Original Girls Love Comic

Maika-senpai and I work together.

We're both girls, but we're secretly going out.

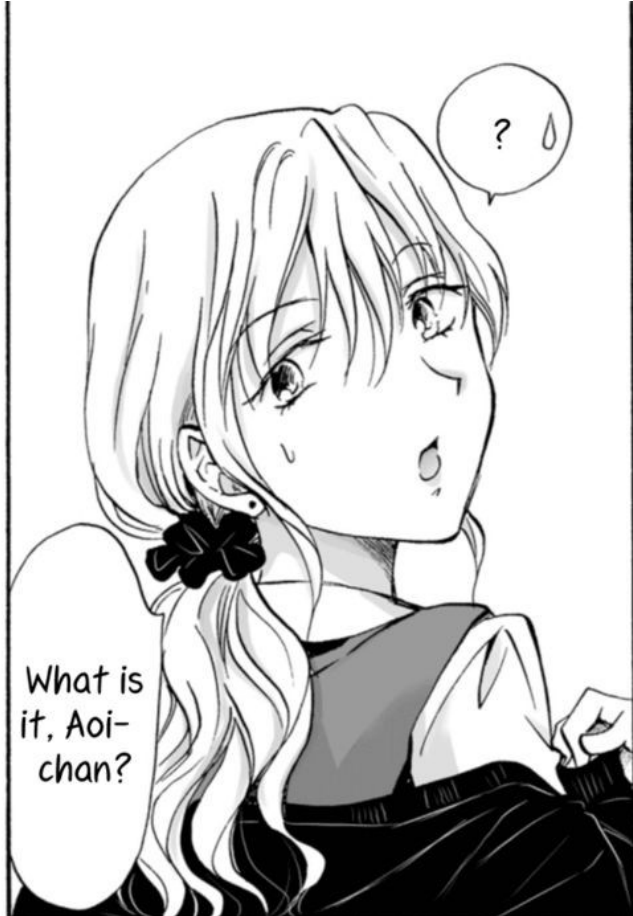

That was my plan, but...

so I was going to buy a limited edition accessory from her favorite brand and give it to her on her birthday.

She's always helping me out. I wanted to thank her,

I tried my best, but it was closed yesterday...

いん...

I didn't think we'd have to do overtime this week.

The plan was for me to visit the store on my way home.

Hm?

きょん

It's cute how she's being so fussy about my birthday.

♡

But I wanted to give you something for your birthday today...

Oh, that's what happened.

Thank you, your feelings are enough for me.

I don't really care about birthdays, so don't worry.

Or rather, I'm more excited about our date next week!

I'd like to see that, Aoi-chan.

the end

Hello there, this is Mira.

I wanted to draw a lot of boobs,
so I tried drawing the office ladies from
"Copy Room Play" again. (Comitia February 2014)

It is a sequel, but both books are all about the sex, so nothing really
happens. Feel free to read this without reading the prequel.

I was really planning on ending it here,
but my hand went and churned out another draft on its own,
so there's nothing I can do about it.
Blame it on Maika-senpai's endless sex drive.

What if I stimulate your cl*t on top of it, like a three-point technique?

After confirming that your cl*t gets aroused when when your nipples become sensitive...

I'm sorry. I have no idea what you're talking about.

Wouldn't that be an amazing sight?

Yeah, that's right!!

Making you feel good is my purpose in life!

Now she's biting back!

Is that all you think about?

Why are you thinking about something so indecent during afternoon tea?

This again...

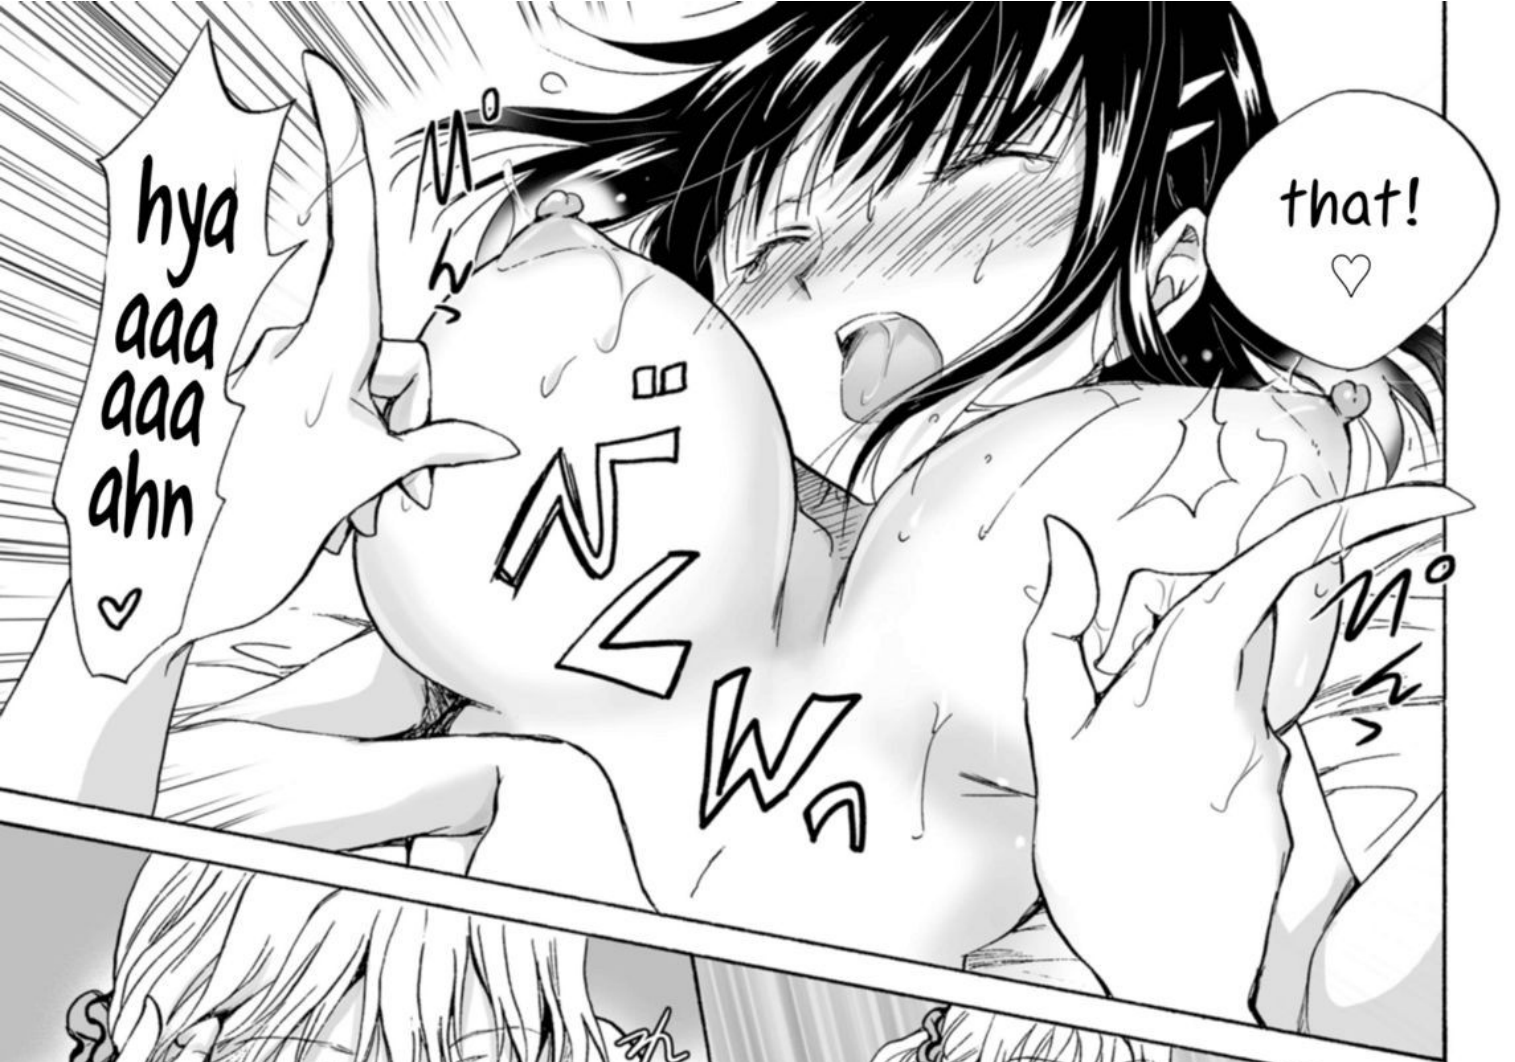

Senpai's tongue is so soft and warm...

It feels so good!
