My name is Takashi Fujimoto and I'm in the third year!

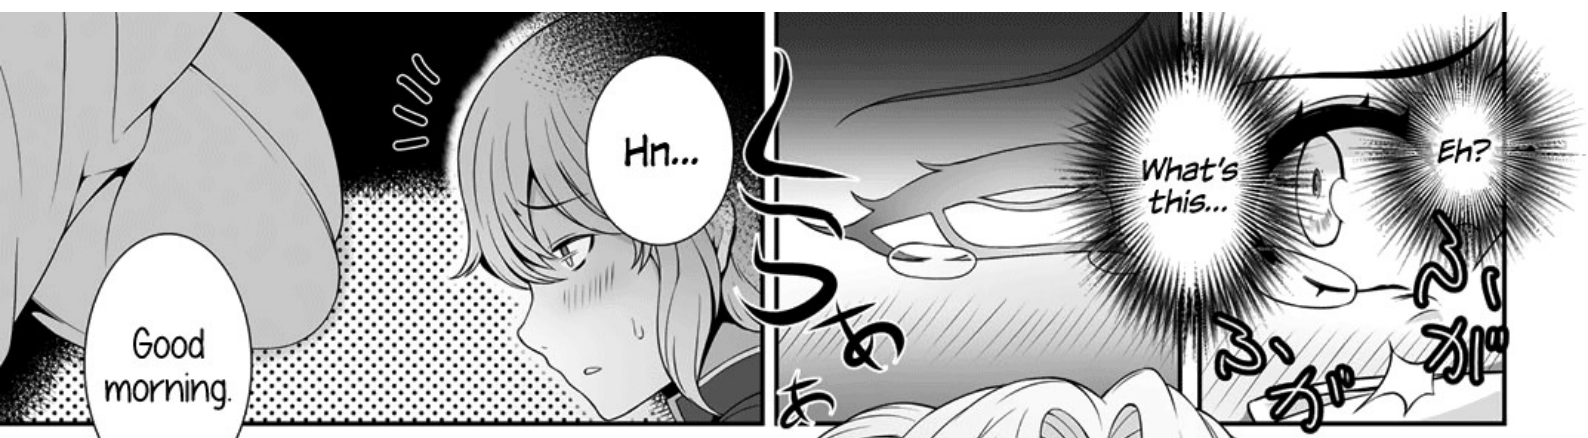

I'm worried about...

My career path... so I thought we could talk...

Hi

Hi

Good morning.

Hn...

What's this...

Eh?

Ma'am?

Eh...?

You're so slow to wake up.

You sleepy-head! ♡

Hn?! My arms are tied!

I could just eat you right up, could I not?

Huhu! So cute.

Don't be so scared! You're fine.

Huhu!

But what I want is...

Ugh!

You probably still feel pretty sluggish... The effect's not worn off yet.

What a huge beast for such a small frame...

Aha!!

Bear with this...

You'll have to forgive me.

First things first...

We need to make it bigger, don't we?

It's just as I imagined!

I bet your semen's thick, too...

That nice cock of yours.

Eh...?

Never-mind.

You just need to do what I say and you'll be fine... Huhu!

Eh ?!

Let me help you out.

Are you getting turned on from your teacher's foot-job?

You pervert!!

Huhuhu!

Your dick's twitching between my feet!

Well?! Does the tip feel good?

Uah... Ah!

It's getting bigger and harder by the second...

Utterly inexcusable!

So many juices dripping out...

But you are absolutely forbidden to cum until I give you permission, okay?

fwoosh

gush

And, um... You're a teacher...

Ah... Ma'am!

Please... Don't do this... People could find out, and...!

You have to hold it in...

Then pump it all out!

Make me drink your thickest load!

Stay there and make me semen!

You don't have to worry about trivial stuff like that...

Just behave, okay?

Shut your mouth!!

You leave me no choice.

HNN!
HNN!

What is it?

So good you can't even speak?

It's really huge! I can barely wrap it in my tits!

Ah!

Ah...!

Ah!

Huhu!

Your precum's getting cloudier now.

So you like it with my tits, don't you?

Aaah...

No, ple-! Stop!!

SHUWA!

Mh-Ma-am!

And if you *dare* defy me again...

Make sure you hold back until I say you can go, *alright?!?*

Unbelievable ...

AH!
B-BUT MA'AM!!

Are we clear?

MA'AM, PLEASE!

You're starting to piss me off!

Sucking my tits...

Huhu...

So you do have a kid's mind and body after all, hm?

But don't forget to thrust your hips and build up your semen, okay?

He's totally not listening anymore.

Suck all you want! But I have no milk, you know?

So lost in it...

Ugh!

None.

So let me spell it out.

What university should you go to?

Consulting?

Are you stupid or something?

I'll take responsibility.

But that's okay.

So don't worry and keep ejaculating for me, okay?

Forever and ever. ♡

NO... WAIT...! THAT WAS ALL YOU, I DIDN'T ...!

You've already shown me the full extent of your skills, haven't you?
Don't think you can get into any university with that curriculum.
