

Infection Sodom

When I arrived, I found the school gates were overflowing with naked students.

Receiving word that a gang rape incident had broken out at XX-Academy, I rushed to the scene.

What on earth is this? Are they having an orgy right in the middle of the school?

You're all in the way! Stand aside!

In the midst
of the situation,
I was somehow
within the
school gates.

Damnit,
I was
careless!

A full-page manga illustration depicting a large, muscular, pink-skinned character lying on their back on a wooden floor. The character has a very large, open mouth and is sweating. A small, pink-haired girl with large red eyes is sitting on the large character's chest, looking down at them. The girl has a pink, flower-like accessory on her head. The large character's arms are spread out to the sides, and their legs are also spread out. The scene is filled with sound effects: 'Bang' and 'Aaah!' at the top, 'Sex!' on the right, 'Pant' near the girl's legs, and 'Ka-tunk' at the bottom corners. The background shows a simple room with a wooden floor and some furniture.
