Gang Rape Hell
in
Prison School

Ahh, of course also the students, who tend to be absent, are educated to enjoy their school life.

In our school there's no bullying, violence etc. Any bad behavior will be corrected, so everyone can enjoy their school life.

Umm...
Our child became hikikomori because of the bullying, so...

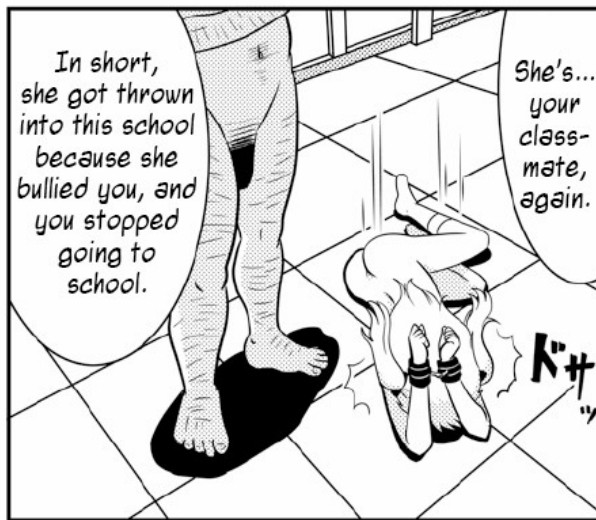

That really gives us a piece of mind, I'll leave her in your hands

If we find that Kari is being bullied, teachers will immediately address the one responsible, so don't need to worry.

In our school teachers are always watching. We aim to prevent all malicious acts, like bullying, caused by students.

My...
stomach...
will rip...
out...

Say it like
you seriously
mean it, or
I'll keep
violating
you!

P-Please...
I regret what
I've... done...

Every
evening,
my Father
comes into
my room.

He will
always put
his thick penis
into my little
vagina...

even
though he
knows that
I don't
like it.

I have
never felt
good when
doing this.

Father
always says
"It will feel
good soon.",
but...
