

Please go out with me!

Misaki-san, I like you!

I HAPPENED TO WITNESS A CONFESSION SCENE.

I didn't notice it at all...

So I thought I knew everything about her.

We're always together...

彼女の想い人は...?

But I already have someone I love.

AND THE ONE BEING CONFESSED TO WAS MY CHILDHOOD FRIEND.

I'm really sorry...

...Yeah.

I see...

AWKWARD...

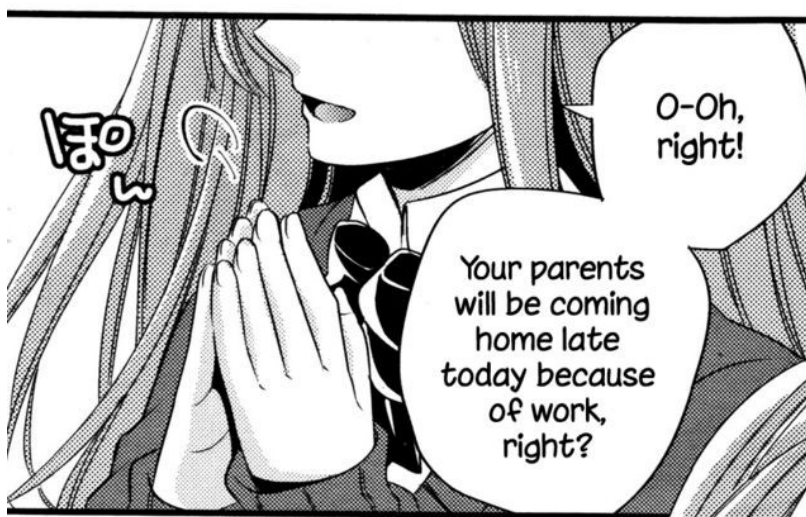

You were still around?

Y-
You haven't gone home either, Misaki.

I just had something to take care of.

I'm going home now.

いほ

O-Oh, right!

Your parents will be coming home late today because of work, right?

Forgive me, kind and pretty Misaki-san. Please come.

So you're saying I don't have to come?

What a kind childhood friend you have!

Do people usually call themselves kind?

I know you'll eat nothing but instant foods if you're left alone...

So the Misaki-chan will do you a favor and come cook for you!

Good answer!

Be sure to take good care of Misaki-chan from now on too, young man.

Sure, I will, I will.

You're the only friend I have who'd ever cook for me anywa...

I ALREADY HAVE SOMEONE I LOVE!

Misaki, you have someone you like, don't you? You'd rather be with him, right?

Never-mind that.

Someone she loves...

...Ah.

No.

Eh..?

You should go to that guy's place instead.

And that finally made it clear to me.

I kinda saw you turning down that guy who asked you out.

How do you...

I realized that I like you too, Misaki...

You really are...

I'm pretty stupid, huh.

I should've noticed it before you fell in love with someone.

The one I love is you, Haruto!

CHU~

I love you too, Misaki.

Why would I lie about something like this?

Seri-ously? U

You stupid idiot! You're so dense!
