Sen-pai...

Mm?

You...
done
yet?

Almost.

Alright.
Koishi...

That's
enough
for now.

ずっと申子を見つめていたな

Look at this.

You're gradually getting bolder?

Don't you think...

Holy crap, I'm amazing!

You're right...

WHAT WAS SUPPOSED TO BE OUR FIRST TIME...
FAILED HORRIBLY.

THAT DAY

NO
MATTER
WHAT.

KOISHI
WOULD
NOT
EXPOSE
HER
BODY TO
ME

But
looks
like it's
actually
work-
ing!

I was
like,
"what
the hell
is this
girl
think-
ing"?

When you
asked me
to draw you
nude because
you wanted
to get used
to being
naked...

My
heart
starts
beating
fast...

And my
body gets
warm all
around.

And when
I think
about how
you're
actually
doing it
now...

That
I wanted
you to
draw me,
too.

When I
was
watching
you do it,
I always
thought...

Senpai...
It's
'cause
you're so
good at
sketch-
ing.

STOP!!

Looks like... you're fine.

Ah...

How I
wanted
to grope
these
beauties...

I could
only
think of
one
thing:

While
I was
sketching
you...

This...

Feels
kinda
funny.

That
so...

Nh-

Hn...

You're
so
soft,

Koishi.

Do you
like my
boobies?

So...

But your
chest is
just the
way I like
it: big.

You
might
be
short...

Mm...

Bring it on!

Oh my...

So, could we..?

I wanna see what a titjob is like...

...Hey.

Senpai...

Your dick's so warm...

That's because your tits are really turning me on,

Koishi.

You can still go on... right?

Anyways, Senpai...

I'll be
fine...
so...

...Yeah.

HN
NN

You can move.

Senpai.

I can feel it in my stomach...

Yeah...

It's in... I'm inside you, Koishi...

I'm gonna... come!

I'm... almost there!

For me, nude modeling for you was the number one target, and we still haven't done that.

Mm~

Is there a point in me still drawing you?

Hey.

ON ANOTHER DAY...

It'll leave me feeling awkward if we don't do it, you know what I mean?

Hey!

So, how do you want me to pose?

Is that how it works..?

That's how it is.

I don't mind...

If you decide that, Koishi.
