

NOW,
THE ONCE
LIVELY
STREETS
HAVE
BECOME
DESOLATE.

THERE IS NO
KNOWN WAY TO
FIGHT IT. MASS
AMOUNTS OF
WOMEN, FEAR-

THEIR HOMES.

IT'S BEEN
A YEAR SINCE
THE LUST BUG,
A VIRUS WHICH
CAUSES WOMEN
TO TEMPORARILY
LOSE CONTROL
OF THEIR SEXUAL
URGES, STARTED
TO SPREAD.

Hey guys,

This is Jacob from FAKKU, I wanted to politely ask if you could stop releasing the MEME50 chapters. They will actually be released in a book early next year and we will be publishing it.

This is not a demand or anything you are free to do what you want, but we would appreciate it.

Support the artist! Meme50's Lust Alert, coming soon to FAKKU!
