この本は「成人間」です。

I'D RETURNED TO MY PARENT'S HOME FOR THE FIRST TIME IN SEVERAL YEARS,

AND I WAS HOPING I COULD GET IT DONE BY SHUTTING MYSELF IN.

THEY LIGHTLY TOLD ME TO "GET IT DONE BY THE END OF THE BREAK",

BUT I ENDED UP SPENDING MY ENTIRE NEW YEARS WORKING ON IT.

*Japanese sweets, balls of glutinous rice covered in red bean paste.

Like I said...

I'm busy, so just leave me alone...

Say ahh!

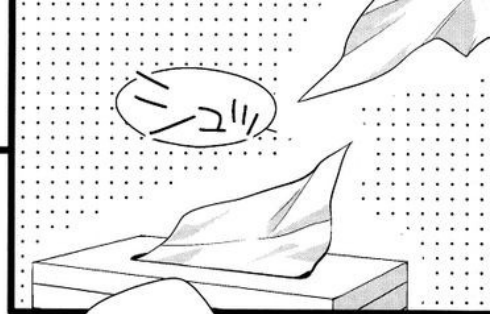

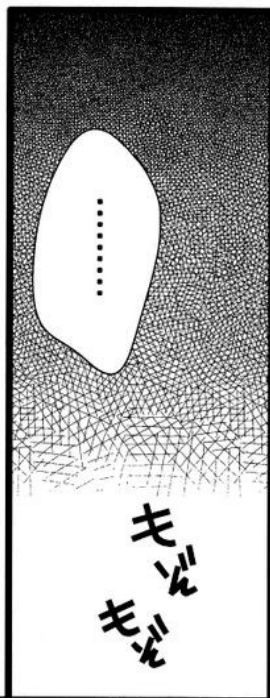

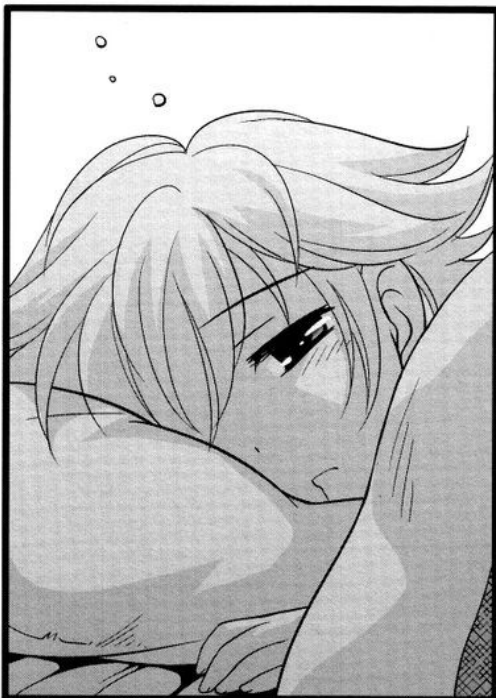

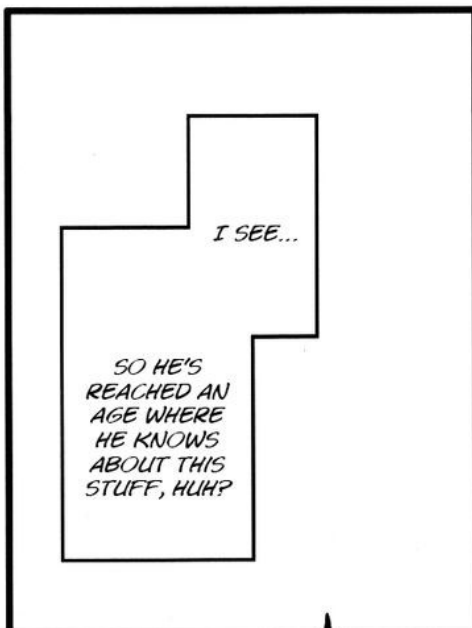

AH...
BUT...

Muhhh...

Should I help you?

Don't touch me!

は!

It's taking a while for you to cum, isn't it?

It's because this isn't the ideal situation...

That's...!

Here, you can touch them!

C'mon!

!?

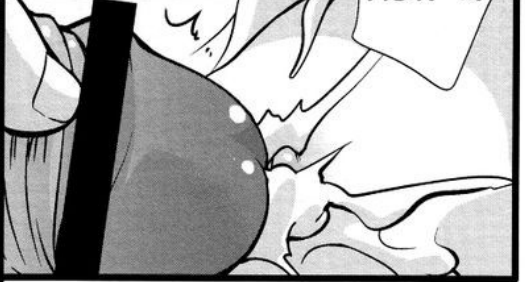

Ah, I know!

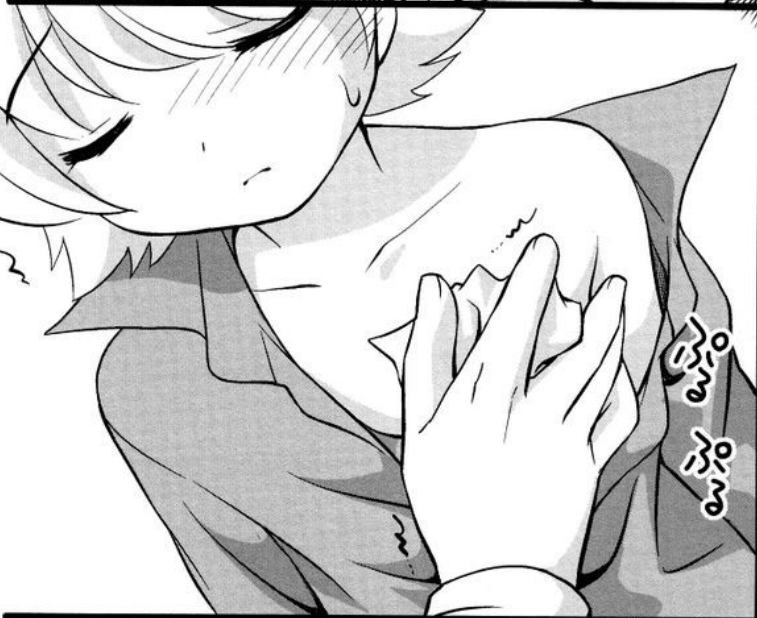

Wanna see my boobs?

うん!

IS THIS
OKAY!?

Liar!

It's
because you
like boobs,
isn't it?
I'm going to
stroke it!

let
go of
me!

it's
just that
I've been
busy and
haven't had
a chance
to let it
out...

No,
this is...

IT'S JUST
A PROGRESSION
FROM WHAT WE
USED TO DO AS KIDS.
YEAH...WHEN WE
WERE KIDS, WE
USED TO SHOW
EACH OTHER HOW
WE MASTURBATE!

So I'm
still safe!
Sa-...

Kenzou-san,

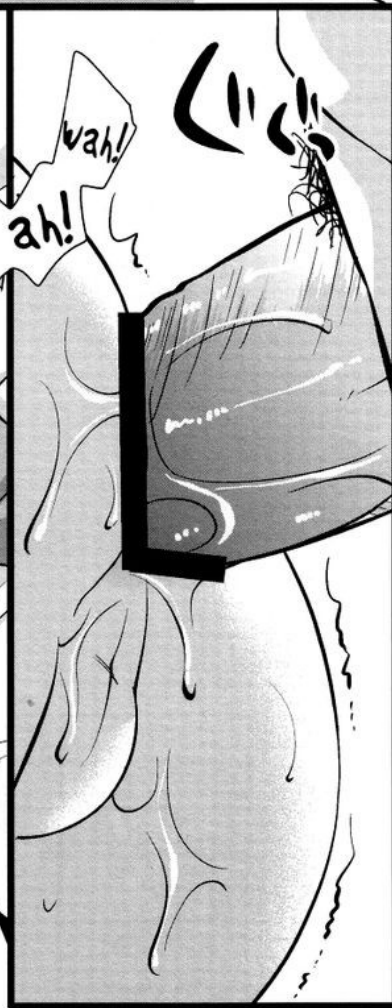

Can I lick it?

Safe...?

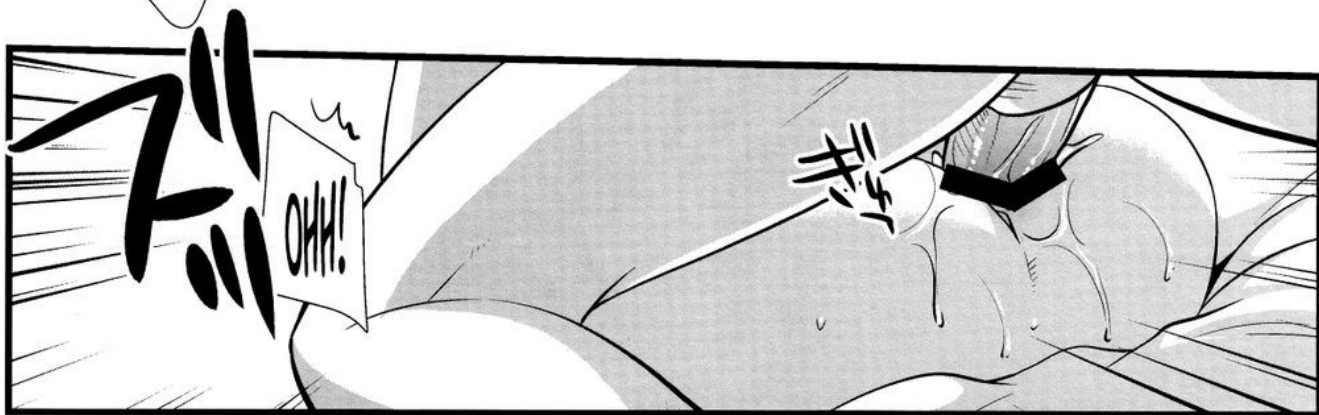

AHH!

No...
not like
that!

I'm
gonna...

YAH
...!

A weird
feeling
coming
from my
butt...!

There's...

AH!

たまに「表紙と本文の子が違う」というメールをいただくんですが
自分ではあんまり分からなくて
本文描く前に表紙描くのが悪いのかなあと
本文とイかり前（表4）と完成後（表1）に表紙絵描いてみました
これは違う
