Infection Sodom

When I arrived, I found the school gates were overflowing with naked students.

Receiving word that a gang rape incident had broken out at XX-Academy, I rushed to the scene.

What on earth is this? Are they having an orgy right in the middle of the school?

You're all in the way! Stand aside!

In the midst of the situation, I was somehow within the school gates.

Thud!

Humph Humph

Damnit, I was careless!
