SECRET HABITS
REWRITE BY SUBVERSION
I wonder what Alex has been doing inside all this time? He usually spends his weekends out with his friends...

Alex... You should lock your door...
!!
How would you like me to fix something for lunch, now?
カチャ
I'm coming in, honey!
キィ
Mommy doesn't need to see you do this ...
ビクビク
And you're not very discreet when you do this, are you, mom?
After all, its not bad, is it? My penis, I mean. I'm actually quite proud of it.
You don't need to act so prudish.
Really, Mom?

I've lived alone with you in this house for seventeen years.
And I've noticed over that time that, despite your innocent appearance, you're actually quite lewd.
Don't deny it, mother. You often do this yourself, don't you?
So I couldn't help but wonder ...
Why ...
Don't we help each other out?
Think about it. We could both enjoy ourselves without leaving the house.
I could focus on my studies, if I weren't busy dating girls all weekend. You've always said I should study more, haven't you?

And you could finally stop having to masturbate.
I know you don't want to love any man but Dad.

But we're the same flesh and blood.
I know you secretly crave a lover.
I know that you're interested.
You wouldn't have to please yourself anymore
Because you'd have me!

uhh
But why do it at all? Why not do something better?
uhn
I can tell by that look on your face, mom. A part of you does want this.
You ...
Alex! Don't you get it? This is meant to be a private activity!
...You're not supposed to do this in front of your own mother! And you are not supposed to watch me when I do it!
I have to cum, mom. I can't stop now.
It would be a shame if my efforts were wasted.
We can't do this together! Please, darling! Stop!
I'm not like this Alex! We're mother and son!
And even though you say you don't want to...
...You'll watch anyway.
Mom, look! I'm starting to rub it faster! Soon I'll have an orgasm.

mmmm
I can't watch my baby's orgasm go to waste!
NO!
Just watching you, I couldn't let you cum without helping!
Oh, honey! You're right about me. I'm a slut!
You're swelling, honey! I want you to fill my mouth with it, okay?
whoa
mom
My baby's semen is too precious to waste.
mm
ahh
ahh
YES! Give me everything you can muster! You have such a beautfiul penis, baby.

I'll fill you full of my semen!
mmmm
mmph
Of course, mom! I'll do exactly as you asked!
I should give them attention too, right?
You look so beautiful, covered in my cum, mom. Do you enjoy the taste?
I love your breasts.
Ohh
Ohhh

Baby, we should stop! I've already given you a blowjob, we can't go any further!
Alex!
ah
You'll let them massage me, wont you mom?
Oh my God..
I can't stop him ...
ahh
I'm going wild! Alex, baby!
You're driving mommy insane!
How can I be treating my own son like a toy?
Oh honey, what are we doing?
Then I'll give you some attention, mom. That's fair, right?

Mom! Your pussy is incredible! So pink and wet... I need to taste it...
Mommy needs to cum too.
Do it.
Please...
But... It can't be helped.
Look at the inside, mom. You're so juicy. I told you that you'd enjoy this, didn't I?
Mommy needs this.
Your finger feels so good inside me!
OH MY GOD!
ALEX!

Use your penis.
No...
Will this be enough for you? Will my fingers do the job?
How does it feel?
Well?
AHH
Don't use such crude words! What we're doing is dirty enough already!
I'm fucking you!
What my little baby is doing to me!
I still can't believe ...

Alex's father died when he was two. Since then, I had not dated anyone else, and I had not had sex. But Alex gave himself to me.
Fuck me again Alex! Fuck me until you're dry!
AHH
AHH
I'll stay juicy for you baby!
For so many years, I'd been untouched.
I have lots of catching up to do.
Alex, promise Mommy this:
Fuck me.
Forever.
