Study Method With SEMEN -Comic Edition-

Sensei...
I...

I had heard she was a bit of a weirdo, but she actually seems like a really nice girl, and she's cute, too.
Thank goodness~ ♡

Let's start by reviewing the parts you had trouble with in the last test.

Sensei...

And since she's in the seventh grade, her classes aren't hard. I might have gotten the pick of the litter as a tutor.

Ask me anything.

What is it?

Huh?

Oh, thank you...

Sensei, I brought you some tea.

Good work

この後とんでもない事態に!?(ページをめくるとなってる素晴らしいさ)

She is a weirdo after all...

C-Chiho-chan...?
It's just an expression...
Are you listening?

Huuuh?!
I don't wanna drink nail dirt...

Oh!
It's no trouble at all.

We're really lucky to have someone who goes to a good university like you in the neighbourhood.

I'm sorry for asking you to do this in such short notice.

!?

Help, she's all yours~

Onoho...

My girl really isn't the sharpest tool in the shed.
How I wish she'd boil the dirt from under your fingernails and drink it*, Sensei.

*TL Note: Same thing as taking a page out of someone's book.

If it'll make me smarter...
It's better than nail dirt...

But if it's semen, then I think... I can do it.

semen?

Why

Huh?

I wasn't expecting this...

Y-You were serious?

Pull out your penis, please!

Ah! Even you're treating me like I'm an idiot, Sensei?!

Umm... Do you know what semen is?

What if I do this?

Afu!

But if she's the one who initiates it, then it's fine, right?!!

It got hard! Cool~!

This is called a boner, right?

It's not hard, huh?

Of course not, we haven't done-

So you know about this stuff already...

Ehehe!

Yeah!

What?!
Really...?

Like they
say, it's not
medicine if it
tastes good,
right...?

It's bitter
and tastes
awful, but I
feel like I've
gotten a bit
smarter~

Let's both
do our best
to get your
grades up,
Chiho-chan!

Just tell me if
you need help
with anything
again.

フザケニシマス...

But
don't hold
back from
masturbating
when you're
alone.

So good!

Every week
from now on,
I'll let you drink
my semen before
tutoring you,
okay?

Chiho-
chan!

That's
great!

You'll study
better if
you feel
refreshed.

Look! Look!
My grades
went up!

I didn't like
semen before,
but I've kinda
gotten used
to the taste
now...

You've
gotten
really

I feel really
tingly in my
belly and I end
up touching
myself.

You
came so
much!

It smells
weird, but
when I sniff
it, my body
gets faint
and warm.

Aah!
It feels
so good!

It's
gotten
so wet...

Ah!

Ah!

Nh!

My grades
were finally
starting
to get
better...

But now
the urge
to mastur-
bate is even
worse than
before!

Why can't
I stop
myself?

I wonder what it would feel like if... Sensei stuck his penis inside here...

I bet it would feel amazing if he shot his cum inside me...

Ah! Ah!

Cumming! I'm cumming!

I can't wait to drink cum again...

I did it at school again...

Then we have no choice but to use our last resort.

Hmm~

Now I even masturbate in school and I can't stop thinking about cock and semen...

Chiho-chan...

Let's try putting my penis inside here.

Hya?!

I'm your teacher, right, Chiho-chan? So there's no problem!

Don't make a tempest in a teacup, just go for it.

Tem-pest?

Studying it...?

We're not having sex, we're just studying it.

But I thought you couldn't have sex until you became an adult.

You mean having sex?

C'mon, don't hold back, be honest and tell me what it was you wanted to do.

Okay...

Sensei, I want you to put your cock in here.

And then...
I want you to cum inside.

C-Chiho-chan.

Wink Wink

You can keep touching yourself if you want. Just relax.

Are you scared?

My heart's beating like a drum...

I'm gonna slide it inside you, Chihochan!

Alright! Sensei's gonna do his best for you, Chihochan!

It's all the way inside! ♡

Ah!

Aah...

Wah...

Ah! ♡

How
does it feel
to finally have
a cock inside
you like you
wanted so
much?

Fue?!

You promised you'd do anything I asked if I got higher than an 80, remember?

So close! They belong to the same family, but it's hawk, not eagle.

Ehen!
A skilled eagle hides his talons!

Nicely done!

Ta-dah! I got 85 points on my Japanese test!

Doing it outside really makes your heart race, huh?

...Yeah.

Or maybe not...

I wanna ride the Ferris wheel!

Kya!

Dehehe, it's like we're on a date~
When she's in high spirits, she acts like a normal middle school girl...

Well, whatever. She's cute.

Karaoke...?
Yeah, let's
go to
karaoke...

Chiho-chan,
let's go to
karaoke next
time.
