Yaaay!
It's the
summer break,
the summer
break!!

No way,
it's too
hot!

Onii-chan,
let's race
to the station
like this!

No, it's
not really
that.

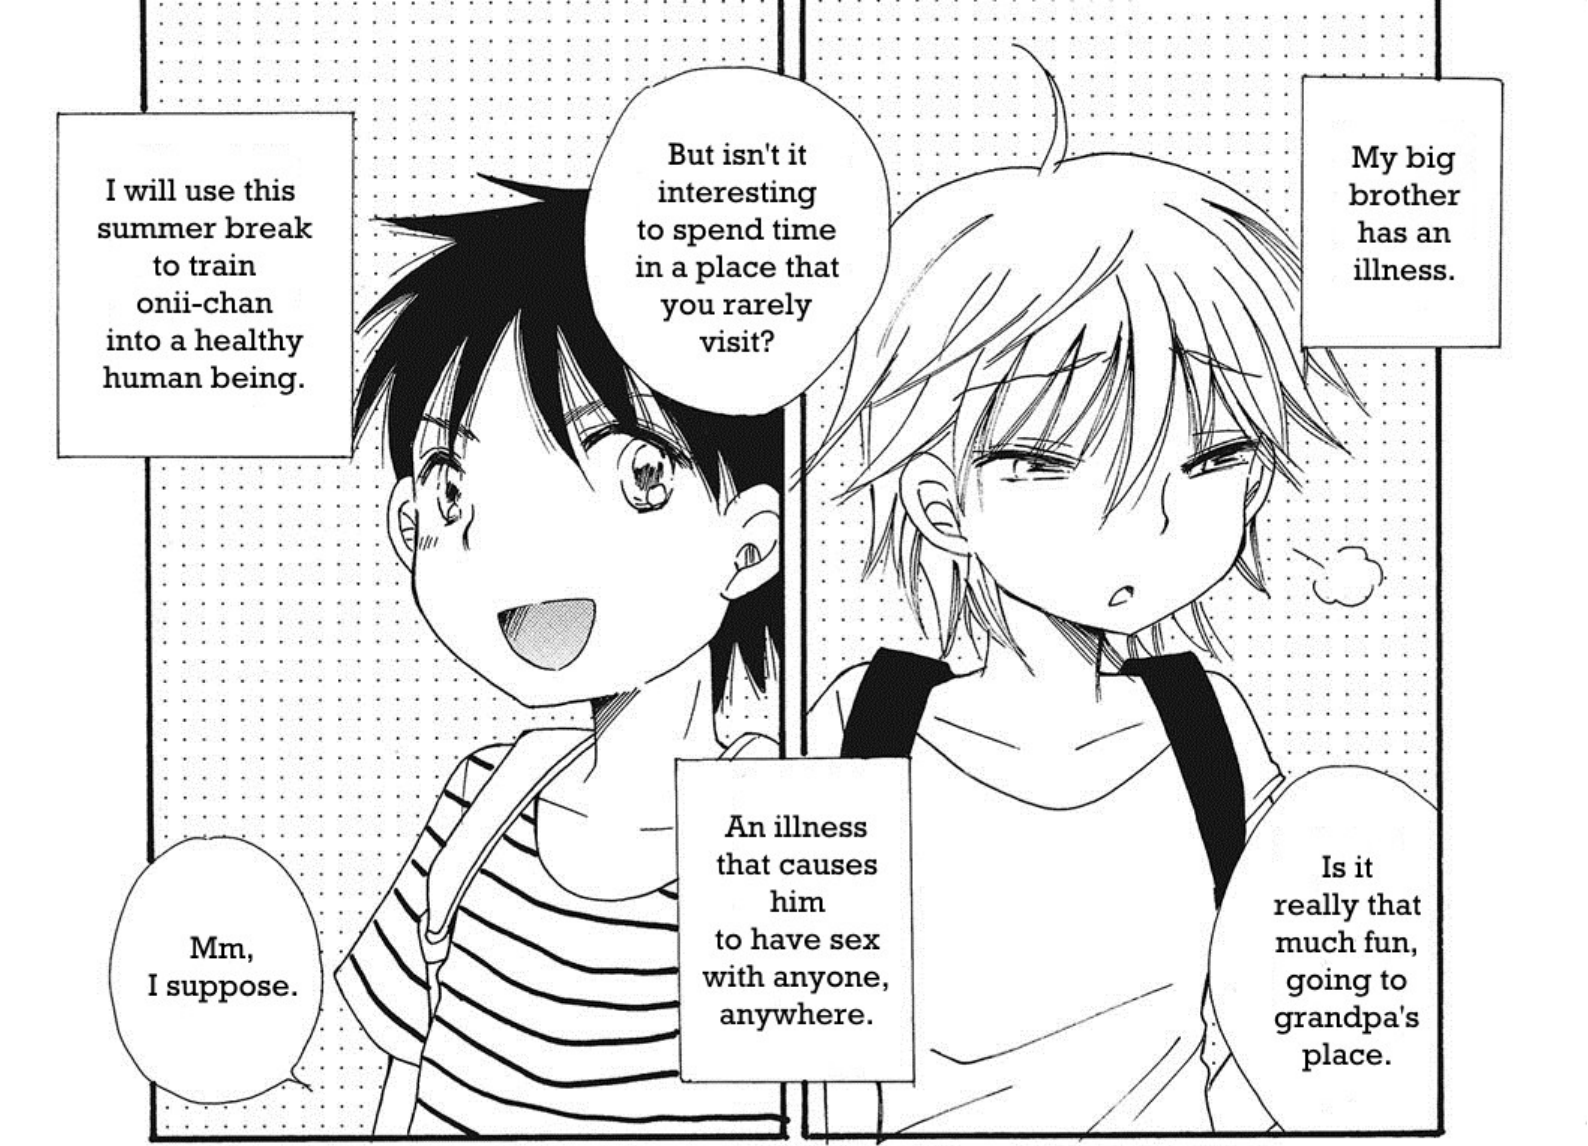

Did you
always
like summer
that much?

Why
are you in
such
high spirits
anyway.

Hey,
Takahiro.
Stop running
all the time.

I will use this summer break to train onii-chan into a healthy human being.

But isn't it interesting to spend time in a place that you rarely visit?

My big brother has an illness.

Mm, I suppose.

An illness that causes him to have sex with anyone, anywhere.

Is it really that much fun, going to grandpa's place.

It does seem kinda interesting.

The healthy air of the countryside will help fix onii-chan...

A summer romance with a rough man from the countryside...
♥

How is
grandpa
doing?

Makoto-
chan, it's
been
a while~ ♡

He~y,
big bro,
Takahiro-
chan!

We're
all doing
great.

B-
big bro.

Huh?
Did you
grow taller
than me?

It's true,
you're
bigger than
Takahiro
now.

You
think so
?

Y-

Yeah,
I was...

Were you
a good boy
like I asked
you to be?

Leave
your bags
behind, and
let's go
to the river!!

Yeah,
we're
coming!

Alright,
that's a
good
boy!

?

You guys,
don't go
too deep.

You don't
find this
sort of
place in
a city!

Ah
Onii-
cha...

Wow,
it's so
beautiful!

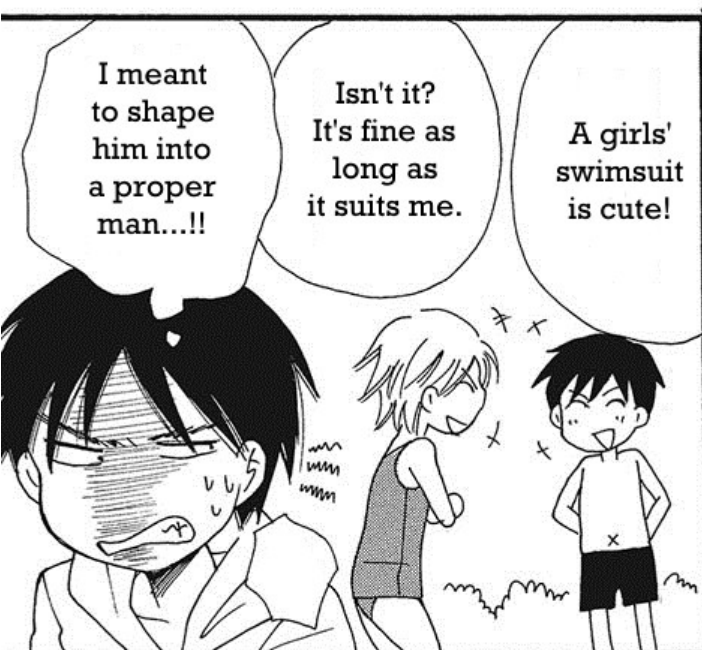

You told me to bring one, didn't you?

Why are you wearing that sort of swimsuit?

A normal one, you idiot!!

Don't call me an idiot!

I meant to shape him into a proper man....!!

Isn't it? It's fine as long as it suits me.

A girls' swimsuit is cute!

The riverbed is slippery after all.

Brother, you idiot !!

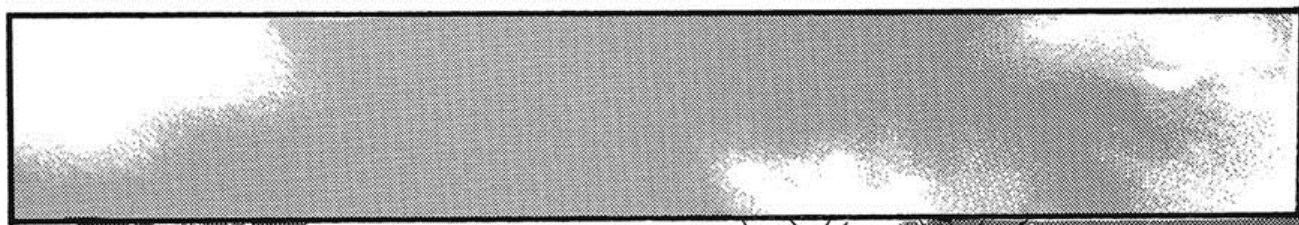

It wouldn't surprise me if you wore that even as an adult, onii-chan.

That's why I have to use this chance to wear it.

It's only a matter of time before this stops looking good on me.

What are you even saying?

Guess I
have to
give you
a reward
then.

I did it
by myself,
just like you
told me to do,
big bro.

I see.

It
peeled
all the
way back.

Big bro!

Let's play
watermelon
splitting.

But while
we're here,
I might as
well enjoy it
to the fullest.

Sure,
I'll do it!
