A bottle of spray deodorant, the night before yesterday...

The people on the net said it would be better if I went to the hospital, but...
Uuh! I knew this would be embarrassing!

Seriously, though, you should just go see a proctologist.

Very well. Could you take off your underwear and lie down over there?

I didn't think the doctor would be a man!!

Are you in the middle of Summer vacation right now?

A-All right...

I'm going to palpate the area a little, all right?

I didn't think this would all lead to having a stranger look at my butt.. I'm never doing anal masturbation again..!

Hmm...

It seems you didn't mess around with it as much as I feared... You have a very lovely anus.

Huh?

No need to be nervous.

Relax...

Ah... This must be the little bugger. It's deep in there.

They're so lumpy and thick! They're nothing like my fingers!

Ow... ch...!

There... They went in!

I'm going to spread your anus a little to make it easier to get it out, okay...?

Oh, no! My... My butt's getting warmer...!

Don't worry. You'll get used to it in a second.

Doctor... Could you hold on? My butt is...!

E-Excuse me!

T-The doctors fingers are kinda moving in a really lewd way...!

Where did a fifth grader like you learn to do such filthy things to her butt...?

You look like such a docile girl, Yuika-chan, but you really can't tell a book by its cover.

That's no good...

As
You're... stretching me out!!
♡

What's the matter?
...Oh...! Now this is what I call an anal honour student!
♡
It's so stretchy!

No, don't!
I-It'll feel really good!
Take them out... now...!

I wonder if I can grab it with my fingers...?

It's really close to getting out, though.
Could you try pushing down on it?

Huh?

Hmm...
No can do.
It's too slippery to get a good hold on it...

What?!

Just do it as if you were going number 2.

Yes!
Just like that!
♡

L-Like...
this?

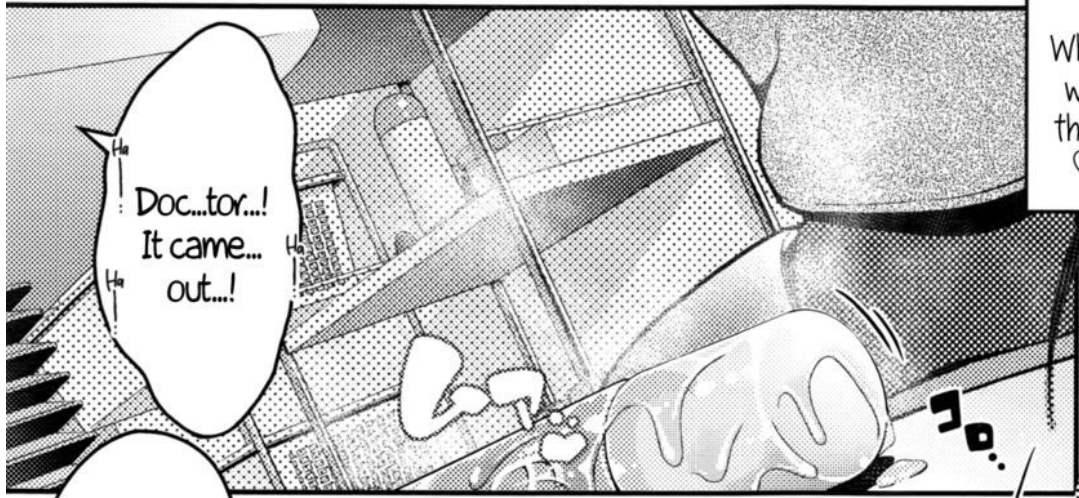

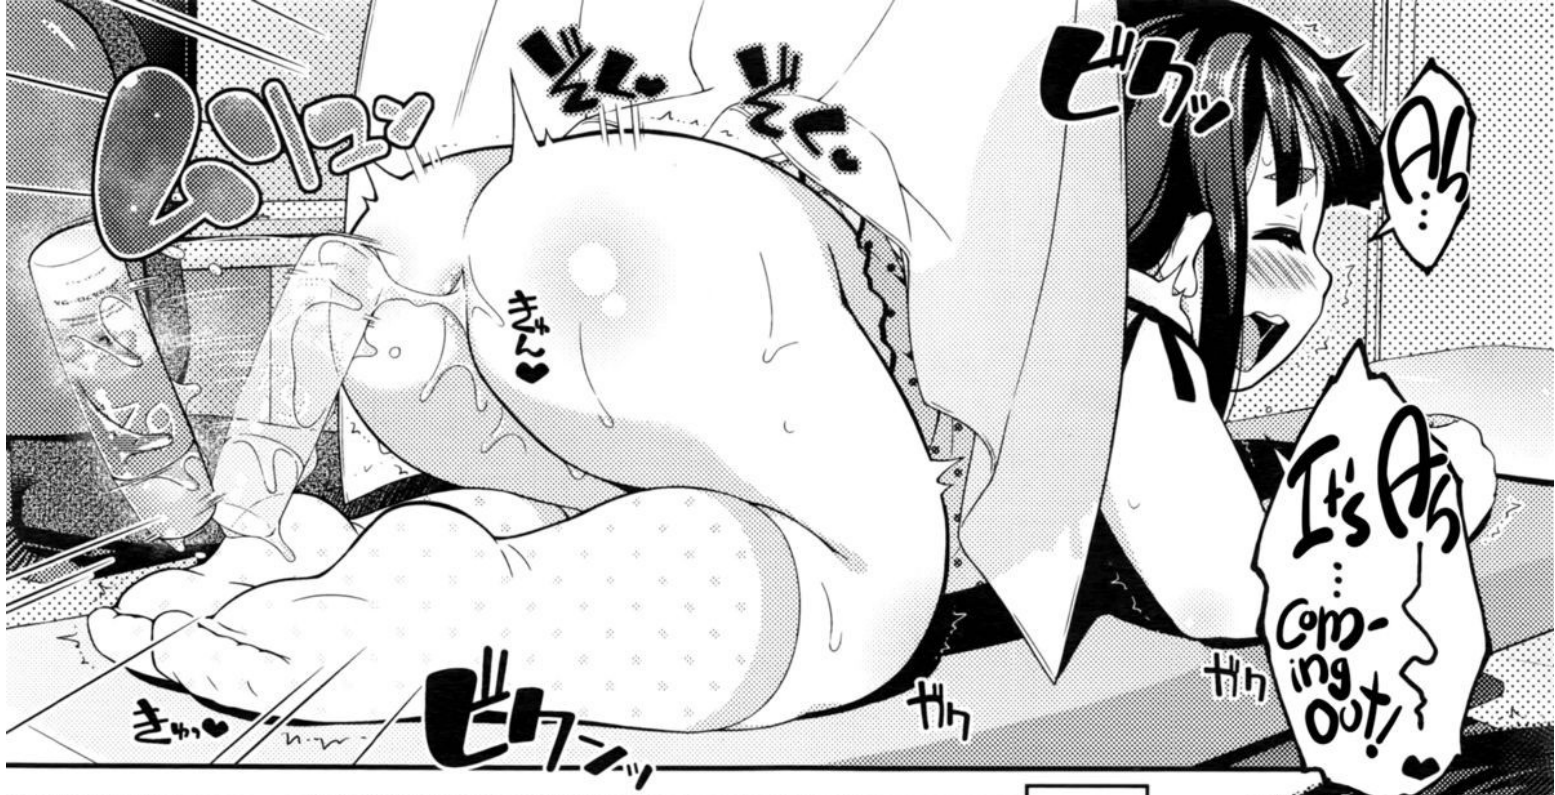

Go on.♡
Don't be shy,
squeeze as hard
as you can.
♡

Don't
be shy?!
No way,
that's
impossible!

I mean,
this is just
like...
Ah.. It's
coming
out...!

What... was that? ♡

Do...
Doc+or...
Doc+or
...!

He's doing
something
really
naughty to
my butt!!

All right,
I'm going to
palpate some
more... to
examine for
lacerations,
this time...

Er...
Erm!

Doctor!
Isn't this
actually
really
lewd..?!

It's so
warm.. and fat..
This.. is actually..
It's actually..
Doctor's..!

pe...nis!
♡

Ah
Noo...!
Don't...
pull it
out!

ウハ...

Ah

I'm... I'm
gonna...
pee...!

Amazing!
I never...
knew about
this..!

W-What
is this?!
What is...
this..?!

When he
pulls his
fat thing
out... it
feels so...
good!

My tummy
feels so full,
it's hard to
breathe...
but...

Incredible...
I'm having
anal sex with
an adult right
now..!

Aah...
It's clamping
down so hard...
What a healthy
anus...!

Wow!
♡
...Wow!
♡

Do-!
Doctor!♡
Examine me...
deeper!

I should
give you an
enema...!

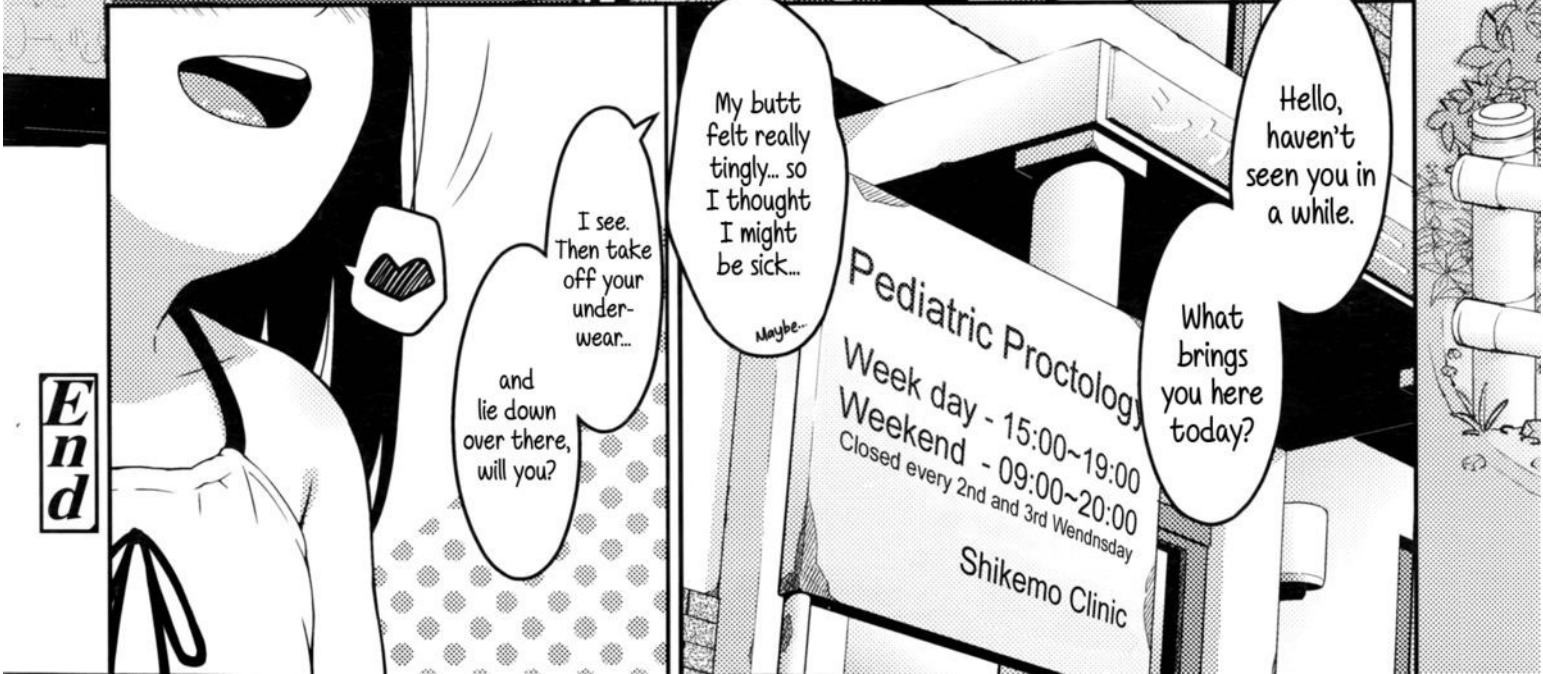

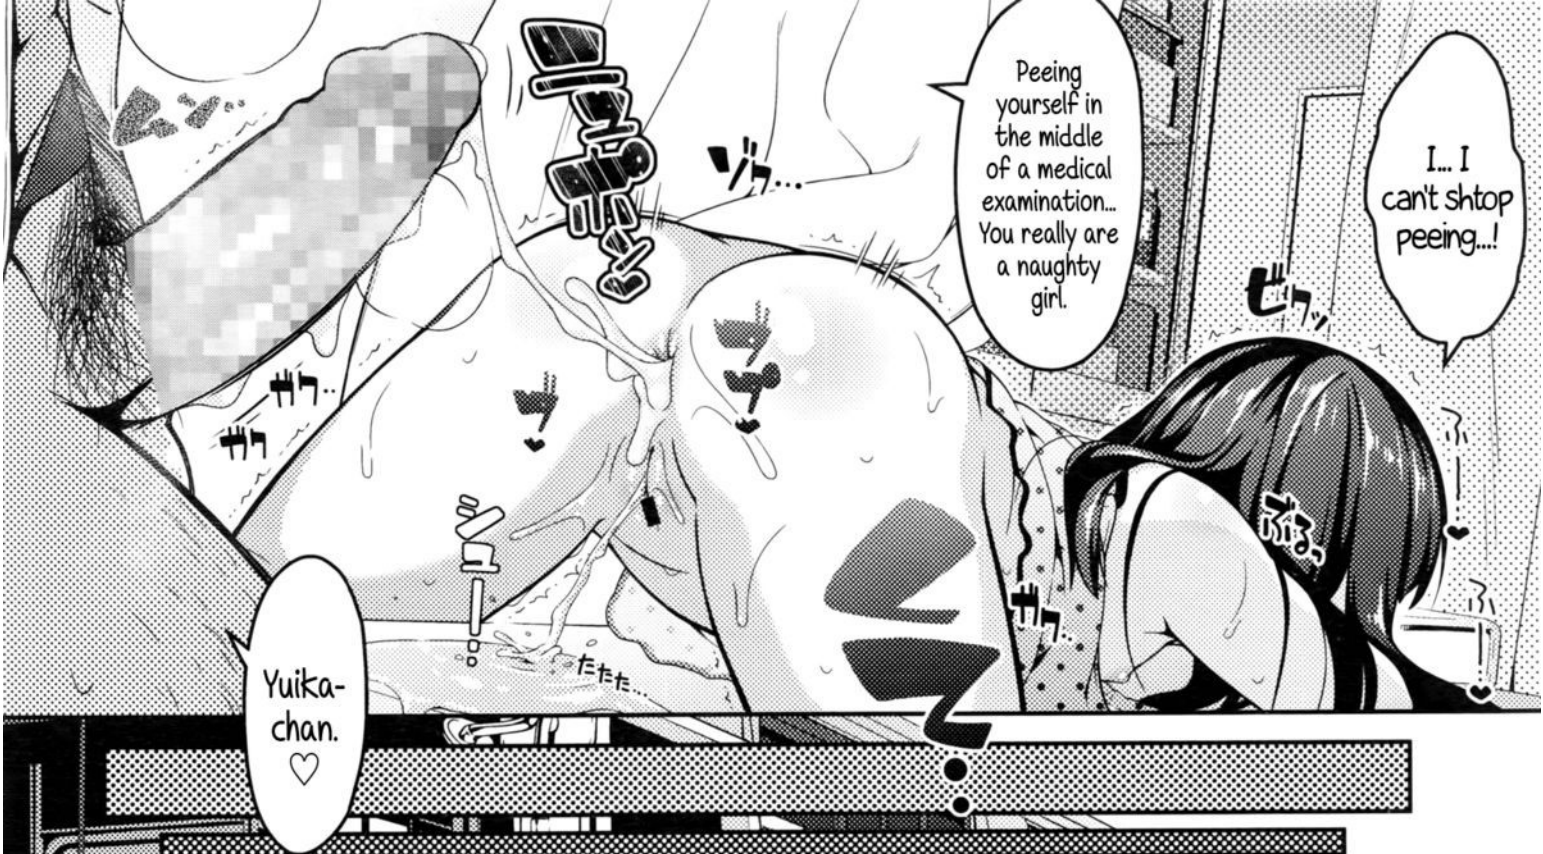

You haven't
been able to
go to the
bathroom
since the day
before
yesterday,
right?

It's coming out... inside meee!

Enemas...
