

Yep.
Long
time
no see,
Kouta.

It's been
about a
year,
hasn't it?

Aaaaah! the Present Master♡
あああああ! ご当主さまっ4

You cum
too much,
Kouta...
♡

Fufur
♡

Tomor-
row?

Eh...?

So it's something like that...

Various things...

Well. Despite appearances, I am the head of the family, after all...

There are various things I have to do.

Yeah. I have a little business to take care of.

Give me some of that water, too.

Fuah~ ♡

I have to return to head house for a little bit.

Yeah...

I've grown quite a bit this last year, haven't I? ♡

So, what do you think of how I look...? ♡

That I would be neglected for a whole year...

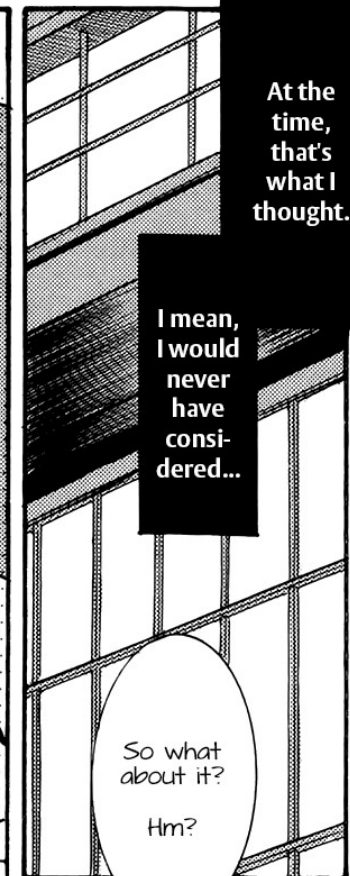

At the time, that's what I thought.

I mean, I would never have considered...

So what about it?

Hm?

...For that whole year...

You.. cut your hair, didn't you..

Just now, that fiancée person..

I came to the mansion many times, as well..

I called numerous times..

Yes...
It suits me, doesn't it?

"Former!"

I knew that as well.

Yes.
I am aware.

Yeah...
Me, too...
♡

This whole year...

I was so lonely...

Fuhr~

Ah...

We have plenty of time-

Ah-
Hey, Kouta.
Don't be in such a rush.

Suzuri-sama-

びびび

びびび

Don't do it...

So intensely-

How the hell am I supposed to bear it any longer!

I mean...
It's been a year.
A whole year...!

Ah, Kouta!

Don't rush...?

Uh!

Ha-

Ah...

There's no way I could do that...

Ha..

Ah-

Ha-

Agh-
That's-

I waited and waited for you!

Don't you get it?
I'm angry.

Do you know how much I worried this past year...!?

That's not true, Kouta!

T- That's not true!

What's not true?

And yet you were with that fiancée...

.....
!?

T-That's because...!

Then, why are you so wet?

Were you doing it with that guy up until I came here?

T- That's no-

Please just tell me why it is!

Suzuri-sama's pussy was soaking before I even touched it.

You don't expect me to believe you got like this just from kissing, do you?

Ahkuh-!

That's because...

Ah...

Because...

Because...

Ah...

Fuah...

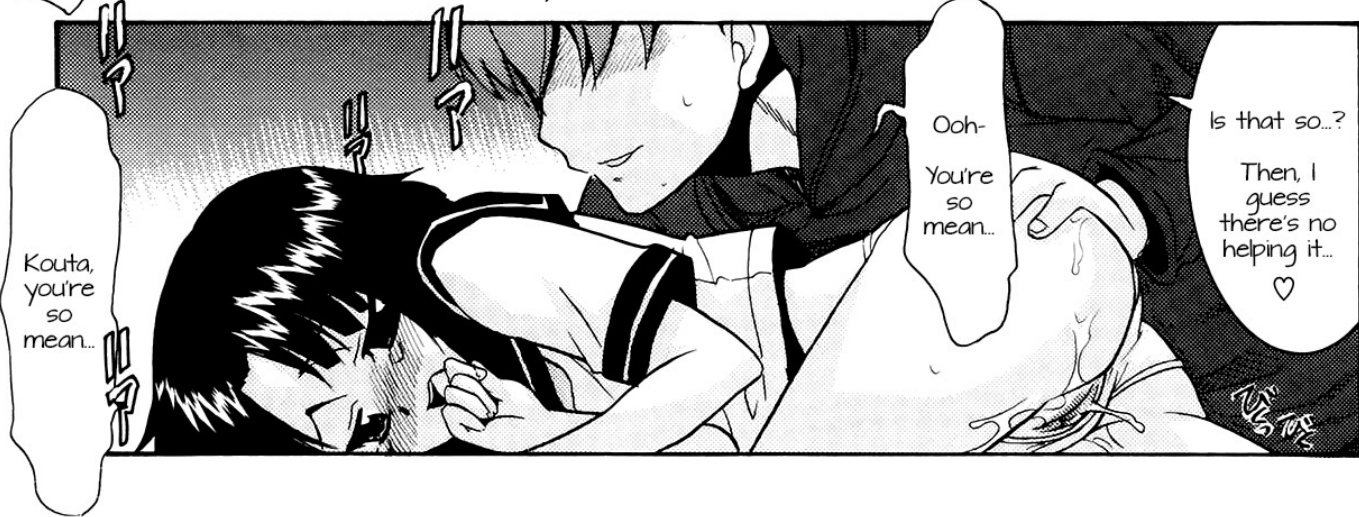

When I thought about getting to see you for the first time...
After a whole year...

It just kept flowing out...!

After a whole year...

Ah...

Kouta, you're so mean..

Ooh- You're so mean..

Is that so...?
Then, I guess there's no helping it...
♡

But of course, it's a different story if when I came of age, I succeeded the head of the family...

As a child of the Karameke family, I was unable to oppose my guardians decision.

At the time, I was merely a child chosen to be the head of the family.

It was nothing but a farce.

That person is...

My guardians decided by themselves that he was my fiancee...

Uh...

Because I have just made him my "former" fiancee. ♡

But you just said "former" fiancee...

If I had left it as it was, they would have come up with some reason. And force me to marry that person before I became an adult, however...

That is correct...

Wha...!?

Kouta's penis is coming inside...
♡

So that's it...

Yeah, that's what it was...

Ah...
It's com-

It's coming inside...
♡

I don't know what Suzuri-sama has been doing this past year...

Fui!

Here it comes!

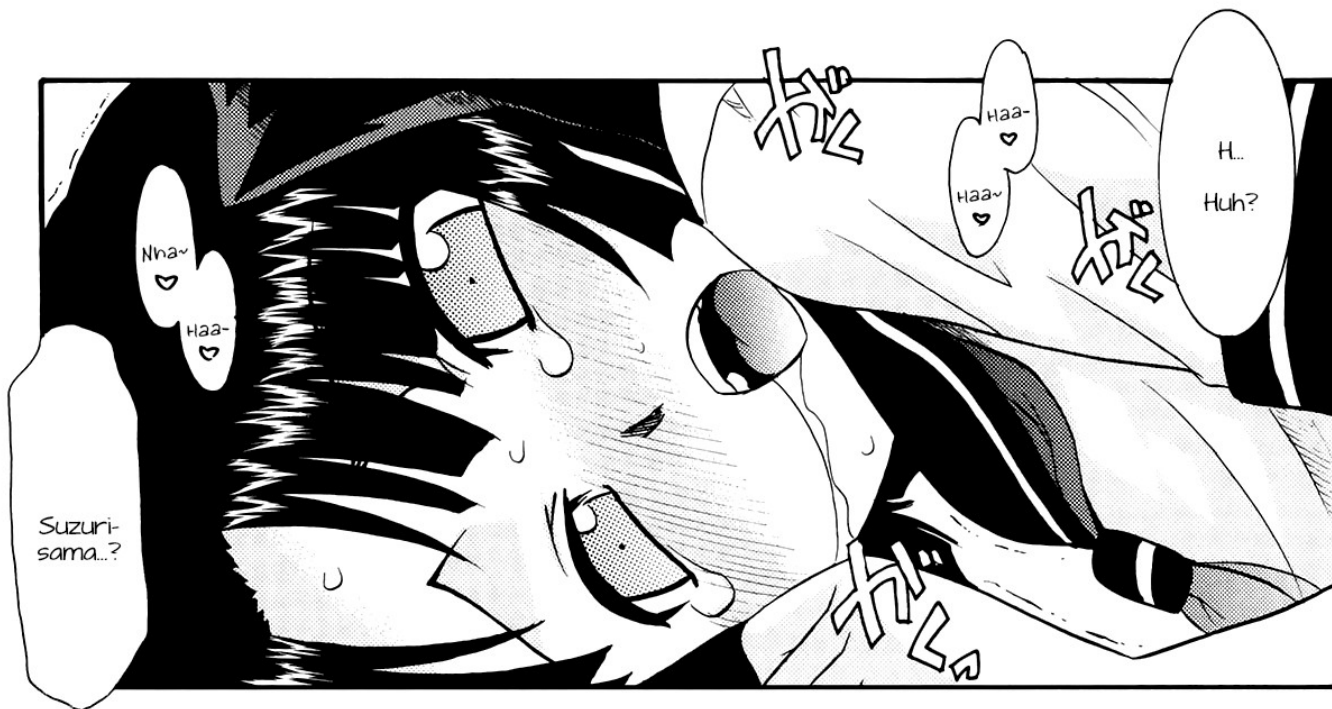

Ahhhh~

But Suzuri-sama is here, right now.

Ah-
Ahhh!?

So that's enough, isn't it...

Suzuri-sama..?

Nha~

Haa~

Haa~

Haa~

H.
Huh?

You really
are amazing
after all,
Kouta..

Even
though
all I did
was put
it in?

Eh..?
Could it
be she
came
again..?

With just
one thrust,
I remember.
♡

I do belong
to you after
all, Kouta..

It's coming out...

Fue...

Ah?

It feels so amazing, I can't stop!

Ah- Amazing!

I can't stop-

Because you weren't the only one who felt lonely this year apart...!

I'll accept you any number of times!

It's okay. ♡

Come, Kouta. ♡

Fill my womb up with your semen! ♡

Fill it up!

Haun-
♡

Of course!

As many times as it takes for you to be satisfied, Suzuri-sama.

I'll keep pouring it in as many times as it takes...!

However many times it takes-

How-
ever much it takes...

Nah-

♡

I found out later...

The first is to become an adult.
The second is marriage to a partner chosen by your guardians.

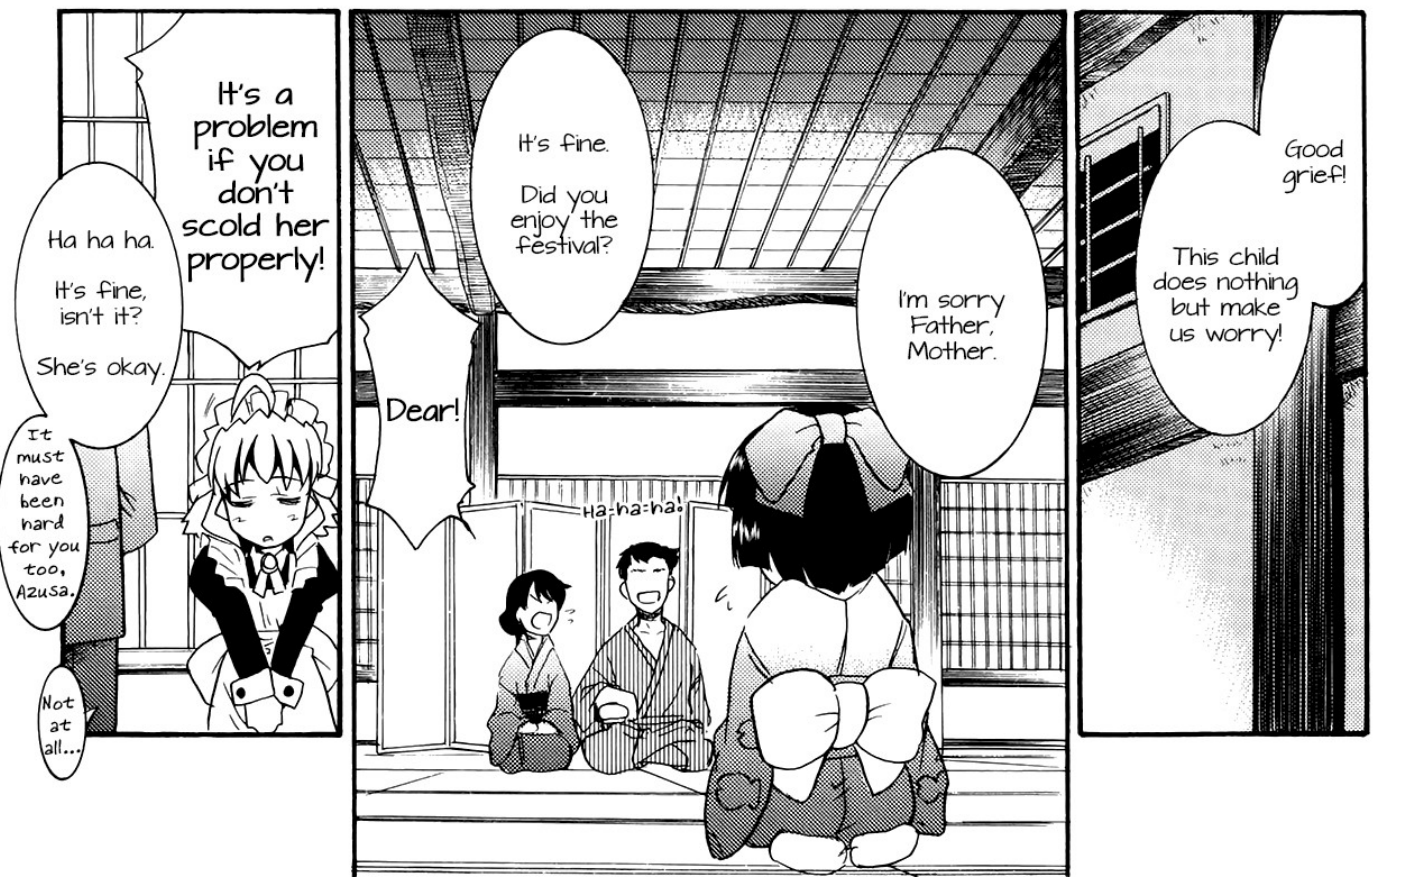

There are three ways to succeed as the heir of the Kanameke family.

There, there.
You're awake, huh.
♡

Mama will give you some milk now.
♡

And the third method is...

To create a successor...

Good grief!

This child does nothing but make us worry!

I'm sorry Father, Mother.

It's fine.
Did you enjoy the festival?

Dear!

Ha-ha-ha!

It's a problem if you don't scold her properly!

Ha ha ha
It's fine, isn't it?
She's okay.

It must have been hard for you too, Azusa.

Not at all...
