

Yappy Zipper

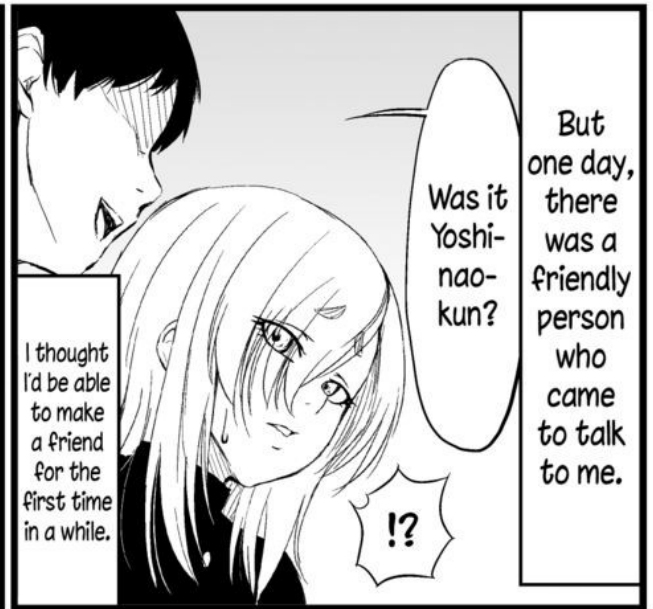

But...
at that
time,
I made a
decision
that
wasn't
normal.

You
brought
a lunchbox
today,
right?
Wanna eat
together?

And I was
desperate
to get
along
with him.

Was it
Yoshi-
nao-
kun?

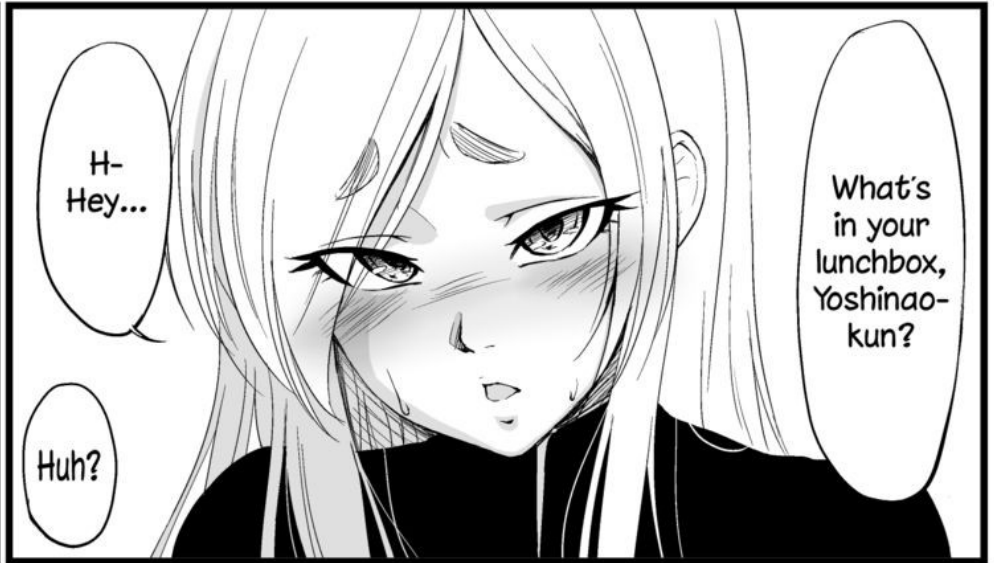

But
one day,
there
was a
friendly
person
who
came
to talk
to me.

I thought
I'd be able
to make
a friend
for the
first time
in a while.

!?

H-Hey!?

H-
Hey...

Huh?

What's
in your
lunchbox,
Yoshinao-
kun?

I
swal-
lowed
it...

Like
the
color
of my
hair.

My head
might've
been the
opposite
of being
normal,

And everyone told me that my hair was pretty and suited me well.

No one would tease me like the old days,

And from that day onwards, people began to gather around me.

Yoshinao! Can't we use this yet?

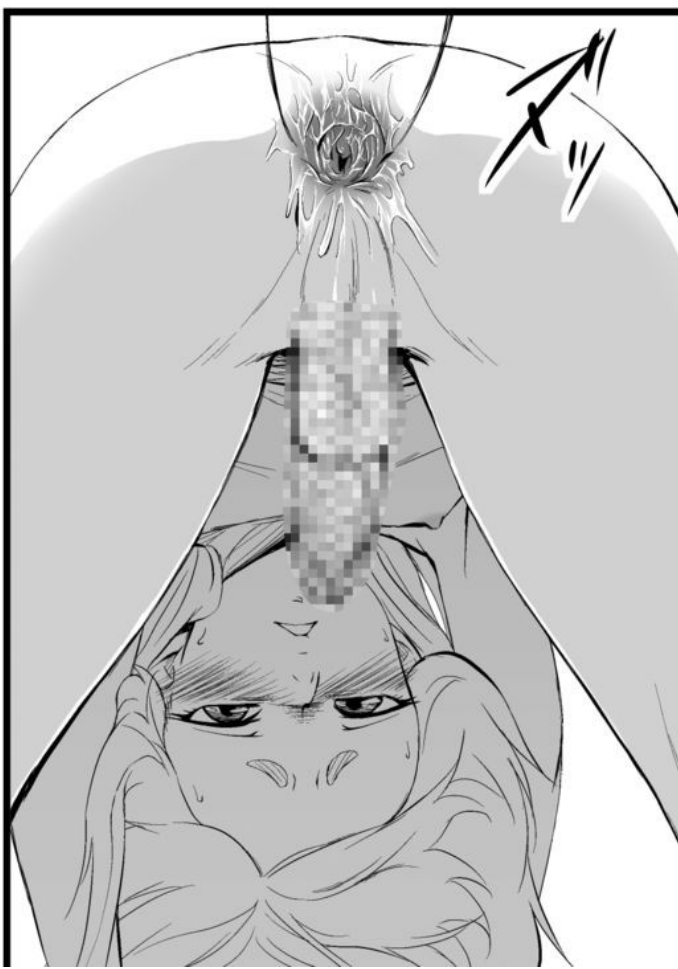

I was happy with this sort of relationship,

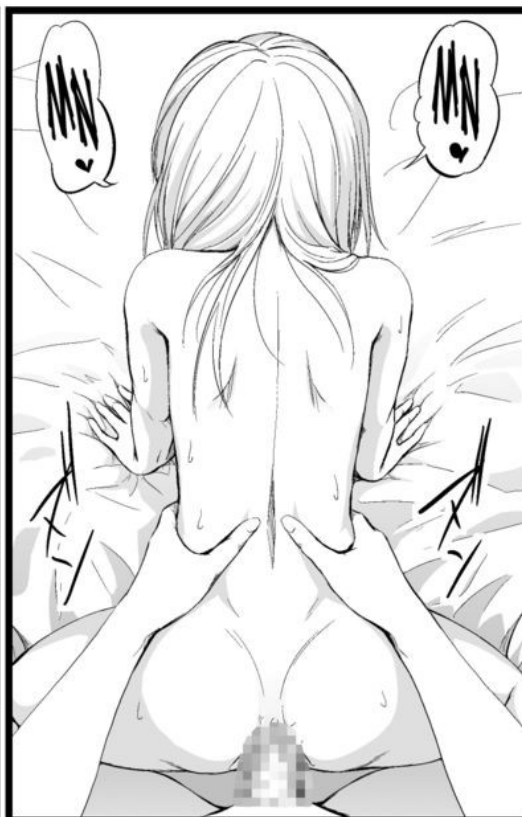

Because I had no friends.

Even though it wasn't exactly what I was expecting,

Hmm?
Sure.

Yoshinao?
I can't get
rid of this
morning
wood.

Once we
crossed
the line,
everyone
became
much
closer
to me.

What?
You
fucked him
behind our
backs this
morning!?

Yoshinao!
I hope
you're ready
for us to
do you
after
school!

I've got
my club
after
school.

What!?
Your
lunchtime's
okay!?
Alright!

I was immersing myself in sex so much, I hardly had time to eat lunch.

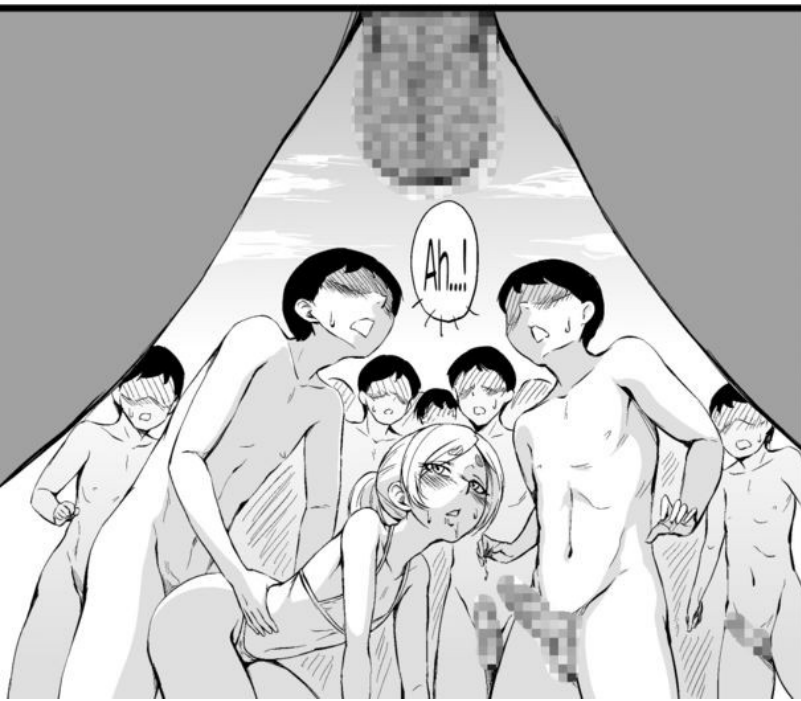

Good idea! I might skip going to my club!

Let's have some fun after school too!

Day after day, my friends kept coming back to fuck me, without getting bored of it.

And the seasons changed...

Could
change
the
feeling of
pleasure,

I realized
that the
difference
in age,
body and
personality,

A group
of kids
shouldn't
be doing
this sort
of thing
alone!
Make sure
you call
me from
now on!

How
could
you make
your ass
so much
into a
pussy
at your
age!

And it
made
me...

Want
to have
sex
with
even
more
people.

What
are you
gonna
do when
you're
older?

Stayed
with my
body as
embar-
rassing
tanlines.

By the time
summer
ended,
the sexy
times I
had with
my friends,

C'mon,
why don't
you have
a look
too,
Yoshinao?

He
actu-
ally
is a
slut
too.

Ohh,
Yoshinao!
You look
so sexy!
You look
like a
slut!

What
do you
think?
Does it
turn
you on?

I...
look
kinda
sexy...

You
must be
a pervert
with
those
embar-
rassing
tanlines,
huh?

And so I
nervously
spent 2
hours...

I
wanted
to
leave
even
more
sexy
marks,

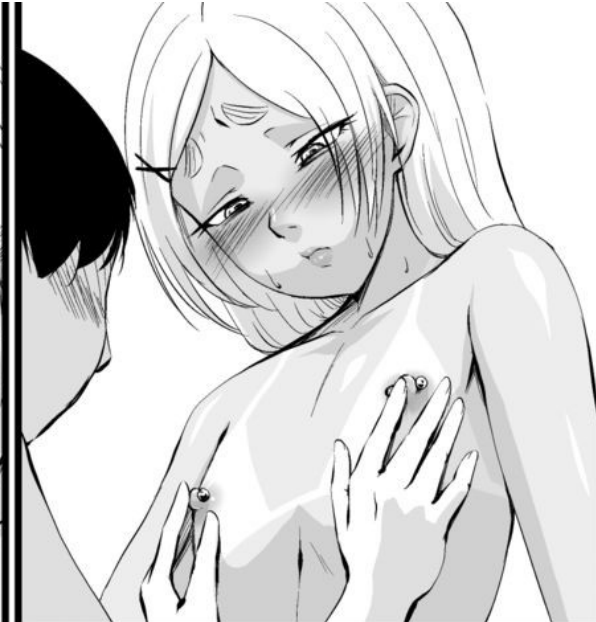

Seeing
sexy
marks
on my
body
was a
turn-on.

To
pierce
myself.

I never expected...

I just got them pierced, so be gentle, okay?

Ohh! That's awesome, Yoshi-nao!

I learned that there was no limit...

That it would feel so good.

By fall,
it'd
become
all loose.

OHH!
WOW!
We've
got two
inside
you!

Ye-
Yeah,
I tried
expan-
ding
it...

Infirmary

Huh,
Yoshinao?
Hasn't
your
hole
gotten
bigger
since
last
time?

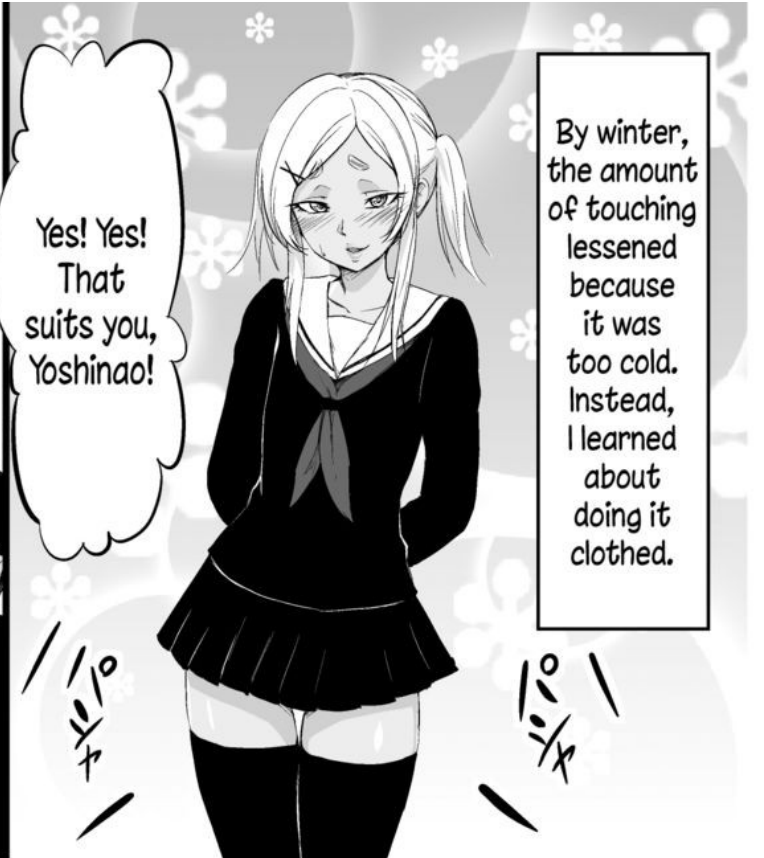

And it
made
my
entire
body
feel
good.

The
feeling
of our
skin
touching
was
irresis-
tible,

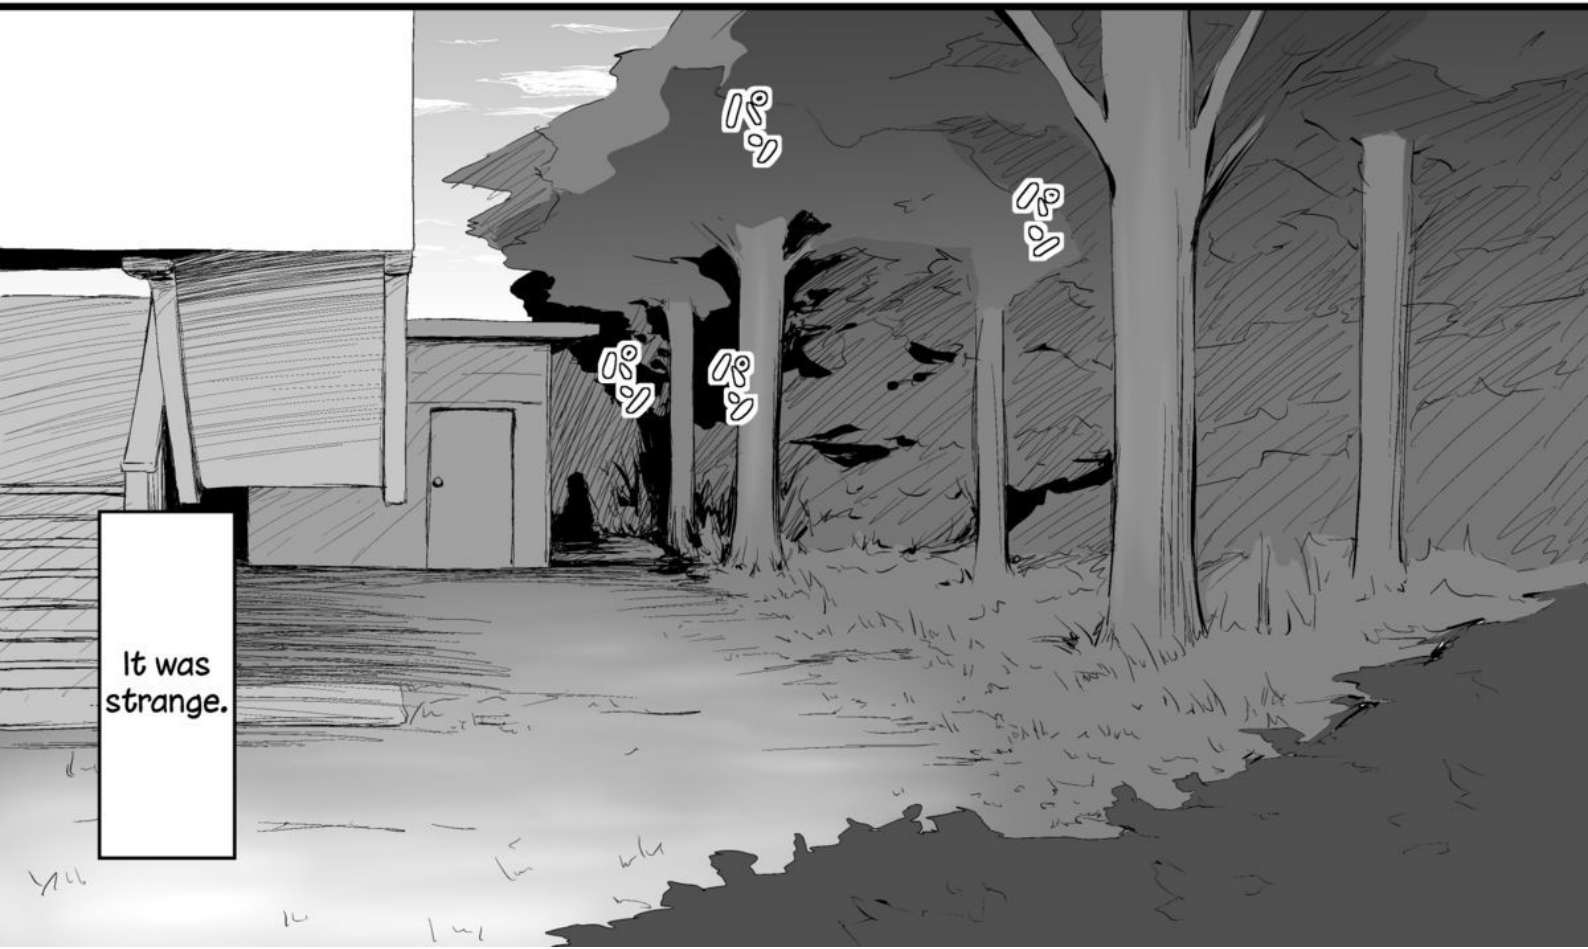

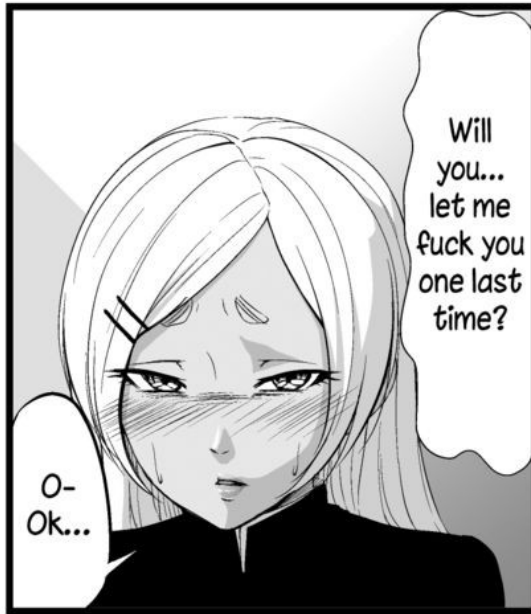

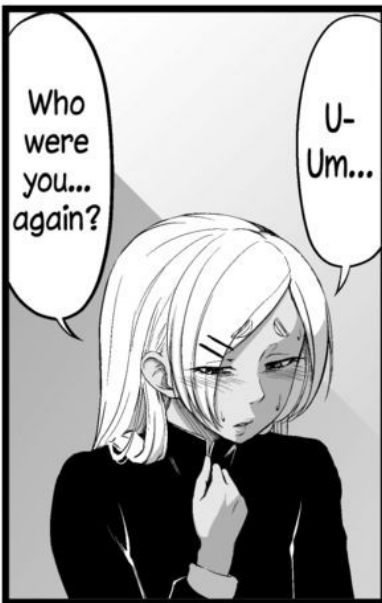

YES!
IT FEELS
SO GOOD
TO BE
SAND-
WICHED
BETWEEN
YOU
GUYS!

But the
year I
spent
with
them
went by
very
quickly,

And the
final
day
arrived.

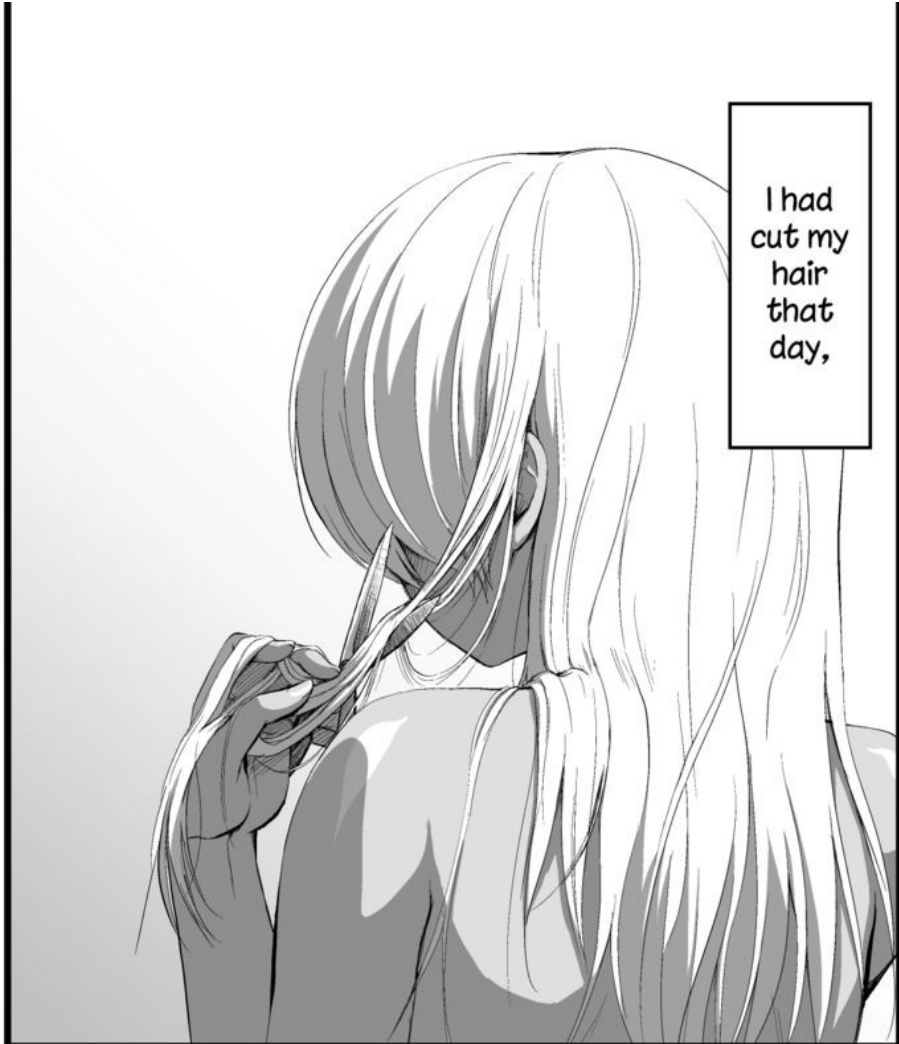

I've
been
having
sex
every
day
for a
year,

And
it was
the
first
time
when I
didn't
feel a
thing...

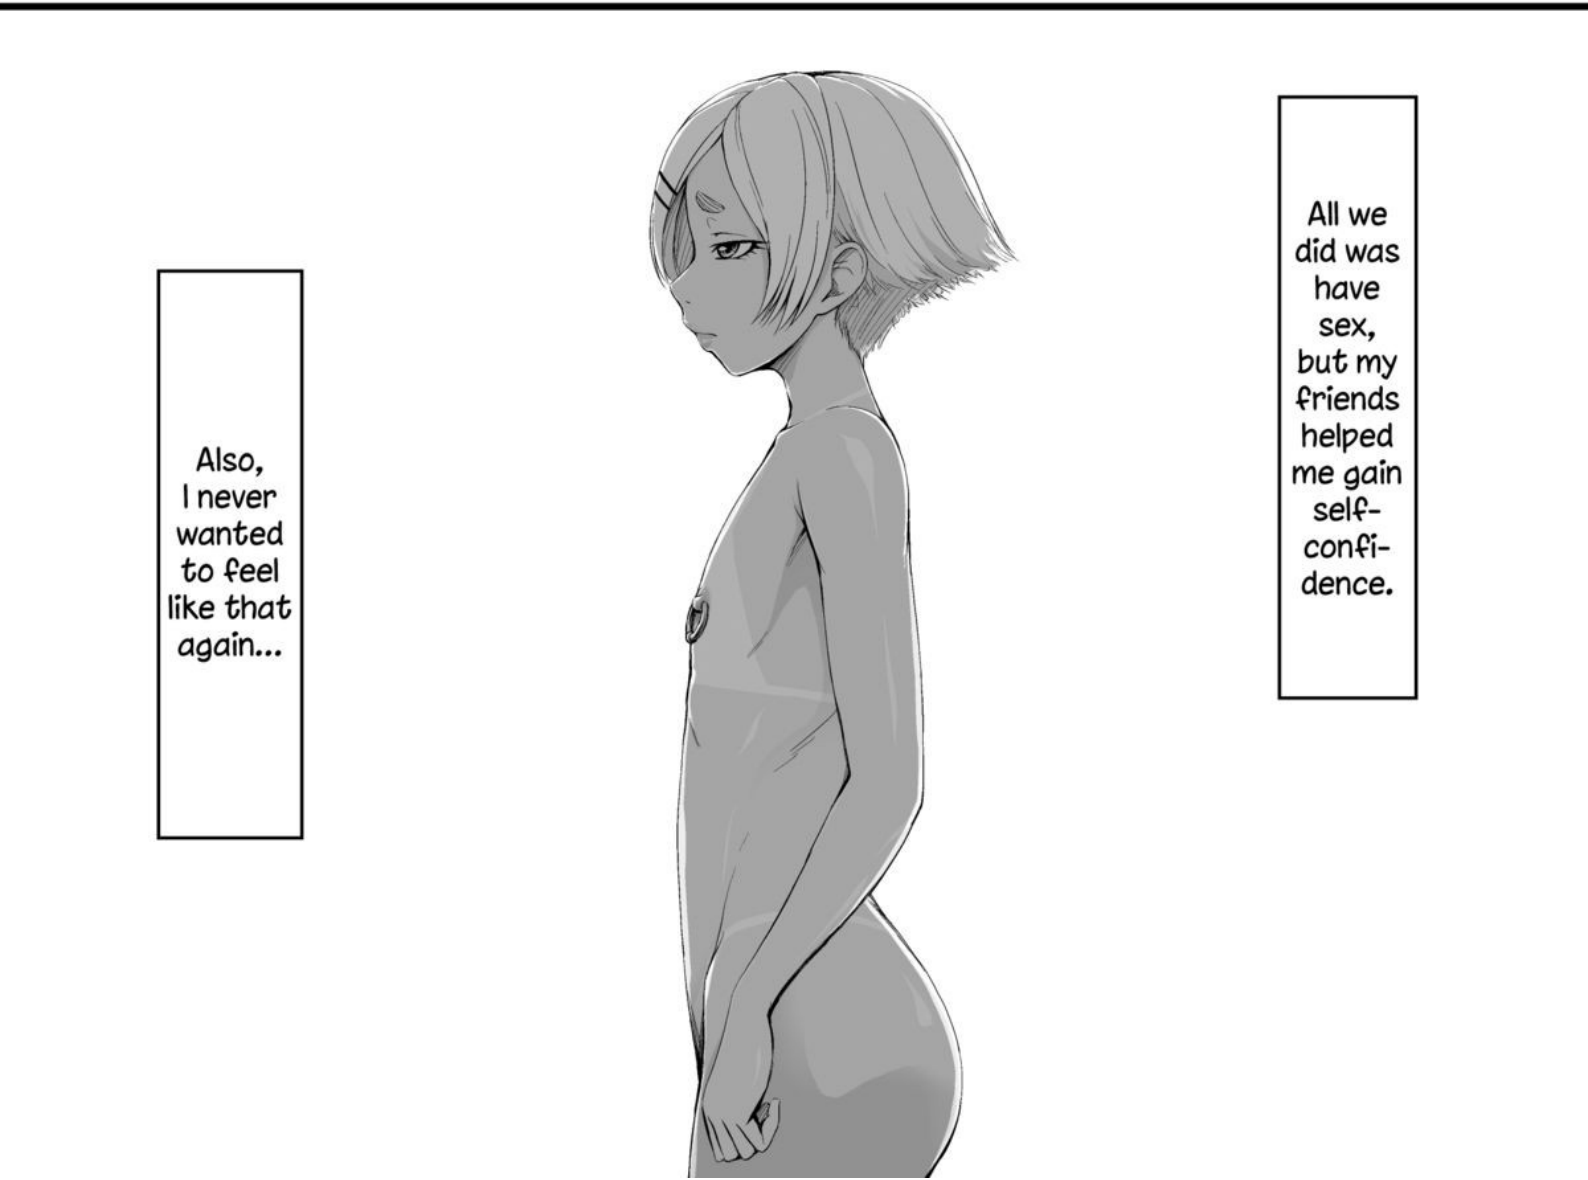

Because
I'd
decided
to make
friends
and
become
a normal
student
once
my new
school
life
started.

I had
cut my
hair
that
day,

Also,
I never
wanted
to feel
like that
again...

All we
did was
have
sex,
but my
friends
helped
me gain
self-
confi-
dence.

I thought I could become a normal student.

What's this, have you made friends already? Can I join?

It was surprising how smoothly my new school life began.

I'm Jinto! Nice to meet you!

And then...

Um...

!?

I thought we could stay being normal friends, so it bothered me.

I think... I'm in love with you... Yoshinao... we're both guys... isn't that weird...?

One month later.

I said something awful.

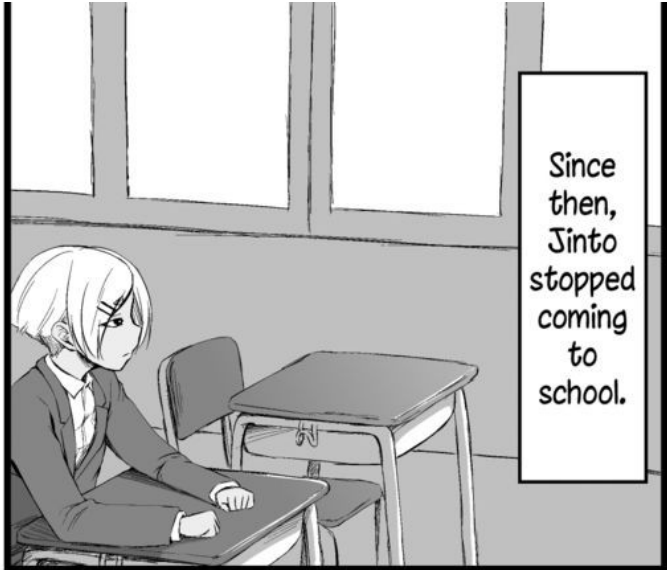

No fat-ties!

The events of that day crossed my mind.

Guilt and self-hate.

Since then, Jinto stopped coming to school.

Boy's toilet

Made me recall how I used to be.

But saying something awful like that to my friend,

But it's not like it was back then. This time I can properly remember my friend's name and face.

I just couldn't resist...

Even though I'd decided that I wouldn't do it any-more...

And I found myself doing it again...

It felt like the stuff that built up inside me came rushing against me.

It felt so good to have sex for the first time in a while.

Making my heart feel sort of refreshed.

It felt like all my unnecessary worries and anxiety I had, was being pushed out by the pleasure,

Huh!?

Yoshi-
nao?

And
this was
why I
could
visit
Jinto's
place
to pick
him up.

You were
my first
friend
that I
remem-
bered the
name of,
but I...

I'm
sorry...
I'm so
sorry,
Jinto!

I'll take
good
care
of you,
Jinto.

That
day,
Jinto
and I
started
dating.

I've
got a
chance
with you
if I'm
not fat,
right...?

But I
managed
to lose
quite a
lot of
weight
in a
week.

What
do you
think?
I know
it's not
good
enough,

But...

I was going to have sex.

With the feeling of loving someone for the first time,

I fell in love with someone for the first time,

Even when I'm totally loose...

I-It was my first time, so I was a little fast, wasn't I?

He was too quick.

Huh?

OH, OH!!!

Yoshi-nao? I'm putting it in, OK? Oh...

There wasn't enough time for that to happen.

But... it's kinda school...? turning What if some-one sees us...?

And even after that...

So did my sexual desire.

And as my feelings towards him got stronger...

Even so, I was falling deeper in love with Jinto.

How are you getting on with Jinto?

And it was painful. That's when...

Yoshi-nao?

We were mutually in love and dating,

I had nice people all around me, but I'm...

HAA
HAA

Even people who had relations with me in the past, would keep their distance when they found out that I was dating Jinto.

Everyone was behind me and Jinto.

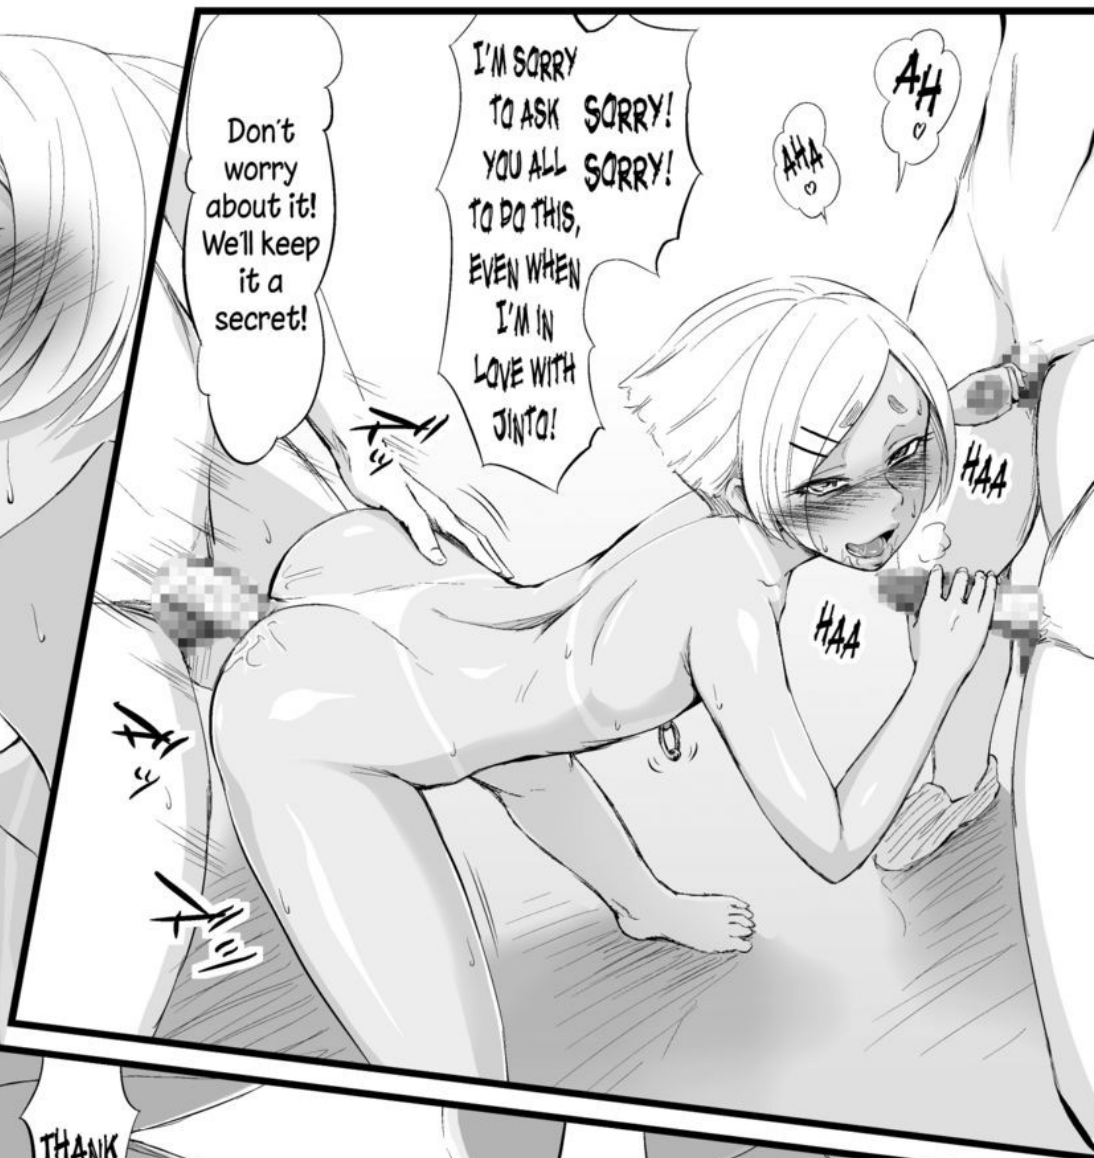

Don't worry about it! We'll keep it a secret!

I'M SORRY TO ASK YOU ALL TO DO THIS, EVEN WHEN I'M IN LOVE WITH JINTO!

SORRY!
SORRY!

We'll help you until Jinto gets better!

THANK YOU!

REALLY?

THANK YOU FOR YOUR COCKS!

Yeah, really!

SO
MANY
DICKS!

COCKS
ARE SO
GOOD!

AHH!
IT'S
REALLY
GOOD!

THAT
FEELS
SO
GOOD!

MORE!
MORE
DICK-
JUICE!

I LOVE
SWAL-
LOWING
CUM
WHILE
BEING
POUNDED!

DO IT
MORE!
MORE!

AHH!
THAT'S
SO
GOOD!

I'm
sorry Jinto...
Even though
I'm acting
like this,
you're still
the only one
I love.

You
might
now
under-
stand,

But my
body
was like
this
before I
realized.

I love
you,
Jinto
but...

When it
comes to
cocks...

Even
after
cutting
my hair

and
finding
a
lover...

I still
can't go
back...

I LOVE
YOUR
COCKS
MORE!

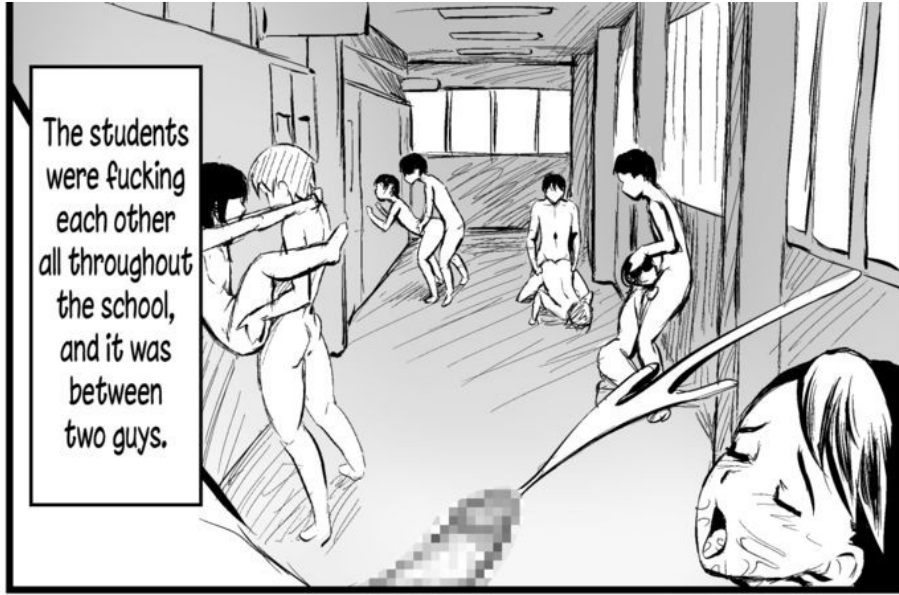

I REALLY
LOVE YOUR
COCKS!

An event made me tell Jinto everything.

It would be another year until...

The students were fucking each other all throughout the school, and it was between two guys.

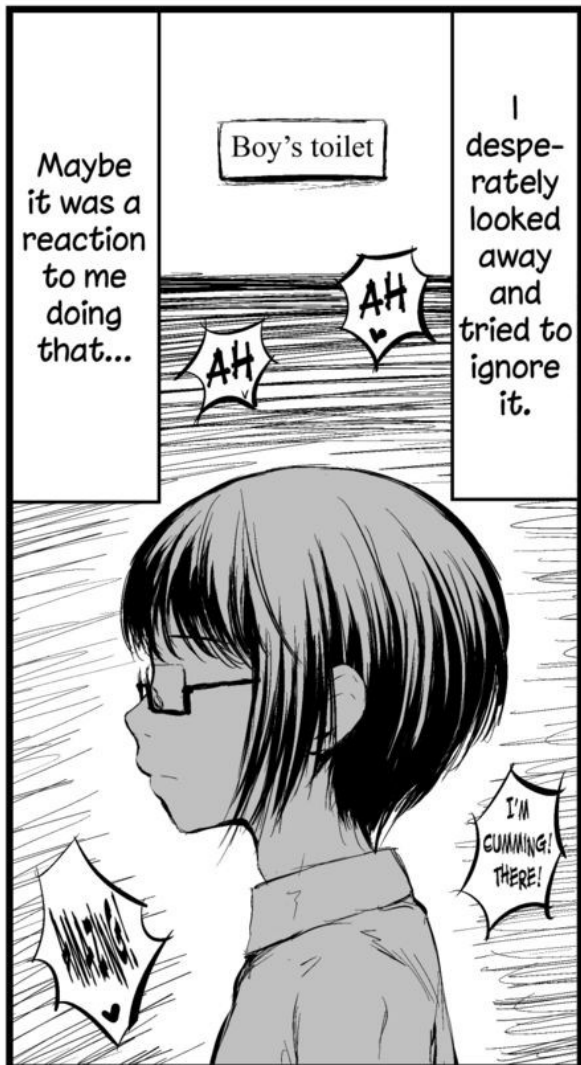

It's been a year since started working at this school. At first I was shocked.

He's got a nice ass, I'd love to fuck it hard if I ever get the chance, hahaha!

They also had the teachers' approval.

Maybe it was a reaction to me doing that...

Boy's toilet

I desperately looked away and tried to ignore it.

It made me feel restless, and not knowing how to handle it all...

To the ones I'd experienced before.

It was a totally different environment...

But they're now sitting there like nothing happened.

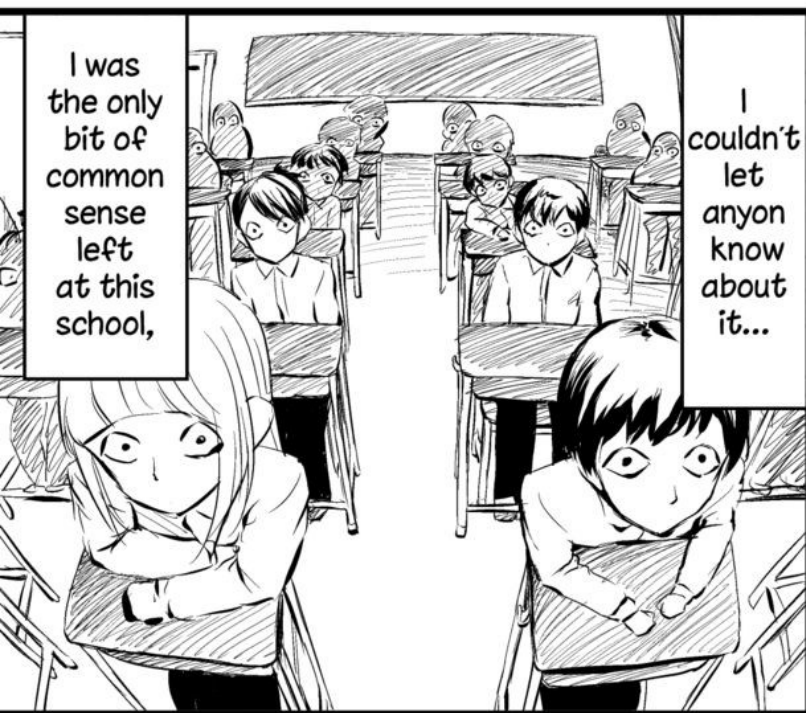

They were fucking each other a minute ago,

Doing this...

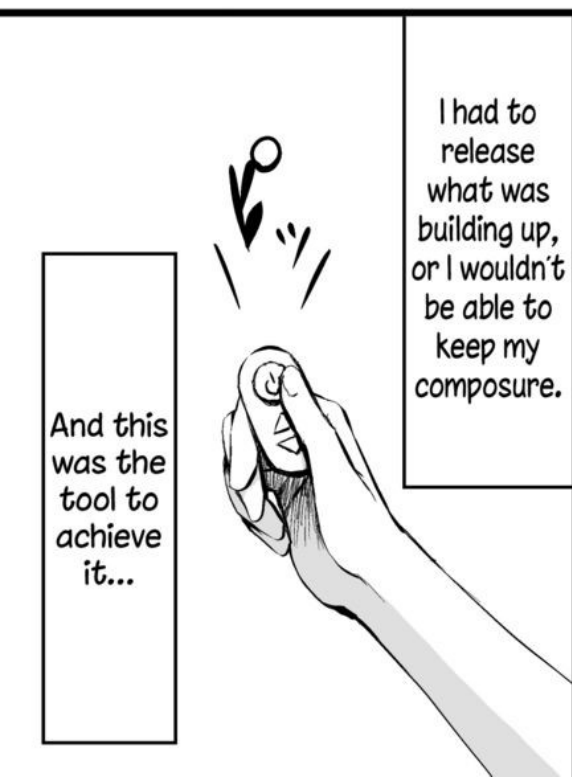

Before I knew it, I too was...

I was the only bit of common sense left at this school,

I couldn't let anyone know about it...

And this was the tool to achieve it...

I had to release what was building up, or I wouldn't be able to keep my composure.

I was in an environment where I was seeing students having sex somewhere or another at school every day, and it was "building up" a lot.

And I had to do it to preserve my own common sense.

AHH...
It feels
like I'm
being
raped...

Here it
comes!
Wow!
Electric
ones are
amazing!

Not
that I've
been
raped
before...

Sensei...
