DID I
HAVE

thinking
about
something
naughty,
aren't
you.

ugh-!

If there's
anything
I can do to
apologize,
just tell
me...

I'm really,
honestly
sorry.
I'm really
ashamed
of myself.

Um...
Listen.

FOR
NOW,
ALL I
CAN DO
IS KEEP
APOLO-
GIZING.

I'M
100%
AT
FAULT
HERE.

Well... yes, but... that's not...

So you did it because it was me, right?

EH?

Didn't you want to touch me?!

N-No, I...
...Yes, I wanted to touch you...

Senpai, you want to feel my chest... correct?

...I understand fully.

Go... what?!

Excuse me.

Uh... so?

Eh?

G-Go ahead!

Didn't you say you wanted to feel me up?

Would you like to... touch them directly?

Um... Senpai.

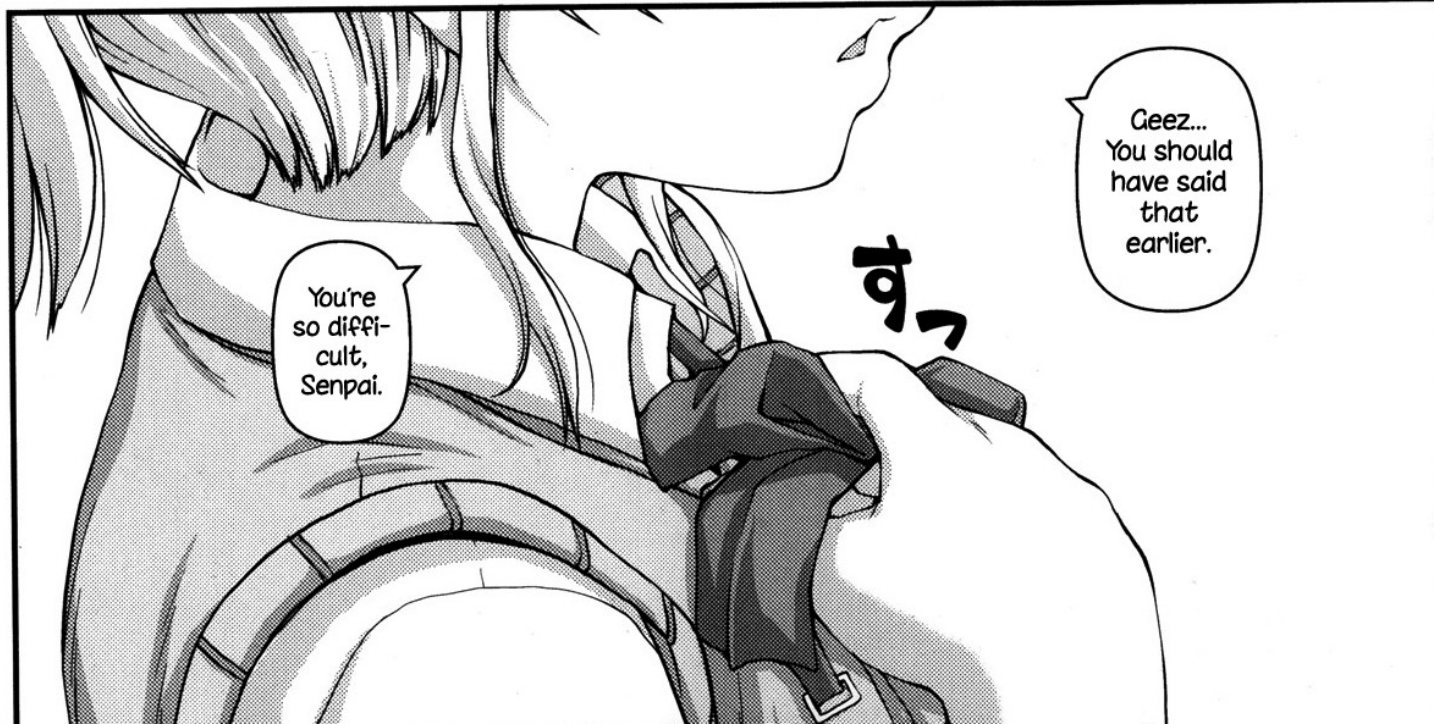

E-Eehh?! What do you mean by...

S-So-Sorry.
Yeah... I want to touch them directly.

Are you seriously a brute worse than a common pervert?

Are you really making me say it?
Do you have a thing for that sort of stuff?

You're so difficult, Senpai.

Geez... You should have said that earlier.

すん

W-Well, here you go...

I'm... sorry, I guess.

Uu... I didn't think this far ahead, but...

It seems I'm not as normal as I thought either.

Ah... I shouldn't do it, then?

That... tickles-!

No... It doesn't hurt, so...

It's fine.

But... it's okay.

Because it looks like you're getting excited by me.

Don't worry about it. In fact, it would've been quite sad if you hadn't gotten like this.

I might have even cried.

GIGGLE

Ah... This is-

The evidence is pressing against my butt.

But...

Now that this has happened, we can't just end it here.

Pre-prepare?

I'll... prepare myself.

Because I'm also partly responsible for all this...

No... That's fine.

I can do it myself.

Terrible? Uhh... I don't really get it, but...

Should I lend you a hand?

Well then... Um, something terrible has already happened, so...

I'll take my clothes off.

すたすた

I knew it... it was already this bad...

Aroused... so...

She's... wet?
That means Sayuri-chan is also...

At least let me prepare myself mentally first~

I-I mean... I'm really happy...

Sayuri... chan...

That... you got excited because of me...

ちゅ..

It's... shifting inside me!

It's so... hot...!

O... Okay.

Se... Senpai, you should move too...

Please enjoy my body more...

ぐんぐん

O... Okay... Stay like that...

I'm... about to come-

I'm... almost there...

And come... inside me..!

I probably should have said this earlier, though...

Would you... like to go out with me?

Say...

Ugh...

Sorry...

And you've been saying nothing but "sorry" for quite a while now.

HAA..

You're exactly right. You're really late.

You're completely hopeless, Senpai.

But it's okay. I know that's how you're like.

Don't worry.

Because I love every part of you!
