I work in secret as a nurse to treat a rare disease that afflicts to my dad

Every night I have to squeeze lots of a white slimy thing from dad's penis.

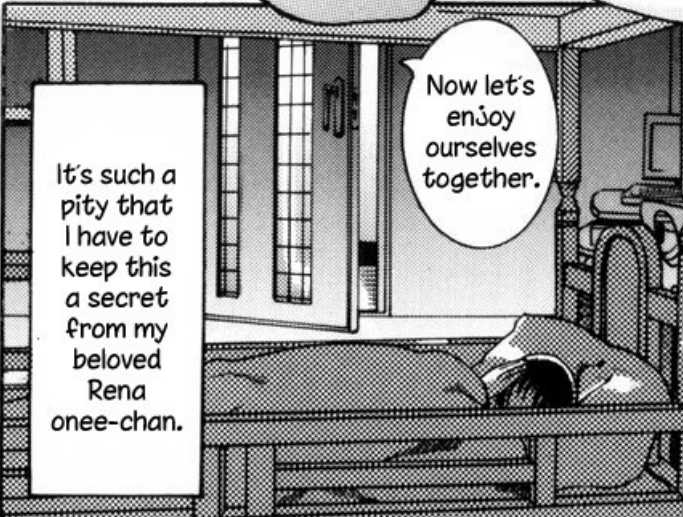

Thank you, Anna ♡

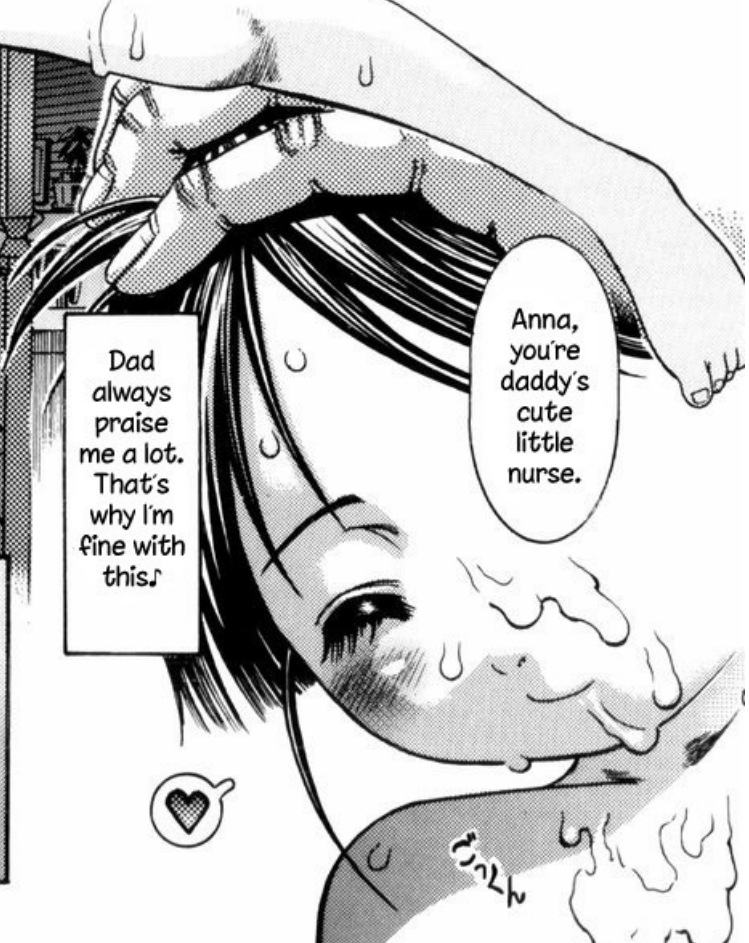

I feel better now. All thanks to you.

Is hard to apply the treatment but

It's such a pity that I have to keep this a secret from my beloved Rena onee-chan.

Now let's enjoy ourselves together.

Dad always praise me a lot. That's why I'm fine with this.

Anna, you're daddy's cute little nurse.

Yes ♡

Waaah ♡

Anna

I have an amazing gift for you.

It's a huge hospital!

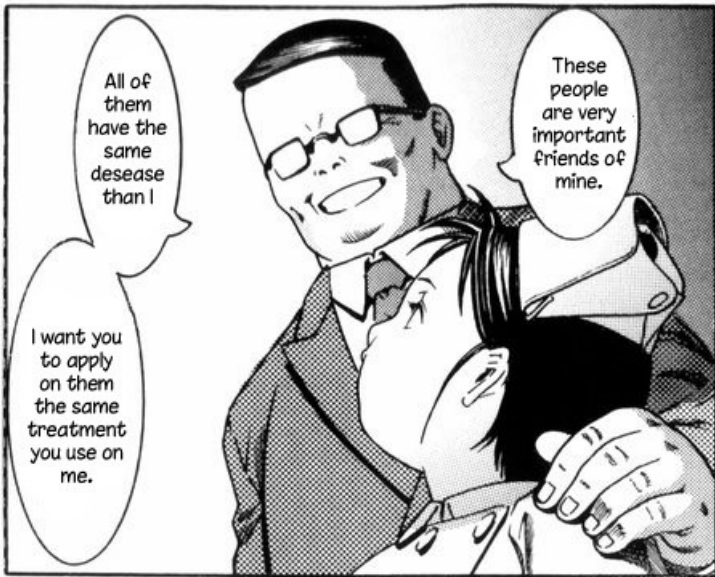

You work here, dad?

It's Hirai

Sorry for the delay

It's a nurse uniform ♡ ♡

It looks good on you  
Now come with me

Look

Even though Rena hasn't had her first period yet she is already lactating.

Even though I'm crushing her developing tits

Amazing!

Rena-chan is capable of cumming even when feeling pain

With it we will be healed in no time ♡

You have a tasty child pussy

Anna-chan, don't move, Ok?

Really?

Really! Of course!

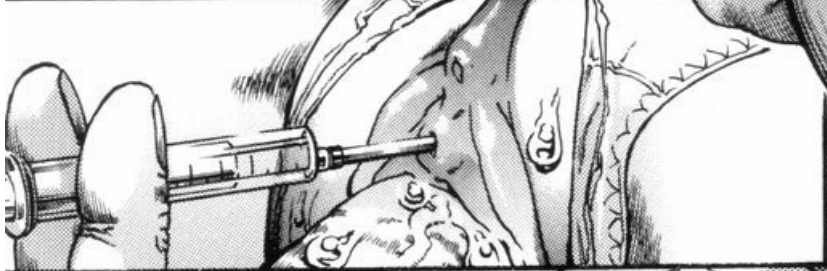

You hated it the first time

But look at you now ....

Can see that? She is already enjoying it.

I got dizzy and I fell asleep in the middle of the treatment.

I did my very best but

When I woke up I was in bed at home.

The onee-chan that came to pick me up later that day was amazing

Onee-chan came back later that night. She was so tired that we didn't go to school together.

I never would have guessed

Onee-chan too is a secret nurse!

I was surprised yesterday

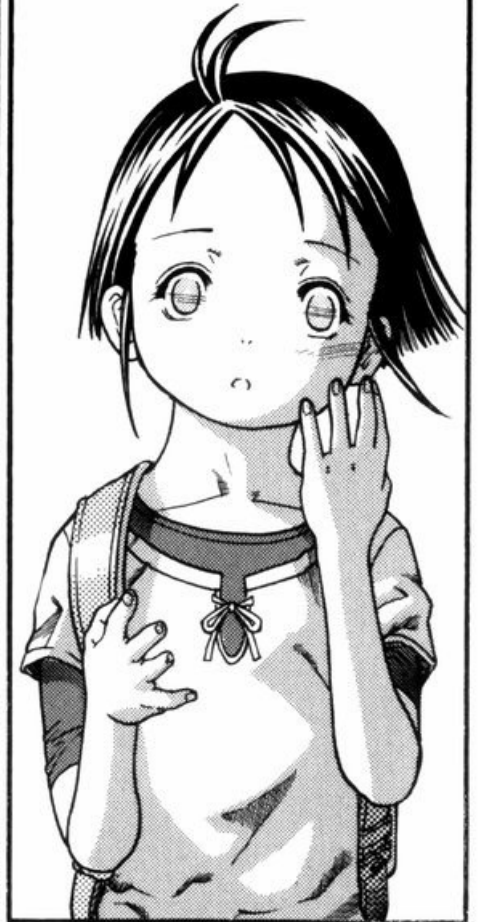

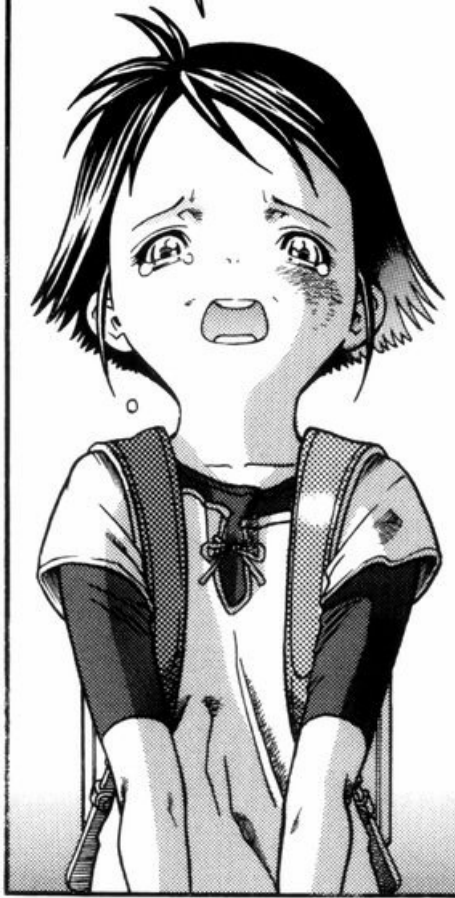

But I'm going to

give my best to be just like you, onee-chan ♡

Thank you very much to Dr\_Demento who helped me to correct a lot of mistakes I did in my original translations!

Now that I have someone helping me to not be too much of a potato I expect to translate the rest of the Ashika's works that I translated to spanish.

Look forward to it!
