肛感会

but
this year
I've got you,
so it looks
like it'll be
fun.

I thought
camp would
be so boring,

ノロオオ

For the
next few
days,

we'll
be living,
sleeping
together,
and
of course
using the
toilet
together
too.

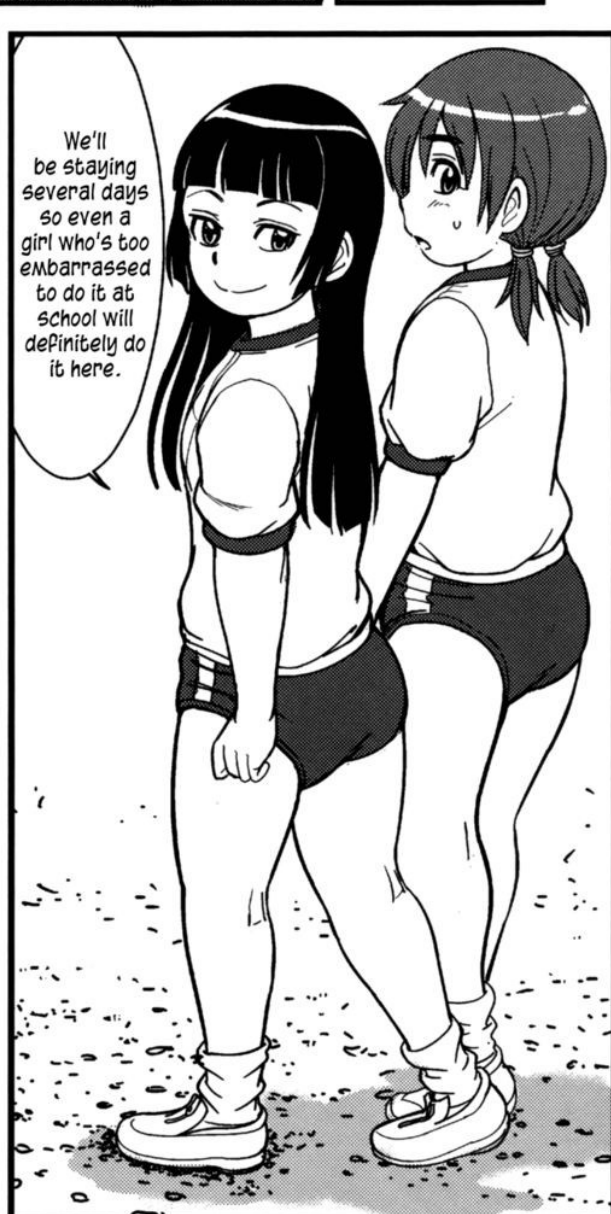

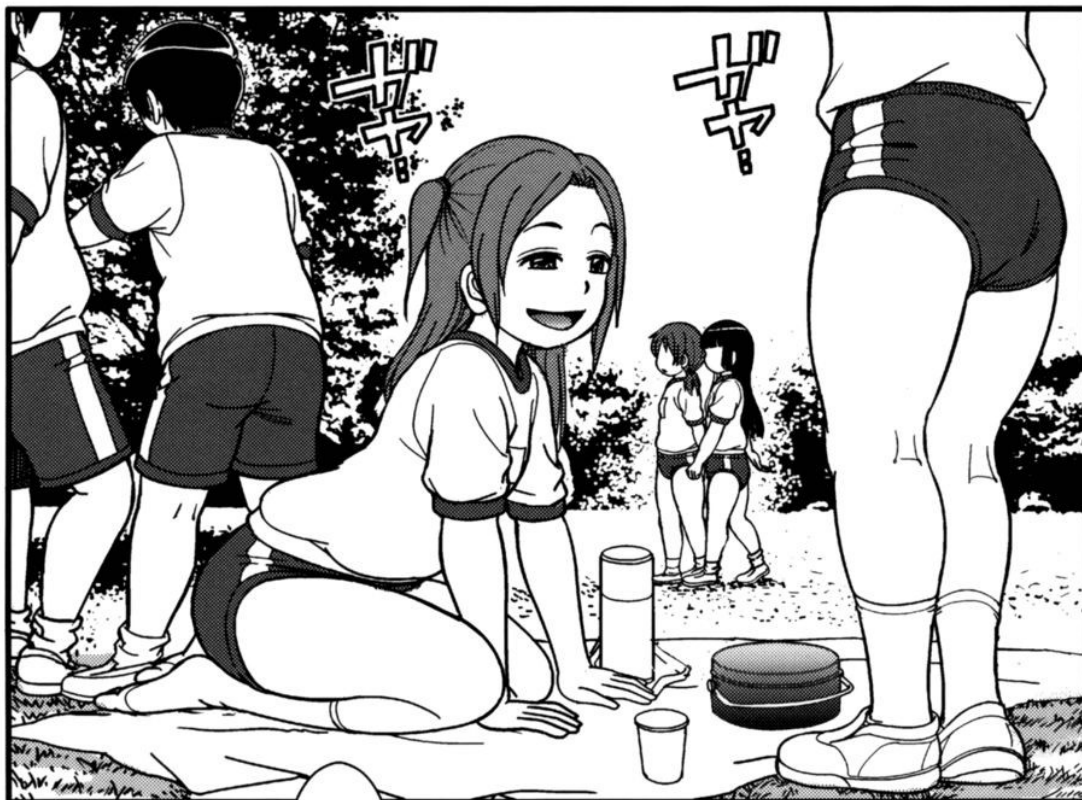

Yeah...

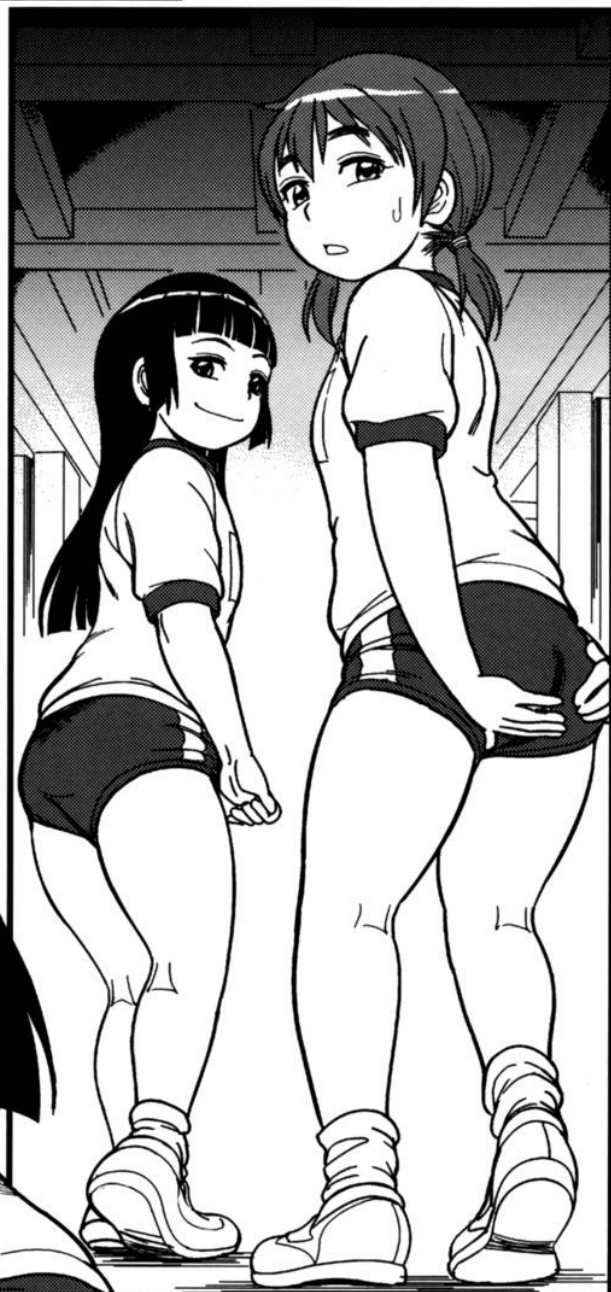

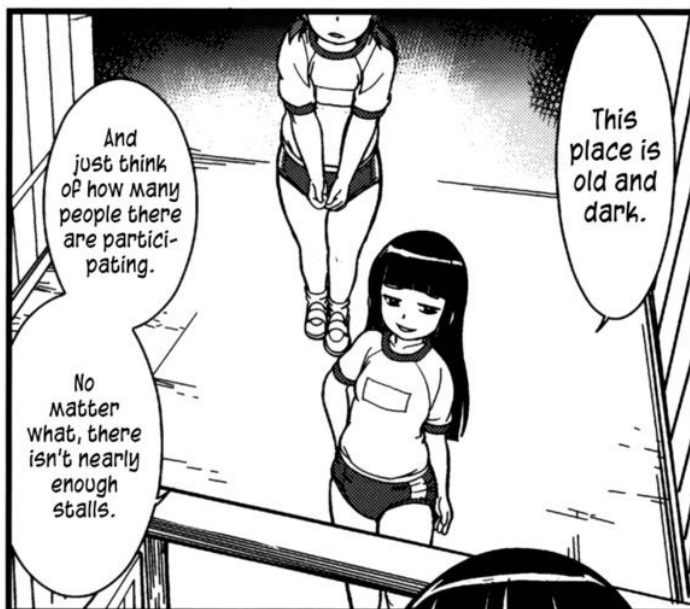

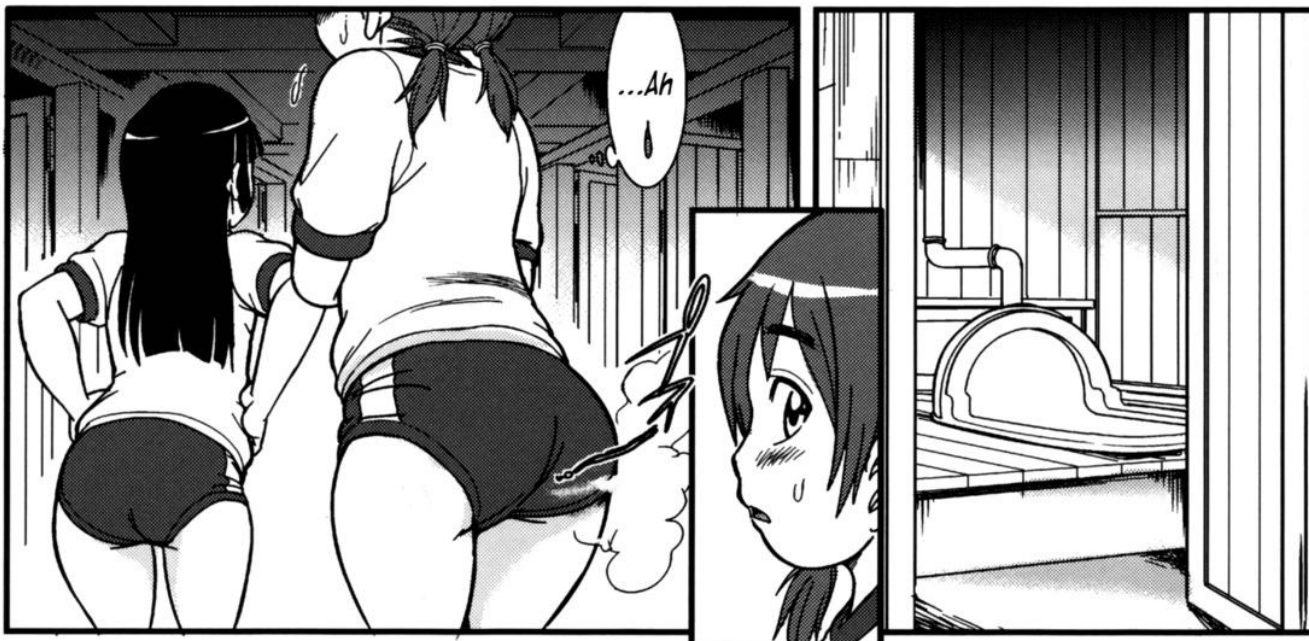

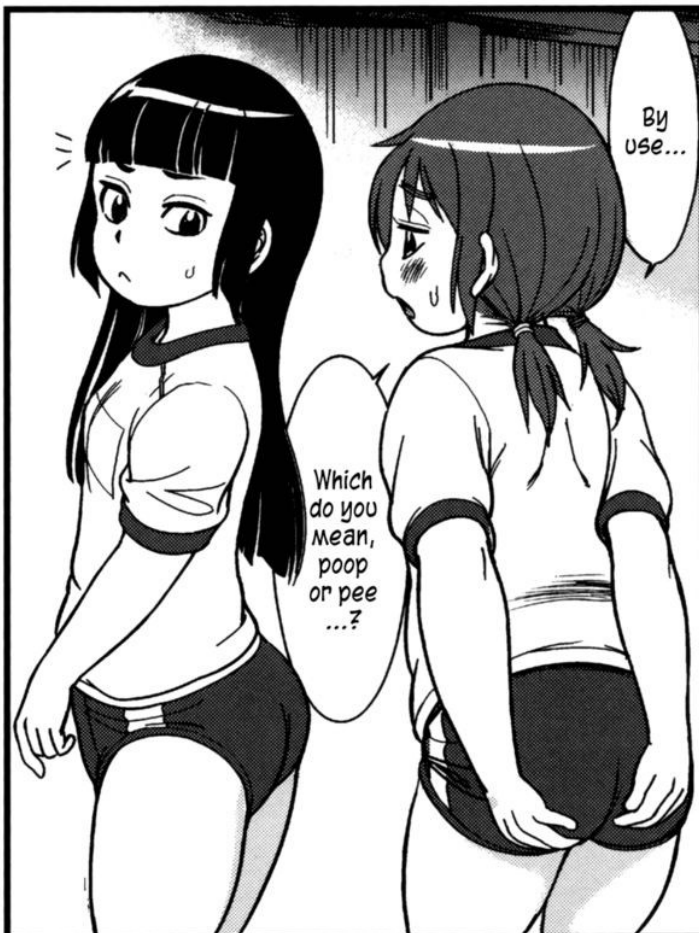

y...

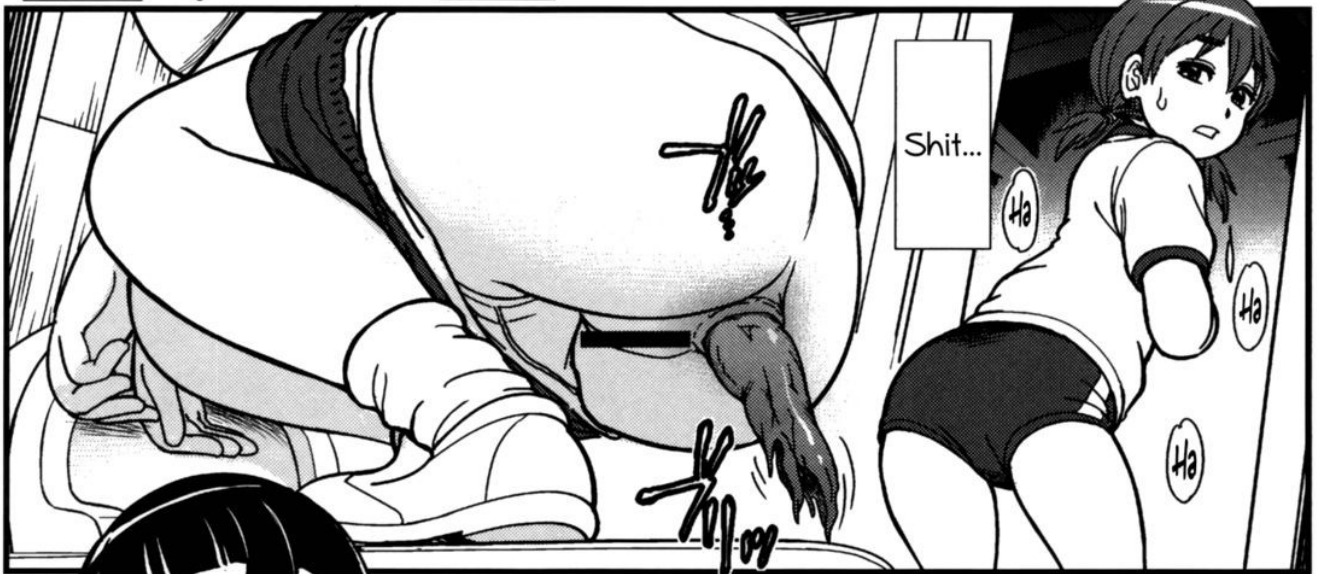

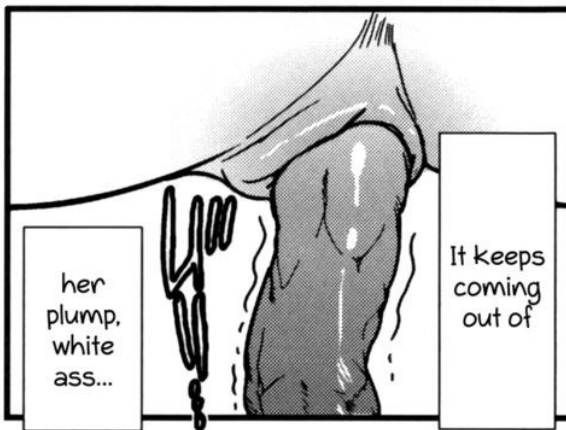

Yeah...

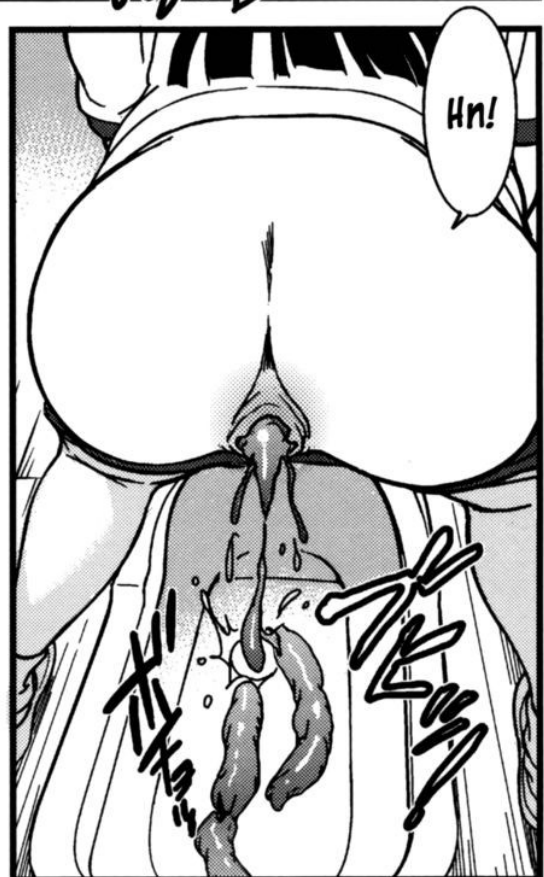

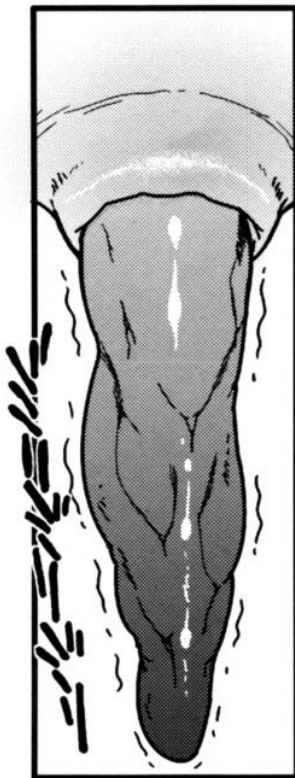

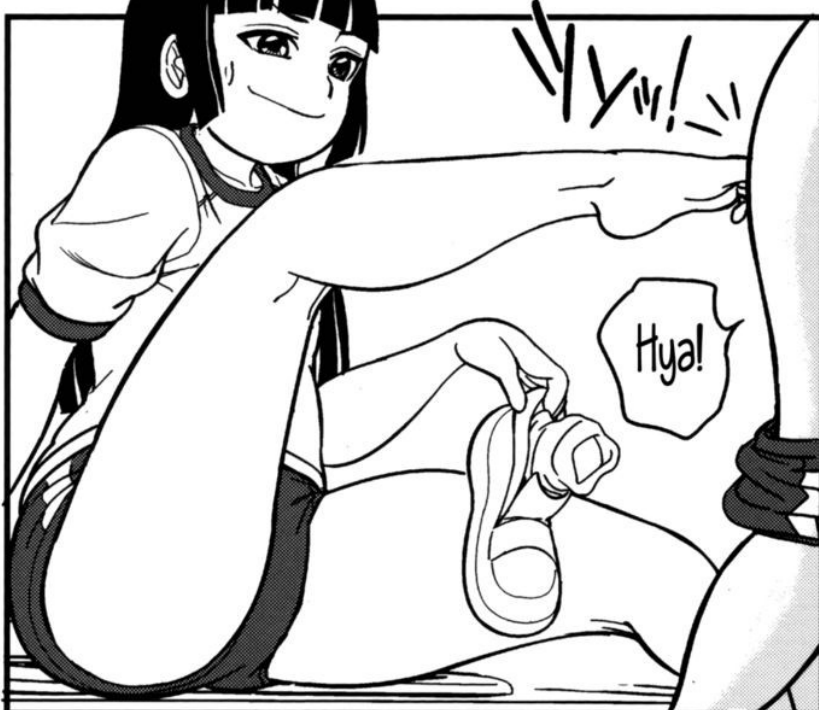

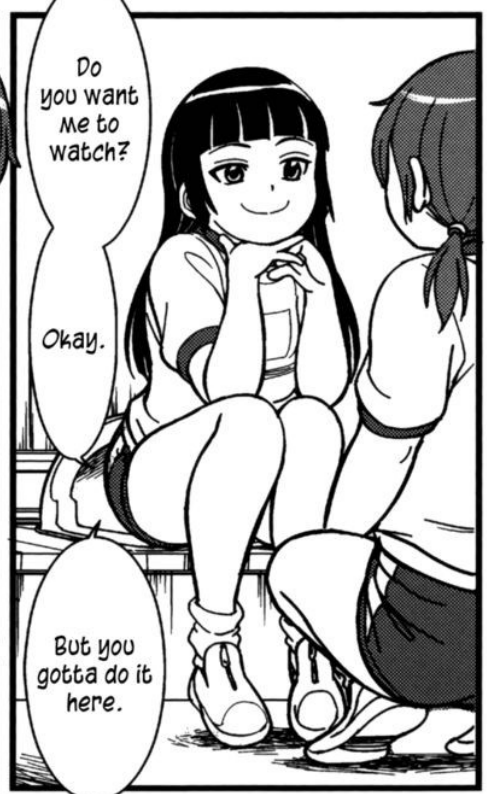

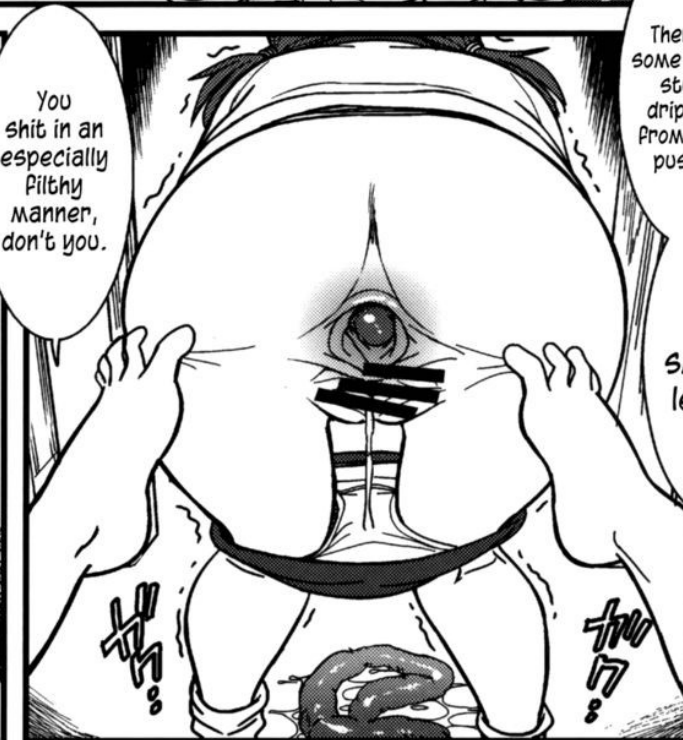

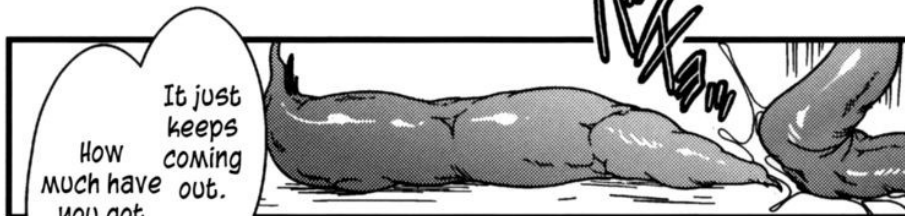

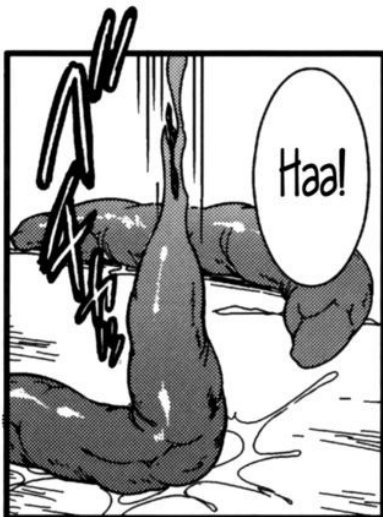

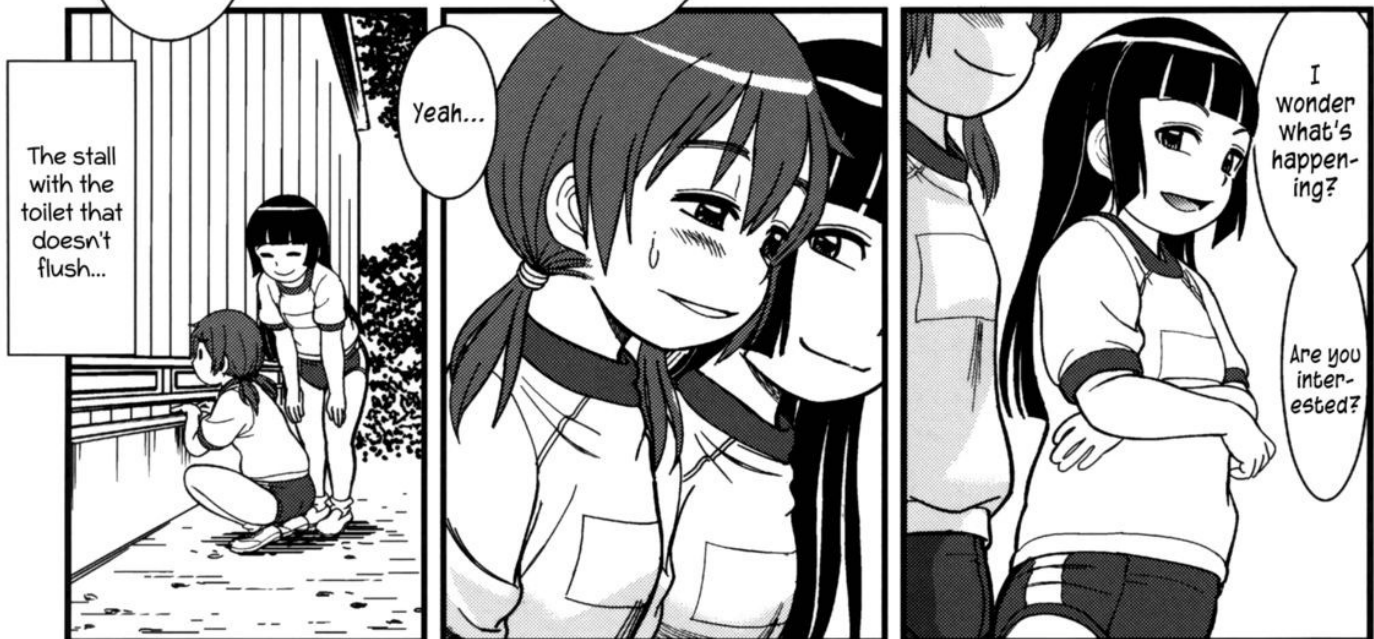

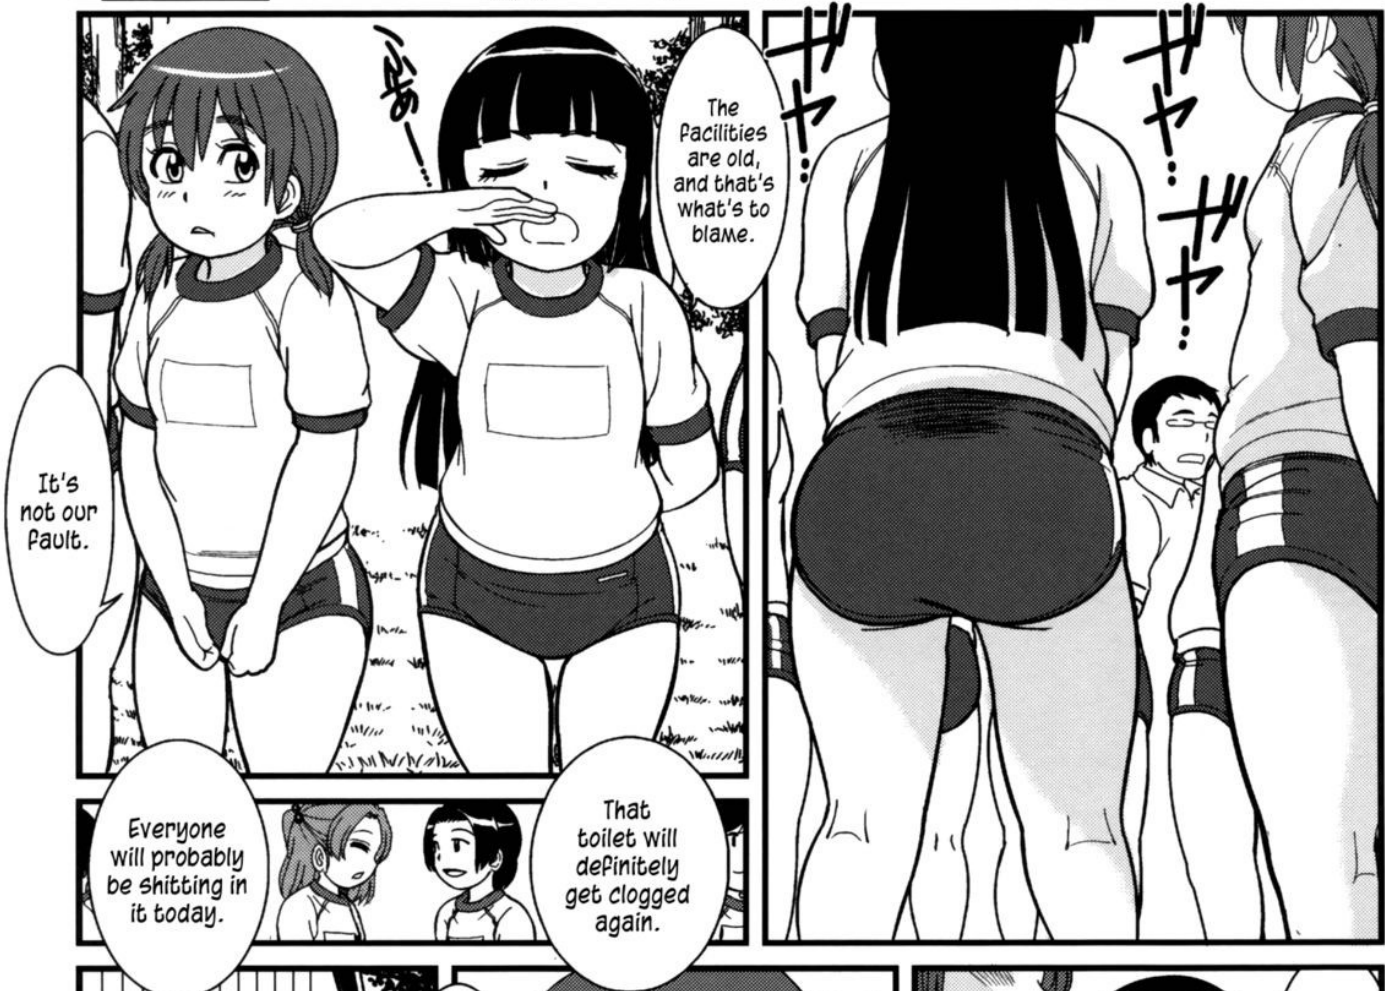

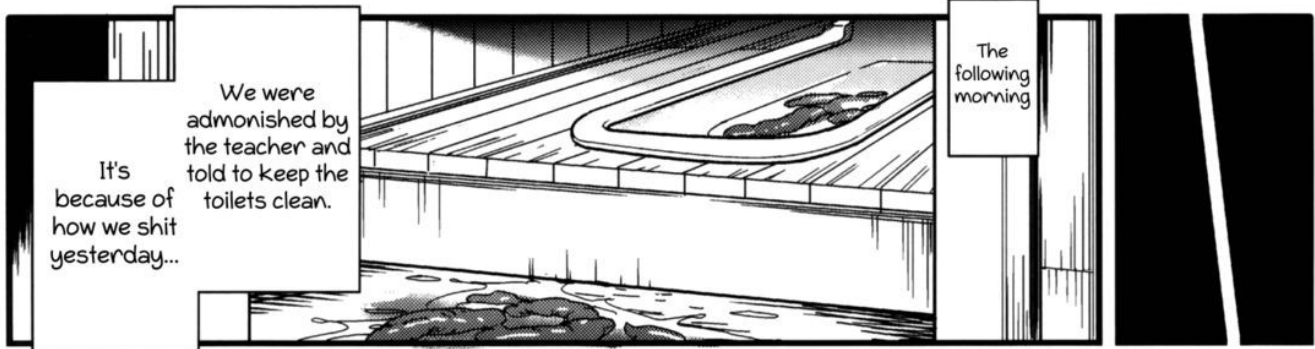

There's some white stuff dripping from your pussy.

It smells lewd.

You shit in an especially filthy manner, don't you.

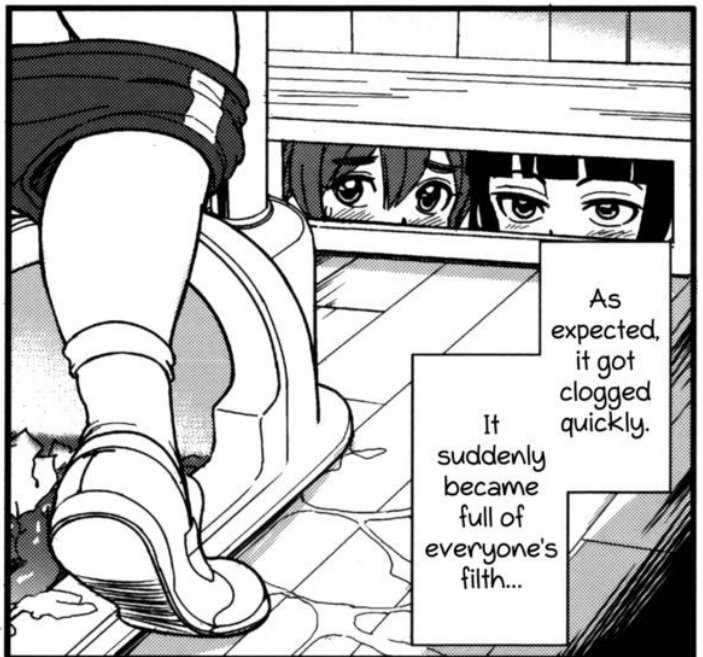

It makes me really horny...

Y-Yeah.

Even so, the girls did their business without too much concern.

As expected, it got clogged quickly.

It suddenly became full of everyone's filth...

a girl nervously squatted and did her business...

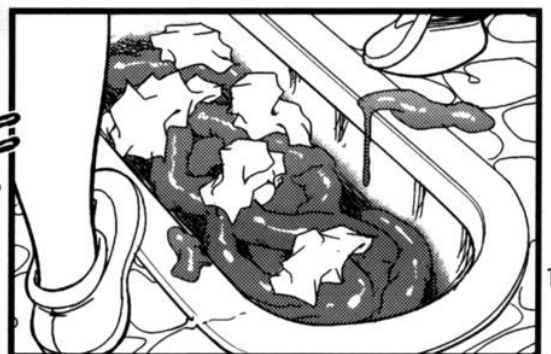

While watching her step,

There was so much filth that it was spilling out.

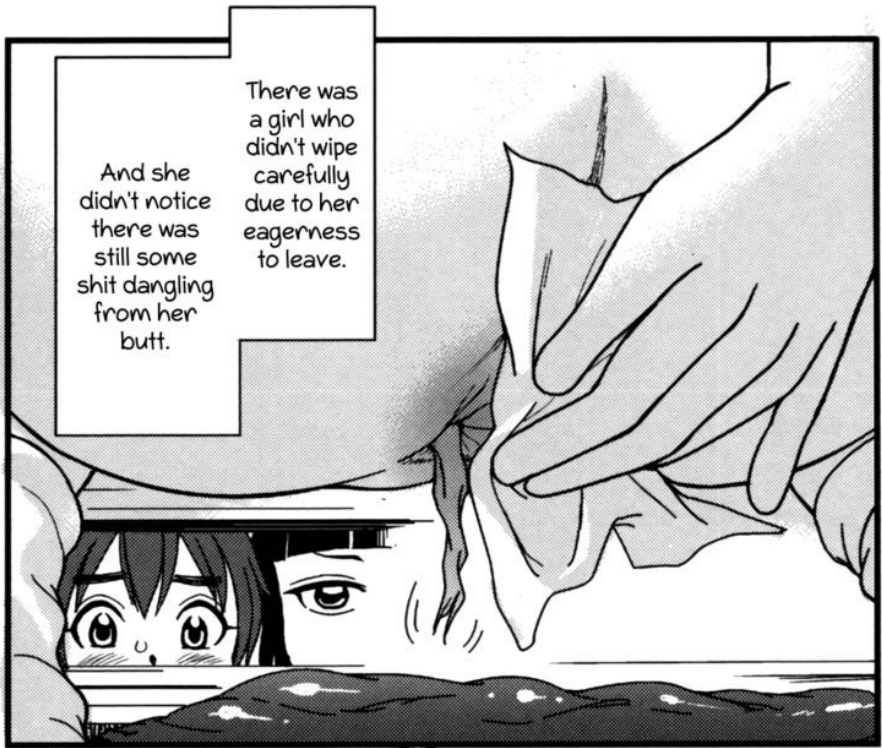

Another girl peed while standing up, and got it even filthier...

Ah...

And she didn't notice there was still some shit dangling from her butt.

There was a girl who didn't wipe carefully due to her eagerness to leave.

She was so worried about not stepping in shit...

Sorry for the wait...

Oh, the irony.

Even though she didn't wipe it off at all,

that girl put her panties back on.

that she left shit between her butt cheeks.

Don't you think that's pretty hilarious?

The bath room is so crowded...

Of course.

But if it belongs to someone special to you,

Filthy things are filthy.

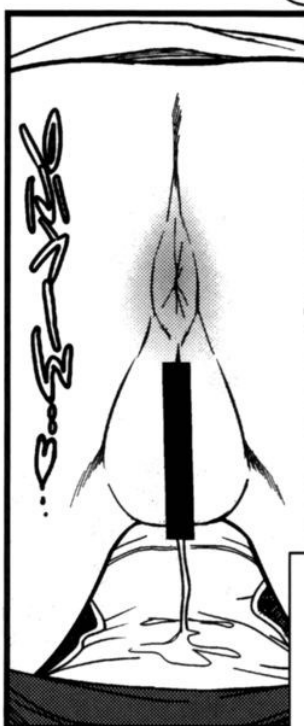

then don't you love it?

That's all it is.

How Filthy.

This even grosses me out...

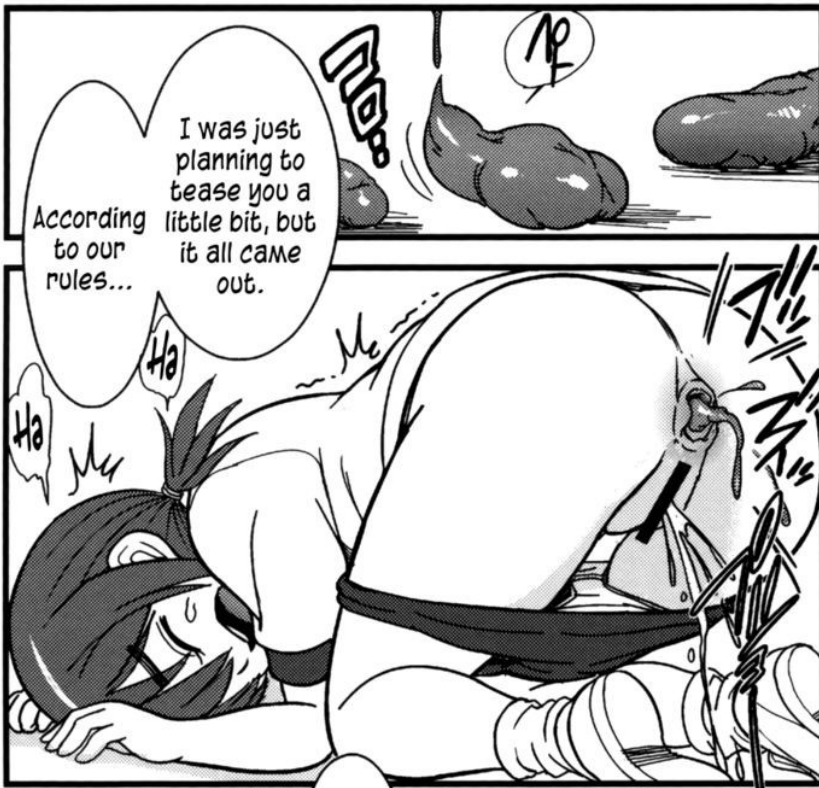

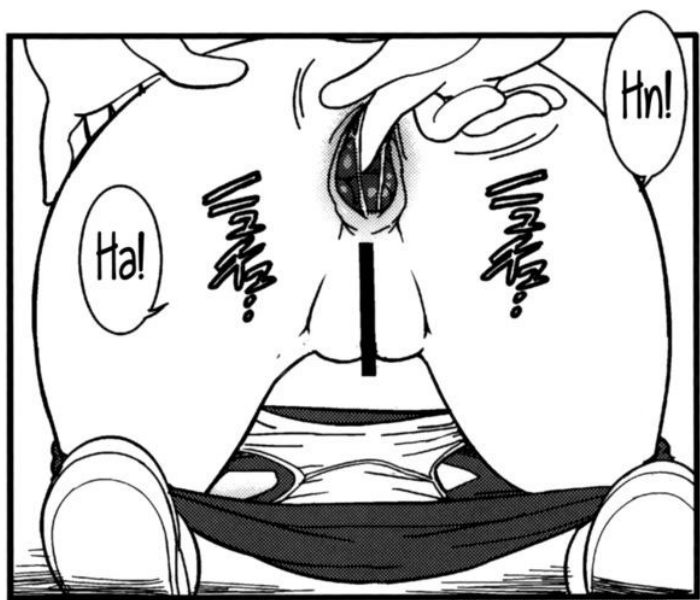

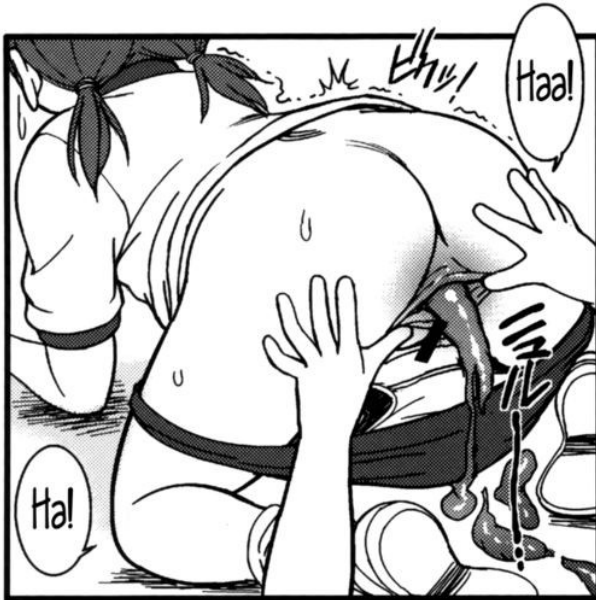

of my butt...

She says she likes how it smells.

Aina-chan is sniffing the odor of my butt.

The odor...

What
I truly
want.

Aina-chan
always gives
me what I
want.

I'm
carrying
the full
weight
of Aina-
chan's
butt on
my face.

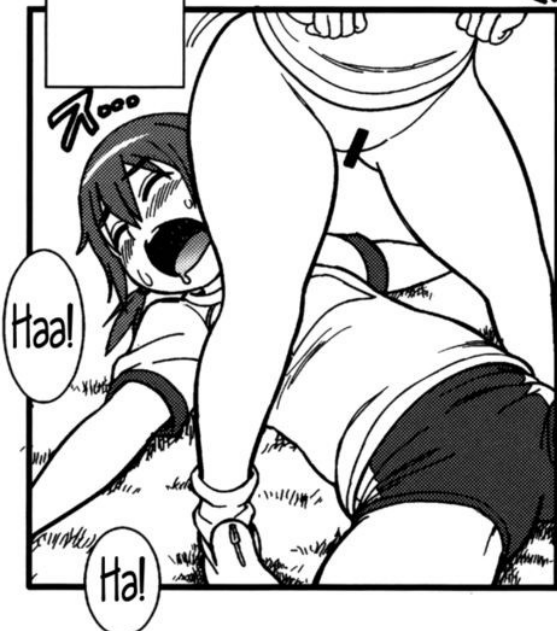

So wet that
it's soaking
through the
front of my
bloomers...

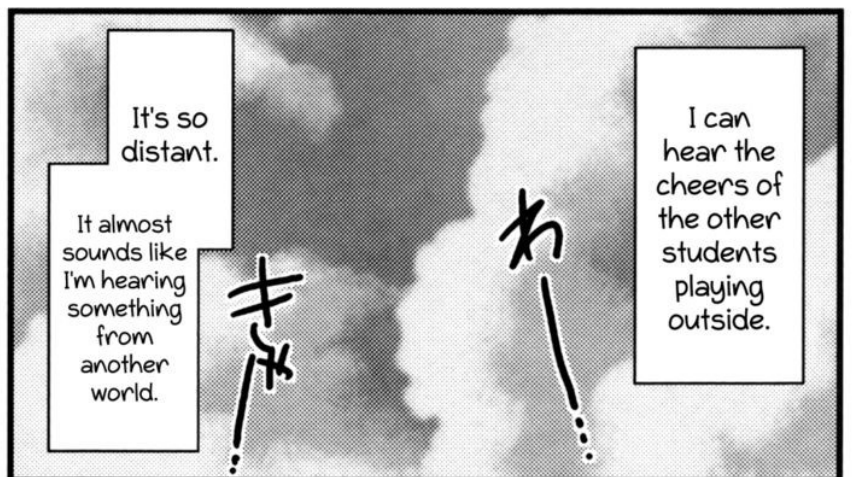

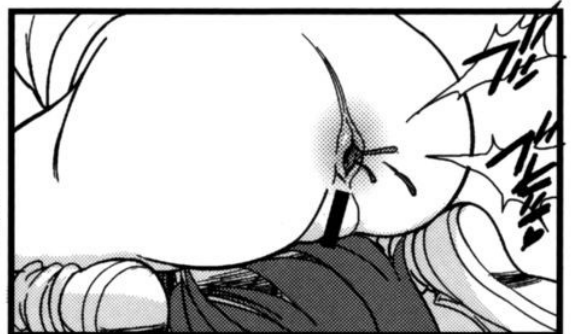

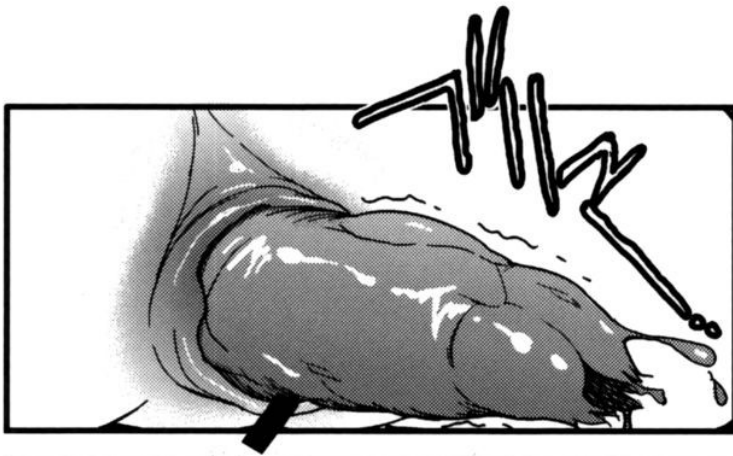

Every time
I breathe,
Aina-chan's
odor
spreads
deep
through
my nose.

The
choking
scent of
Aina-
chan's
butt...

My
pussy is
wet...
