

HM?

One day Shibata-san was out for a cool evening walk. When he heard the sound of something struggling in the grass nearby him.

SHIBATA-SAN AND THE  
シバタさんとタヌキ  
TANUKI

我橋政造  
せぶし せいぞう

From across the field he could see a strawhat among the grass, thinking it was a child he moved closer.

OH.

\*WEEP\*  
\*WEEP\*

There was a tubby tanuki, but it had been caught in a trap and was crying.

WHAT A NICE  
AND PLUMP  
TANUKI WE  
HAVE HERE,  
I WONDER IF I  
SHOULD EAT  
YOU?

HYAAH!

HYAAH!

I'LL HAVE  
TANUKI STEW  
TONIGHT!

Shibata-san took off his fundoshi and tied it around the Tanuki's hurt food. After finishing tying it he laughed at the Tanuki saying this.

I'M KIDDING.  
BUT IF YOU  
WERE A HUMAN  
I WOULDN'T  
MIND EATING  
YOU THOUGH.

?

MMH

Three days have passed since then, and Shibata-san is awoken by a voice coming from the front hall of his home..

EXCUSE ME...

In his front hall  
there was a man who  
looked like a tanuki.  
Shibata-san walked  
over to him while his  
fundoshi swelled from  
his growing erection.

Oho  
...

YOU  
SEEM  
TO BE  
BUSY  
...

The old man was  
surprised, he hadn't seen  
another man's erection  
before it would seem.

Shibata-san invited him into his dining room and sat with his legs spread and his throbbing bulge in full view. The tip was slowly peeking out and the smell of a man began to slowly waft out into the room.

The tanuki came back to thank me, huh?

UMM...  
SHOULD  
I COME  
BACK  
LATER?

The old man was troubled as he didn't know where to look.

I'll help myself to some Tanuki stew then!

Shibata-san tackled the older man, and began to grope his crotch.

WAAH!

The older man was quite strong himself but Shibata-san was even stronger and couldn't push Shibata off of him.

WH-  
WHAT'RE  
YOU DOING!  
PLEASE  
STOP!

The older man was  
stripped naked in  
an instant and  
Shibata-san used  
the cloth used to  
tie his robe  
together to bind  
the man's hands  
behind his back.  
And then....

Took his dirty fundoshi and wrapped it around the man's mouth.

**MGFF!**

**HUP!**

He pushed the older man onto the ground and moved to sit on him.

In front of the older man's eyes was Shibata-san's slightly dirty asshole.

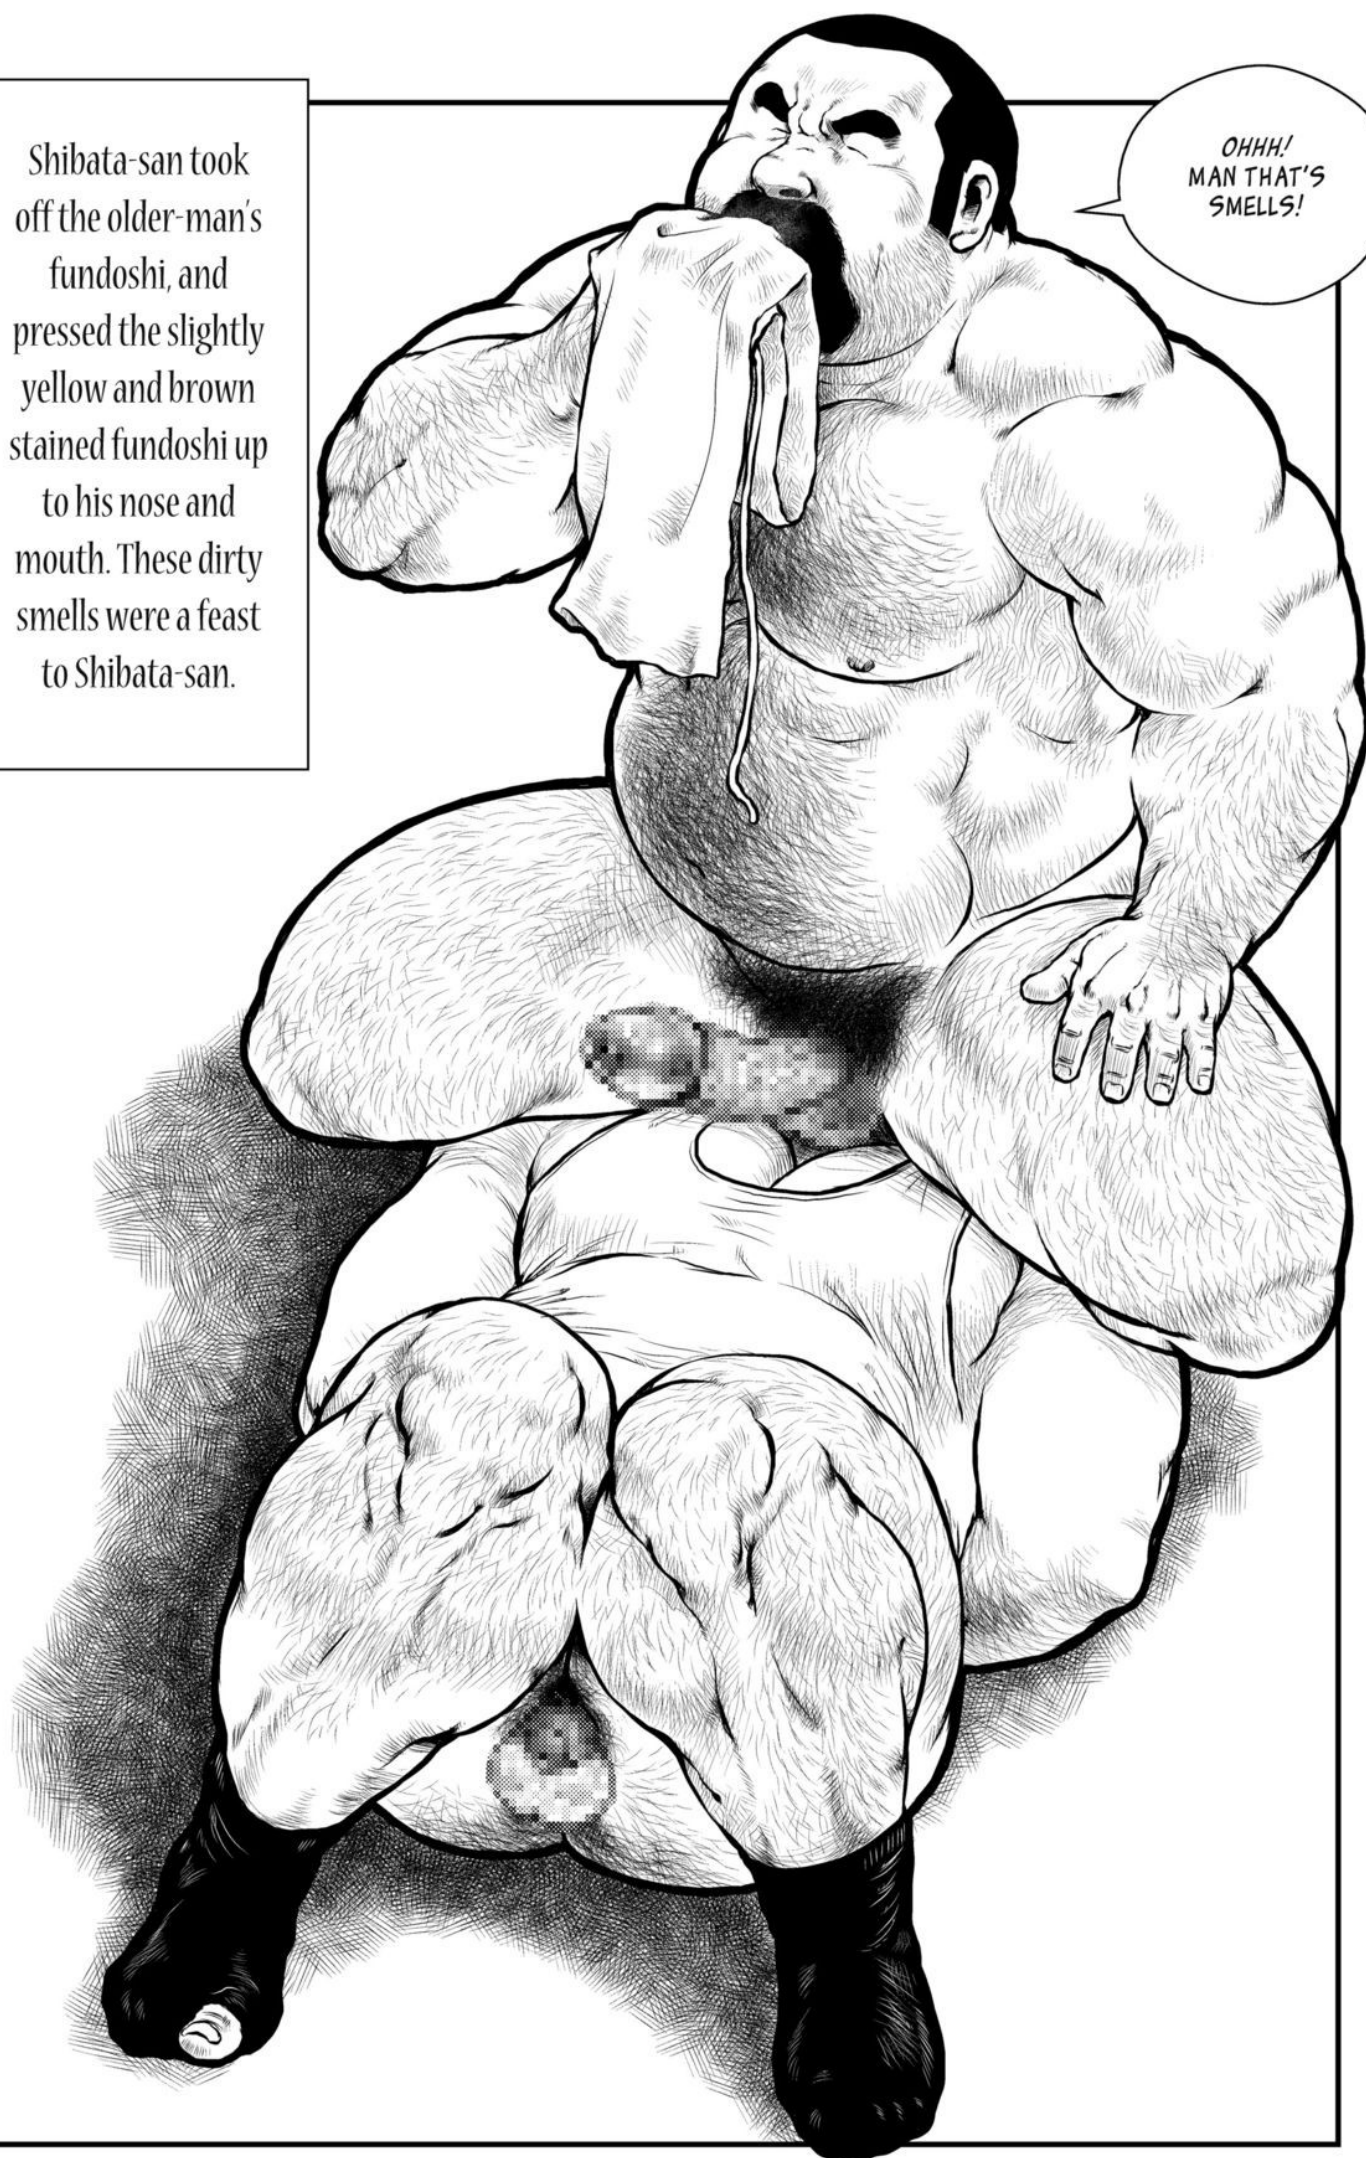

If he breathed through his nose he would smell Shibata-san's asshole and if he breathed through his mouth the smell of piss would leak into his nose.

Shibata-san took off the older-man's fundoshi, and pressed the slightly yellow and brown stained fundoshi up to his nose and mouth. These dirty smells were a feast to Shibata-san.

OHHH!  
MAN THAT'S  
SMELLS!

Shibata-san  
took his finger  
and stuck it  
into the older  
man's asshole.

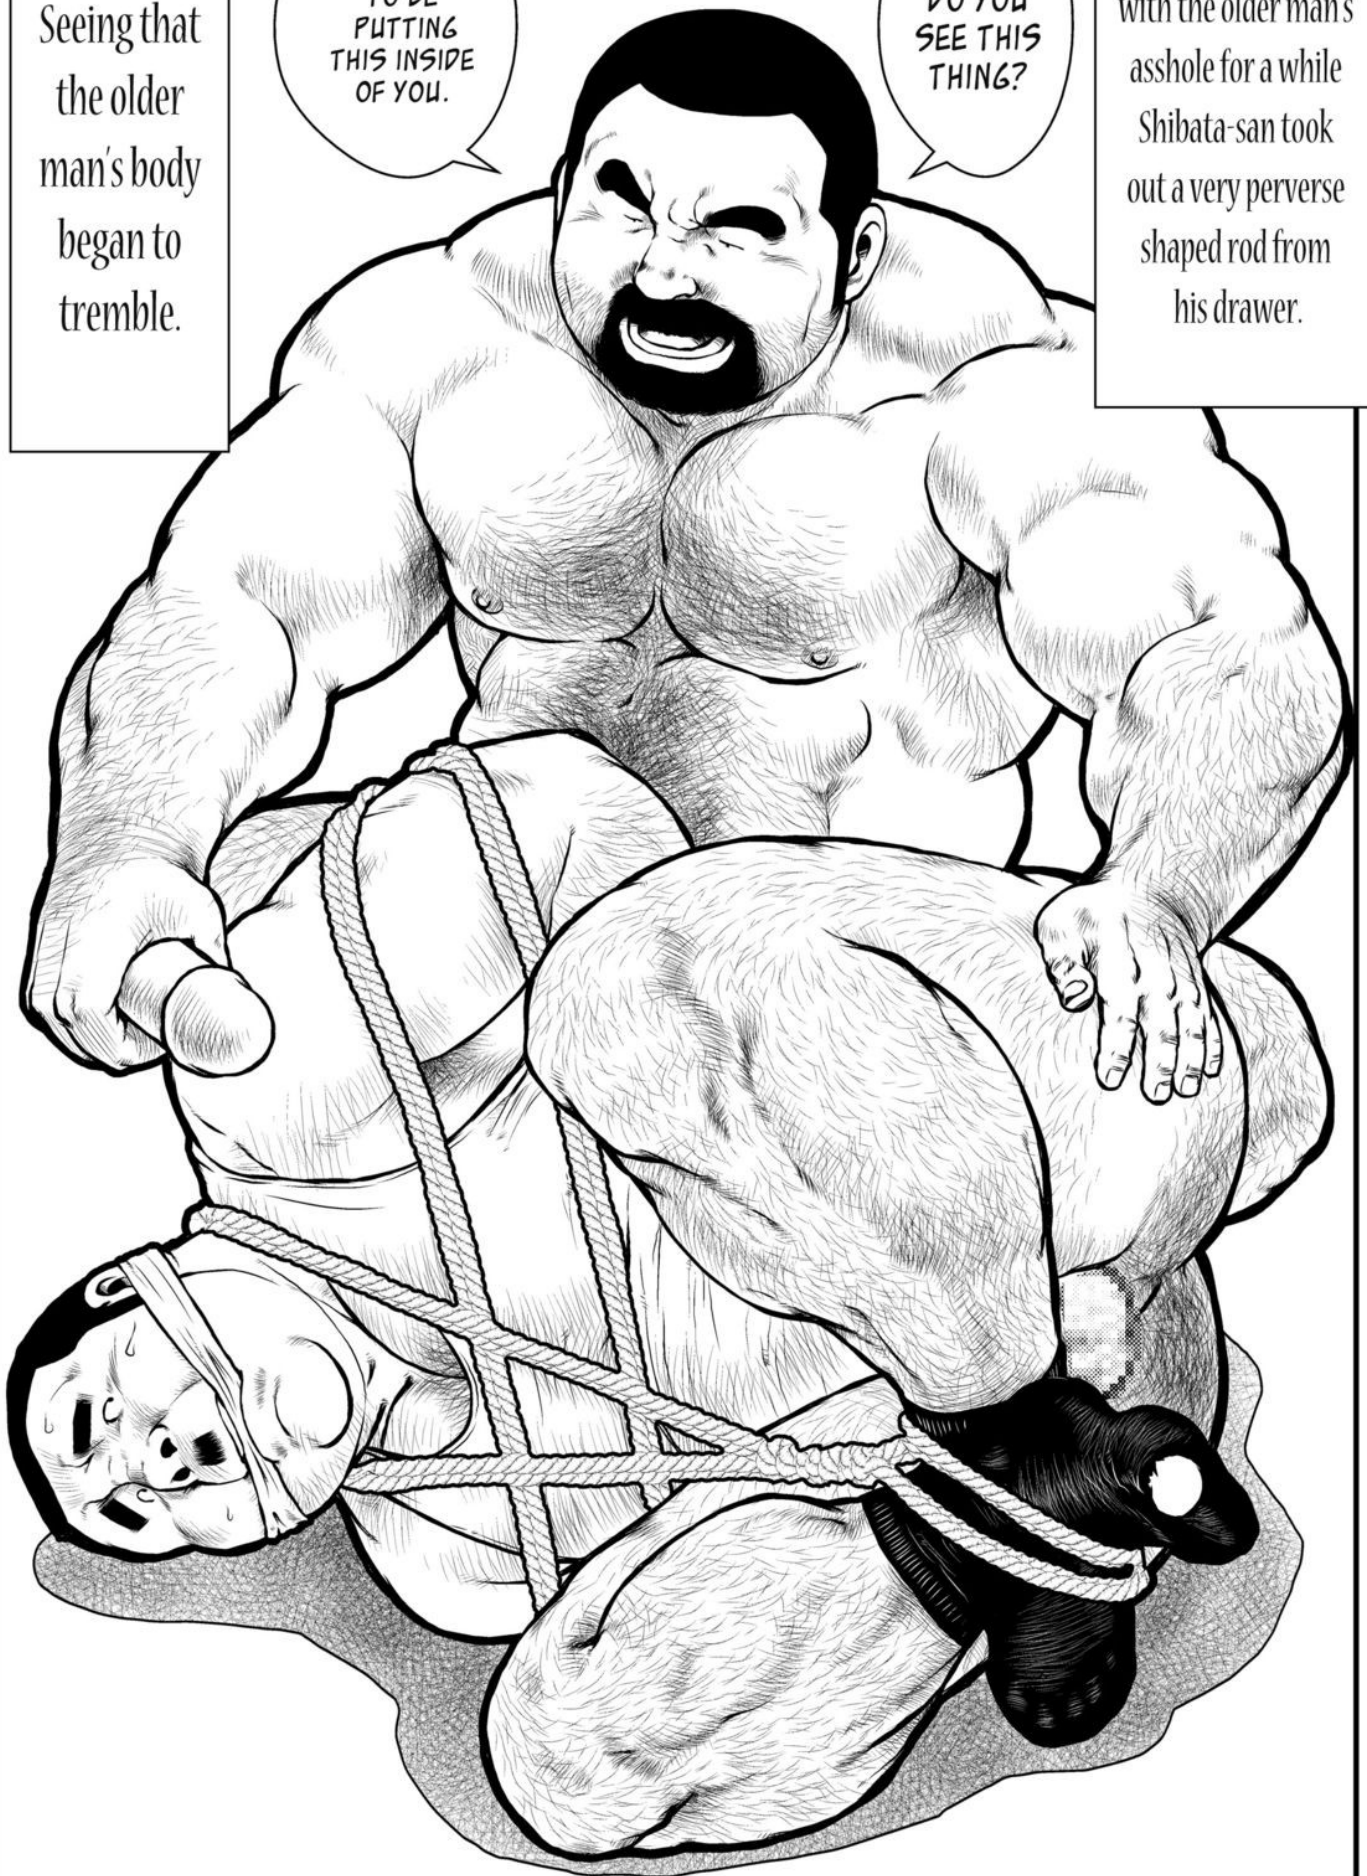

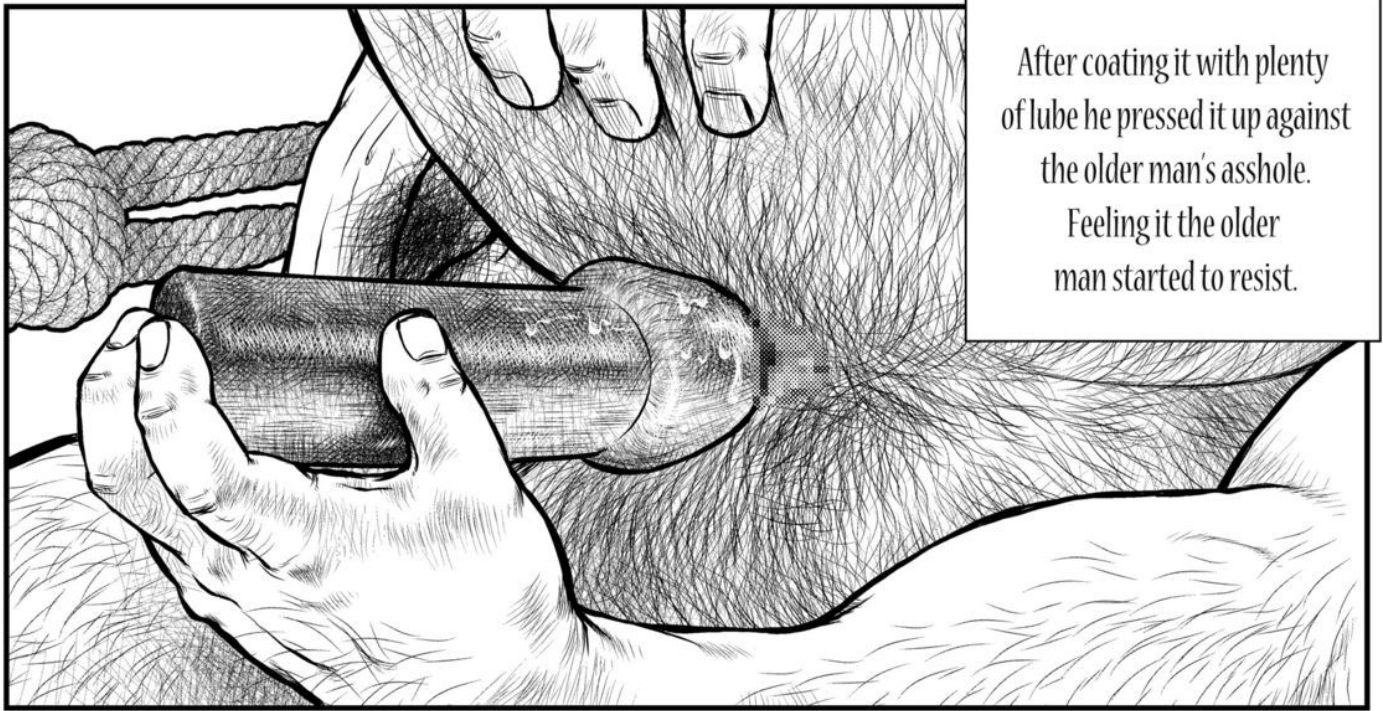

Seeing that the older man's body began to tremble.

I'M GOING TO BE PUTTING THIS INSIDE OF YOU.

HEY, DO YOU SEE THIS THING?

After playing with the older man's asshole for a while Shibata-san took out a very perverse shaped rod from his drawer.

After coating it with plenty of lube he pressed it up against the older man's asshole. Feeling it the older man started to resist.

Shibata-san pushed a bit stronger and the perversely shaped rod slowly buried itself inside the older man.

OH!  
THERE WE  
GO IT'S  
GOING IN!

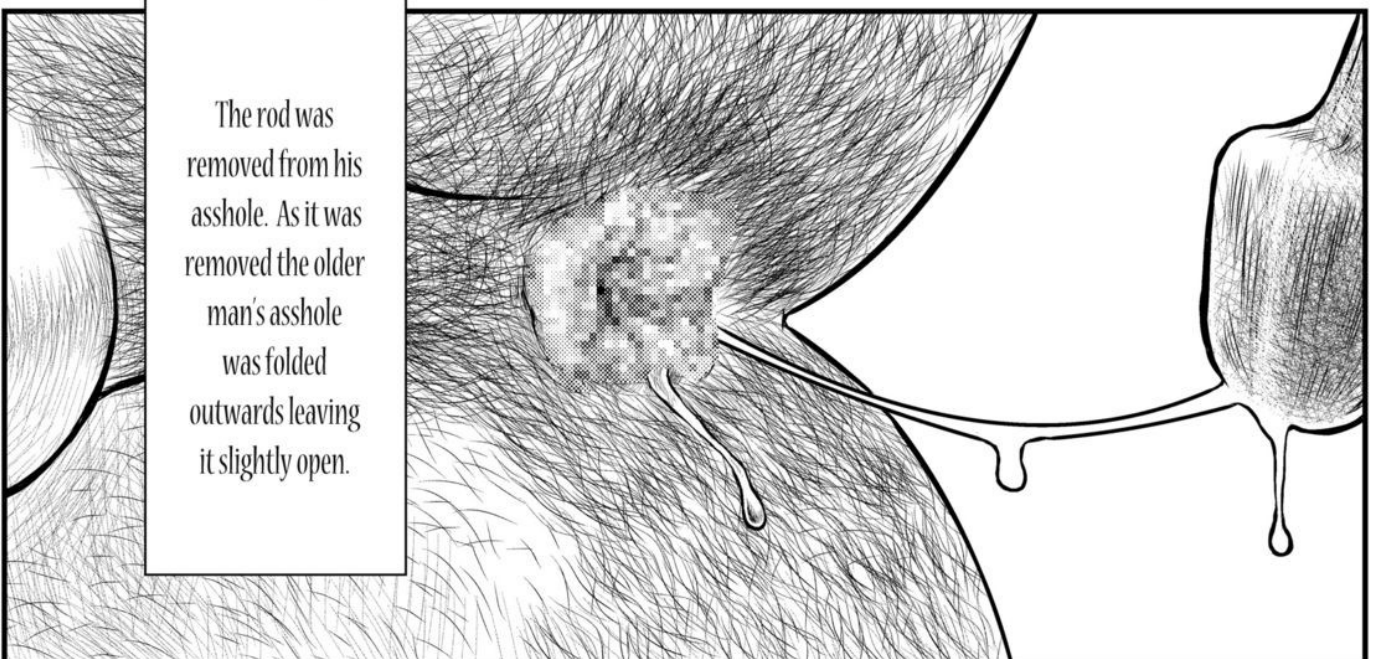

And just when he was finally getting used it...

As Shibata san relentlessly violated his asshole, the older man was stuck in this uncomfortable position unable to do anything in response.

The rod was removed from his asshole. As it was removed the older man's asshole was folded outwards leaving it slightly open.

Shibata-san held the older man up and moved him in front of a nearby mirror. Reflected in it was his asshole opening and closing as if it was breathing.

NHF!

YOU SEE THAT? YOU'VE GOT QUITE A NAUGHTY HOLE DON'T YOU.

SHIBATA-SAN ARE YOU HERE?

The older man was so embarrassed that he closed his eyes. It was at this moment, the sound of the door being slid open was heard.

The owner of the voice was Ishikawa-kun who had moved into the neighborhood recently. He looked very surprised.

SHIBATA-SAN,  
YOU RUN A  
HOMOSEXUAL  
BROTHEL...?

NGH!

Shibata-san had  
Ishikawa-kun hold  
up the older man's  
legs as he began to  
play with his penis.

WAIT, I JUST  
CAME OVER  
TO RETURN  
THE UMBRELLA  
I BORROWED.

The older  
man's penis  
was still  
covered by  
it's foreskin.

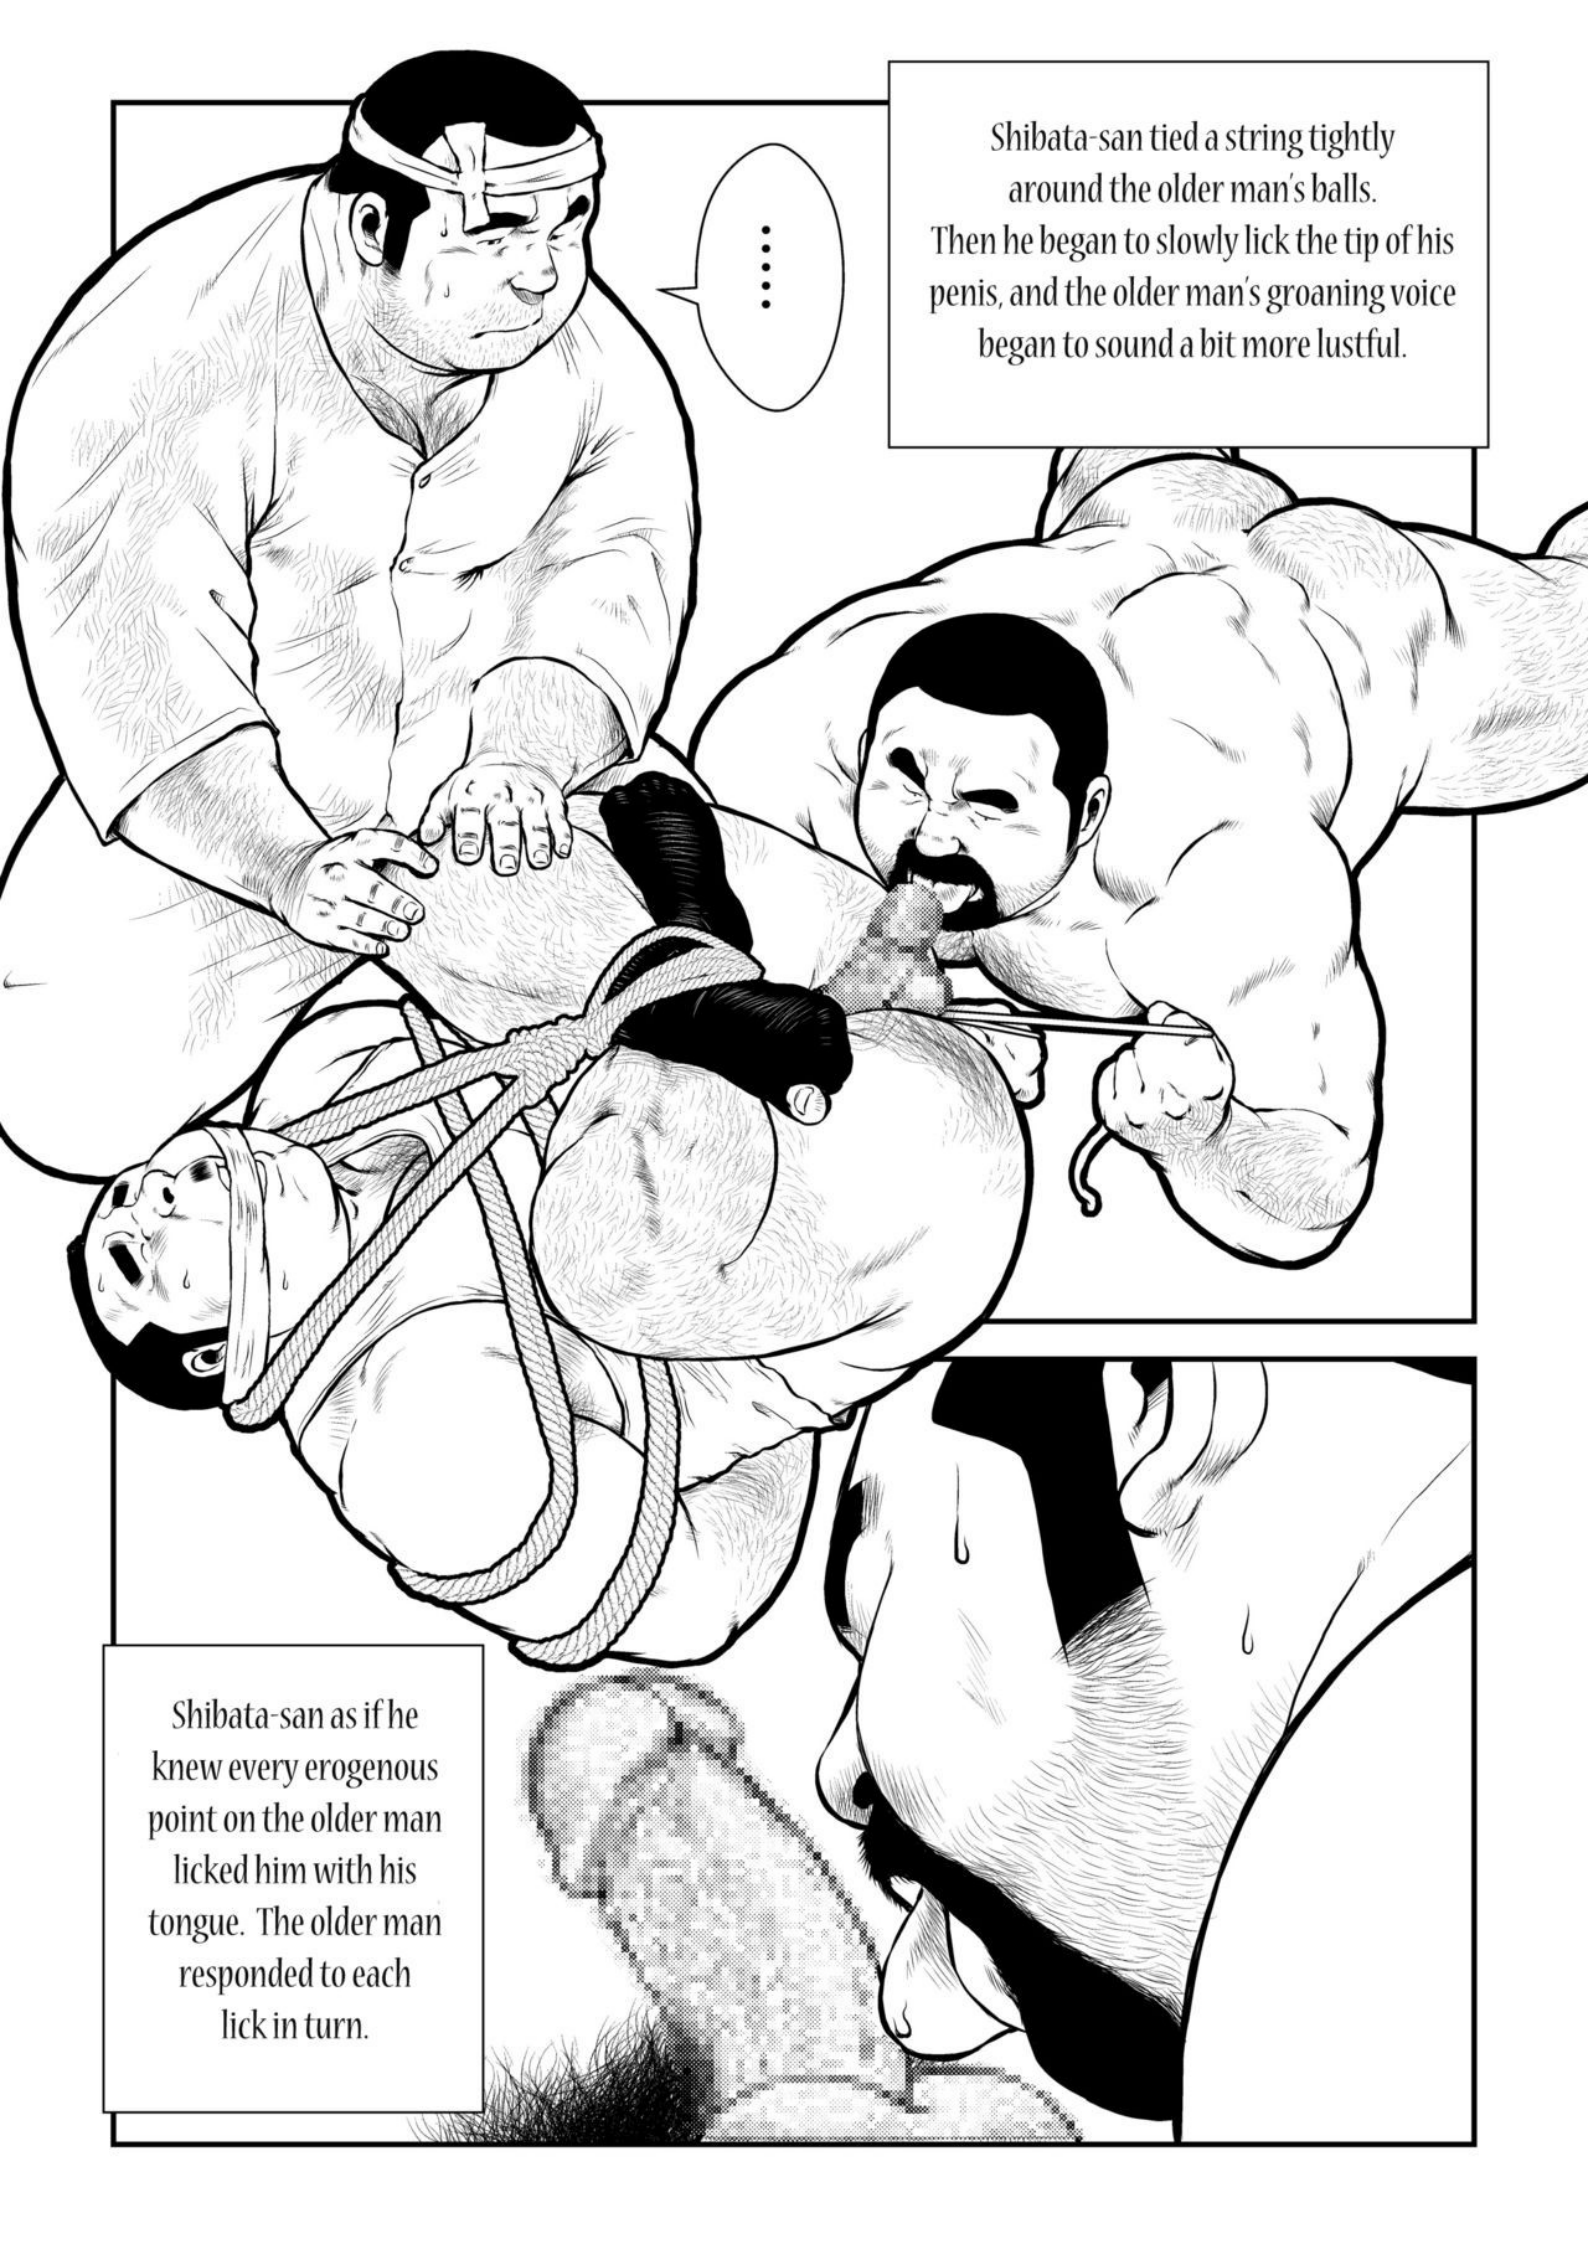

...

Shibata-san began to lick the older man's penis.

The older man's short but thick penis began to throb and pulse.

Shibata-san tied a string tightly around the older man's balls. Then he began to slowly lick the tip of his penis, and the older man's groaning voice began to sound a bit more lustful.

Shibata-san as if he knew every erogenous point on the older man licked him with his tongue. The older man responded to each lick in turn.

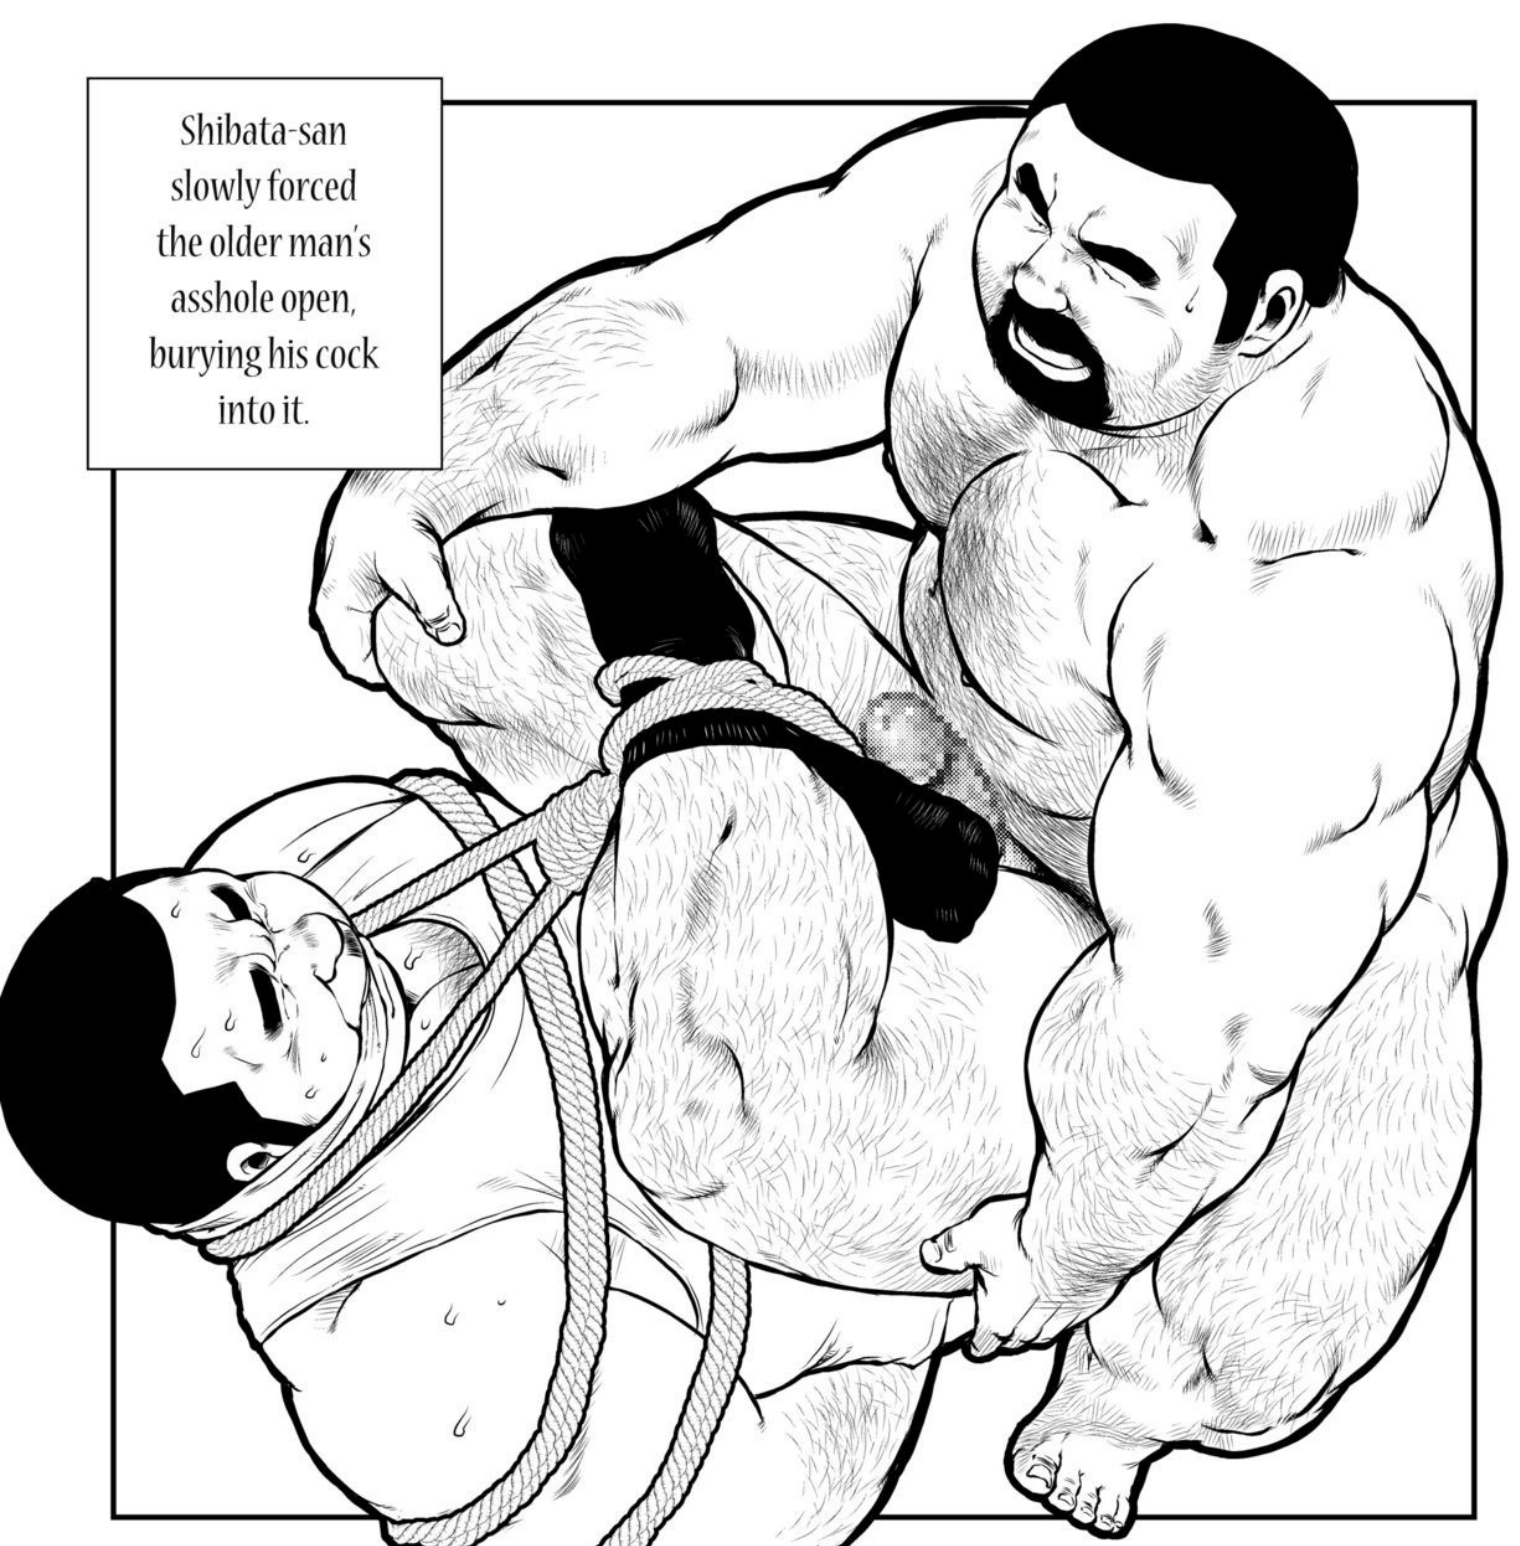

Realizing what was about to happen the older man began to shake with fear.

Shibata-san took his fully erect penis and pushed it up against the older man's asshole.

THIS TIME IT'LL BE THE REAL THING.

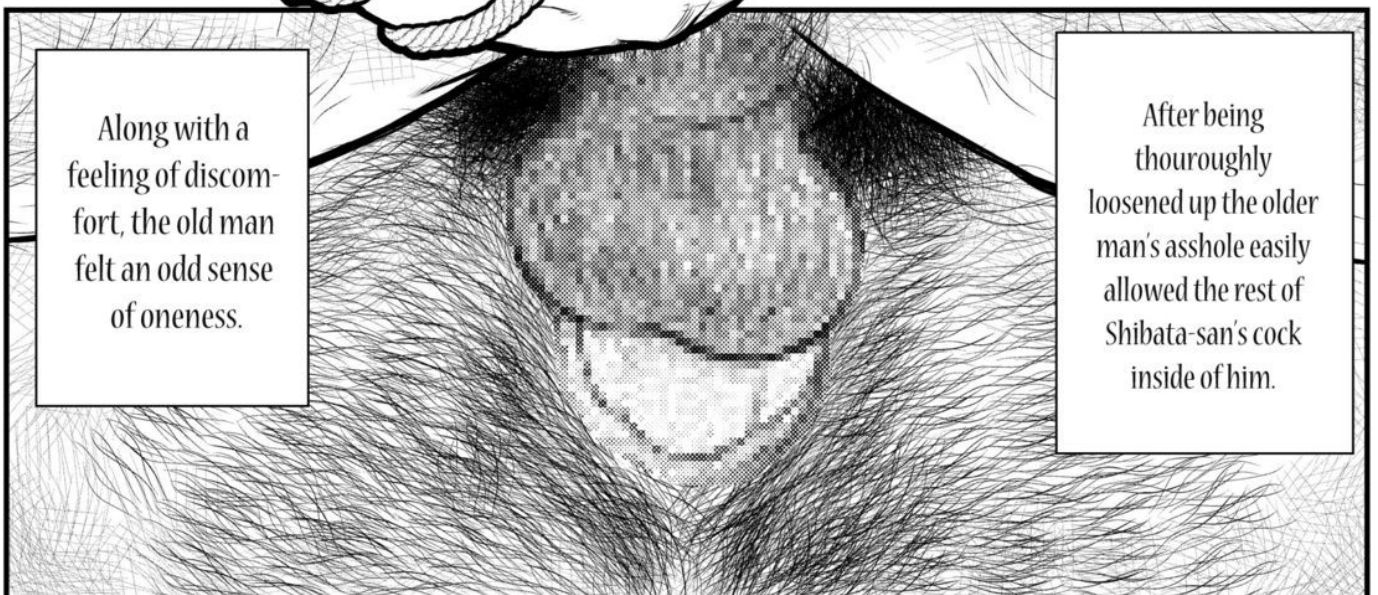

Shibata-san slowly forced the older man's asshole open, burying his cock into it.

Along with a feeling of discomfort, the old man felt an odd sense of oneness.

After being thoroughly loosened up the older man's asshole easily allowed the rest of Shibata-san's cock inside of him.

The room was filled with indecent sounds and an obscene smell. In the midst of it the sounds of the older man and Shibata-san's breathing could be heard.

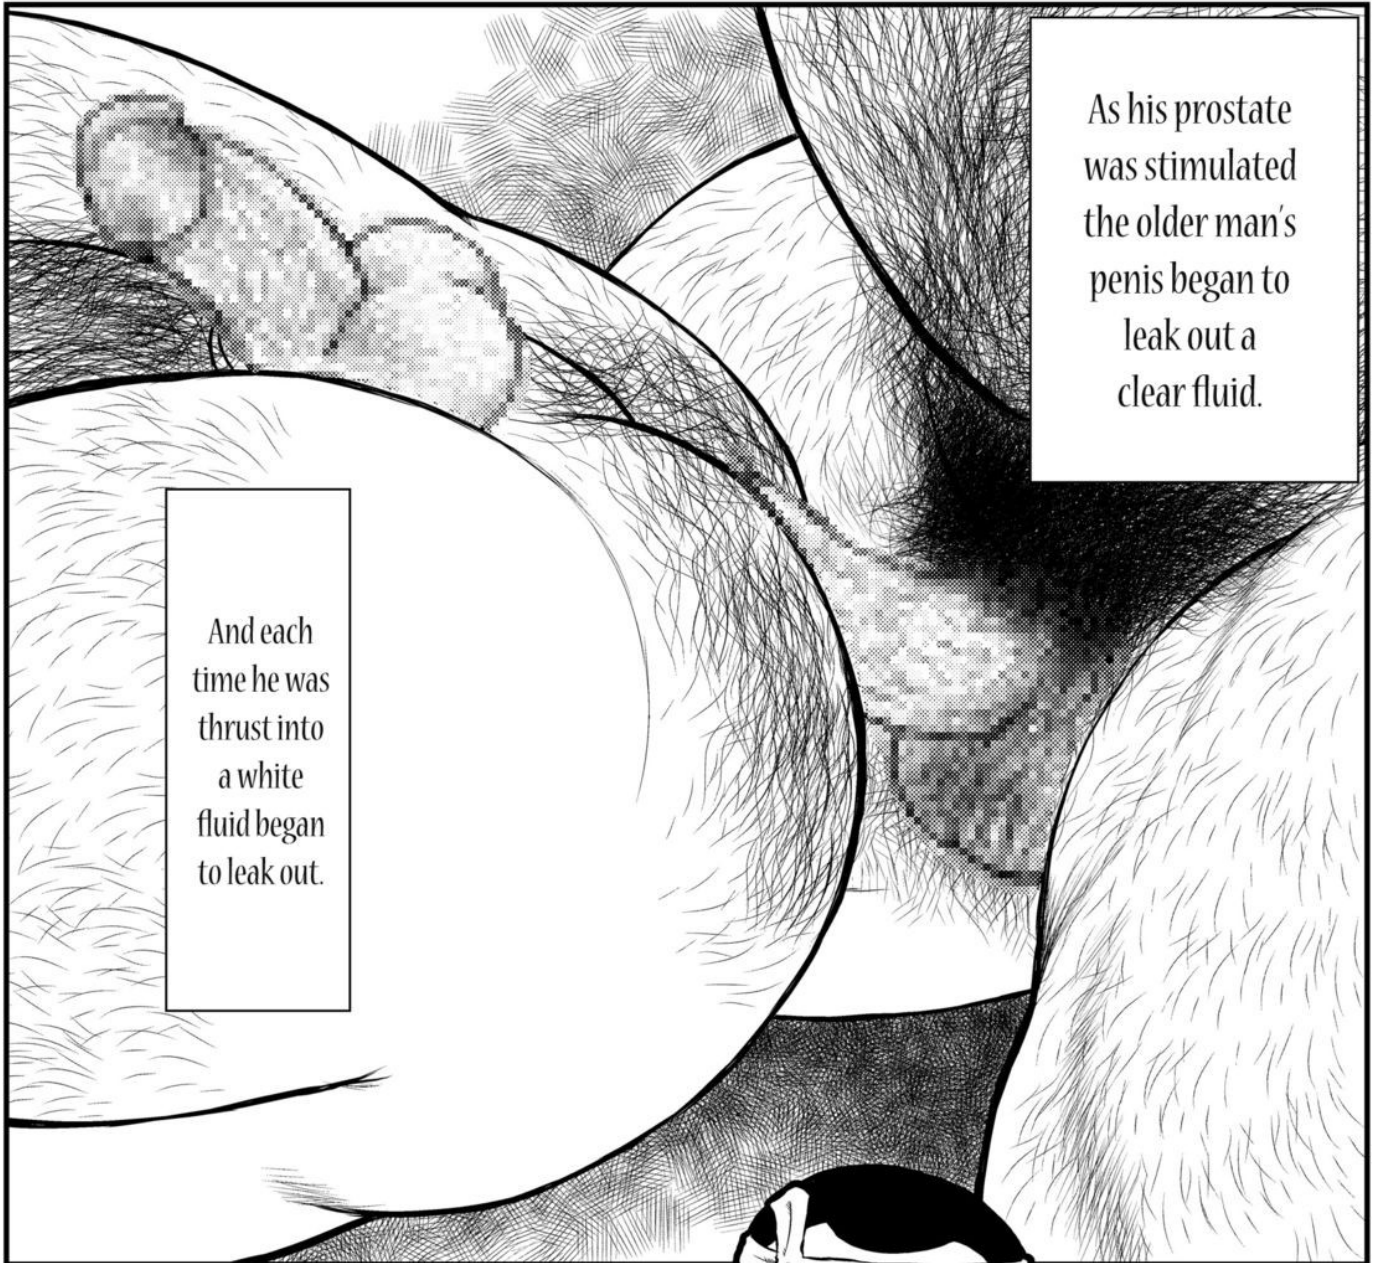

Shibata-san began to slowly move his hips and started thrusting in and out of the older man.

It seems that he is being stimulated in all the right places.

At some point the older man's breathing had lost its pained sound.

As his prostate was stimulated the older man's penis began to leak out a clear fluid.

And each time he was thrust into a white fluid began to leak out.

Seeing such a perverse spectacle Ishikawa-kun began to get aroused. Blood began to rush to his head as he saw where the two were connected.

DAMN ...

Ishikawa  
-kun was  
fully erect  
from watch-  
ing two men  
having sex.

\*PANT\*  
\*PANT\*

Shibata-san undid the older man's bonds. The older man lay their exhausted from pleasure

I'M GOING TO GO LOCK THE FRONT DOOR, JUST WAIT A SEC.

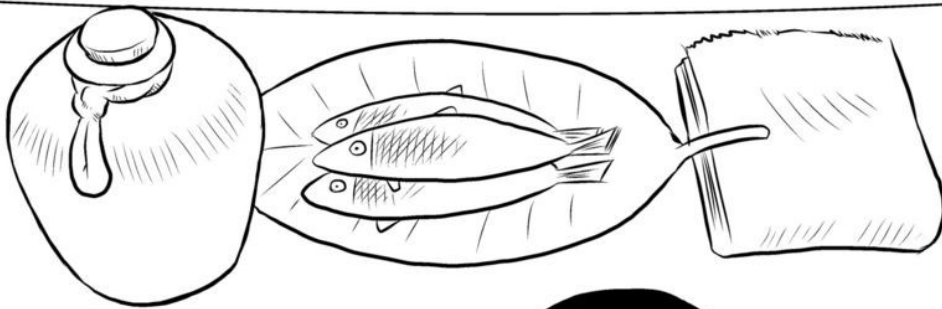

When the string was untied, semen began to overflow out of the older man's penis. It seems he had already ejaculated.

"Thanks to you  
I was able to fully  
heal" he said.  
In thanks he  
brought back the  
fundoshi as well  
as some fish  
and alcohol.

Shibata-san  
went to his front  
door and to his  
surprise he  
found the Tanuki  
from days ago  
waiting there.

WHAT  
IS THIS?  
HOW IS  
THIS...

WH-

WH-

WH-

IT'S MY  
THANKS.

In the other room the  
older man was tying  
up Ishikawa-kun.  
Ishikawa-kun was  
enjoying the bondage  
very much.

He pulled  
something  
out of his  
pants  
pocket,  
it was...

After he  
finished  
tying him up  
the older man  
began to search  
through his  
clothes.

It was a police badge.

ISHIKAWA!  
YOU'RE UNDER  
ARREST FOR  
MULTIPLE  
ACCOUNTS OF  
ROBBERY!

I'VE  
FINALLY  
CAUGHT  
YOU!

3

DAMNIT!  
YOU WERE AN  
UNDERCOVER  
COP!?

It seems the older man was a police officer, and he had been pursuing Ishikawa-kun.

He  
whispered  
it very  
quietly.

THANK YOU  
FOR YOUR...  
COOPERATION.

After dressing  
himself  
and taking  
Ishikawa-kun  
away the older  
man said this  
before leaving.

Shibata-san and the  
Tanuki watched as the  
two of them walk off into  
the distance.

All's well that ends well!
