In the year 20XX, a mysterious organization going by the name of "Terrifying Girls" suddenly appeared.

As they attacked people, their numbers grew.

H-How Foolish...!

You won't be so lucky next time!

...Forgive Me, Kobayashi-san...

It looked to me like you just couldn't get your head in the game.

**Mitsurugi Seitarou**

Are you that worried?

はい!

Hey!

Welcome back, Seitarou-kun.

Shame she got away, huh?

**Kobayashi**  
Orga Suit's developer and the one responsible for choosing Seitarou as its wearer.

About Torasawa Mei, I mean.

I need to fight to protect everyone.

...No... She's got nothing to do with it...

She was just my childhood friend, nothing more...

That's all... I think about.

But we can sort that out later.

I feel like you need something else to get you ticking...

I can't bear seeing your poor performance as of late, so I've come up with something that might help you.

are all it takes to make a person strong.

HMM...

See, me, I don't think a purpose and a sense of duty

It's working perfectly so far.

How's that Simulation Suit treatin' you?

Follow Me, will you.

Fufun! Of course it does.

...This is wild. It feels like I'm actually outside.

So I'll have to help him in person.

I'll spare you the technical mumbo-jumbo, but that room can reproduce a bunch of different places.

I'm gonna have you fight a mock battle in there.

But if I told him that, he'd go easy on me, so I'll keep it to myself.

I'm sending in the robot now.

I'm ready.

Understood.

Your opponent will be a robot, so don't be afraid to beat it up like normal.

Well, the robot's undergoing maintenance right now, actually.

Uh!

This Maiden...  
No, this robot...

is strong  
...!

!?

Gh...!

**Rabbit Maiden**  
Maiden for use in simulations.

I fiddled with the specs a bit just for you.

I'm stronger, and you're weaker.

A robot is capable of this much power...?!

Fufufu... Gotcha, Orga.

Gh...!

I wonder how long you can last.

I'm gonna see you at your most pathetic,

What are you planning to do...?!

cumming like a miserable retch.

How unsightly, Orga.

You're completely paralyzed.

FUPUPU!

Gh!

Maybe 'cause they are.

They feel just like the real thing...!

As... As expected of one of Kobayashi-san's inventions...

FuFu...  
I'm gonna  
lick it all  
around!

How do  
you like  
this?

And then you'll untransform.

Three more and you'll run out of power.

That's one.

Kh... I need to free myself quick...!

Pfhl Think you can get away

before running out of ammo?

アッ

Doesn't this make it feel much better?

What?! There's lubricating fluid oozing out of her suit...!

D- Don't be craz-...

Wait, don't tell me you were hoping I'd put it inside me?

Too bad!

That's still yet to come. ♡

Do you like rubbing it on my body that much?

You just came but you're still so hard. ♡

Y-You're the one... rubbing your body on... it!

Guh!

It's too late to save that girl.

we're beasts that attack humans.

Maidens are no longer girls,

Gals

Isn't it sad?  
The one girl  
you can't  
save is the  
one you  
love!

She's  
become  
a mon-

Wha-?!

S-She's nothing more than...!

My childhood... friend...!

Did I hit the mark?

After that, you're finished!

Only one more left!

Ah...  
Gah

Purpose, duty,  
none of that  
mattered...

Back  
then, I just  
wanted to  
save Mei-  
chan...

Oh?

I wanted  
to protect  
her...

And  
this  
time,  
I will!

Fight for what you believe!

I am Orga!  
Climax Liberator  
Orga!

Yes, that's right, Seitarou-kun!

I, Orga, will make you climax!

I fight to protect humanity!

You should let your feelings guide you!

He's coming at me for real now!

It's like his earlier hesitation never even happened!

This power!

This intensity!

It's impossible to resist!

I gotta keep supporting him, huh?

Good, we're all counting on you.

Well, now that I've helped Seitarou-kun get back on his feet,

...Damn, am I jealous.

I know, right?

If I didn't know any better, I'd say it was real...

By the way, that robot was very realistic.

We've begun repairing her and upgrading her device.

The damage to her body was negligible.

...How is Tiger Maiden's condition?

So we're re-installing her, along with another program.

We have confirmed that her last battle did indeed have a negative effect on her brainwashing.

Tiger,  
you will  
be born  
anew.

This time,  
you will  
bury that  
man.
