"Opopap-sama" is the name of a  
 god of this cult and it is also the safe-  
 word to stop playing.  
 she was so desperate that she couldn't  
 say the safeword well because of ball gag.  
 This cult is that group that appeared  
 on the Advanced Course (hanging)  
 of the "Experiential Tourism".

The popular cake shop will be  
 coming to this place!  
 You know?  
 ahhh...well...yea...  
 (I peeed and some...  
 .....right here...)
