

You promised you'd be home for Xmas, daddy!

Huh?!
Tell me you're joking!

I'm really sorry...
Work piled up so I can't go home either today...

I know I shouldn't trouble daddy with my selfish demands when he's busy with work.

平屋のぼり PRESENTS 「Merry X'mas Lottie」

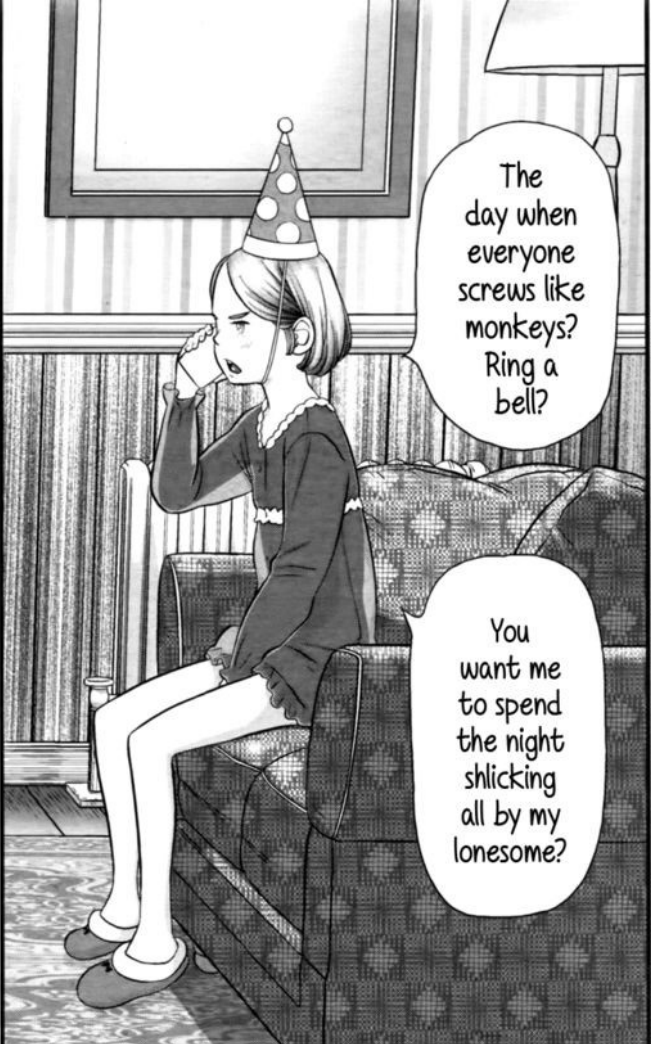

I'll definitely come home tomorrow, okay...?

I-I'm really sorry...

Lottie(10)

The day when everyone screws like monkeys? Ring a bell?

You want me to spend the night shlicking all by my lonesome?

I'm gonna do it today...

Fine... Be that way.

Lo-!

クリスマスにセックスしたいのは、
恋人だけでも大人だけでもありません。
愛も、ケーキも、セックスも、
この夜だけは平等であってほしい。

What if my hymen grows back!

Sigh... This sucks. I haven't had sex in five days.

I went and blurted all that out, but I'm more likely to see daddy today than Santa Claus!

If I'd known, I would've just invited the pizza guy inside when I had the chance!

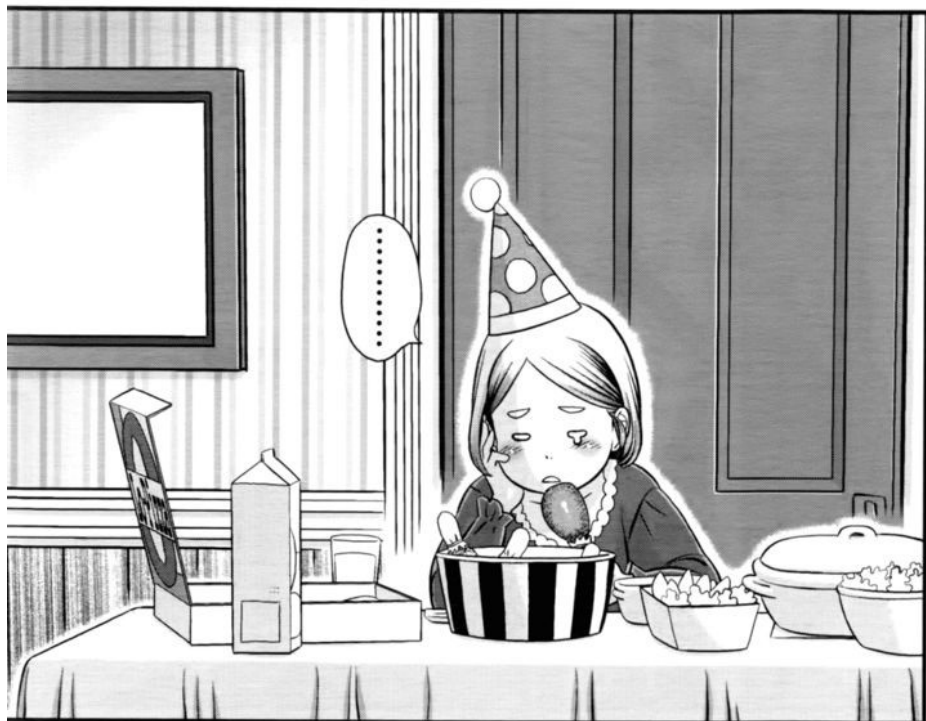

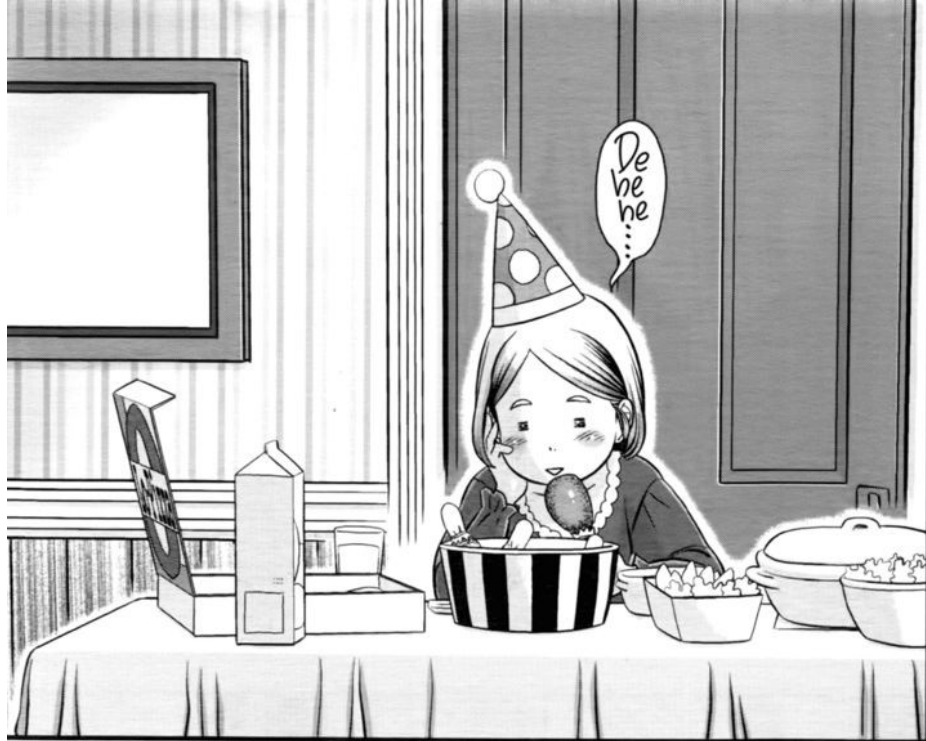

HAHA HA!!

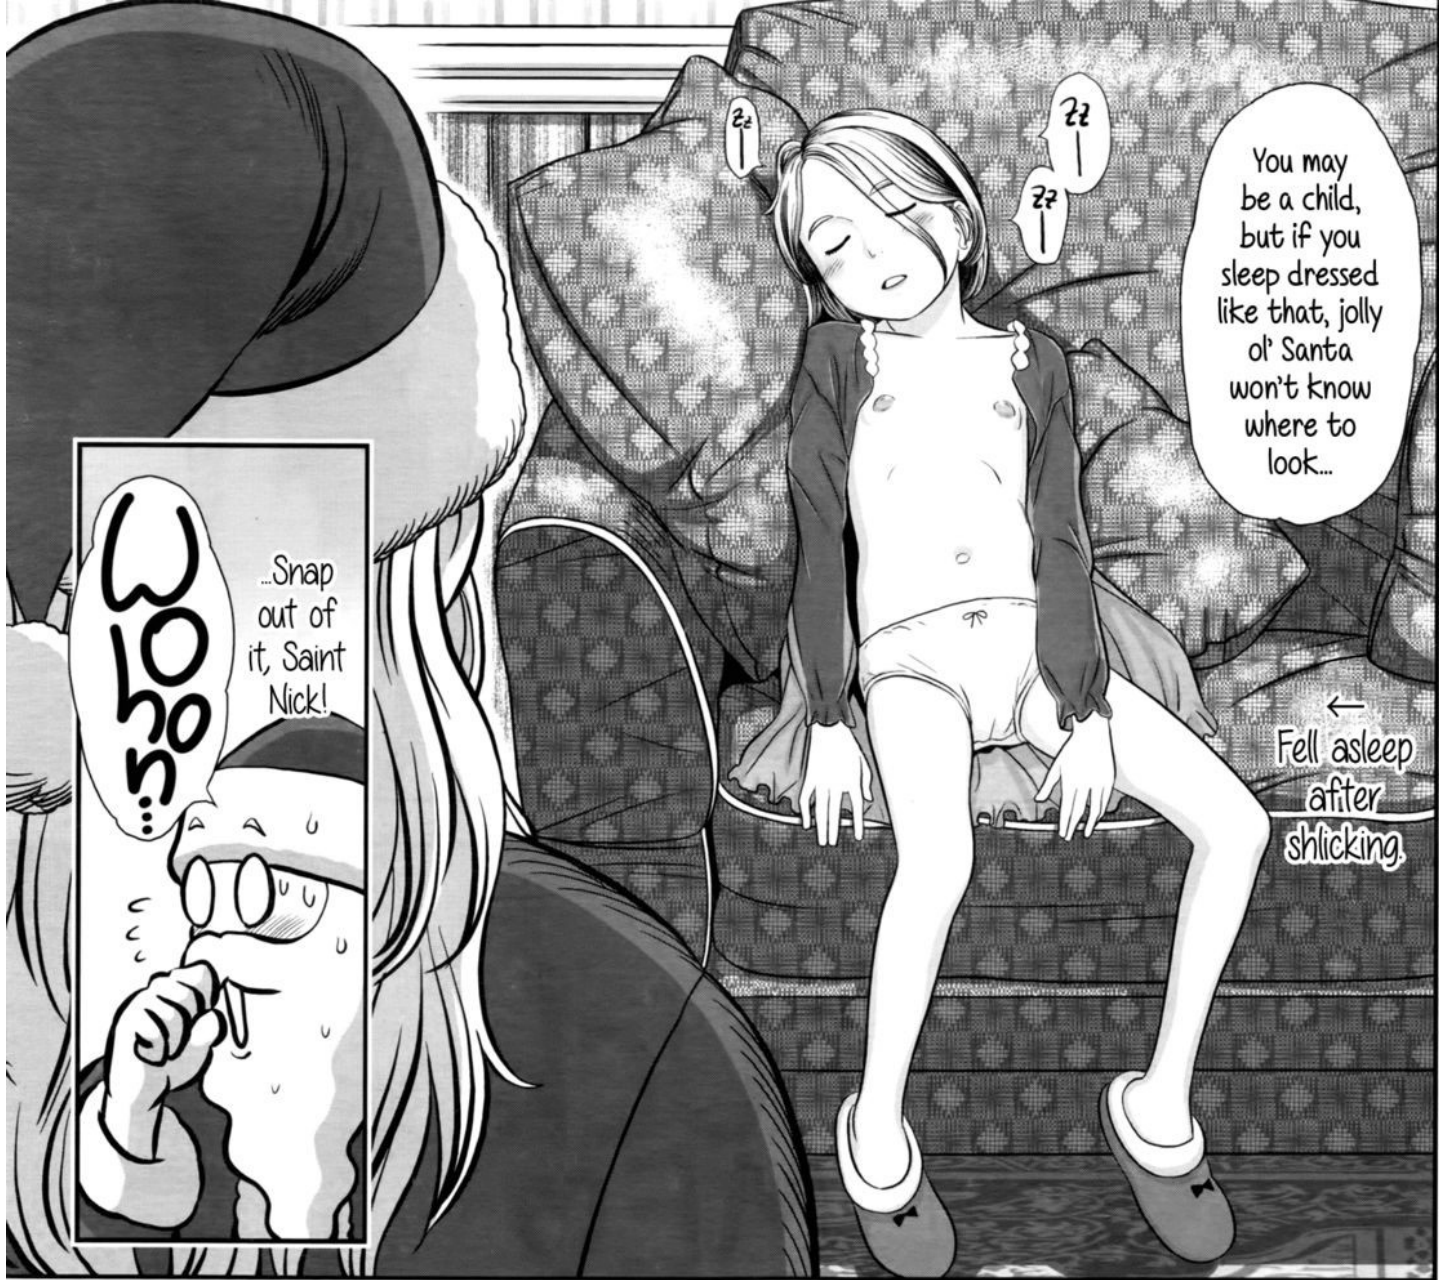

I wonder if he really does look like a fat guy with a bushy white beard who dresses all in red.

Speaking of which, I'm ten now and I've never seen the real Santa since I was born.

...Snap out of it, Saint Nick!

30505...

You may be a child, but if you sleep dressed like that, jolly ol' Santa won't know where to look...

This is a Magical Bag. Whatever I pull out of it will be what you most desire right now.

I'm Santa, and I came to your house for no reason other than to bring you your Christmas present!

You're asleep, but I'll explain it anyway!

Fgh?!

Oh, yeah! Listen to this!

I'm crazy frustrated! I wanna fuck!

Owowow! Please don't take it out on my beard!

Despite that, daddy hasn't fucked me in 5 days, understand?! Five days!! He's constantly stuck at work!

Don't you think he should at least have the decency to come home for Xmas?!

Well?! Don't you think so too?!

I do! I do!!

カ!!!

My name is Lottie.

What a naughty father.
How could he not spend his Christmas with an adorable girl such as you, missy.

Okay! ♡

Lottie-chan, I'm putting it in.

Wow! ♡
It's so big! ♡

But don't you worry.

Santa will make lots of love to you this Christmas eve to make up for it. ♡
