Eh? Isn't he kind of creepy ...?

If I'm mocked, I'll get bullied again like at my last school...!

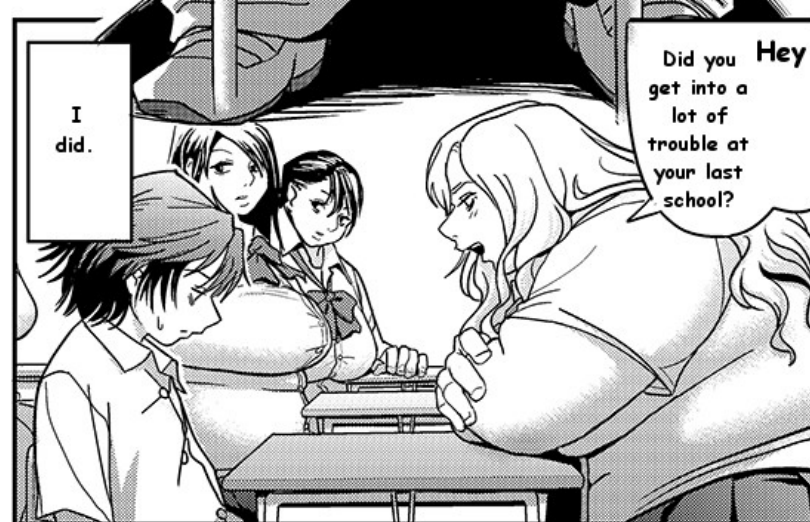

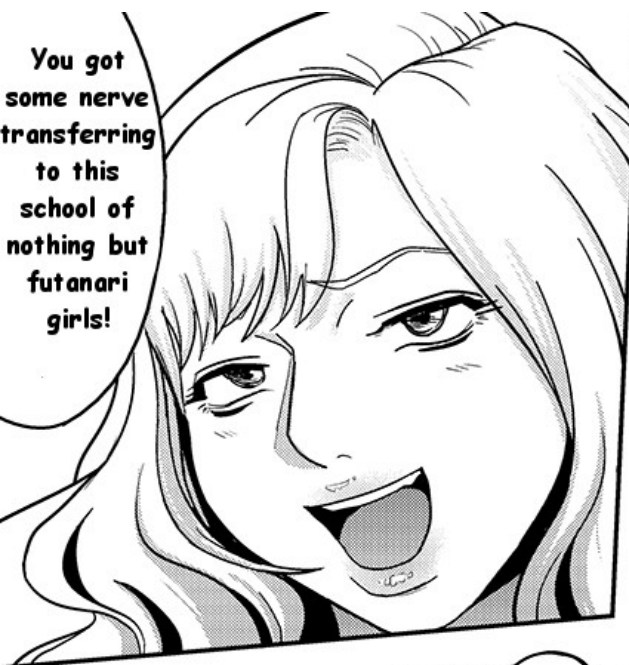

If I'm mocked when I make my first impression it'll all be over for me...

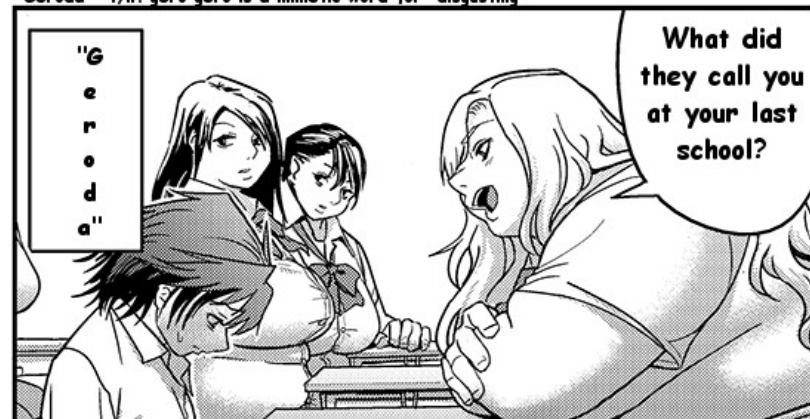

There will be nothing but girls around me, so I probably won't get picked on is what I supposed, and that's why I chose this school...

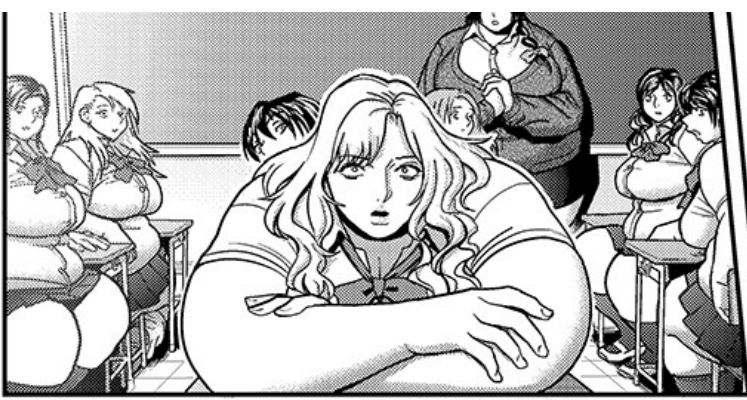

Starting from this year, it seems they will allow male students...

This private Futanari Academy is a school only attended by futanari girls.

Geroda \*t/n: gero gero is a mimetic word for "disgusting"

Now I probably won't be able to make any friends

Fine ...
