Girls, go to the Audiovisual room.***

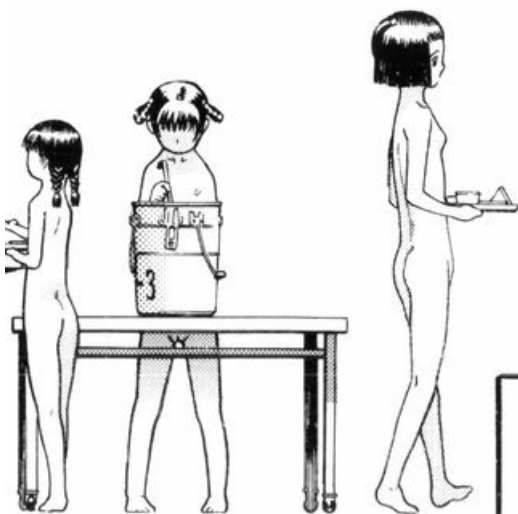

I never

about it

Half of my
classmates
are boys and
the other
half are girls

Not only in

That is a
fact in all
the world.

We know
that much
from

That

There're

Nanako isn't a baby anymore but...

I can't, I can't stop peeing!

Geez

Looks like you peed yourself.

Is it because your body is surprised?

Perhaps it's because it's the first time you have "something" inside your body?

But don't be scared

Still don't get it, right?

Fuuu !?

Or is it because you came?

Fue !?

Because if they did, kids would get addicted to this

You know, Nanako? In school they don't teach you the most important thing.

And the reason it's because sex feels reaaaaally good!

you're lying

Ok

I'll give you a slow and intensive lesson ♡

I won't believe a thing that some pervert has to say...

You're unfair. It was you who chose me to be your teacher

I'm not lying

It's more intense ♡

Yes

It's more intense if I rub your G-spot, right?

How is this? Nanako chan

My gee spot ... it's being rubbed

TI note: in page 32 Nanaka says:
膣内射精(なからひ)花マル
Nakadashi, as most people know
means "to cum inside"
And 花マル in japan is a sticker that
are awarded to hard working kids.
I believe that in the US is "gold
star".
I took some liberties because I
couldn't find a better translation. I
hope it's not to awful.
