PHOTO STUDIO

ROOM NO. 2

Good, look here~

Ehehe~
♥

Cute~ as always.

I don't want to be just a clothing model. I want to get big jobs and become famous.

tehe ♡

Good work, Saya-chan.

Early next month, maybe.

I wonder when the today's photos will appear in magazine.

Yeah, an idol who distributes herself through internet.

Net idol?

Then, would you like to try being a net idol?

You'll be super popular for sure, Saya-chan.

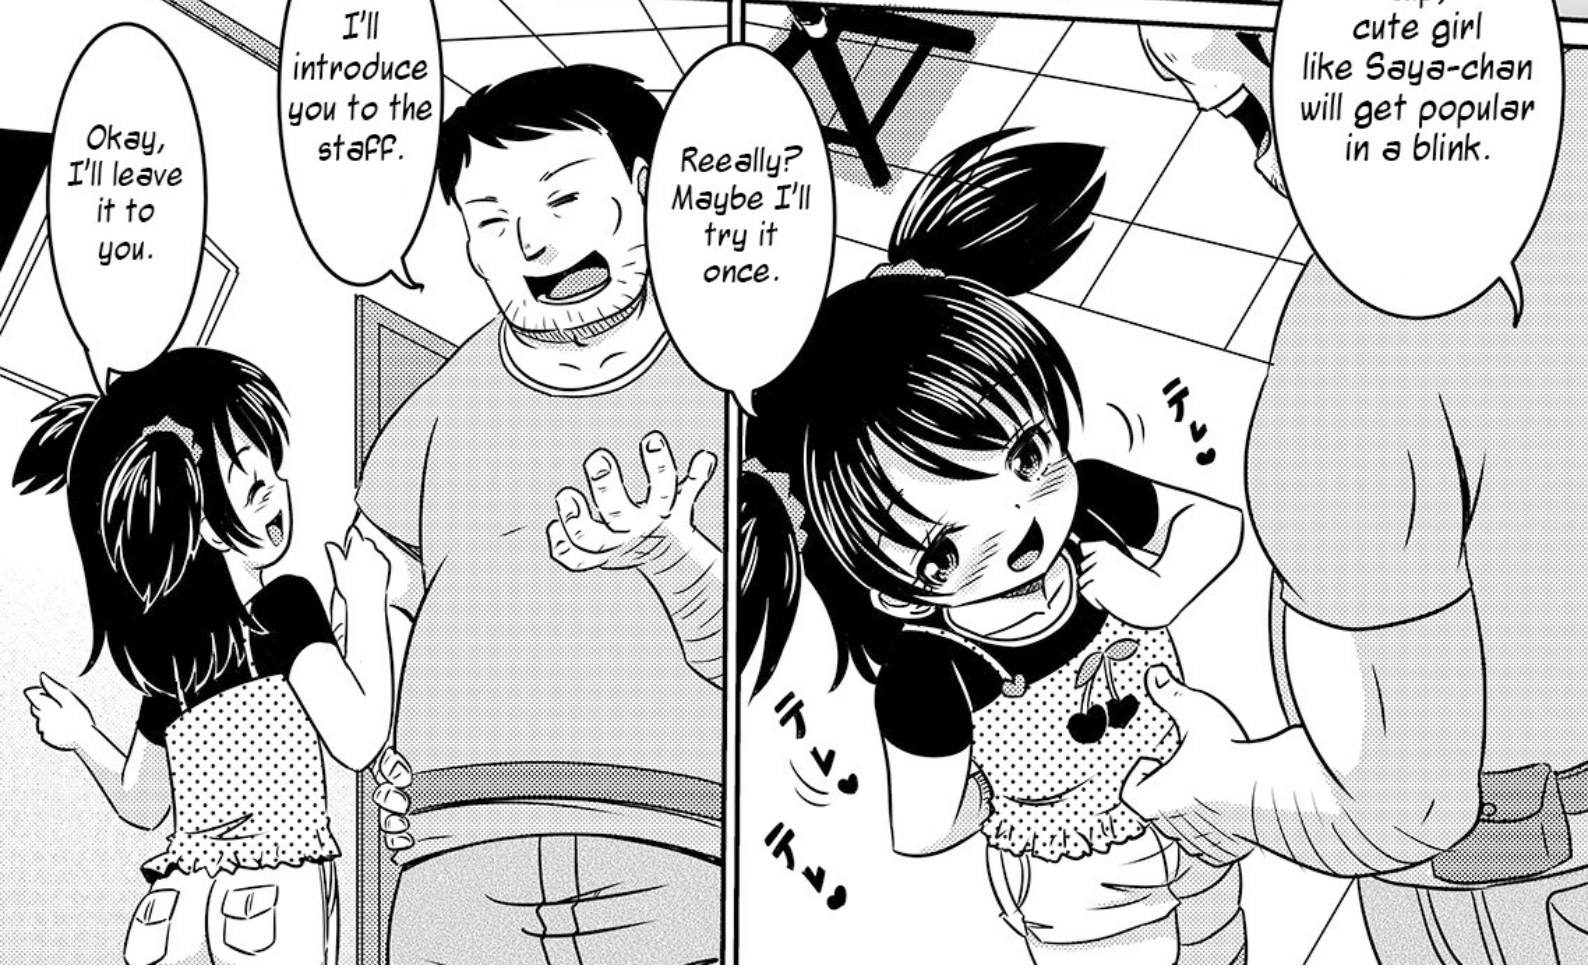

Eeh? Will I become popular that way?

There's open spot on a very popular paysite, want to try?

Super popular ...

かあ、

Okay, I'll leave it to you.

I'll introduce you to the staff.

Really? Maybe I'll try it once.

Yup, cute girl like Saya-chan will get popular in a blink.

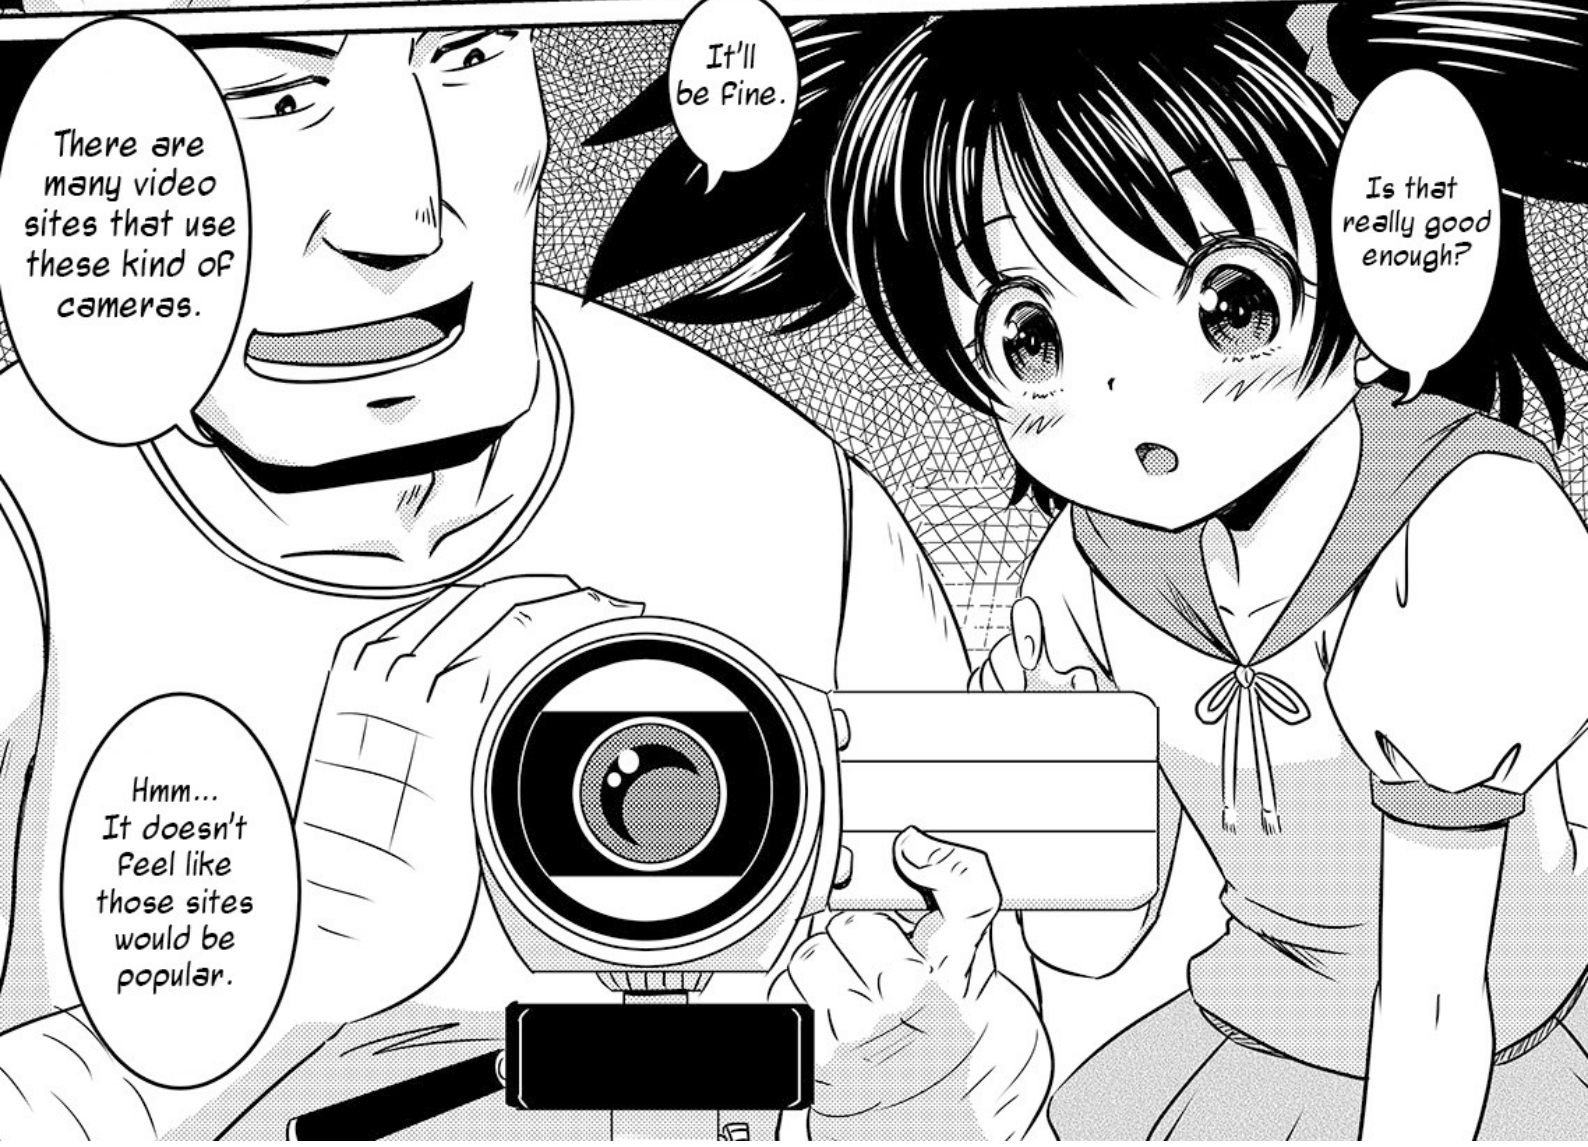

We'll be filming here?

Haha, it's my own digital video camera.

Uah, so dull looking photographing tool.

There are many video sites that use these kind of cameras.

It'll be fine.

Is that really good enough?

Hmm... It doesn't feel like those sites would be popular.

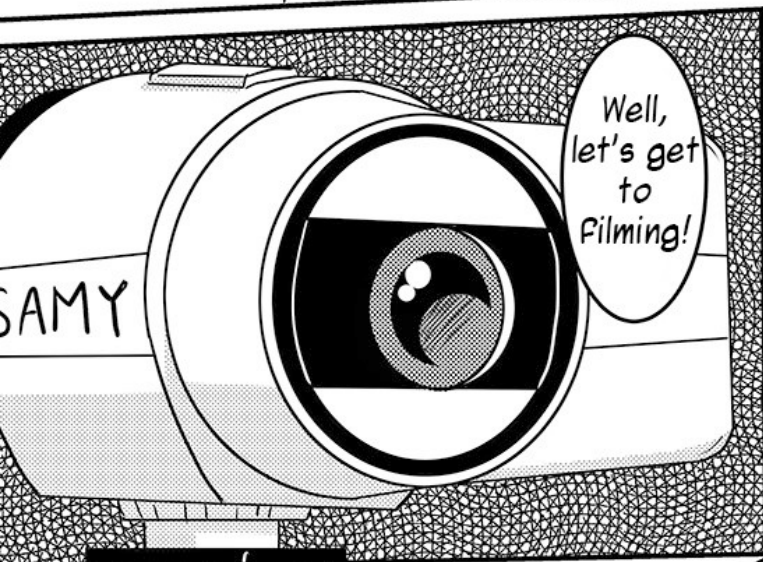

Right, it's your worldwide debut!

ALL AROUND THE WORLD!

They're a bit off the mainstream, but used and known all around the world.

Well, let's get to filming!

Woah! My worldwide debut!

あとがき

今年の冬の新作です。読んで下さってありがとうございます。相も変わらず鬼畜なお話になってしまっています。そろそろソフトな感じの内容も描いてみたいかなとか思いますが、エロさを出すのが難しいかなと。エロシーンのパターンももう少し工夫をしていきたいところです。昨今、ますますロリ創作には厳しい風潮ですが、挫けずに頑張っていきたいところです。たまにはファンタジー物とかも描いてみたですね。オーク、姫騎士？ サックユバス？ 良いと思いませんか？ 暇があったらそういうのも良いかもしれないですね。
