

Year 20XX

In this country, the social status of males has been considerably reduced and it is worsening day by day

Non-virgins are obvious... Garbage... rule... is allowed... is shot... If a man smokes, but... Men must protect their virginity and stay pure until marriage... A man staring at a girl's... whatever... A girl's... Men must... whatever... is always OK... Husbands have... are to... OK... If a man is found masturbating, smashing his genitals and breaking his dominant hand is OK... can be beat to death... Cr... and... 脱出! BY 御免なさい 専用 車内 狼車 OK

Lots of messed up laws and rules are being passed like amazing fastballs. This country has turned into a wasteland stained with a toxic juice of extreme self-righteousness

Yup, for men, this country is now considered the most absurd country in the world

INTERESTING FACTOID:

-THE TITLES OF THE GIRLS ARE NAMED AFTER POSITIONS IN KENDO OR JUDO. THE ORDER OF PLAYERS IN A 5-MAN KENDO COMPETITION MATTERS AND EACH POSITION HAS A SPECIFIC ROLE OR PERSONALITY. WHILE IT DIFFERS UPON TEAM AND STRATEGY, THESE ARE THE GENERAL ROLES:

先鋒 (Senpou)- THE VANGUARD (OFTEN THE STRONGEST OR SECOND STRONGEST. EXPECTED TO GET A POINT.)
次鋒 (Jihou)- THE SECOND VANGUARD (EXPECTED TO KEEP THE FLOW OF THE GAME GOING, NOT PARTICULARLY STRONG)
中堅 (Chuuken)- CENTRAL BODY (CAN CHANGE THE GAME AROUND FOR THE BETTER IF THE PREVIOUS TWO LOSES)
副将 (Fukushou)- LIEUTENANT (SIMILAR TO SECOND VANGUARD, EXCEPT STRONGER. "SETS THE MOOD" FOR THE GENERAL)
大将 (Taishou)- GENERAL (LAST POINT. OFTEN STRONGEST PLAYER. EXPECTED TO GET THE FINISHING POINT)
