ECONOMICAL SUMMONER

One day,
he came..

Wha...

And I never would have guessed....

What
the
Hell
?!!

He came
out of no
where and
destroyed
my desk!!

What
the...

The name's
Asuta

Yuppers

A denon?

and just
make your
god damned
wish already

okay dude,
could you, like,
quit looking
around all
fidgety like

maybe
this guy's
messed in
the head

Is this
guy for
real?

let me
think...

A wish?!

which
you've
totally
already
agreed to

Just
your
life!

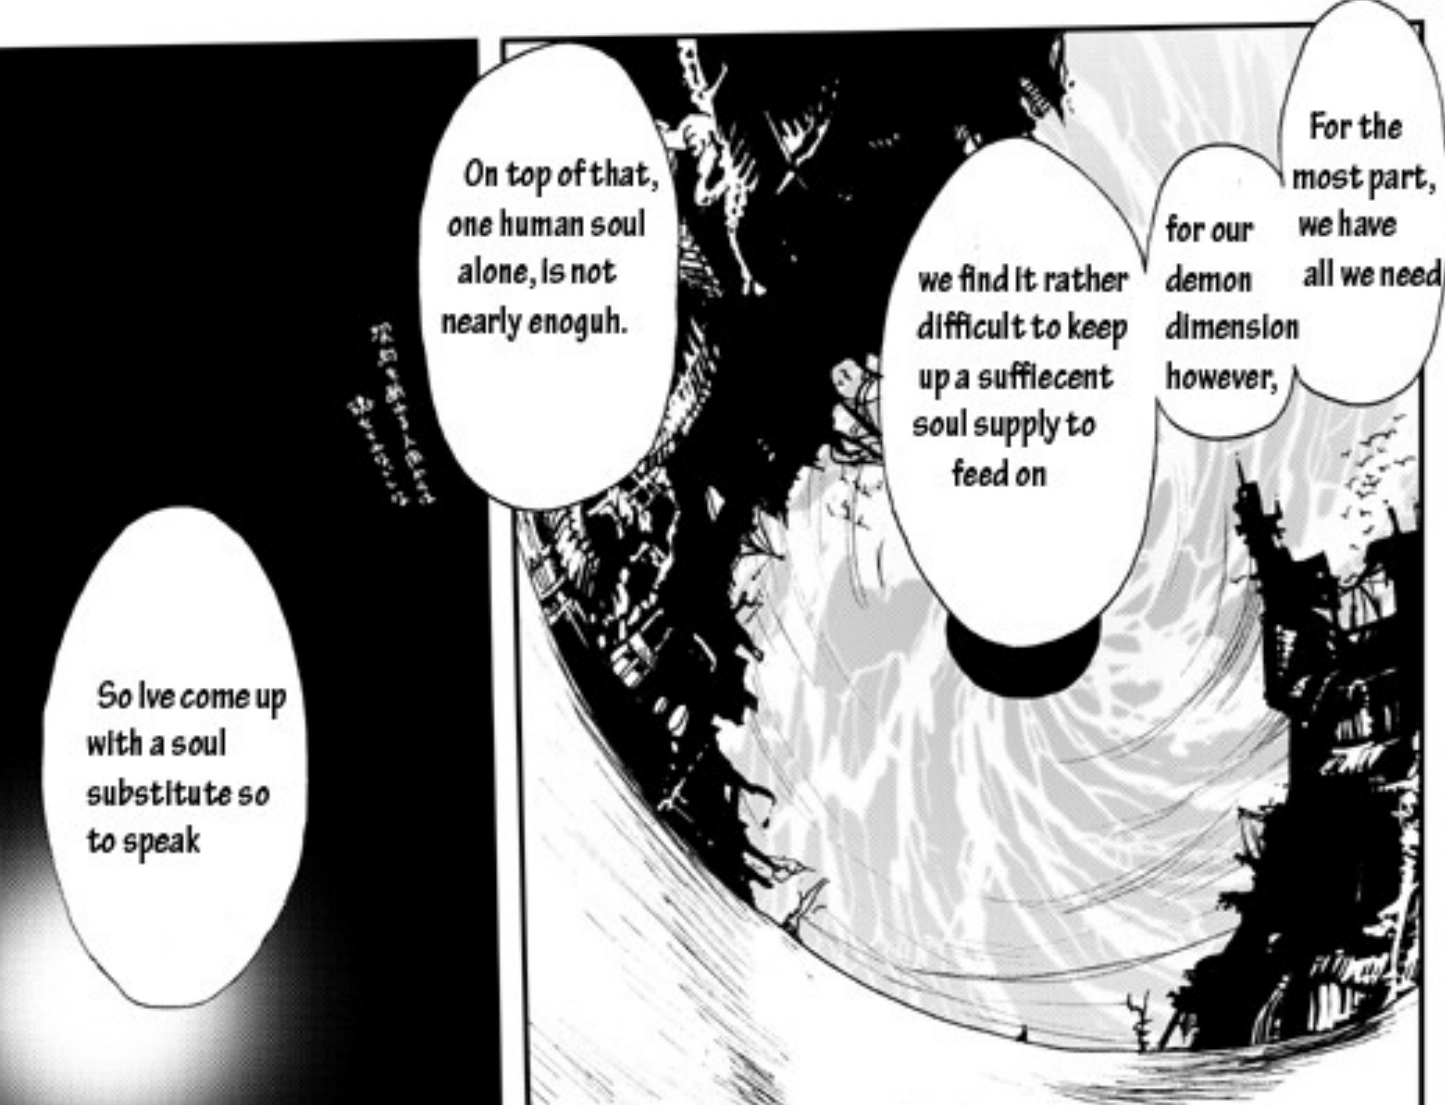

and as per
ancient times

Theres a price
for the wish
its not much

No shit.

we so happen
to have a
sweet-tooth
for human souls

On top of that,
one human soul
alone, is not
nearly enoguh.

we find it rather
difficult to keep
up a sufflecent
soul supply to
feed on

for our
demon
dimension
however,

For the
most part,
we have
all we need

So Ive come up
with a soul
substitute so
to speak

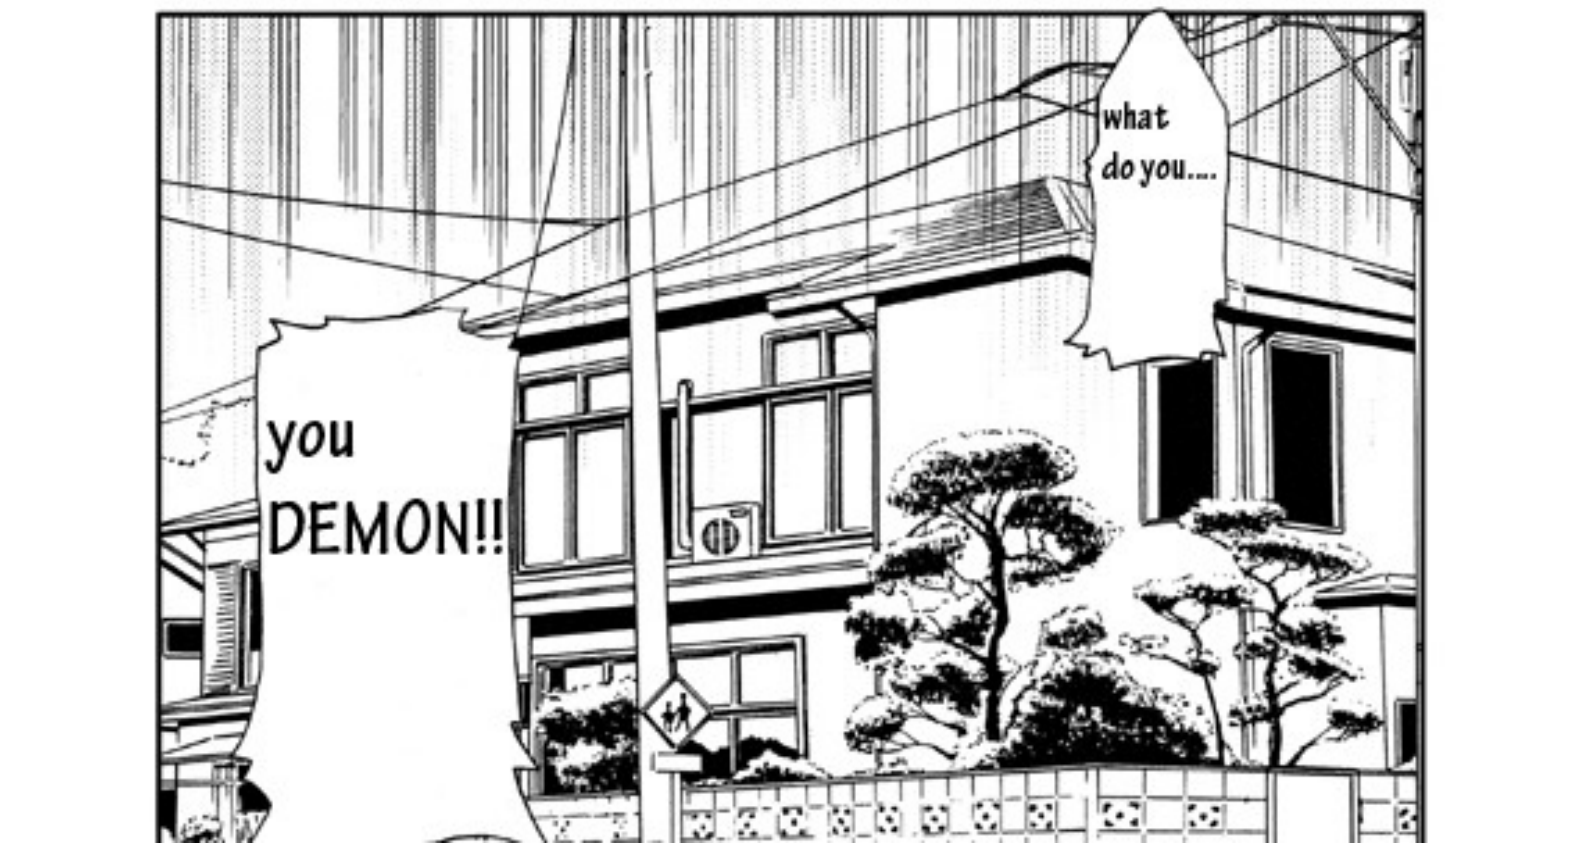

taking your
soul will be
exciting!

you owe
me some
of your
energy! you
can't deny me.

hm?!

so, you
wanna....?

you
DEMON!!

what
do you....

Wow!

so much
precum

Mnh...

Uhh...

The way his penis feels...

ちんちん
触られてる...っ

Inside of me....

中から...

Hmmmmmm!

Ah....

Uh!
Ah!
Mn!

Now that
you've
finished

I'm sure you
wouldn't mind
if I took
a turn

...there more...

...
な
what...
か

It will feel
great.

here
we go

better be
ready

ゆる
る
っ

頭が
うっとして
考え
れない...
I don't see how this....

Uh...

Hal

Ah!

AH...UH!

AHI

NOT
AGAIN

GONNA
CUM

GONNA
CUM

AHI

AHHHHH!

And we're gonna have so much fun

BIG BROTHER

that's right, we are family

こんにちは、19号です。
今回、実を言うと自分でも間に合わないと思ってたんですが、人間頑張ればなんとかなるものなんですね。
こういうバカな話は割と好きなのですが、お話的にちゃんとオチてるかどうか心配です。本当は導入部分がもっと長かったのですが、ページ数の都合とテンポの悪さのために泣く泣く削りました。
せっかくネタを散りばめてたのに残念です。また別の機会に使えればと目論んでます。

最後に、手にとってくださった方、こんなところまで読んでくださってる方、ありがとうございます。
日々修行を怠ることなく精進に励んでいきたいと思いますので、これからもよろしくお願いします。
