I'm really sorry.

Yeah, it did... But I don't mind.

It hurt, huh?

Sorry, it was your first time too, but I overdid it.

Next time I'll be gentler, okay?

Yeah.

Two days later...

We had sex the day before yesterday, but...

it still feels like something's caught down there.

But to be honest, I really don't wanna have sex again!

It hurts too much!

God, I love seeing Onii-chan worried about me!

I'll have your baby one day, Onii-chan!

Maybe I should train with something thinner first.

..At least to stop me from flinching in pain.

It really friggin' hurts, though~!

I can't have his baby if we don't have sex...

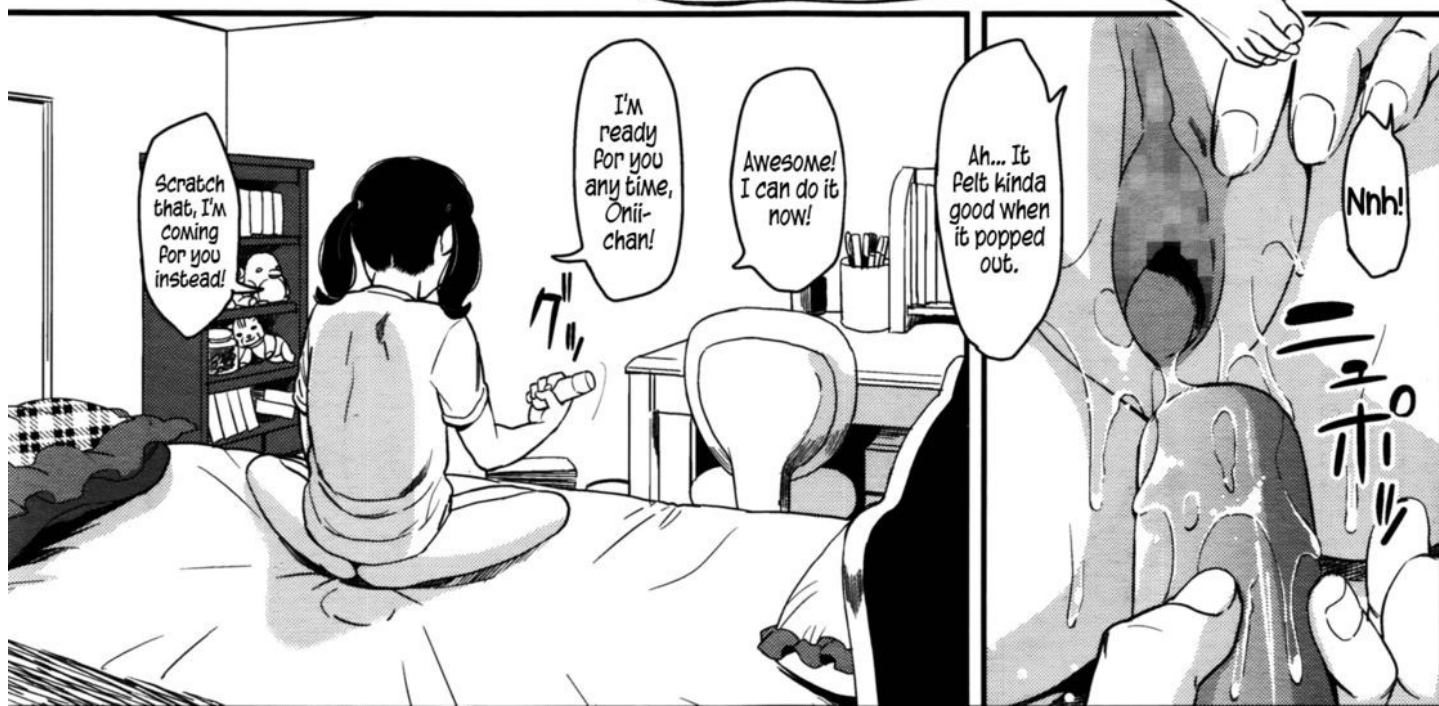

..But that...

doesn't do me any good!

Three weeks later..

Ah~

The next day.

Just wondering what you were up to.

It's been a while since you've come to my room.

But nevermind that, why are you here?

Freaky! Is it a horror movie?

Wah!

Witness! Witness! Witness!

BOON!

Oh... Well, y'know...

After what happened...

Yeah?

That's not very hard to figure out, we do live in the same house.

Yeah... But we haven't been alone together in so long.

Yup!

I've been practicing.

Prac-ticing?

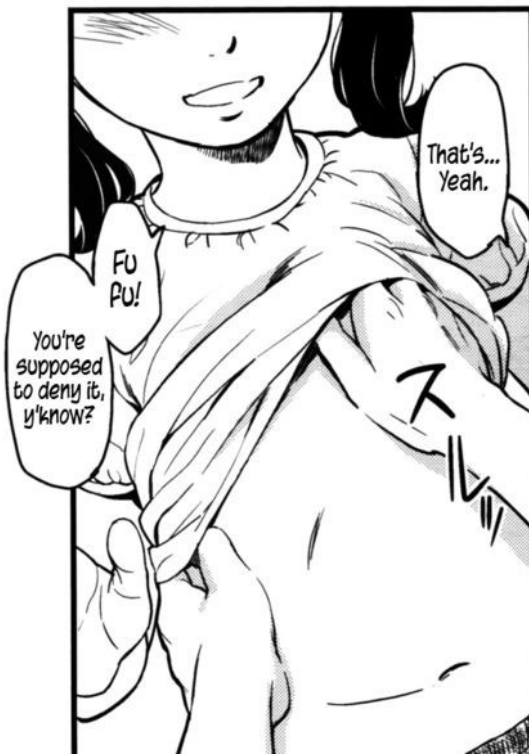

Huh? But you were writhing in pain last time.

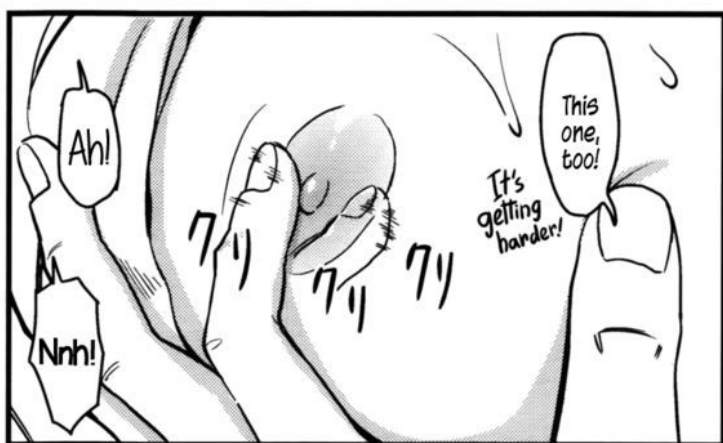

Are you sure?

Erm... Onii-chan, don't you wanna have sex?

So... is somethin' up?

Ah...
