Look! What do you think?

Geez! You're treating me like a kid again...

Chin! Chin!

Yeah, it's totally cute.

I just got this recently~

I'm gonna leave you behind~

Yeah, well, I am the younger one, but...  
Mumble Mumble

Aahh! You don't sound like you actually mean that~

...Are you saying I shouldn't?

What's this? You gonna feel lonely?

HAHA

Eh- Oh, yeah, since I have school and everything.

Haa...

...Shin-chan, you're really leaving next week, aren't you?

And, so, um...

That's why every day was so much fun with you around, Shin-chan...

You know I don't have any siblings, right..?

That's not what I mean...

I-It'll be fine, we can call each other anytime...

And if I get time to work again, I'll definitely come here...

Shin-chan..

I...

So that's what it was about?!

Uh-

...Ah-

Eh-

I really like you!

Eh?!

Oh, so that's it~ Yeah, I like you too~

...Just kidding-

Fufu~

Mi-Mizuki-chan... What are you...

Kya!

Shin-chan... Were you watching?

I don't mind- I want you to keep looking.

N-No...

Wha?!

Doing these things means I'm not a kid, right?

You see, Shin-chan... when I smell your scent, my chest grows hot...

And my crotch starts feeling itchy...

What are you talking about?!

10/5/16

You'll never see me as a potential girlfriend, will you..?

And when you only think of me as a kid...

Shinchan.... I can't grow up before you leave.

Mizuki-chan...

So you have to turn me into an adult, Shinchan-

I want to have real sex with you...

Shinchan

Please...

Then can I have you spoil me some more?

Of course. Just tell me what you want.

Yeah.

...This makes me your girl-friend, right, Shin-chan?

おっ!

Well then...  
I want to do it one more time~

Ehe-he~

This time, I'll try my best...

Well... I guess that's true...

Ugh--

Shin-chan, you've been busy with all kinds of stuff lately and it's getting you down, right? You've sounded so lifeless every time I've called you.

Well, I mean...

Why'd you come over all of a sudden... I would've come pick you up if you'd just called me.

So I thought I'd come over to cheer you up!

I'm doing this all for you, Shin-chan!

You didn't have to come all the way here for something like that... And besides, I'm fine.

What do you mean "something like that"?!  
SHIN!  
WA!

Ah!  
You can't  
move now!

Th-  
That's  
enough  
already.

Good

Okay...

Until you go home...

Then we'll keep having sex...

Ah

Eh?!

...How long are you gonna stay here?

Mm... Three days, I guess...

We'll fuck like rabbits!

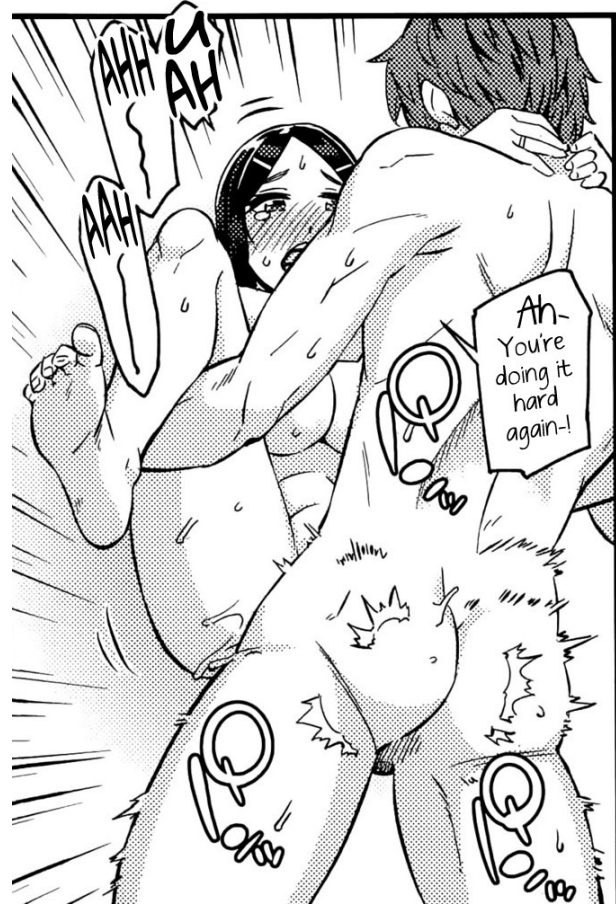

Alright-  
Let's do it-

AH AH AH  
AHN

HNN

HA  
AH

HNN

Ah-  
You're doing it hard again!

Yeah, but I didn't think... we'd keep doing it one round after another...

Didn't you say we'd go at it like rabbits?

Shin-chan...!  
I... can't take it any more...

Huuu-

Your cum's so hot..!

Ku-

I'm coming again-!

NN

Haha, are you looking for my dick?

Ahm

It's cum

Haa. Haah... Phew.

..Wait.

Half of it is already all over you but you're still going to suck it...

It's cum

Is this really cleaning you up at all..?

Of course!

Hey...

Having your squishy pussy on me feels simply amazing~

You say that, but you're real wet down here yourself... and it's not just water~

Hehe~

I can't help that...

...Shinchan, you're a perv.

THE 2ND DAY

When your dick...  
Goes slowly in and out of me... it feels funny.

Nn  
You're going... pretty slow today, I see...

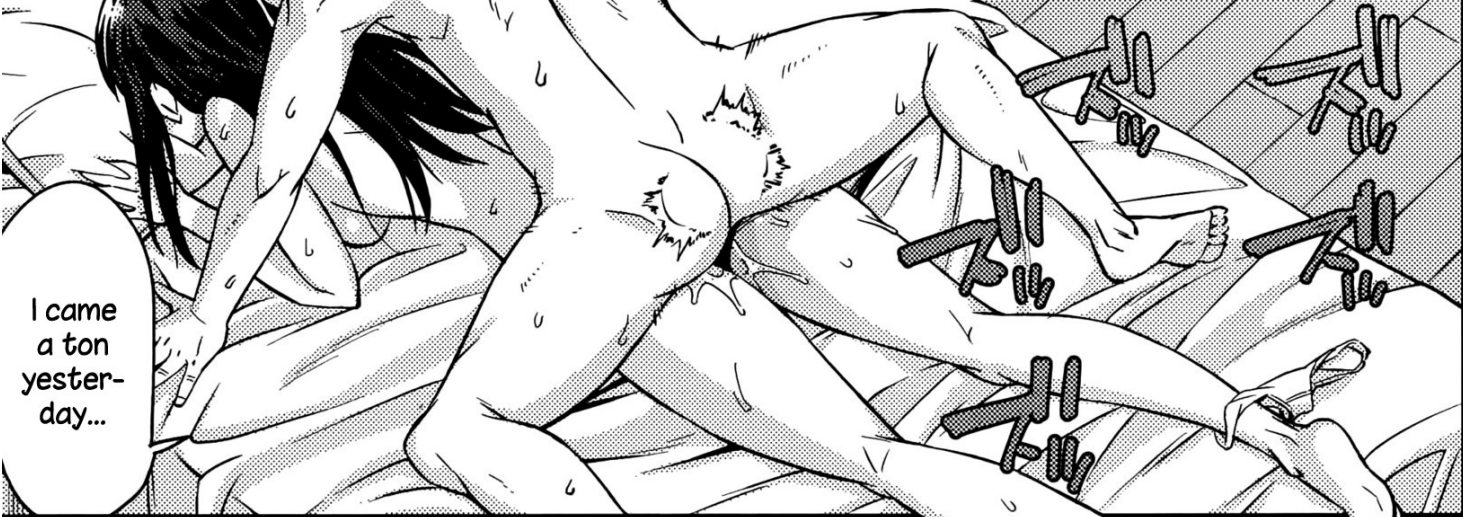

Like... the spot just under my belly button...

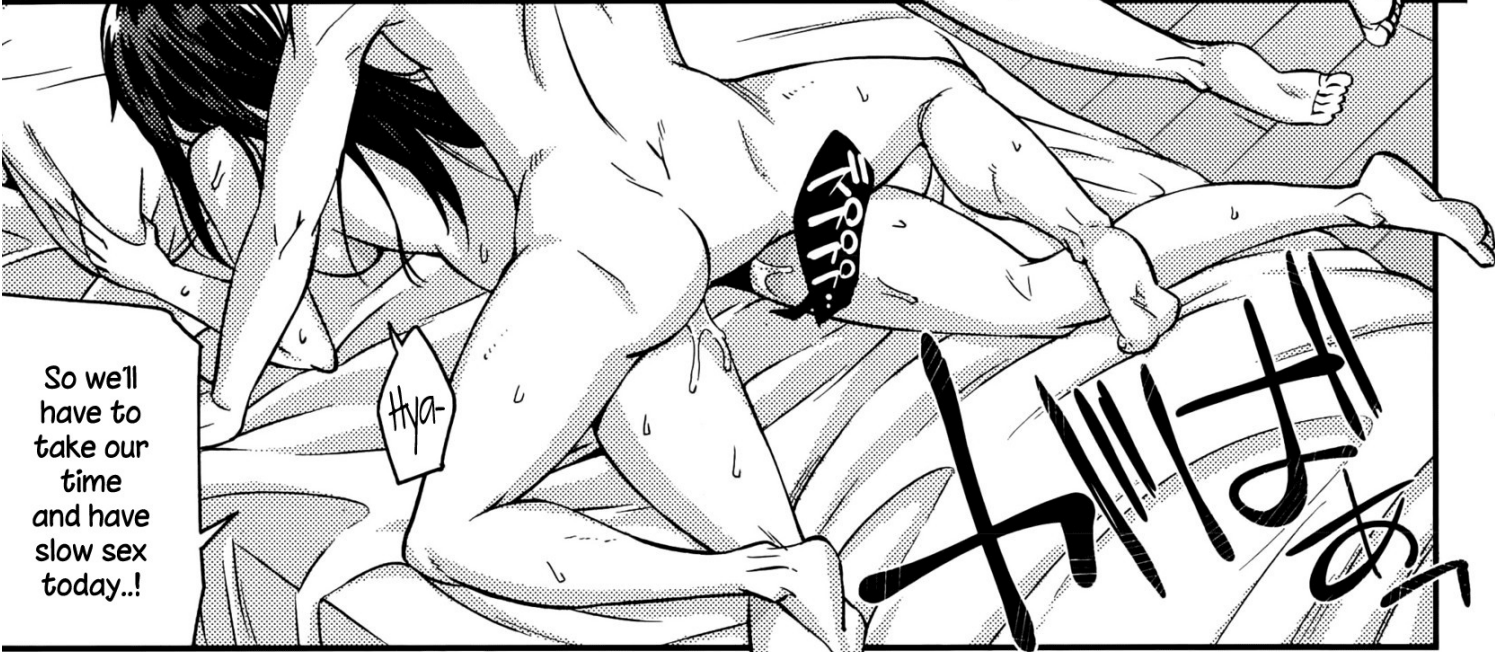

Gets... warmer and warmer...

I don't hate it... but...

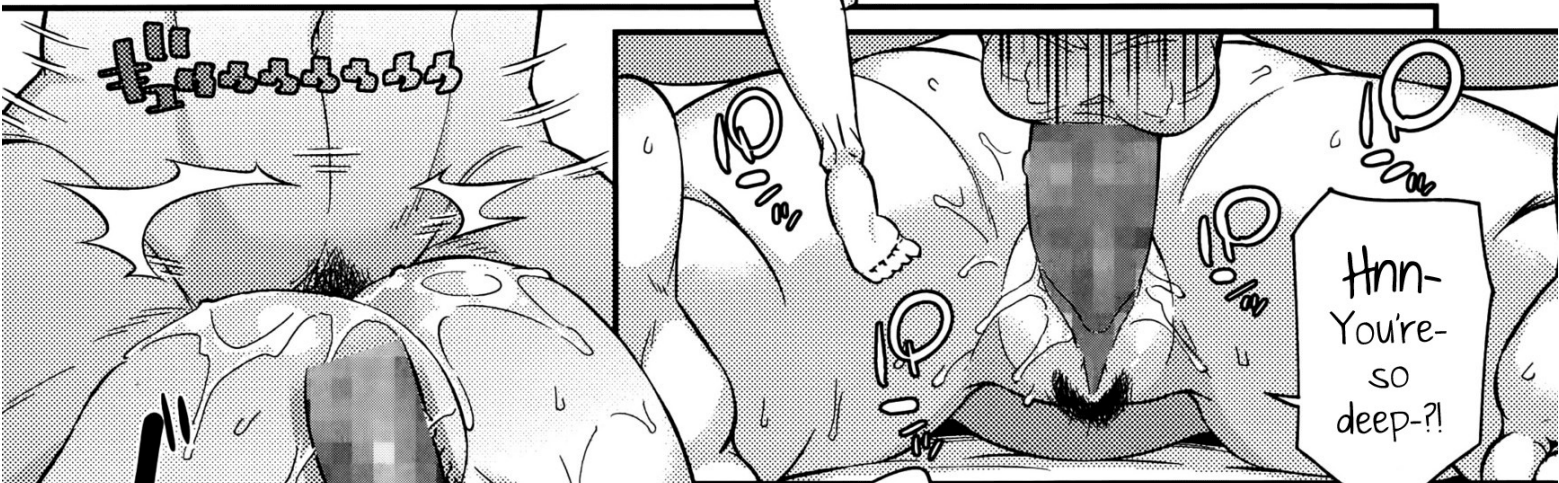

You don't like it?

I came a ton yesterday...

So we'll have to take our time and have slow sex today..!

Hnn- You're- so deep-?!

Stop grinding at the entrance~!

That's my womb-! You're reaching all the way to it~

Mou... what?

'Cause Mizuki, we're training the mouth of your cervix right now.

Haa

Ah

Shin-chan, stop... We can't do it when I'm cooking... It's dangerous...

Hey now, there's no point if we stop midway.

It feels so hot... inside my tummy...

...I think... something crazy is coming...

H- Hey, don't tell me...

Ah-?!

What's wrong?

Shin-cha...  
L...

I can't  
do it-

Go on!  
Just cum!

We've  
been  
doing it  
all day  
and  
she's  
coming  
now?!

You  
might  
end up  
cumming  
all day.

How nice  
that you  
managed  
to come-  
Now  
there's  
only half  
of the  
day left.

No...  
way...  
I can't  
feel  
any-  
thing  
any-  
more...

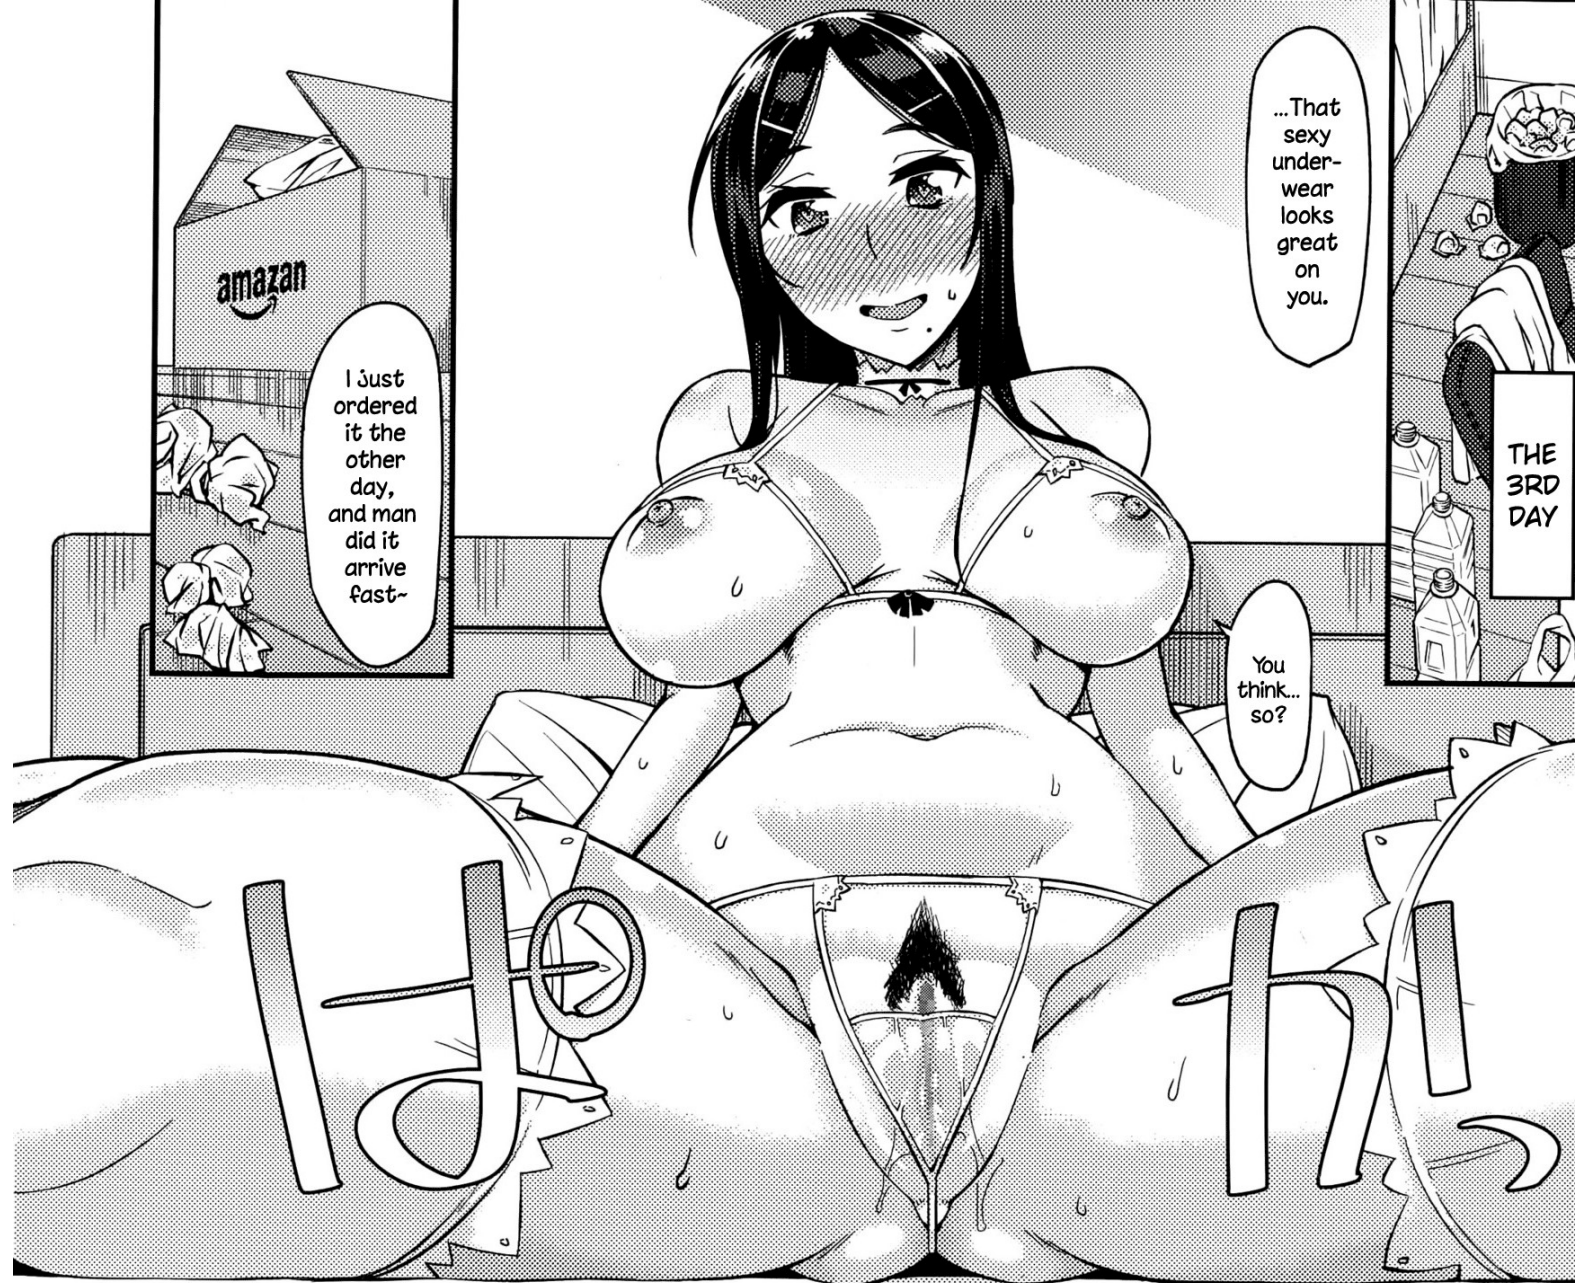

I'm  
gonna  
die...

I just ordered it the other day, and man did it arrive fast-

...That sexy underwear looks great on you.

You think... so?

THE 3RD DAY

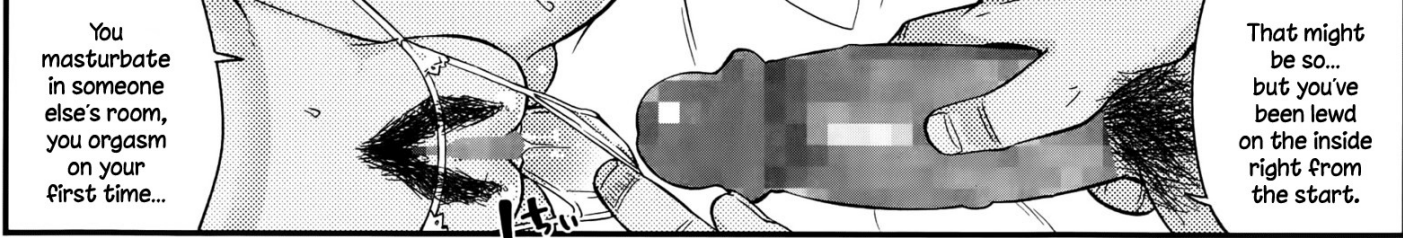

Ahn~

But this sure is something...

Hehe...

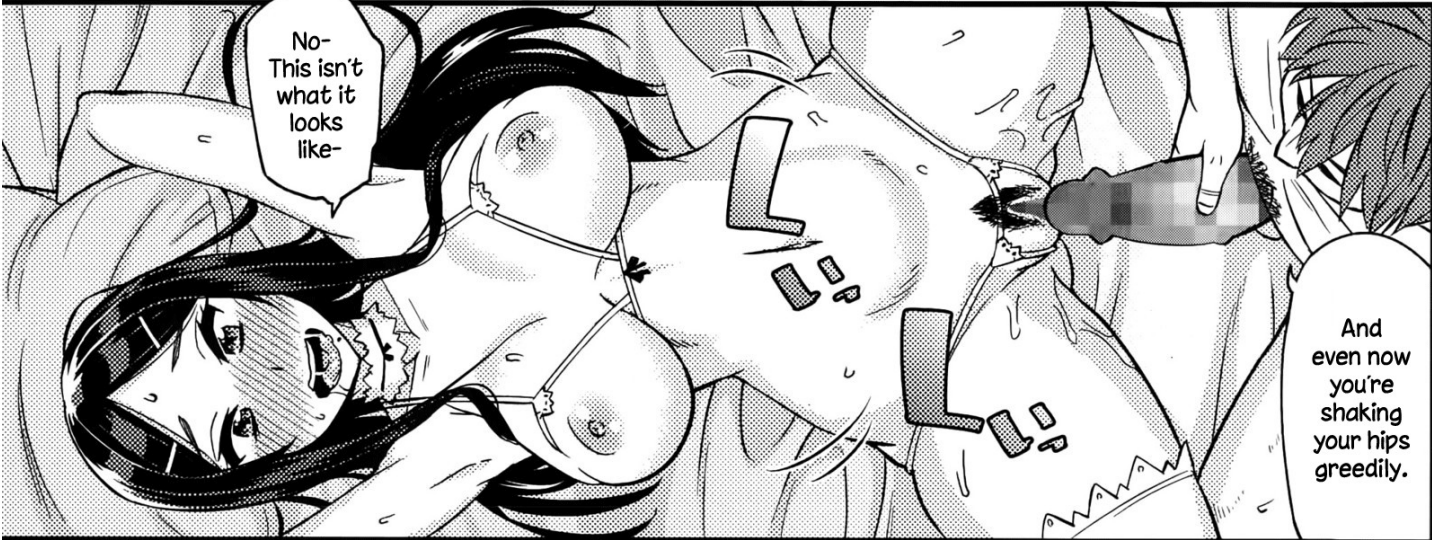

Y- You're the one who made me like this, Shin-chan-

When I look at you like this, it makes me notice again how lewd your body's grown up to be.

You masturbate in someone else's room, you orgasm on your first time...

That might be so... but you've been lewd on the inside right from the start.

No- This isn't what it looks like-

And even now you're shaking your hips greedily.

HAU AH

It's exactly what it looks like, you lewd little miss!

But... your dick just feels too good, Shin-chaan...

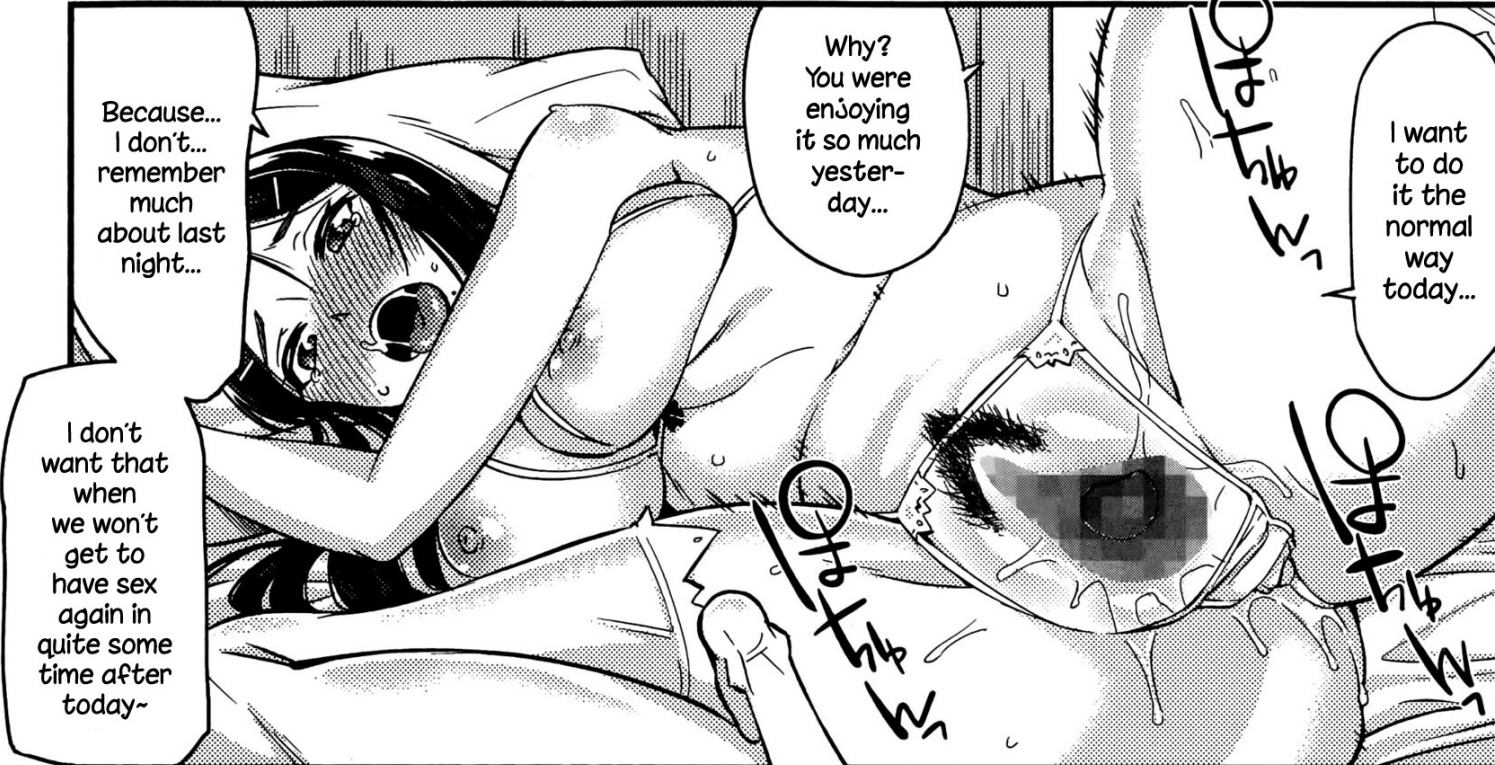

See? Just putting it in makes you come.

No!

Wanna do it like we did it yesterday?

ニギニギ  
ニギニギ

Because... I don't... remember much about last night...

Why? You were enjoying it so much yesterday...

I want to do it the normal way today...

I don't want that when we won't get to have sex again in quite some time after today~

オホオホ  
オホオホ

オホオホ  
オホオホ

And I... really...

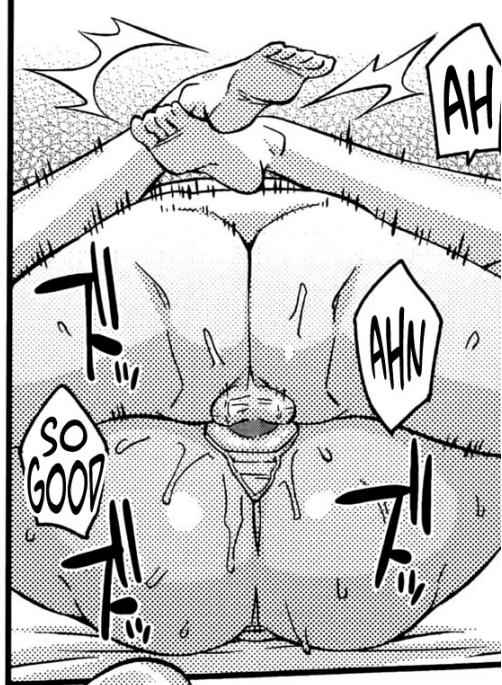

Want your dick~ I want you to fuck me hard~

I want lots and loots of your cum, Shin-chan~!

ガッ  
ガッ

ガッ  
ガッ

It feels great all the way in~

Your dick's amazing~

This feels sho good-

I love this~

Shin-chan...

Does my pussy feel good?

Guh- Yeah... It's the best-!

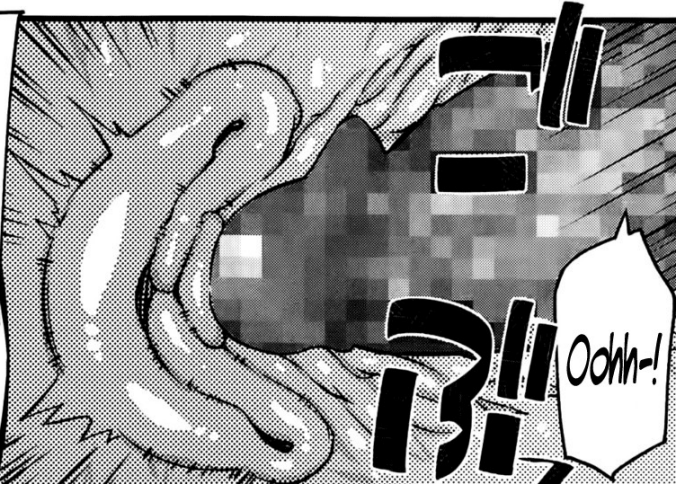

Come inside me~

So give it to me...

I'm ready any time...

I want to come while being cummed inside~!

Oohh-!

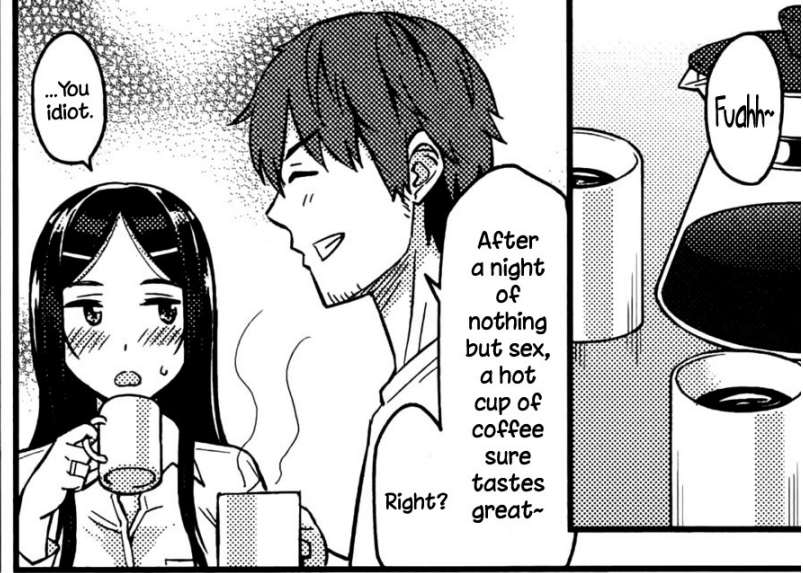

Yeah, I heard you loud and clear.

But enough of that, were you listening to me?

I said I want to attend a university here starting next year.

...You idiot.

After a night of nothing but sex, a hot cup of coffee sure tastes great-

Right?

Fuhhr~

Eh-?

Let's look for an apartment big enough for the both of us, okay?

I got it, so...

Ehe-he~

I love you so much, Shin-chan~ ♡

That's not it...

We don't have to do it right away... but then there's also... marriage... Mumble mumble.

And... well, uh...

Mizu-ki?

...You don't like the idea?
