Momiji, you keep watching TV.

Okay...

They're not connected by blood, but they live as a true grandparent and grandchild would.

Oh! You're watching Punicure while wearing Punicure panties!

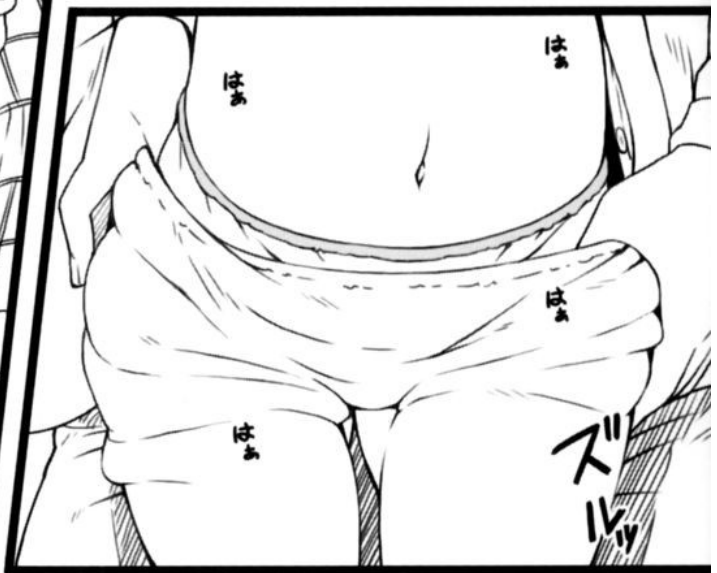

Whoa, her panties are so wet they've become see-through...

I can't follow the plot of the episode at all...

My mind just won't focus...

We were all supported by the princess's love.

Momiji, you want it so bad you can't help it, don't you?

Ah! Stop...

Hah!

Stop it!

Slick Slick

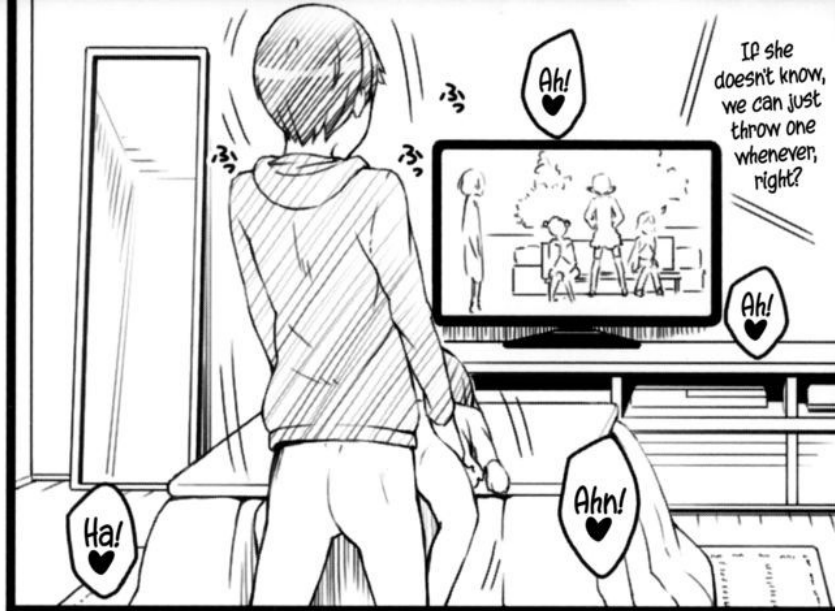

NO..!

This is embarrassing...!

Look at that, you got your nice Punicure panties all soaked...

If she doesn't know, we can just throw one whenever, right?

We'll throw a birthday party for Aguri-chan, and we'll all jump in and celebrate!

it might be too... much!

Oh, no...! Even if he does it slowly...!

I'm too sensitive today...

It feels... great!

Is this slow enough?

Here...

Afterword

When page 15 was nearing completion, I had a crash and lost all the data, so I had to redraw the book from memory. Fuck a duck. ♪

A UPS would've been really useful.
