most of his stuff is pretty much "normal" though, so I was REALLY happy to find this story with some dark skinned tribal women.

There's not nearly enough tribal tatoos on this website.
