You know... with cops, there're all kinds...
Some are the kind to take bribes, others are driven by drugs...
Otherwise, nothing's stopping one of us from throwin' a two-bit crook like you in the slammer.
Perhaps you already know what I'm going to do with you.
Urggggh..
Gone this far,
Now, how's about you take off those briefs, too.

You promised you'd let me go after this! Will you hurry the hell up n' take these off?
What's that?
You didn't understand what I said, I take it?
W...what?!
A crooked cop
like myself couldn't just let go of a man I can...benefit from.
I thrive on a man's weakness.
As long as you exist, you exist for MY pleasure.
This really is some luck we have, ain't it...
You and me...
