Hmm...?

I should come back sometime.

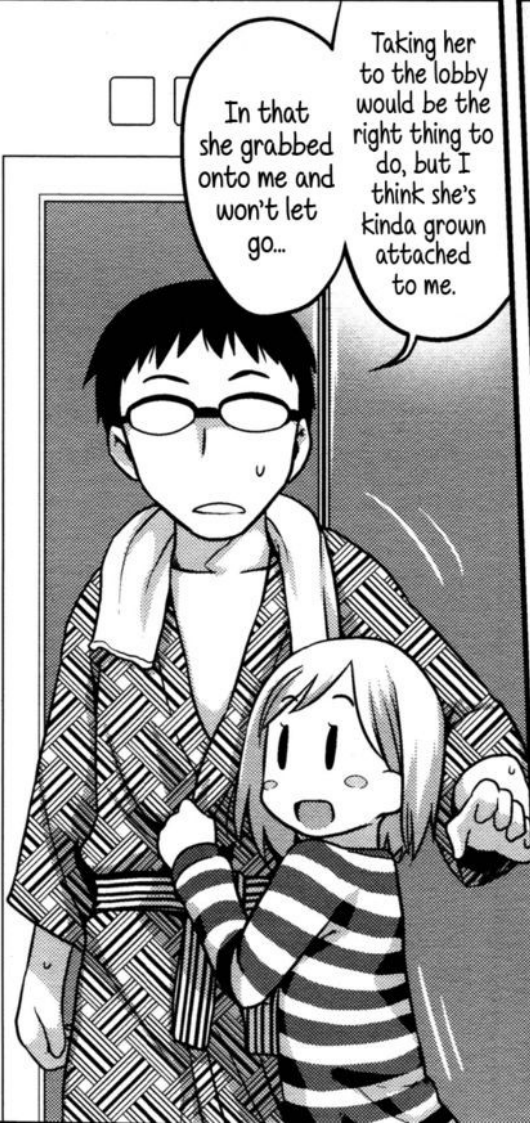

Hah! That was a nice hot-spring.

I used up all my paid vacation time, so I should live it up while I still can...

It's a blonde girl!

A cute one at that! But what's she doing all by herself...?

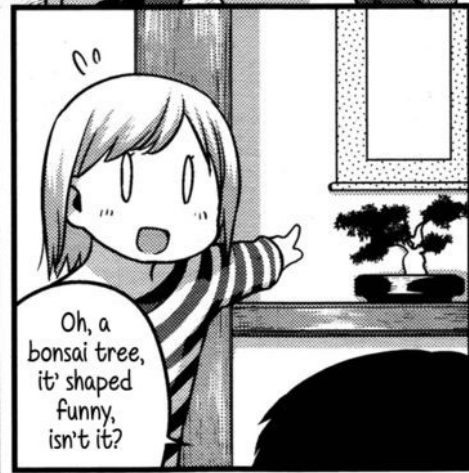

I mean, I like little girls, but such an enticing situation... I dunno if this is okay... Is this okay?

And now I brought her into my room...

That's not anything remarkable... Oh is it?

Oh, a bonsai tree, it's shaped funny, isn't it?

Yeah, that's an open air bath, first time seeing one?

right...!?!
Wh
Oo ah ah

Mh!

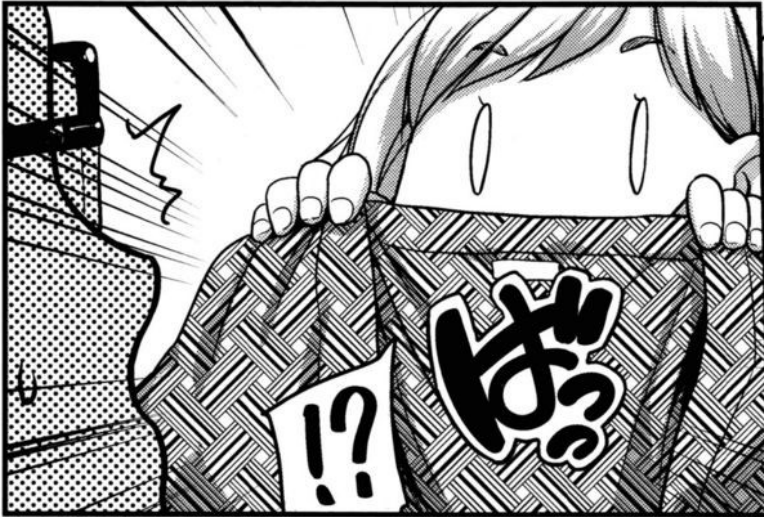

Hmph, as if,

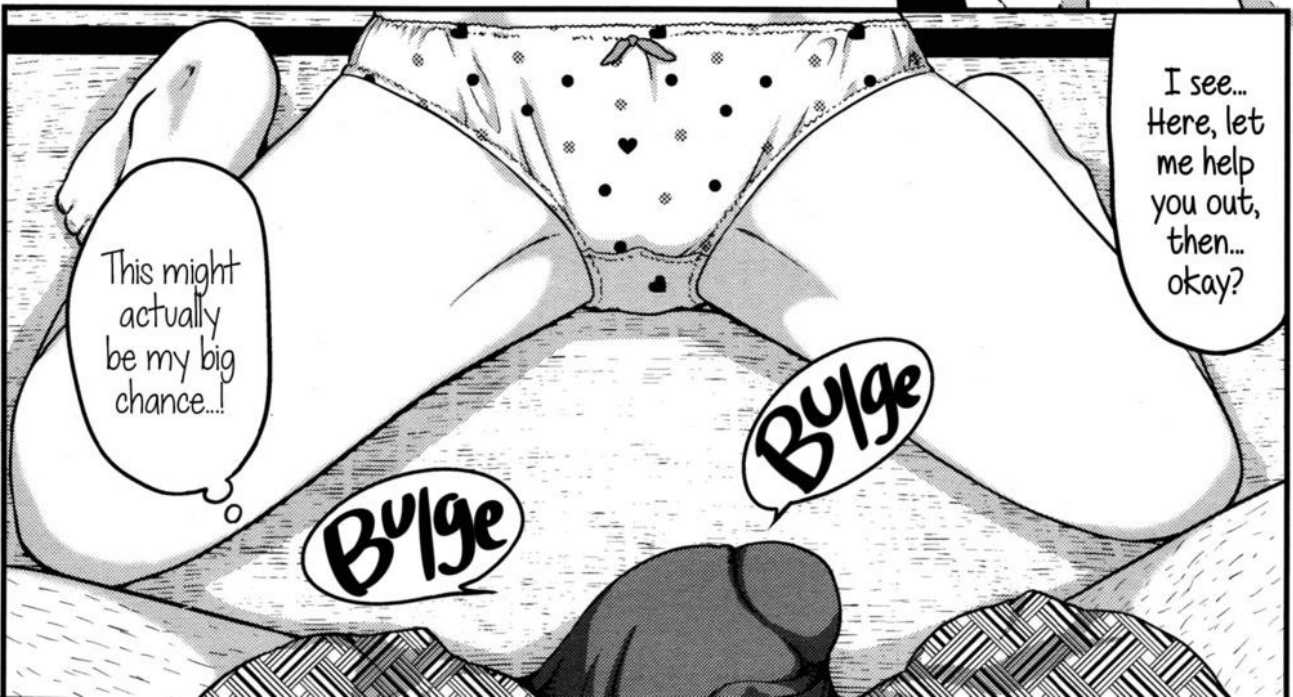

Since you're here, wanna hop in the open bath?

Sigh...

Hey...! Why'd you get naked all of a sud-... Huhh?!

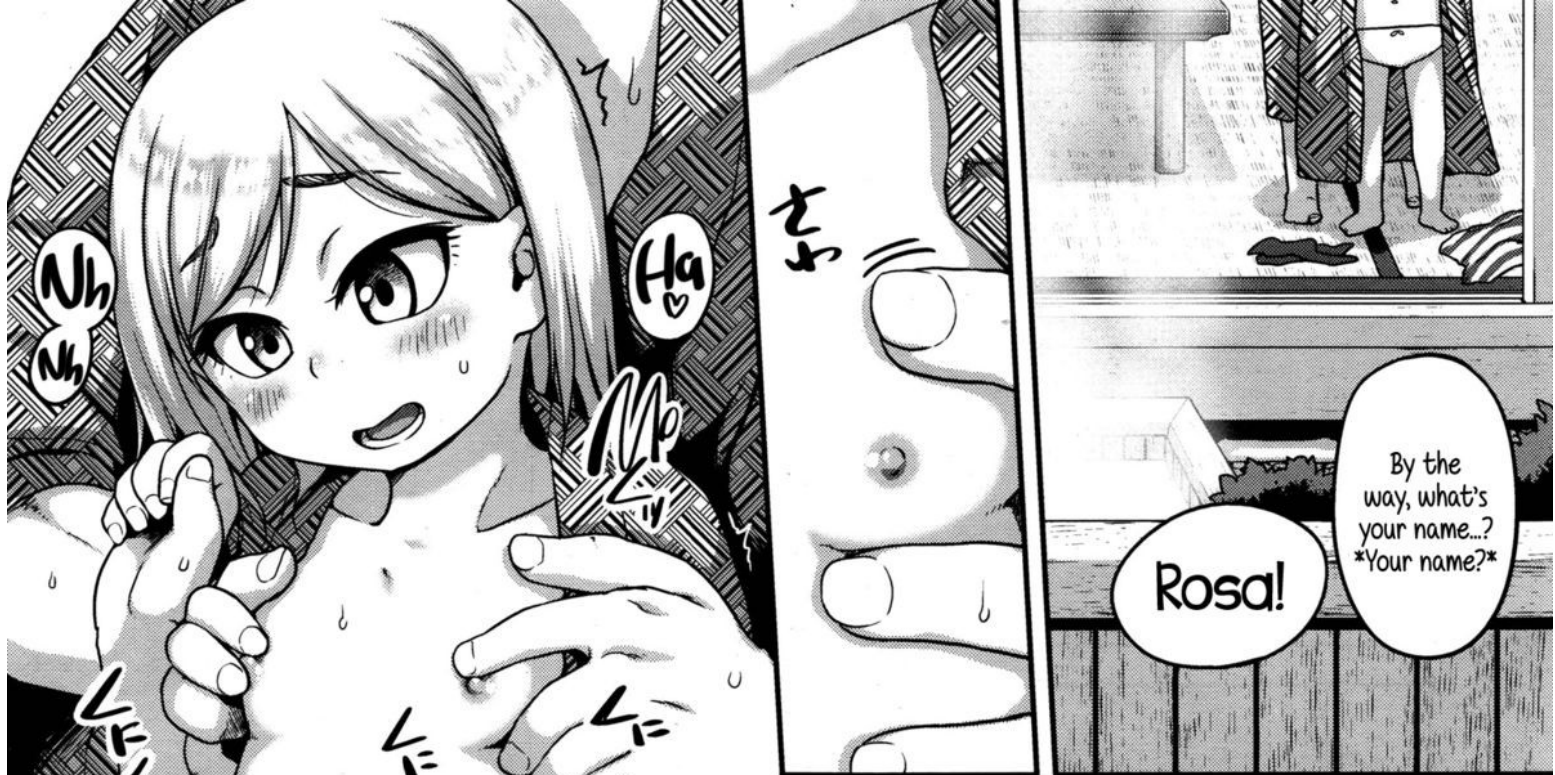

This might actually be my big chance...!

I see... Here, let me help you out, then... okay?

Bulge

Rosa!

By the way, what's your name...?
Your name?

*TL Note: He says it in English

Rosa-chan, huh...? That's a nice name. I wonder how old you are, Rosa-chan.

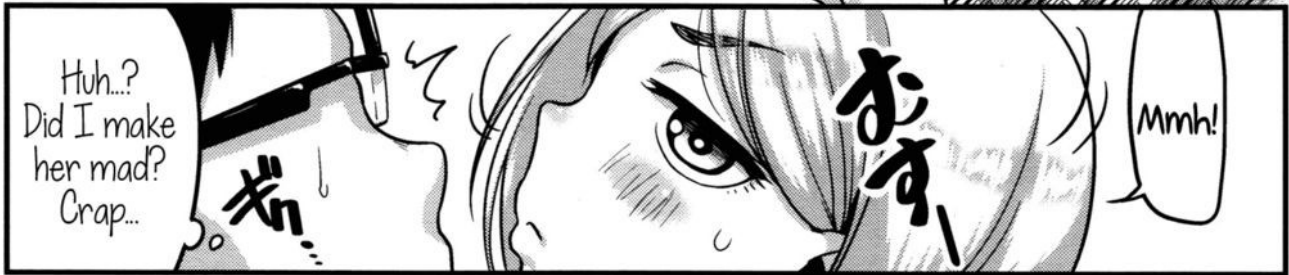

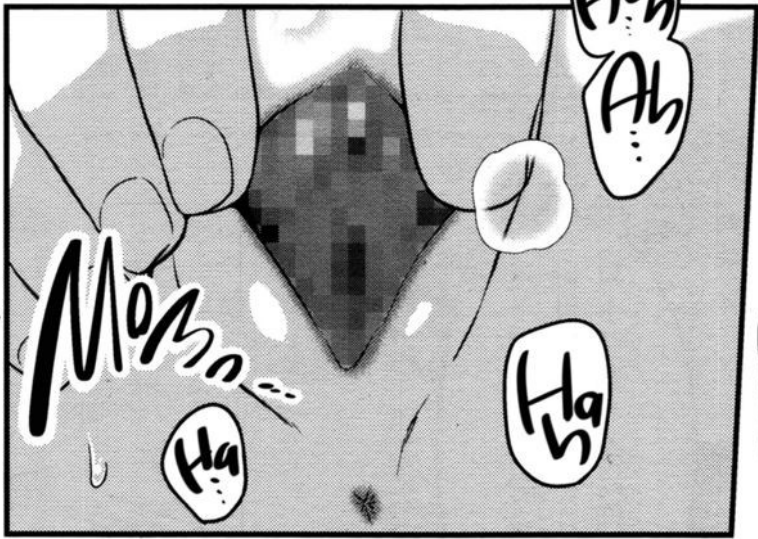

Whoa... What a beautiful loli pussy...

Alright, let's get these panties off now, okay?

Are your boobs still only tickly?

Ah... Uu
Nn... he!

Does it feel good? Then how about I teach you a few more naughty things?

Ooh...! I wonder if this is precum or pee?

I gotta get you dripping wet.

Nn...!!

But first...

Hah...

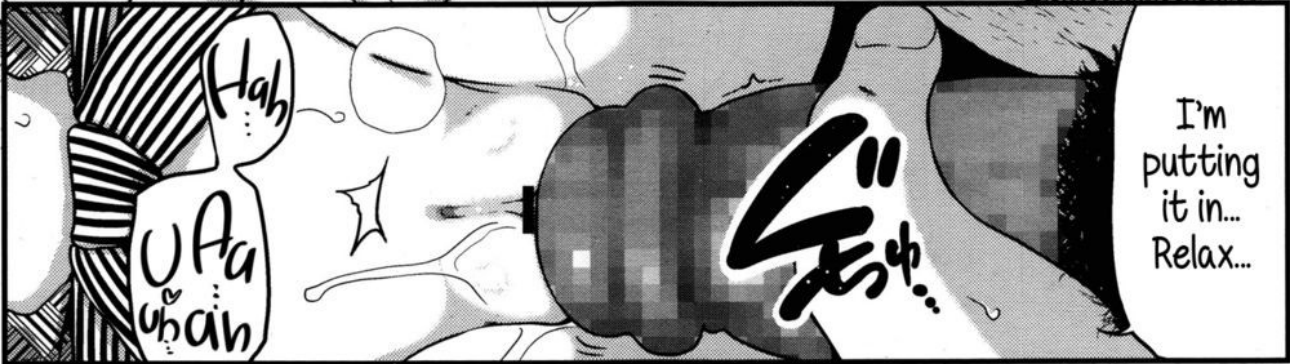

Hah...

We're friends now, right...? We even had a tickling match after all...

Sex is really fun too, you know?

I don't think I'll be able to fit my whole cock inside, though. Is that okay?

I'm putting it in... Relax...

Wow!! It's super tight!
Wah...
Aaah...

Rub Rub

Ah

Hag

This is what a blonde little girl's insides feel like~!!

Her body's still so small... but it's already so lewd...!

Ah...! Is this for real...?!

Aaah! I can't stop!

Ah

Hag

Ah

Ah

Even if I say that, it's not like she can understand me...

You've become a total slut!
C'mon, Rosa-chan! Pull out your tongue! Go beh~!

She's teasing her own clit...? This girl...

Hah...
I came
like a
geyser!

Sorry,
Rosa-chan,
it's only your
first time, but
I plastered
you in cum.

Uh!

Ha!

Ha!

Maybe she
wasn't even
a virgin, it's
possible...

Or
not.

You
don't look
like you
disliked it
at all,
though...

Ah?

Hah...

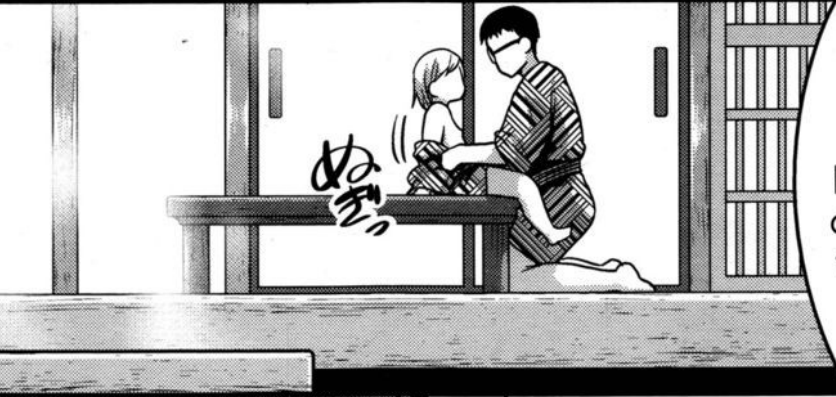

Ooh...
Your yukata
got all sticky
so you have to
change back,
right?

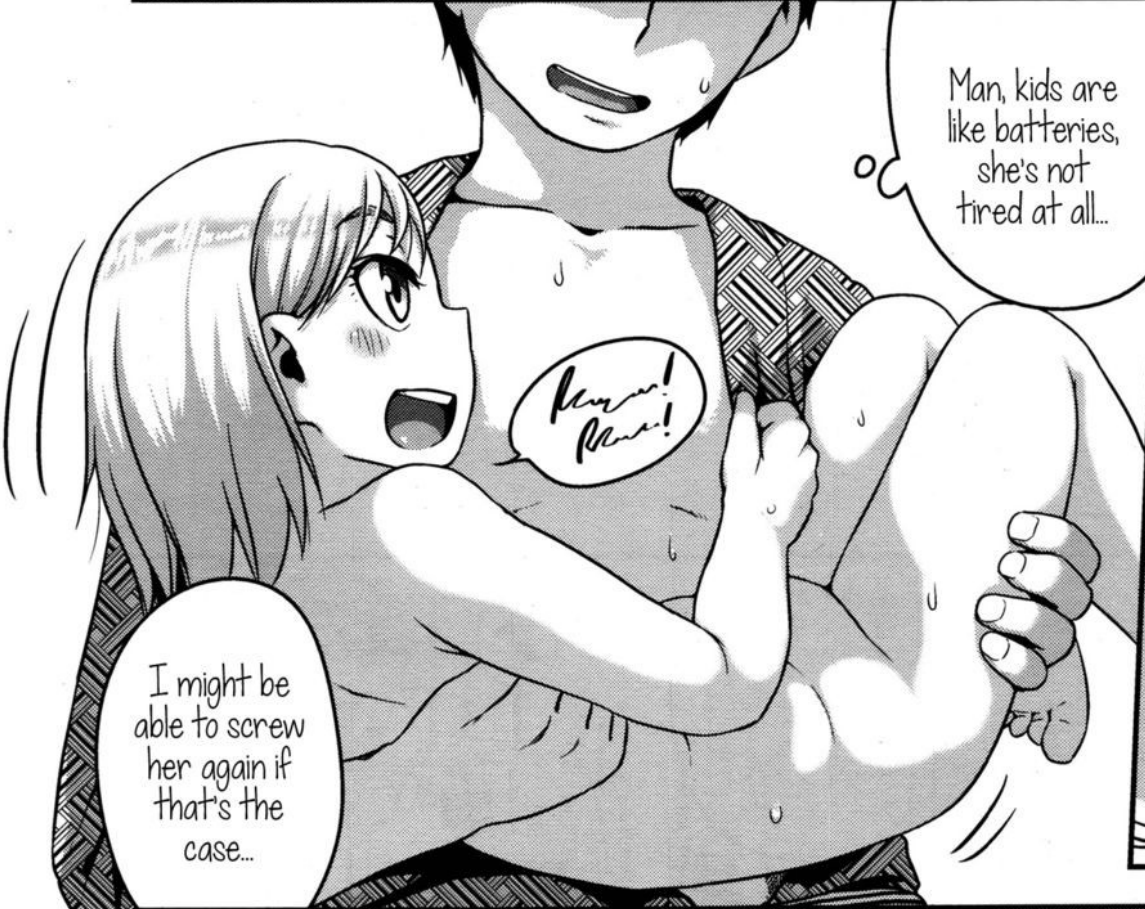

!!!

Hm?
What's
wrong?

But
before I get
you dressed...
Let's take a
bath together,
shall we?

Oh yeah,
I had to
help you get
changed into
this yukata,
didn't I...

Man, kids are
like batteries,
she's not
tired at all...

I might be
able to screw
her again if
that's the
case...

Is everything okay? The water isn't too hot?

...Wanna have sex again?

Mh!

Alright... I'm gonna fill up your pussy, Rosa-chan!

You're such a spoiled little girl.

Ooh...!
It's going
deeper
than
before...!

Okay,
I'm put-
ting it
in...

This is
really...
good!
Aah!

I can
understand
it loud and
clear...!

Even
if we can't
communicate
with words,
your pussy's
telling me
you're
happy...!

Aah, shit...!
I'm gonna cum again...!
I'm gonna cum... inside your pussy!

Cumming!
Cummiing!

Uh Ah
Ah Aa!!

Ha

Aah...
Aaah...
I came so
much inside
you, it's
gushing
out...

Did that
feel good,
Rosa-chan?

Mh...!
♡

She didn't even come looking for her... Are both sisters airheads...?

Sister...? So you're traveling together...?

Your Japanese is very good.

I can't believe she'd walk into the next door inn by mistake...

Thank you very much for letting my sister stay in your room.

Onee-chan! Onee-chan!

Rosa, thank the nice man too.

I wanna marry that glasses guy!

Huh? What did she say?

?!

Hm? What is it?
