HOW TO TRAIN YOUR PET SISTER

CURING A NEET WITH A CREAMPIE

You're not my pet to be lying around all day!!

I'm tired of hearing that!!

...You're drunk.

Souta, you reek of alcohol...

My big sister, Kodama Mei, quit her job and followed me to Tokyo...

I let her stay in my apartment under the condition that she take care of the domestic chores.

When she caught a cold I even had to give her a suppository...

Geez!

I can't walk anymore.

Ever since we were kids, I've done nothing but spoil her.

困る目いい加減
But she's giving me way too much trouble!

今回も約束したんだけど、見つからなくて、今更には仕事がないから、
This time I promised I'd look after her until she found a new job.

This hole is much more honest than your mouth!

Ass don't lie.

Nnh! Mei-nee's asshole is tightening so much around my dick!!

It's like it's trying to milk me dry!
