

You're on your precious last year of middle school.

Every girl around is already doing it with their boyfriends.

Saya, you're really quiet when we talk about these things.

There are no good enough guys.

Miomio already did it with that guy from 3rd grade.

You know.

Ehhh!? Miomio did it!?

...

Eeh?

Shut up...

Are you the type who aims too high?

弟妹大乱!

I-I don't!

Saya, why do you blush everytime we talk about him?

I don't have that kind of relationship with my brother, you hear me!?

D-Don't talk nonsense!

Aah... So Saya is one of those types.

Ah, that's it.

It's because you have such a cute little brother.

After
school!
