

Child Sweet 2

Kyah!

I guess
Aki-chan's
not here
yet.

Saki, age 10.
Fifth year elemen-
tary school student.

Oh,
sorry,
sorry.

Didn't see
you 'cause
you're so
short.

However,
someone
was
always
there for
me...

Aha
ha
ha!

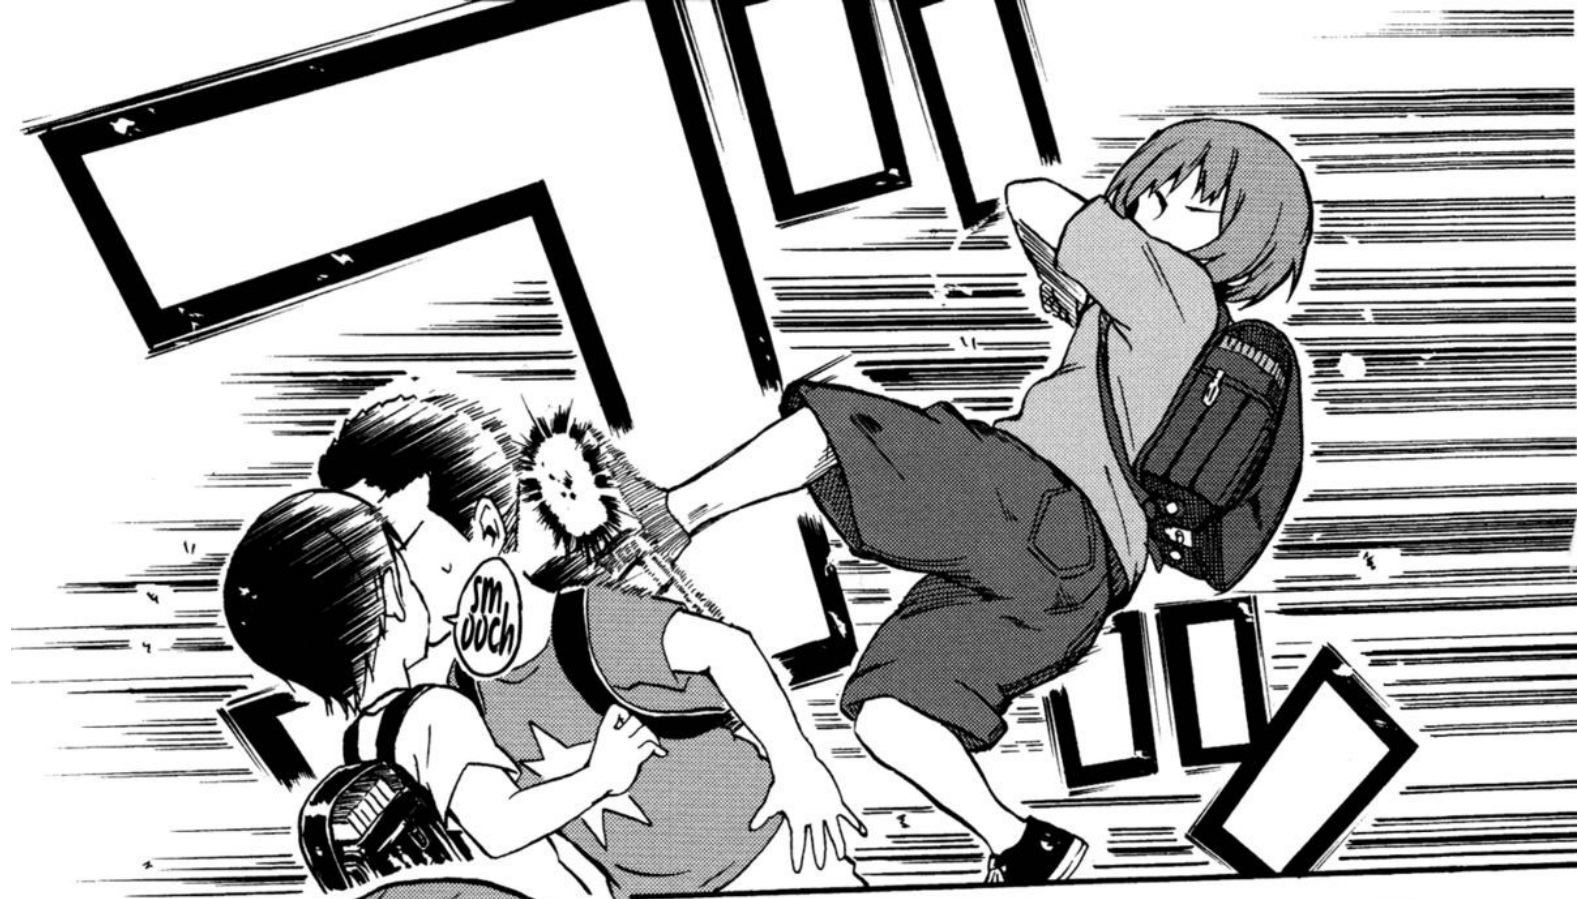

No
human
could
possibly
be that
tiny.

Ah, I guess
it was my
imagina-
tion.

Huh? Was
something
there?

I was small at the
time, and much more
quiet than I am now,
which made me the
perfect target to
pick on.

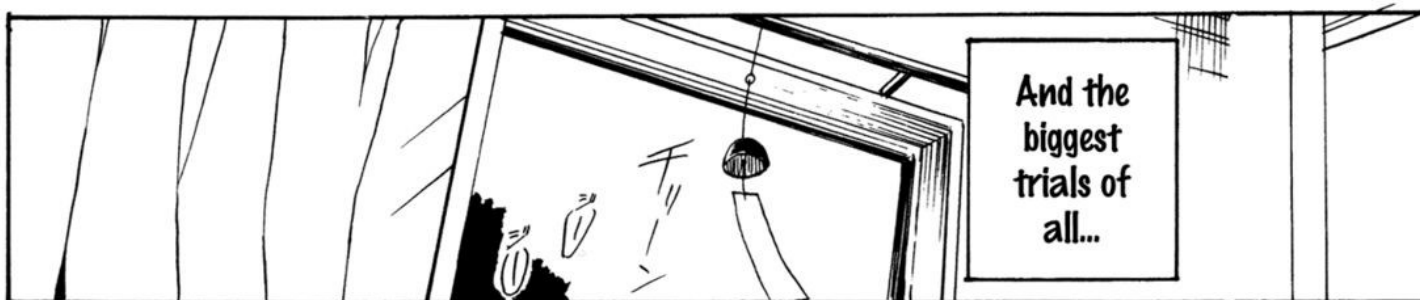

...cry

Every day since then has been tough to handle.

My sense of reason was screaming at me back then.

I can't!

"CALM YOURSELF, BODY!"

I... I want to kiss her...

We were together all the time. Naturally, that meant often being alone together.

Around that time, another change happened.

FORGET WHAT YOU SAW!
TOSS

What are you doing?

It became
my daily
routine,

When
I couldn't
deal with
my feelings
for Aki.

I started
to do this.

I did feel
a sense of
guilt along
with it.

アッ
!!

I've done
it again...

I'm a
lewd
girl.

However,
I was
scared
that she
would hate
me for it.

By the way,
I never had
any issues
with falling
in love with
another
girl.

That's why
I seriously
thought
things could
just stay
the way
they were.

That
came
to an
end
though,

女子高等学校入学

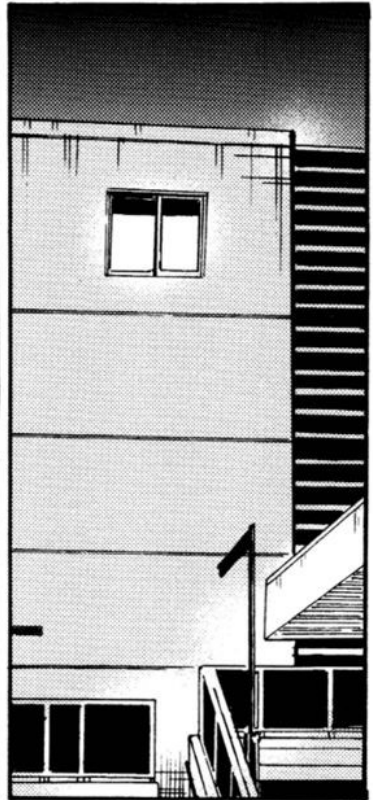

one
par-
ticu-
lar
day.

Right?

Still, I think that they stay late practicing every night. it's pretty amazing.

Hmm...

Maybe we need to do that much to get better?

Well, either way...

I think it's... a little beyond us, right now.

Saki!?

There's only
a little ways
to go!

It seems
I can go no
further...

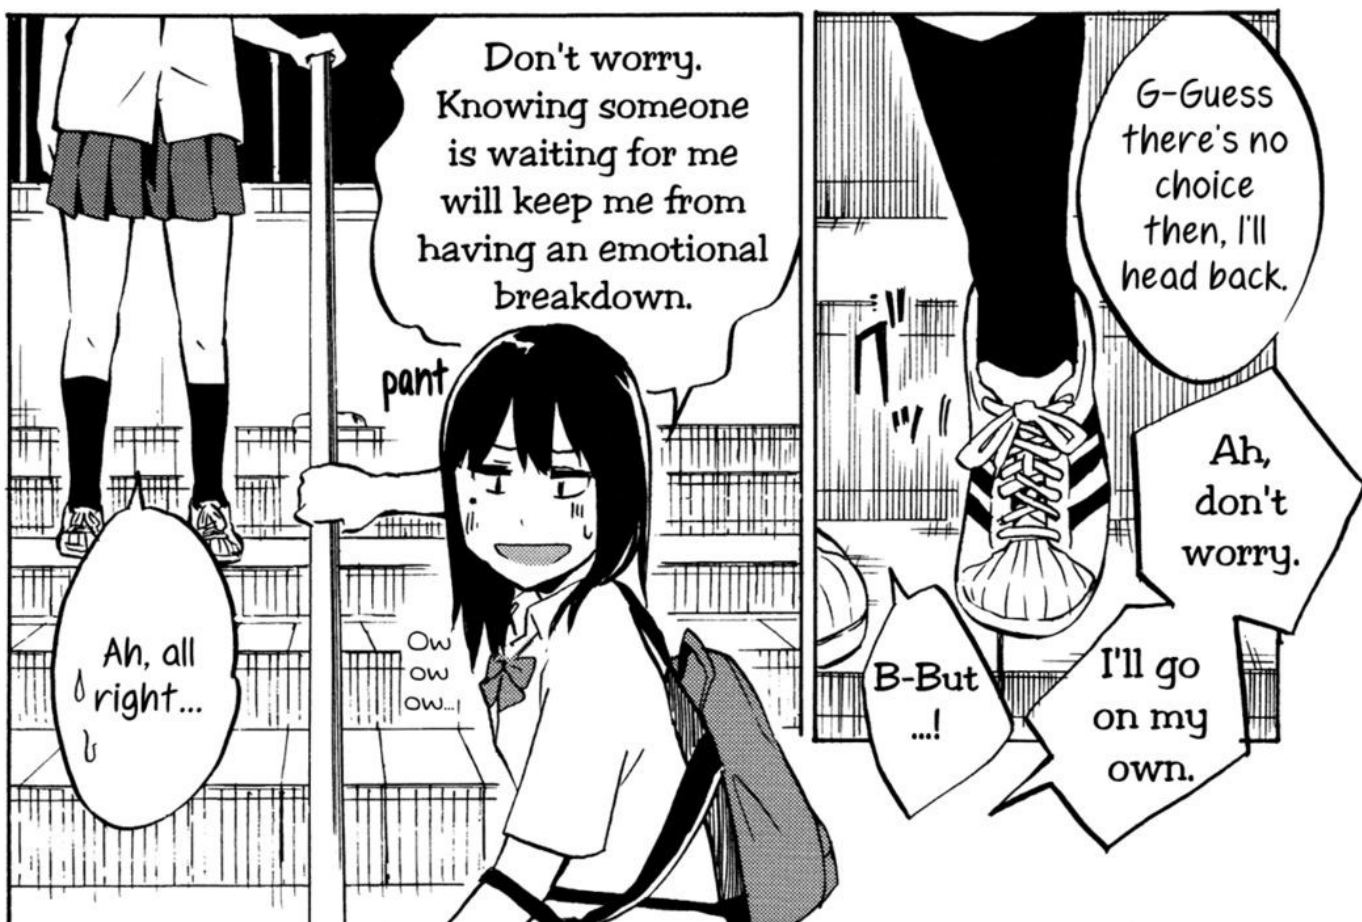

Please
forgive
me, Aki...

Oh...

高野

I left in
my dance
shoes.

Don't worry.
Knowing someone
is waiting for me
will keep me from
having an emotional
breakdown.

pant

Ah, all
right...

Ow
ow
ow...

G-Guess
there's no
choice
then, I'll
head back.

Ah,
don't
worry.

B-But
...!

I'll go
on my
own.

There
they are.
I'm such
an idiot.

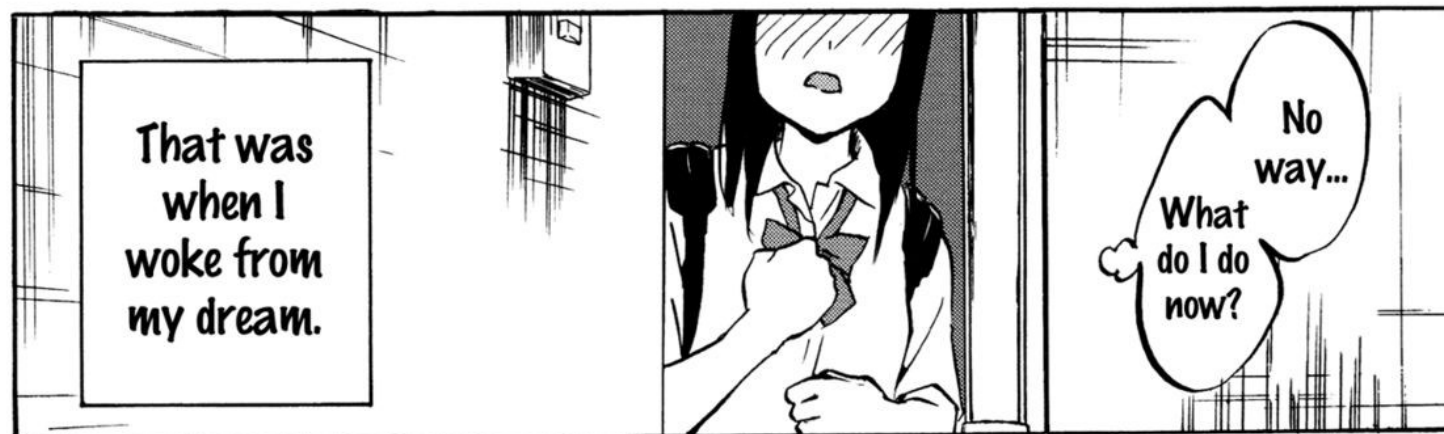

カッ
ッ

And then
my world
turned
upside
down.

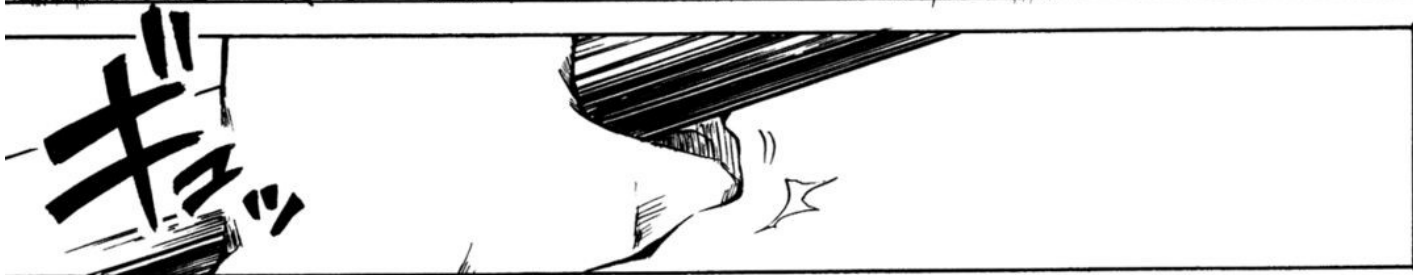

I better
go turn
it off.

The
light's still
on in the
changing
room.

I didn't
want to
simply have
a crush
anymore.

that I've
pleasured
myself
like this?

How many
times has it
been now,

I can't
resist.

Would Aki
be shocked if
she knew?

Maybe
she'd de-
spise me?

Wow,
amazing...

but for
some
reason...

Not that
I would
know...

would
interlock
perfectly
with mine.

I believe
that Aki's
fingers
and lips

This
isn't
good
enough.

Ahhh...

It's not
satisfy-
ing me
at all.

ahhh

mmm

hah

Aki...
