We...

Managed
to hold on
until the
end.

GRADUATION
CEREMONY

Thanks for every-thing!

Class Prez, good work!

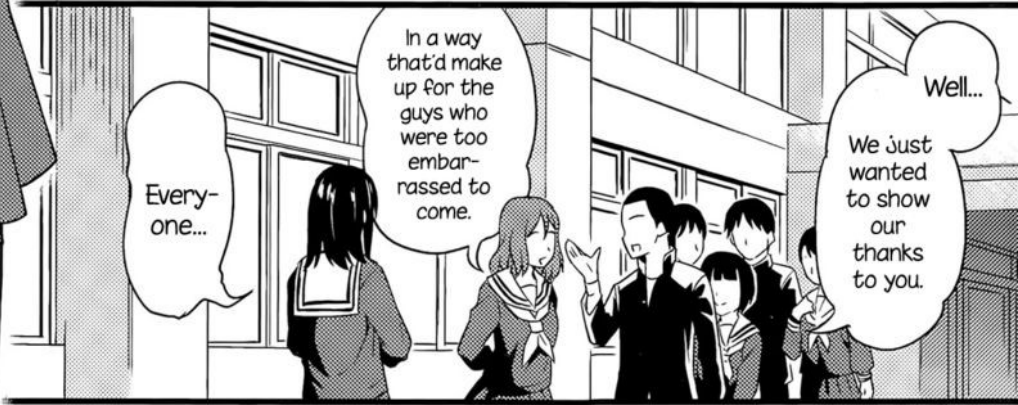

Your teaching was a lot easier to understand than the real teachers~

You know, you always helped us with our studies and every-thing.

Um... What's this?

You really looked after me.

And when I was being bullied...

Every-one...

In a way that'd make up for the guys who were too embarrassed to come.

Well... We just wanted to show our thanks to you.

Don't make me cry...

Geez...

Hey,
you were
the one
who
suggested
this~

Doing it
in these
clothes,
I mean.

Wearing
my uniform
used to be
completely
normal until
just
recently...

But now
it feels
funny.

I always
thought
they were
huge...

But
I didn't
expect
them to
be this
big...

You wouldn't
want to
stand out
too much,
after all.

Hn...

I see...
Well,
I guess
that
makes
sense.

So I
wear a
smaller
bra
to keep
them
hidden.

I'm a
little
bother-
ed by
their
size...

I'll think about it.

Show them off a little more~ ♡

I love huge boobs, though, so...

I'd be glad if you could, well...

Hah...

You have such great breasts...

Ah-

Not flaunting them is a waste!

That's... good!

Sen-sei...

HA ♡

Um...

There's something I'd like to try first...

Could I... put it in already?

Kado-kura...

I've never...

Cummed this hard before...

Man...
That's
our class
prez
for you.

I...
swal-
lowed
it...

Haa...
