Uhm...
So, in other words, you want me to...
Nakamichi! Say it clearly!
Yes!!

I've heard from the other guys you had been having sex with Hatori, Hitotsubashi and captain Sendou the day before the games, and they had really good results!
...So if we do it too, ours will improve too...
Wha... How come everybody knows about that...!?
So have sex with us too for the sake of our next game!!
Eee ehh !?
もじっ…
Those things are unrelated!
They trained a lot and that improved their performance...
Nah, I'm pretty sure they were able to do their best thanks to you, Anko.
That's...
Please, we beg you! Tomorrow's the match of our lives!! We want to see our dream come true!!
